Hendricks County Animal Control/Shelter

Ordinance Manual 2000-30

Title 2: Hendricks County Animal Control/Shelter Ordinance:

An ordinance regulating the keeping, impoundment, providing for, and taking up of dogs and other animals. To provide for rabies control quarantining and strict observation, and the destruction of dogs and other animals in certain cases. Any person violating any provision of this ordinance shall be deemed guilty of an ordinance violation. If such violation continues, each day's violation shall be a separate offense establishing Animal Control Official to enforce provisions of this ordinance.

WHERE-AS, the Board of Commissioners of Hendricks County, Indiana, has received numerous complaints of dogs and other animals running at large within the County. After having conferred with the Hendricks County Highway Department and the Hendricks County Sheriff's Department, has found that in order to protect the health and welfare of the citizens of Hendricks County from the nuisance and the unsanitary conditions of dogs and other animals running at large, and to promote the health and welfare of the public, it is Ordained as follows:

(A) It is the objective of the Hendricks County Animal Control/Shelter to provide for the safety and health of the citizens of Hendricks County by removal of the unwanted animal population from the public properties and neighborhoods, to control the problem of domestic animals running at large and to prevent the spread of rabies. There is no intent to remove or separate pets from owners. Every attempt to locate owners with their pets is made when animals with tags or a microchip are impounded. In addition to its statutory duties, the Hendricks County Animal Control/Shelter will provide limited services for the citizens of Hendricks County including animal adoption and the assistance to individuals who have lost or found animals.

(B) The following rules of the Hendricks County Animal Control/Shelter Ordinance were written with the above objectives in mind.

RULE 1
(General Definitions)

Chapter 2.1 Definitions:

The cost of the microchip and registration to be at the owner's expense.

(A) The Animal Control Officers shall make a determination as to whether an animal fits the dangerous or potentially dangerous category, based on complaints or other information. The Animal Control Officers shall investigate these complaints or the information to determine if, in fact, the animal is dangerous and /or potentially dangerous. This shall be done on a case-by-case basis.

(B) It is the owner's responsibility to conspicuously place a sign on every dangerous, or potentially dangerous animal's enclosure warning people that a dangerous or potentially dangerous, animal is kept there.

(C) If the owner or keeper of an animal that has been deemed dangerous or potentially dangerous, is unwilling or unable to comply with the above regulations for keeping such animal, then the owner or keeper must have the animal humanely euthanized by a Veterinarian or the Hendricks County Animal Control/Shelter, after any required holding period. Any animal that has been designated dangerous, or potentially dangerous, may not be offered for adoption.

(D) Any dangerous animal shall be immediately confiscated by an Animal Control Officer if the:

(1) Animal is not maintained in a proper enclosure.

(2) Animal is outside of the proper enclosure and not under proper restraint. In addition, the owner may be cited for an ordinance violation.

(E) Once an animal has been deemed a dangerous, or potentially dangerous animal and attacks or bites a person or domestic animal, the owner may be cited. In addition, the dangerous animal shall be quarantined at the Hendricks County Animal Control/Shelter.

(F) When an animal running at large appears to be an immediate physical threat to the public or other animals, and it cannot be safely or humanely captured by the Animal Control Officers, an officer of the law may be called and requested to destroy the animal as a last resort.

Sec. 2.7.3 Every female dog, in heat shall be kept confined in a building or secure enclosure, or in a veterinary hospital or boarding kennel, in such manner that said female dog cannot come into contact with another animal, except for breeding purposes, as the owner shall desire.

Sec. 2.7.4 No wild animal may be kept within the county limits, except under such conditions as shall be fixed by the Hendricks County Planning and Zoning, and the State of Indiana.

Sec. 2.7.5 Any at large animal described in the foregoing subsections of Rule 7 of this ordinance shall be impounded by the Hendricks County Animal Control/Shelter and may not be redeemed by its owner unless such redemption is authorized by a court having jurisdiction. This provision shall also apply to animals found to be in violation of Rule 8 of this ordinance. Any animal impounded for being a dangerous, or potentially dangerous animal may not be redeemed unless such redemption is authorized by a court having jurisdiction. The owner will be responsible for all fines and fees and proof of all vaccinations before the release of the animal.

RULE 8
(Rabies Control)

Chapter 2.8 Rabies Control:

Sec. 2.8.1 Any animal which bites a human being shall be promptly reported to the Hendricks County Animal Control/Shelter, and shall there upon be placed under strict confined observation, at the direction of the Hendricks County Animal Control/Shelter, for a period time designated by the Hendricks County Animal Control/Shelter, and shall not be released from strict confined observation, except by permission of the Hendricks County Animal Control/Shelter. **If the animal's rabies vaccination are current**, such strict confined observation may be on the premises of the owner, at the Hendricks County Animal Control/Shelter, (at the owner's option and expense), or in a Hendricks County veterinary hospital or boarding kennel of the owners choice, who is willing to and is equipped to provide the proper strict confined observation. In the case of stray animals, or in the case of animals whose ownership is unknown, **or if the owned animal is unvaccinated**, such strict confined observation shall at the owner's option and expense be at the Hendricks County Animal Control/Shelter or in a Hendricks County veterinary hospital or boarding kennel of the owner's choice. Animals that scratch will be place under strict confined observation. Such strict confined observation may be on the premises of the owner. The length of time will be ten days from time of bite, in a normal situation. During this time the animal cannot have any vaccinations in accordance with Indiana State Law. All dogs and cats at 3 months of age must have a current rabies vaccination; failure to do so will be an ordinance violation.

(A) Any animal that has bitten a human being, be it domestic or wild is considered a rabies suspect until proven otherwise.

(B) Any un-owned animal exhibiting signs of rabies shall be euthanized immediately, and the brain sent to the state laboratory. The most classic signs of rabies are; hydrophobia, extreme aggression, disorientation, foaming at the mouth, high fever, ataxia, or staggering. (No animal will show all the signs and some animals that have rabies will not show any of the signs.)

(1) Currently vaccinated animals can be placed under strict confined observation at the owners home if the owner has the facilities to handle a rabies suspect that complies with the rules of the Hendricks County Animal Control/Shelter. This decision shall be at the discretion of the Hendricks County Animal Control/Shelter as to if the owners home is sufficient. If the owner has indicates by action, words, or deed signs of not willing to cooperate fully, the animal will be taken to the animal shelter for the remainder of the strict confined observation at the owner's expense.

(C) Unvaccinated animals or animals otherwise suspected of having rabies are to be place under strict confined observation at the owner's expense, at the Hendricks County Animal Control/Shelter, in a veterinary clinic or a boarding kennel. These facilities must be willing to accept the responsibility of the suspect animal and be properly equipped for strict confined observation, providing it is within Hendricks County. The owner's home is not sufficient confinement for these rabies suspects. Some cases are judge case-by-case with all information taken into consideration. (i.e. impute from a veterinarian, age, sick, injured).

(1) At the owner's discretion, the animal may be euthanized and have the brain sent to the state laboratory for a quick diagnosis.

(D) Wild animals that have bitten shall be euthanized immediately. The head will be sent to the state laboratory.

(E) DOMESTIC ANIMAL VS DOMESTIC ANIMAL:

(1) (VACCINATED BITER) The biter will be placed under strict confined observation at owner's home for a period of time as shall be fixed by the Hendricks County Animal Control/Shelter. (Ten days from time of bite).

(2) (UNVACCINATED BITER) the biter will be placed under strict confined observation at the Hendricks County Animal Control/Shelter for a period of time (ten days from time of bite). Before release will be granted, proof of appointment and a prepaid rabies vaccination with a licensed veterinarian must be provided. Revaccination must be within 24 hours after release from shelter.

(3) (VACCINATED BITE VICTIM). When biter cannot be found, victim must be revaccinated immediately and placed under observation at owners home for 45 days from time of bite.

(4) (UNVACCINATED BITE VICTIM) When biter can not be found, the owner should have the animal euthanized immediately. If the owner is unwilling to have this done, the victim is placed under strict isolation for six months, and is to be vaccinated one month before release. Owner's home is sufficient if the owner has the proper facilities for the strict isolation. If not, the animal will be placed under strict isolation at the Hendricks County Animal Control/Shelter. The cost is to be the owner's responsibility, and is to be prepaid up front. For failure to prepay within three days from the start of strict isolation at the shelter, the animal can be euthanized.

(F) Some cases of animal Vs. animal will be evaluated on a case-by-case basis. This decision shall be made in conjunction with the Indiana State Board of Animal Health and the State Veterinarian.

(G) All animals placed under strict confined observation, strict isolation and/or quarantine must remain within Hendricks County for the duration of this period. The cost is the owner's responsibility. Some cases will be evaluated on a case-by-case basis and all information considered.

Sec. 2.8.2 The owner or keeper shall surrender, upon demand of the Hendricks County Animal Control/Shelter, any animal which has bitten a human, or is suspected of having been exposed to rabies, for supervised strict confined observation, strict isolation and or quarantine, with the expenses being borne by the owner.

(A) The animal may be reclaimed by the owner:

(1) At the completion of the observation period from time of bite.

(2) If the animal is determined to be free of rabies at time of the bite.

(3) Upon payment of fees to the Hendricks County Animal Control/Shelter.

(4) After proof is given to Animal Control of prepayment of a rabies vaccination and proof of appointment to have animal vaccinated by a licensed veterinarian within 24 hours after release from the shelter.

(B) Animals not reclaimed after the observation:

(1) If there is no contact from the animal's owner after release from observation, within three days, the animal becomes property of the Hendricks County Animal Control/Shelter and it will be euthanized.

(2) If the owner makes contact with the Hendricks County Animal Control/Shelter and does not know if they want the animal back, and leaves the animal, then a time of three days will be given if the owner does not come back to get the animal it becomes property of the Hendricks County Animal Control/Shelter. It will be euthanized.

Sec. 2.8.3 When an animal under observation and/or quarantine has been diagnosed as being rabid, or suspected by a licensed veterinarian as being rabid, or dies while under observation, the Hendricks County Animal Control/Shelter shall immediately send the head of such animal to the State Health Department for pathological examination. Hendricks County Animal Control/Shelter shall then notify the proper public health officer of reports of human contacts and the diagnosis of the suspected animal.

Sec. 2.8.4 When reports give a positive diagnosis of rabies, the Hendricks County Animal Control/Shelter shall recommend a countywide quarantine for a period of 45 days. Upon the invoking of such quarantine, no animal shall be taken into the streets, or permitted to be in the streets, during such quarantine period unless animal is under control on a leash, with a choke collar, and must be with the owner, who must be 18 years of age or older. During such quarantine, no animal shall be taken or shipped from the county, without written Permission of the Hendricks County Animal Control/Shelter. Such decision shall be made in conjunction with the Indiana State Board of Animal Health and the State Veterinarian.

Sec. 2.8.5 Any stray animal that has been bitten by an animal adjudged to be rabid, shall be destroyed immediately and tested by the State Rabies Lab.

(A) If an animal is found in violation of the strict confined observation, strict isolation and or quarantine guidelines, then the remainder of the strict observation, strict isolation and or quarantine will take place at the Hendricks County Animal Control/Shelter, at the owner's expense. Some cases will have to be prepaid within three days.

(B) Some cases of expired vaccinations will be evaluated on an case-by-case basis in conjunction with the Indiana State Board of Animal Health and the State Veterinarian .

Sec. 2.8.6 In the event of additional positive cases of rabies occurring during the period of quarantine, such period of quarantine may be extended for an additional six (6) months or such other period as the Hendricks County Animal Control/Shelter may deem necessary. Such decision shall be made in conjunction with the Indiana State Board of Animal Health and the State Veterinarian.

Sec. 2.8.7 The carcass of a dead animal exposed to rabies shall, upon demand, be surrendered to the Hendricks County Animal Control/Shelter.

Sec.2.8.8 The Hendricks County Animal Control/Shelter shall direct the disposition of any animal found to be infected with rabies, in conjunction with the Indiana State Board of Animal Health and the State Veterinarian.

Sec.2.8.9 Any person refusing to surrender to the Hendricks County Animal Control/Shelter any animal suspected of being rabid, or exposed to rabies, for strict confined observation, strict isolation, quarantine or destruction, may be deemed guilty of an ordinance violation.

RECORDER HENDRICKS COUNTY

AN ORDINANCE REGULATING THE KEEPING OF DOGS AND PROVIDING FOR THE TAKING UP AND IMPOUNDMENT OF DOGS AND OTHER ANIMALS, AND QUARANTINING AND THE DESTRUCTION OF DOGS IN CERTAIN CASES AND MAKING VIOLATIONS A MISDEMEANOR PUNISHABLE BY FINE NOT EXCEEDING \$100; AND ESTABLISHING AN ANIMAL CONTROL AUTHORITY TO ENFORCE PROVISIONS OF THIS ORDINANCE.

WHEREAS, the Board of Commissioners of Hendricks County, Indiana, have received numerous complaints of dogs and other animals running at large within the County, and after having conferred with the County Health Department and the County Sheriff's Department, has found that in order to protect the health and welfare of the citizens of Hendricks County, from the nuisance and the unsanitary conditions of dogs and other animals running at large, and to promote the health and welfare of the public, it is Ordained as follows:

Section 1. Definitions:

- (a) Owner: Any person, group of persons, or corporation owning, keeping or harboring a dog or dogs or other animal.
- (b) Kennel: Any person, groups of persons, or corporations engaged in the commercial business of breeding, buying, selling or boarding dogs.
- (c) At Large: Any dog shall be deemed to be at large, when he is off the property of his owner and not under control of a competent person.
- (d) Restraint: A dog is under restraint within the meaning of this Ordinance if he is controlled by a leash, at "heel" beside a competent person and obedient to that person's commands, on or within a vehicle being driven or parked on the streets, or within the property limits of its owner or keeper.
- (e) Spayed Female: Any bitch which has been operated upon to prevent conception.
- (f) Hendricks County Animal Shelter: Any premises designated by action of the County Commissioners for the purpose of impounding and caring for all animals found running at large in violation of this Ordinance.

(g) Hendricks County Animal Control Authority: The provisions of the Ordinance shall be enforced by the Hendricks County Animal Control Authority, whose membership shall consist of ten (10) members as follows: The Hendricks County Sheriff and the Chiefs of Police of Plainfield, Brownsburg and Danville, who shall serve thereon by virtue of their office; one County Commissioner and One County Councilman to be appointed from their respective memberships at the regular meeting in December of each year, to serve for a period of one (1) year; one representative from the County Health Department to be appointed by the County Health Board in December of each year, to serve for a period of one (1) year; four lay members, one of whom shall be a licensed Veterinarian residing in Hendricks County, and one of whom shall be a Township Trustee of Hendricks County, who shall be appointed by the Hendricks County Commissioners and serve for a period of three (3) years. In making the initial appointments of the lay members to the Board, the County Commissioners shall appoint one member to serve a period of one (1) year, the second member for a period of two (2) years and the third member to serve for a period of three (3) years. All members, excepting those who serve by virtue of their office term, shall expire on December 31 on the last year of their term.

(h) The Hendricks County Animal Control Authority shall have the power to employ such persons and set their salaries as are necessary to carry out the provisions of this Ordinance. The Hendricks County Animal Control Authority's power to employ personnel and set salaries shall only be exercised with the approval of the Hendricks County Commissioners and Hendricks County Council.

(i) The Hendricks County Animal Control Authority shall meet in January of each year and elect a President, Vice-President and Secretary, who shall serve for a period of one (1) year or until their successors are duly elected and qualified. The Hendricks County Animal Control Authority shall adopt such rules and regulations as are necessary to conduct their meetings and carry out the provisions of this Ordinance.

(j) Animal Warden: The person or persons employed by the Hendricks County Animal Control Authority as its enforcement officer.

(k) Exposed to Rabies: A dog has been exposed to Rabies within the meaning of this Ordinance, if it has been bitten by, or been exposed to, any animal known to have been infected with Rabies.

Section 2. Enforcement:

The provisions of this Ordinance shall be enforced by the Hendricks County Animal Control Authority.

Section 3. Restraint: The owner shall keep his dog under restraint at all times and shall not permit such dog to be at large, off the premises or property of the owner, unless under the control of a competent person.

Section 4. Impoundment: Unlicensed dog, or dogs found running at large shall be taken up by the agents of the Hendricks County Animal Control Authority, and impounded in the shelter designated as the Hendricks County Animal Shelter, and there confined in a humane manner for a period of not less than 3 days, and may thereafter be disposed of in a humane manner if not claimed by their owners. Dogs and cats not claimed by their owners before the expiration of 3 days, shall become the property of the Hendricks County Animal Control Authority and be disposed of at the discretion of the said authority, except as hereinafter provided in the cases of certain dogs and cats.

(b) The Hendricks County Animal Control Authority may transfer title to all animals held by it at its animal shelter to any person or persons or to the Humane Society after the legal detention period has expired and the animal has not been claimed by its owner. In the event of such transfer of title it is expressly understood that the person or persons or the Humane Society shall pay for each animal's food until it shall be removed from the animal shelter.

(c) When dogs are found running at large, and their ownership is known to the agents of the Hendricks County Animal Control Authority, such dogs need not be impounded, but the agent,

may, at his discretion, cite the owners of the dogs to appear in court to answer to charges of violation of this ordinance.

(d) Immediately upon impounding dogs, or other animals, the agents of the Hendricks County Animal Control Authority shall make every possible effort to notify the owners of such dogs, or other animals so impounded, and inform such owners of the conditions whereby they may regain custody of such animals.

(e) Animals other than dogs and cats, shall be impounded when found running at large within the county limits and disposed of in accordance with law.

(f) Unspayed Female Stray Dogs: No unspayed female dog which has been impounded by reasons of its being a stray shall be allowed to be adopted from the animal shelter unless the prospective owner shall agree to have such female spayed, or the Humane Society agrees to do so.

Section 5. Redemption of Impounded Animals:

(a) The owner shall be entitled to resume possession of any impounded dog, except as hereinafter provided in the case of certain dogs, upon the payment of impoundment fees set forth herein.

(b) Any other animal impounded under the provisions of this Ordinance may be reclaimed by the owner upon the payment of the impoundment fees set forth herein.

(c) Any animal impounded under the provisions of this Ordinance and not reclaimed by its owner within 3 days, may be humanely destroyed by the Hendricks County Animal Control Authority, or its agents, or placed in the custody of some person deemed to be a responsible and suitable owner, who will agree to comply with the provisions of this Ordinance and such other regulations as shall be fixed by the Hendricks County Animal Control Authority. Provided, if the animal is one as to which the respective rights of the owner or the person in possession or custody are determined by State Law, such law shall be complied with.

Section 6. Impoundment Fees:

Any animal impounded hereunder may be reclaimed as herein provided upon payment by the owner to the Hendricks County Animal

Control Authority the sum of \$3.00 for each dog, and the additional sum of \$1.00 for each day such dog is kept after the expiration of the legal detention period; \$2.00 for each cat, and the additional sum of \$1.00 for each day such cat is kept after the expiration of the legal detention period; and \$25.00 for any other animal, excepting rabbits, poultry and birds, and the additional sum of \$5.00 for each day such animal is kept after the legal detention period. Impoundment fees set forth herein shall be collected by the Hendricks County Animal Control Authority and periodically turned over to the Hendricks County Auditor to pay into the Hendricks County General Fund.

Section 7. Confinement of Certain Dogs and Other Animals:

(a) The owner shall confine within a building or secure enclosure, every fierce, dangerous, or vicious dog, and not take such dog out of such building, or secure enclosure unless such dog is securely muzzled.

(b) Every female dog or cat in heat shall be kept confined in a building or secure enclosure, or in a veterinary hospital or boarding kennel, in such manner that such female dog or cat cannot come in contact with another animal, except for breeding purposes as the owner shall desire.

(c) No wild animal may be kept within the county limits, except under such conditions as shall be fixed by the Hendricks County Animal Control Authority, provided, however that wild animals may be kept for exhibition purposes by circuses, zoos, and educational institutions, in accordance with such regulations as shall be established by the Hendricks County Animal Control Authority.

(d) Any animal described in the foregoing subsections of Section 7 of this Ordinance, found at large, shall be impounded by the Hendricks County Animal Control Authority and may not be impounded by the Hendricks County Animal Control Authority and may not be redeemed by owners, unless such redemption be authorized by any court having jurisdiction. This provision shall also apply to animals found to be in violation of Section 8 of this Ordinance.

(e) Any dog, cat or other animal, impounded for being a public nuisance may not be redeemed unless such redemption is authorized by any court having jurisdiction.

(f) When in the judgment of the Hendricks County Animal Control Authority or its agents, an animal should be destroyed for humane reasons, such animal may not be redeemed.

Section 8. Rabies Control:

(a) Every animal which bites a person shall be promptly reported to the Hendricks County Animal Control Authority, and shall thereupon be securely quarantined at the direction of the Hendricks County Animal Control Authority for a period of 10 days, and shall not be released from such quarantine except by written permission of the Hendricks County Animal Control Authority. At the discretion of the Hendricks County Animal Control Authority, such quarantine may be on the premises of the owner, at the shelter designated as the Hendricks County Animal Shelter, or at the owner's option and expense, in a veterinary hospital of his choice. In the case of stray animals, or in the cases of animals whose ownership is not known, such quarantine shall be at the shelter designated as the Hendricks County Animal Shelter.

(b) The owner upon demand made by the Hendricks County Animal Control Authority, shall forthwith surrender any animal which has bitten a human, or which is suspected of having been exposed to rabies, for supervised quarantine which expense shall be borne by the owner, and may be reclaimed by the owner if adjudged free of rabies, upon payment of fees set forth in Section 6 of this Ordinance.

(c) When an animal under quarantine has been diagnosed as being rabid, or suspected by a licensed veterinarian as being rabid, and dies while under such observation, the Animal Control Authority shall immediately send the head of such animal to the State Health Department for pathological examination, and shall notify the proper public health officer of reports of human contacts, and the diagnosis of the suspected animal.

(d) When one or both reports give a positive diagnosis of rabies, the Hendricks County Animal Control Authority shall recommend a county-wide quarantine for a period of thirty (30) days, and upon the invoking of such quarantine, no animal shall be taken into the streets, or permitted to be in the streets, during such quarantine period. During such quarantine, no animal shall be taken or shipped from the county without written permission of the Hendricks County Animal Control Authority.

(e) During such period of rabies quarantine as herein provided, every animal bitten by an animal adjudged to be rabid, shall forthwith be destroyed, or at the owner's expense and option, shall be treated for rabies infection by a licensed veterinarian, or held under thirty (30) days quarantine by the owner in the same manner as other animals are quarantined.

(f) In the event there are additional positive cases of rabies occurring during the period of the quarantine, such period of quarantine may be extended for an additional six (6) months or such other period as the Hendricks County Animal Control Authority may deem necessary.

(g) The carcass of any dead animal exposed to rabies shall upon demand be surrendered to the Hendricks County Animal Control Authority.

(h) The Hendricks County Animal Control Authority shall direct the disposition of any animal found to be infected with rabies.

(i) No person shall fail to refuse to surrender any animal for quarantine or destruction as required herein, when demand is made thereof by the Hendricks County Animal Control Authority.

Section 9. Reports of Bite Cases: It shall be the duty of every physician, or other practitioner, to report to the Hendricks County Animal Control Authority the names and addresses of persons treated for bites inflicted by animals, together with such other information as will be helpful in rabies control.

Section 10. Responsibilities of Veterinarians: It shall be the duty of every licensed veterinarian to report to the

Hendricks County Animal Control Authority his diagnosis of any animal observed by him as a rabies suspect.

Section 11. Exemptions:

(a) Hospitals, clinics, and other premises operated by licensed veterinarians for the care and treatment of animals are exempt from the provisions of this Ordinance, except where such duties are expressly stated.

Section 12. Investigation: For the purpose of discharging the duties imposed by this Ordinance and to enforce its provisions, any agent of the Hendricks County Animal Control Authority is empowered to enter upon any premises upon which any animal is kept or harbored in a reportedly cruel or inhumane manner and demand to examine such animal and to take possession of such animal, when in his opinion, it requires humane treatment.

Section 13. Interference: No person shall interfere with, hinder or molest any agent of the Hendricks County Animal Control Authority in the performance of any duty of such agent, or seek to release any animal in the custody of the Hendricks County Control Authority, or its agents, except as herein provided.

Section 14. Records:

(a) It shall be the duty of the Hendricks County Animal Control Authority to keep, or cause to be kept, accurate records, and detailed records of the impoundment and disposition of all animals coming into its custody.

(b) It shall be the duty of the Hendricks County Animal Control Authority to keep, or cause to be kept accurate and detailed records of all bite cases reported to it, and its investigation of same.

(c) It shall be the duty of the Hendricks County Animal Control Authority to keep, or cause to be kept, accurate and detailed records of all monies belonging to Hendricks County, which records shall be opened to inspection at reasonable times by such persons responsible for similar records of Hendricks County, and shall be audited by Hendricks County annually in the same manner as other records of the county are audited.

Section 15. Penalty: Any person violating any provision of this Ordinance shall be deemed guilty of a misdemeanor and punished by a fine not exceeding \$100.00 and/or 30 days in the County Jail; and if such violation be continued, each day's violation shall be a separate offense.

Section 16. Repeals: All other county Ordinances in conflict herewith are repealed to the extent of such conflict.

Section 17. Severability: If any part of this Ordinance shall be held void such part shall be deemed severable, and the invalidity thereof, shall not affect the remaining parts of this Ordinance.

Inasmuch as an emergency exists, this Ordinance shall be in full force and effect immediately upon its adoption and publication as required by law.

Adopted this 20th day of February, 1975.
