RECORDER HENDRICKS COUNTY

SECTION 1 DEFINITIONS 3.2.1

The definitions as stated in the current Indiana State Board of Health Regulations concerning food service establishments and retail food markets shall be used in enforcing this Food Service Ordinance. At least 2 copies of the current Indiana State Board of Health's Regulations shall be on file in the County Auditor's Office.

A. HENDRICKS COUNTY - The term "Hendricks County" shall mean those rural and urban areas which are under the jurisdiction of the Hendricks County Health Officer.

B. HEALTH OFFICER - The term "Health Officer" shall mean the Hendricks County Health Officer or his duty authorized representative.

SECTION 11 PERMITS 3.2.2

A. Permits - It shall be unlawful for any person to operate a food service establishment, temporary food service establishment, mobile food service establishent, food market, or temporary food market in Hendricks County, who does not possess a valid permit from the Health Officer. Only persons who comply with the applicable requirements of this ordinance shall be

entitled to receive and retain such a permit.

1. The permit of a full time establishment shall be for a term of one year and shall be renewed annually from the date of issuance.

2. A separate permit shall be required for each food establishment operated or to be operated by any person.

3. A permit issued under this ordinance is not transferable.

4. New food establishments or food markets must obtain a perfect 100 score on the inspection to receive a permit. Existing food establishments or food markets must obtain a score of 90 or above with no major violations in order to receive a permit. The current Indiana State Board of Health inspection form is used which has a maximum score of 100.

5. No permit or renewal thereof shall be denied or revoked on arbitrary or capricious grounds.

6. Permits are needed for all temporary food service establishments.

B. Permits Fees - Permit fees shall be paid annually to the Hendricks County Health Department in accordance with the following classifications.

#### FEE SCHEDULE

##### FOOD SERVICE ESTABLISHMENTS AND FOOD MARKETS

1 thru 5 employees	\$25.00
6 thru 9 employees	\$40.00
10 or more employees	\$60.00
TEMPORARY OR MOBILE FOOD SERVICE ESTABLISHMENTS SERVING MORE THAN THREE DAYS AT ONE LOCATION	\$15.00
PENALTY FEE (Receiving a probationary permit because of sanitation problems or closure of establishment).	\$40.00
DELINQUENT FEE (Failure to pay above mentioned fees 30 days past due date).	\$20.00

##### C. Permit Fee Exemptions:

1. The permit fee provisions of this Ordinance shall not apply to food service establishments, temporary food service establishments, mobile food service establishments, food market, temporary food markets operated by vending operators which are religious, educational and charitable organizations, unless they

provide food services to persons other than members, guests, or students on a regular basis. The above establishments are, however, still subject to periodic inspections.

2. The permit fee provisions of this Ordinance shall not apply to food service establishments, mobile food service establishments, food markets, or temporary food markets which provide only prepackaged food items or do not provide potentially hazardous foods for public consumption. A "potentially hazardous food" consists in whole or in part of milk or milk products, eggs, meat, poultry, fish, shellfish, edible crustaces, or other ingredients, including synthetic ingredients, in a form capable of supporting growth of infectious or toxigenic micororganisms. The term does not include clean, whole, uncracked, orodor-free shelled eggs or foods which have a ph level of 4.6 or below or a water activity (Aw) value of 0.85 or less. Examples might be fresh produce stands, liquor stores and drug stores if the items for sale do not meet the above definition for "potentially hazardous food." However, the above establishments are still subject to periodic inspections.

3. The permit fee provisions of this Ordinance shall not apply for temporary food service establishments who sells food for 3 (three) days or less.

SECTION III MINIMUM SANITATION REQUIREMENTS FOR FOOD ESTABLISHMENTS  
AND THEIR INSPECTION

A. All food establishments, whether operating under a standard permit or a temporary permit shall comply with the minumum sanitation requirements found in the current Indiana State Board of Health Regulations concerning food service establishments and food markets. Two copies of these regulations will be on file in the office of the County Auditor of Hendricks County, Indiana, for public inspection.

B. Frequency of Inspection: At least once each twelve (12) months or as deemed necessary by the Health Officer, the Health Officer or his agent shall inspect each food service establishment, temporary food service establishment, mobile food service establishment, food market, and temporary food market for which a permit is required under the provisions of this Ordinance.

C. Procedure When Violations Noted: If, during the inspection of any food service establishment, temporary food service establishment, mobile food service establishment, food market operation, the Health Officer or his agent discovers the violation of any of the sanitary requirements of this Ordinance, he shall issue a written order listing such violations to the owner or

manager or in his absence, any other person ostensibly in charge, and fixing a time within which said operator of said food service establishment, temporary food service establishment, mobile food service establishment, food market and temporary food market shall abate and remedy such violations. A copy of the written order shall be filed in the records of the Department.

D. Criteria for Issuance of Permits Based on Inspection Score:

1. New establishments and extensively remodeled establishments must receive a perfect 100 score to receive a permit. The establishment will be issued a 30 day probationary permit before receiving an annual operational permit.

2. Existing establishments must obtain a score of 90 or above with no major violations to receive an annual operational permit. If an existing establishment changes ownership, the new owner will be issued a 30 day probationary permit and must receive a score of 90 or above within this 30 day period.

3. Establishments obtaining a score below 70 will be issued a probationary 30 day permit. To be taken off a probationary status and be granted an operational permit, the establishment must attain a score of 90 with no major violations and pay the penalty fee.

4. Establishments obtaining a score of 60 or below will be ordered to close immediately and can not reopen until a score of 90 or higher with no major violations is obtained. The penalty must be paid and the establishment will reopen with a 30 day probationary permit.

5. Establishments may be issued two consecutive probationary permits in some instances at the discretion of the Health Officer. At the end of the probationary period, the effective date on the permit expires and the owners are in violation of operating an establishment without a valid permit.

SECTION IV APPROVAL OF PLANS

All food establishments which are hereafter constructed or altered shall conform with the applicable requirements set forth in Section III (3) of this ordinance. Properly prepared plans and specifications shall be submitted to and approved by the Health Officer as may be required before starting any work.

SECTION V COMMUNICABLE AND INFECTIOUS DISEASE CONTROL

A. Infected persons prohibited: No person while affected with any disease in a communicable form, or while a carrier of such disease or while afflicted with boils, infected wounds, sores, a cold, diarrhea, gastrointestinal upset, or a respiratory infection shall work in an area of a food service establishment, temporary

food service establishment, food market, temporary food market, mobile food service establishment or service in any capacity in which there is a likelihood of such person contaminating food or food-contact surfaces with pathogenic organisms or transmitting disease to other individuals; and no person known or believed to be affected with any such disease or condition shall be employed in such an area or capacity. If the manager or person in charge of the food service establishment, temporary food establishment, mobile food service establishment, food market or temporary food market has reason to believe that any employee has contracted any disease in a communicable form or while a carrier of such disease, should contact the Health Officer immediately.

B. Procedure When Disease Suspected: When the Health Officer has probably cause to determine that there exists a reasonable possibility of the transmission of disease from any food service establishment, temporary food service establishment, mobile food service establishment, food market, and temporary food market, the Health Officer may require any or all of the following measures.

1. The immediate exclusion of all persons determined to be possible carriers or transmitters of disease from any or all food service establishments, temporary food establishments, mobile food service establishments, food markets or temporary food markets.

2. The immediate closing of the affected food service establishment, temporary food service establishment, mobile food service establishment, food market or temporary food market until no further danger of the presence of disease crisis in the opinion of the Health Officer.

3. Medical examination of any person determined to be possible carrier or transmitter of disease and said person associates to such extent as may be deemed necessary to satisfy the Health Officer that a determination of the presence or absence of disease can be made to a reasonable medical certainty.

#### SECTION VI FOOD MANAGER EDUCATION

A. Every owner or manager of a full time food service establishment and food market shall attend a food handling education course provided by the Hendricks County Health Department at least once every two years. Food establishments will not receive a permit unless this requirement is met.

B. It is highly recommended that each food establishment and food market conduct food handler education programs for all their employees. The Hendricks County Health Department will assist management with these programs.

#### SECTION VII DISPLAY OF PERMITS

All food service establishments shall have on display in full

view to its customers the Food Permit issued by the Hendricks County Health Department.

SECTION VIII PENALTY

Any person, firm, or corporation who shall violate any provision of this Ordinance shall be guilty of a Class B. misdemeanor. On conviction, the violator shall be punished for the first offense by a fine of not more than five hundred dollars (\$500.00); for the second offense by a fine of not more than one thousand dollars (\$1,000.00); and for the third and each subsequent offense by a fine of not more than one thousand dollars (\$1,000.00) to which may be added imprisonment for any determinate period of not exceeding ninety (90) days. Each day after the expiration of the time limit for abating insanitary conditions and completing improvements to abate such conditions as ordered by the County Board of Health, or by the duly appointed health officer of the county, shall constitute a distinct and separate offense.

SECTION IX UNCONSTITUTIONALITY CLAUSE

Should any section, paragraph, sentence, clause, or phrase of this ordinance be declared unconstitutional or invalid for any reason the remainder of said ordinance shall not be affected thereby.

SECTION X REPEAL AND DATE OF EFFECT

A. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed, and this ordinance shall be in full force and effect from and after its passage, approval by the Commissioners and publication as required by law.

B. Passed and adopted by the Commissioners of Hendricks County, State of Indiana, on this 11 day of June 1984.
