PREPARATIONS BEING MADE FOR RAZZ BANQUET

Spirit of Fun Will Prevail

Promptly at 6:30 next Friday evening the transportation will leave from the reception room carrying all the campus leaders and faculty members to the "Heart of Texas" for the annual Razz Banquet.

A few bits of advice have been included with the invitations: Each should come prepared to go to the Dude Ranch in the Heart of Texas with a fiddle, any good stories which he may have, and with the spirit of fun and good fellowship.

The old organ has been repaired and rebuilt by Dinsmore and McGhohey for the occasion. McGhohey has been practicing diligently for it. He will be accompanied by the Kappa Pi Beta quartet, composed of Dinsmore, Green, Byers, and Platt.

During the evening reflections will be given of the fun life of CNC of 1941-42. Suitable prizes will be given for those who have caused the most humor during the year.

The purpose of this Banquet is the same as that of similar banquets sponsored by journalistic organizations in which op-

WARRIORS TO MEET LOUISVILLE TOMORROW

Tomorrow afternoon the Warriors will meet the University of Louisville in a special benefit baseball game to be played on Tiber Field. The proceeds of this game will be given for the Navy Relief.

The band members of the high schools who are here for the contest, but will be free during the time of the game, will be honor guests for the occasion. Permission will be given, however, for them to contribute to the proceeds if they wish. Students will pay 25¢ and adults other than students will pay 50¢.

ALL OUT FOR MIXER TONIGHT

A "Mixer" has been announced by Dean Green to be held in the Grid Room this evening at 8 o'clock. Noble Benbow and his orchestra will furnish the music.

Randolph McClung and his committee will have the activity tickets for the spring term on sale at that time. All those who have not bought them should do so at this time. By the purchase of this, not only will opportunity be given for attending the Mixers, but also for payment on the Centralian.

RUSCHHAUPT AND ADAMS TO PRODUCE 1943 CENTRALIAN

Laura Ruschhaupt was elected editor of the 1943 Centralian with Rose Marie Adams as business manager at their meeting last Tuesday.

Miss Ruschhaupt is president of Delta Sigma Kappa sorority, associate chairman of Student Christian Association, first violinist of the orchestra, and a member of the Glee Club, chorus and band. Her majors are commerce and music.

Miss Adams is a member of Alpha Theta Epsilon sorority, chairman of Kappa Pi Beta, member of Campus Crier staff, class representative of the Association of Women Students, and a member of caltrigonian circle. She is working on majors in commerce, mathematics, and English.

NEIGHBORING BANDS ENTERTAIN AT CONVO

The student body was pleasantly entertained last Tuesday morning by the Fillmore High School band under the direction of Mr. Frank Martin.

Rolland Holloway was especially fine in his numbers on the marimba.

Next Tuesday the band of Speedway High School will be in charge of the program. This band is directed by Mr. Lincoln Northcott, Principal.

Telegram Received from
Secretary Knox

Central Normal College has been approved for the V-1 Naval Training Program. This program provides for potential flying cadets and reserve officers for the navy.

To enlist in the course applicants must be between 17 and 20 years old, meet physical requirements for enlistment in the United States Naval Reserve and submit parents' or guardian's consent. Students working toward degrees in Bachelors of Art or Science in liberal arts, journalism, business administration, secondary education, or physical education are eligible for enlistment.

A telegram which was received from Secretary Frank Knox stated: "The Navy is proud that your college is undertaking our V-1 plan for training freshmen and sophomores as officer material."

ELEMENTARY STUDENTS START OLCOTT MEMORIAL

The elementary students are busy this week making candy to be sold today and tomorrow. The proceeds of this sale will be used to start a reading room to be established in memory of Mrs. E. E. Olcott, a former teacher at Central Normal College, who is held dearly in the hearts of former students of this school. She was a teacher of elementary education.

The candy will be on sale in the Art Room during the intermission between the 8 and 9 o'clock classes this morning, at the Mixer, at the baseball game tomorrow afternoon and on the square Saturday morning.

CNC TO BE REPRESENTED AT PLAY DAY

Mildred Griggs and Eudora Ellis have been elected to represent the Women's Athletic Association of Central Normal College at the annual play day to be held at Indiana State, Terre Haute. This play day will be held all day Saturday, April 18.

Hockey, badminton, and other games will be featured at this play day.

THIS 'N THAT

"And so the day dawned clear and sunny--" Isn't that typical of the week? It looks as if summer is here--at any rate has a good start. As a matter of fact, a certain student had feet so hot that he removed his shoes in Elder's night class--and kept the other sleepy students awake until 8:30! Terrific, we'd say.

Central Normal seems to be doing O.K. when it comes to the baseball side of life. It may well be expected for a team to lose occasionally, and Normal has the old fighting spirit!

Mixers --that most popular of all popular activities, will be a timely procedure tonight. Incidentally, don't forget your activities ticket, with which you get a Centralian and mixers at a greatly reduced price.

Speaking of timely topics, "Doc's First Aid Class are blossoming out in slacks for the feminine members. Great stuff--oh?

Don't say it if you don't want it heard --the enemy is always listening--which only goes to show that the gal who wished the park benches would hurry and appear on the campus should have been quiet!

REASON WITH YOUR BATTLES

Are you one that can stand alone or do you expect someone to rise up and fight your battles for you? Each of us is having and will continue to have problems to meet. In order to meet our life problems effectively, we must be prepared; and we can best prepare ourselves by attending school and studying for some kind of occupation.

Not only must we be accumulating knowledge in preparation for an occupation but we must learn to think and reason out our daily problems. Do not be a creature of impulse rather than reason. No man has succeeded in life and no man will succeed in life unless he can think and reason for himself. Even though we do not retain all the facts we learn in school, we can use our reasoning and thinking power to carry us through our battles of life. Let us so "weave our tapestry of life" that we will be able to stand alone.

V-7 MAY BE CLOSED SOON

Indianapolis, April 16 (Sp.)--If college upperclassmen expect to apply for the naval officer training which will make them commissioned officers in the United States Navy at \$1,500 a year, they'd better hurry.

Class V-7, the officer training classification for college juniors and seniors, is expected to be closed "very soon," in the opinion of Ensign Robert Bryant, USNR, assistant officer in charge of Navy recruiting for the Indiana area. Applicants are interviewed by Ensign Bryant at the Navy recruiting station in the Federal building at Indianapolis.

The college juniors and seniors accepted in this class will be placed on inactive duty until their full college course is completed. Applicants must be native-born, unmarried citizens of the United States not less than nineteen and under twenty-eight years of age. Among their college credits must be at least two semesters' college credit in mathematics, including a course in plane geometry. Applications must be accompanied by college credit transcripts, three letters of recommendation, and a birth certificate or other acceptable evidence of native-born citizenship.

Those accepted will be enlisted as apprentice seamen, then appointed as midshipmen in the naval reserve after a month's indoctrination training. Satisfactory completion of instruction qualifies them for an ensign's commission in the naval reserve. Thereafter, promotion will be in accordance with regulations. The base pay of an ensign is \$1,500 a year plus allowance for quarters, subsistence and uniform.

GRADES

Yes, the grades are out. Did you see that "C" that so-and-so gave me? I know I should have more. That's what you and I have said or have heard someone say. But did you stop to think that perhaps you did not even earn that "C" that was so politely donated to you?

Now you know the grade's made--why not sit down and decide to do something about them?

The next question asked is how can I improve my grades. The first fundamental is that you must know beyond all doubt all there is to know about the subject. To do this one must study two hours on each subject taken. In some cases this is not near enough time allotted. Don't be spasmodic about studying because it's in the time that you didn't study that your teacher pops a brain teaser. Then's when you're caught and it shows up in your grades.

Did you ever try to hand papers in on time (for a change) and see how quickly the teacher's face lights up? This handing in late business makes teachers ill-tempered. You'd be surprised how much good it does you to look up all references asked for by the teacher. (It's for your own good, anyway.)

So let's stop "griping" about grades and do something about them--(hard earnest work.) It's good for the brain--it makes you grow smarter, intellectually.

CHRISTIAN CHURCH

"Sunday Morning is Church Time"

"The courage of the Living Church" will be the sermon the me for next Sunday morning, April 19.

Please note that the morning service is now from 9:30 to 11:30.

Will you bring someone with you to the College Class next Sunday at 9:30 and remain for the worship service to follow, thus completing the service?

All of those interested in taking the National Clerical Ability test in shorthand, typing or book-keeping should contact Mrs. Wean immediately.

(Cont., from Page 1)

portunity is given to get together and talk things over in a spirit of good fellowship.

The one serious note of the occasion is the announcement of the persons who are elected as the most outstanding journalistic man and woman of the senior class on the campus. Suitable trophies are made to these.

NOTICE

It would be appreciated is the persons removing, the basketballs from the girls gym sometime between March 26 and April 9 would please return them.

It is very important that all students expecting to graduate or to complete any licenses this summer fill out license application blanks in the registrar's office.

The notes for deferred tuition for this term have not all been returned to the registrar's office. This must be taken care of within the next week or the students in question will be called out of class to attend to this.

The grades for the winter term have been recorded on grade cards and can be obtained by calling at the registrar's office.

Students who are to pick up a class at the middle of the term should be sure that the class is scheduled at an hour that they can take it. Registration for these classes will not be held until the last week of April.

METHODISTS WORSHIP

Rev. Hornick will speak at the regular Sunday service to be held at the Methodist Church at 10:30, April 18.

The college class discussion will be held during the Sunday School hour which begins at 9:30. President Hunt will lead the class in the discussion of a well chosen and timely topic.

MUSIC NOTES

Saturday the District Band Contest will be held in Danville. The orchestra and bands will hold their concert contest at the High School Gym. Admission is 40 cents for the day or 25 cents a session. Mrs. Nutt from Chicago will give lessons in twirling for 50 cents. Her class will meet in the Gym of the High School promptly at 4:00 Saturday morning. The Marching Contest will be held on the north side of the public square at 4:00.

Fillmore School gave a grand concert for Convocation last Tuesday. Mr. Martin, the director, is a graduate of our own Music Department. The students were all quite thrilled to hear the little fourth grader, Roland Holloway, give his marimba solo.

Next Tuesday at Convocation Speedway City High School will give a program of vocal and instrumental numbers under the direction of Louise Starkoy, and Lincoln Northcott.

Sunday night, John Lingeman will sing at Brownsburg with Jane McCown at the piano.

Lenore McConmack played for Edna Jean Long at the Court House Wednesday evening.

Anita-Ruth Breitweiser sang Tuesday evening at Lizton for the Hendricks County Church Officers, Association and also Wednesday afternoon for Mother's Circle.

PSI CHI'S PLAN
SPRING DANCE

The Psi Chis discussed arrangements for the spring dance which is to be held Saturday, May 9. The dance is semi-formal and is invitational off the campus.

Committees were appointed as follows: Cronsetra--Betty Dove and Roberta Walters; receipts--Marie Collins; Programs--Bertha Ellen Christie and Phyllis Stewart; decorations--Genevieve Bush, chairman, Roberta Jean Miles, Carolyn Wortman, Dorothy Bundy, and Norma McClain.

W.A.A. TOURNAMENT HIGGS
SNAG

The W. A. A. tournament basketball game which was to have been played last Thursday night was postponed a week since Ellis did not have six players present to represent her team. It was agreed that it was not desirable to and the tournament with a forfeit game, so consequently the postponement.

In order that the crowd would not be disappointed and the girls would get to play after coming, sides were chosen and a practice game was played--and what a game! All the players enjoyed immensely the fast moving game which ended with a score of 3 to 2.

All girls are urged to come to the games and support their team.

The spirit of a sensitive individual may easily be broken by ridicule from some thoughtless person.

NEWTON REPORTS FOR
NAVAL OFFICER TRAINING

Indianapolis, April 15, (Spl.)--Charles B. Newton, Age twenty-three, Gentryville, yeoman second class USNR, assigned to the Navy recruiting station here the past several months, was to report for Naval Officer Training in Class V-7 today at the University of Notre Dame.

Newton, who was graduated from Central Normal College in 1940, applied for officer training in V-7 last fall. The class was closed, so he enlisted as a yeoman for clerical work. To gain admission to the school when the class was reopened, he spent all his spare time covering the equivalent of two college mathematics courses in two months. He was admitted to the school on recommendation of his commanding officer, Commander R.H.G. Mathews, Officer in charge of Navy recruiting for the Indiana area.

To enter the school, he must be "broken" from yeoman, a petty officer rating, to apprentice seaman. On successful completion of the course, however, he will be commissioned as ensign.

At Central Normal, Newton was active in debate and dramatics, was president of his junior class and of the International Relations Club and was listed in Who's Who Among Students of American Colleges and Universities. He is the son of Mr. and Mrs. Charles Newton, Gentryville.

ALPHA THETAS PLAN SPRING
DANCE

The Alpha Thetas met at 8:30 in the music room Monday evening.

Plans for their Spring Dinner Dance are rapidly taking shape. Committees were appointed. Those in charge of the dinner are Elsie Peters and Mary Byers. Helen Dalton is to get in touch with various orchestras. The decoration committee consists of Martha Rudolph, chairman; Ann Thurston, Louise Ballinger, June Downen, Rose Adams, Ellen Humphreys, Jane McCoun, and Florence Vasbinder. The dinner and dance will be strictly closed, and semi-formal.

Plans for the soft ball tourney were made. Lorraine Deer was chosen as captain. The girls are to have practice periods every afternoon. The Alpha Thetas have won the tourney for the last two years. They state that they are going to win this year. If one organization wins the cup three years in succession the cup automatically becomes the property of that organization.

"Cotton" Fulk and "Swin" sure get along swell together, is it just because Monninger and Swartz are always together and they just go along as chaperons or have they another interest in one another?

We hear that Lester Brown and John Huntington are going to the A. O. E. Dance. Inquisitive people can find out more from York and Vasbinder, so we were told.

Ellen Humphreys is sure doing enough lately to keep two boys busy. In the daytime it is John and at night it is that certain boy about town who drives a blue Chevie.

Spring Fever must sure have plenty of power this year. Anything that could get Eugene Baitz to talk to a girl over one second would have to be powerful.

This rumor of date shortage is unfounded, because we know one C. N. C. co-ed who had to have two dates in one evening to keep the schedule clear.

John Oliver said that he sent his "frat" pin home to have his mother keep it in safe keeping but reliable sources say that he sent it to a girl at I. U.

It is reported that the only reason Guernsey and McClung were on the outs for a couple days was so they could have the pleasure of kissing and making up. They had us scared for awhile.

Have you noticed the way Haviza and Huff seem to get along so well. We just wonder if it will develop into anything besides just pals?

Paul Denson said he was in the market for a girl now, so be on the look out girls. From what we saw

WM. WALTON

Wednesday night he was doing all right with Simerly.

FLASHES

Latest report is that Gross and Rauschaupt are on the outs again and this time for good. But where have we heard that before?

"Batman" Baker sprains back in daring plunge from window. By betting "Batman" a quarter that he couldn't jump from the second story window, the boys of his house got him to make the deadly plunge and the consequences was a dollar and a quarter doctor bill in paying for the tape to wrap "Batman's" back and ankles.

Seems that Willard Nickel took Mrs. Wean to heart and has purchased himself a new BUICK for this week and a HORSE-AND-BUGGY for the coming week. Do you have to carry a spare with your horse-and-buggy, Willard????

Who is the flame that the world famous Lloyd Shroyer has been taking out here of late???

Marie Detmer and Ernest Crane have renewed their old acquaintances in the past few days. We shall let you guess what the outcome will be.

Why are the girls at Mrs. Lett's so much against being in the Dirt Sheet???

Swartz has just had his hair cut "army style". We wonder what Monninger will say about it, eh!!!

YES!

TOP NOTCH

Margaret, otherwise known as "Winkie", has been behaving so well here of late that she never can get her name in the "Dirt Sheet". Seems as though, since she is Doc's nurse, she should have a man for us to talk about.

Ritchie and Pope were seen sitting on the college steps Thursday at noon. Ah! Spring!

A farmer said he didn't care if a hen sits or sets what he cares about is if she laid or lied.

We were under the impression that Bob Platt got a new pair of glasses recently, but we just wonder. The other night at the show he had difficulties telling whether Claudette Colbert had a sun tan or whether she was just wearing black hose. Let's be watching those things.

Why was Pat Burgess so late getting back to school this week? We hear maybe she found someone in the city who delayed her.

Something happened Wednesday night that we think needs a little publicity. Lorraine Deere and James Allen had their first date then. It seems that they pulled a fast one on us.

We wonder if Schrader is trying to break up "Stew" and Stovall?? How about it?

ST. JOE 15 C.N.C. 3

The Warriors lost their second game of the season to the Pumas of St. Joe 15 to 3, last Saturday.

The Warriors were victim of the erroritic and was handicapped very much.

Red Thomas was the starting pitcher for the Warriors but was relieved by W. Brown in the seventh inning. Hoagy Thompson was the catcher for the Warriors.

The Warriors lost several runs on account of errors.

C.N.C. 15 TAYLOR U. 3

The Warriors gave the Taylor team a good drubing last Monday by scoring 15 runs to their 3.

The Warriors got off to a slow start but soon got on top and kept going.

Beanball Brown was the hurler for the Warriors and pitched a good game in spite of a cold day. Hoagy Thompson was the catcher for the Warriors.

Taylor used two pitchers in the game. Williams was relieved by Ogle in the eighth inning.

CALTRIGONIAN CONSIDERS TRIP TO OBSERVATORY

A discussion of the Caltrigonian Circle was the consideration of the question of going to the Observatory near Martinsville. This question will be asked of all math students soon.

FROM CNC'S MILITARY

Among campus visitors this week were Sergeant Ernest Crane who is located in Camp Shelby, Mississippi; Danny Waymire who left Monday for San Diego, California, as a second class yeoman; Franklin Buser, who is working in the Quartermaster Division of Fort Benjamin Harrison.

CENTRALIAN SALES COMMITTEE GETS INTO ACTION

The Centralian Sales Committee composed of Viola Williamson, chairman, Ann Thurston, Florence Vasbinder, Lester Brown, Cecil Duckett, Norma Schildmeier, Louise Davis, Earl Dinsmore, Dick Evans, Ellena Hughes, Guy Wiley, and Robert Platt met Wednesday evening and made definite plans to give every one an opportunity to get his Centralian.

Mr. Fred Hoer of the Indianapolis Engraving Co. met with Helen Smith, the editor of the '42 book and with Laura Ruschhaupt, the 1943 editor.

MANY STUDENTS EXPECTED MAY 4

Already many prospective students have indicated their intention of entering school on May 4. Many will come for the short business course which has been planned for the summer and many others will work on their degrees in Elementary work.

"Your value increases as your need for supervision decreases."

"It is better to wear out than to rust out."

CNC REPRESENTED AT PLAY DAY

(Cont. from P. 1)

A business session will be held in which these girls will represent the interests of the Central Normal W. A. A.

The Central Normal W.A.A. has been invited to sever-as play days this year, but this is the first one anyone has been able to attend.

The girls will leave Saturday morning and return Saturday night.

ZETA SIGMA NEWS

Zeta Sigma's plans for the Barn Dance are now getting under full swing. Bywaters promises the tickets to be out by the last of next week, and "Big Ben" says the band will be contracted by next Wed. Elaborate decorations are being planned and May 23, 1942, promises to be a night to be long remembered on CNC's campus.

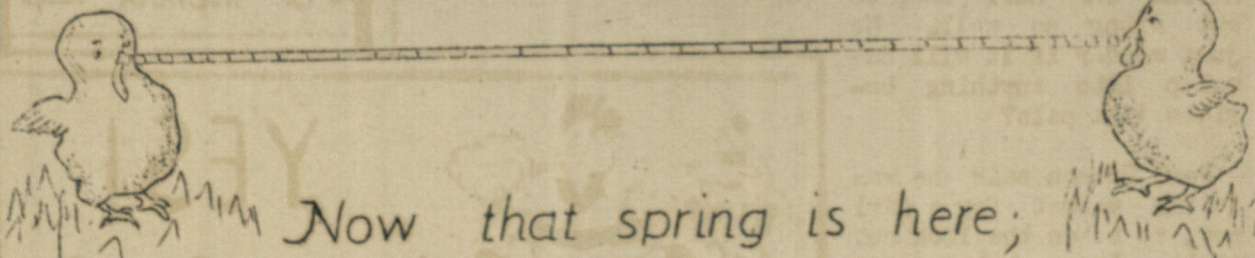

Daniel Waymire ('41) left his teaching job in Mulberry to join Uncle Sam's navy—he left last Mon. for San Diego, Cal.
