Dr. John Finch Barnhill and Mr. Corliss R. Maxam will receive the degree of Doctors of Law. Dr. Barnhill, for many years a noted Indianapolis surgeon, now a resident of Miami Beach, Florida, has been known as one of the most outstanding graduates of Central Normal College. Dr. William Lowe Bryan, President Emeritus of Indiana University, said in speaking of him, "He was the most outstanding medical surgeon produced by Indiana University. He received his undergraduate work at Central Normal College.

Mr. C. R. Maxam is well known to many of the faculty and student body. He was formerly a Director of Placement and Professor of Education at Central Normal College. He is now registrar and Director of Placement at Butler University.

CENTRALIANS PLEASE SUBSCRIBERS

Late Wednesday evening the 1942 Centralians arrived on campus and it was not long before everyone was exclaiming, "Oh, I remember when that picture was taken!" "I must have been right back there, you can just see my arm in that picture but I remember it," and "Don't you like the way it tells a story of the entire school year?" "The directory in the back is certainly a help in finding the names of persons whom we have wanted to know."

For the benefit of those who have not purchased their Centralians, announcement is made by sales manager Viola Williamson that there are still extra copies.

ALUMNAL LUNCHEON SCHEDULED TO BE BRIEF

1942 Grads Will Be Inducted

An important and interesting peppy program has been planned by Mr. H. M. Whisler, president of the Alumni Association and the Alumni Committee. It will be held immediately after commencement in the high school gymnasium.

Mr. H. M. Whisler will be toastmaster. President Virgil Hunt will give the welcome. Mr. C. R. Maxam, secretary of the Alumni Association will present the returning alumni. Honorable Claude C. Smith will talk briefly on "What C.N.C. Means to Me". Dr. Edwin Barlow Evans will speak on "The Future of C.N.C.". All the members of the class of 1942 will be honor guests and will be introduced into the Alumni Association by Mr. H. M. Whisler. The response for the class will be given by Roberta Walter.

An important business meeting will follow.

SENIOR PLAY WINS APPLAUSE

"Her Husband's Wife" produced by the senior class Wednesday evening was well received by a large audience. The cast and its director, Dean Flora Schaefer Evans, merit much praise because of it.

Roberta Walter, as Irene Randolph, played the part of the hyperchondriac, the worried wife who although nothing was the matter with her felt that she would die and leave her husband (credibly played by Noel King) without anyone to comfort him. However it proved that she saw things in a different light when Miss Ladue, played by Betty Dove, started flirting with her husband. Of course things became more complicated when Mrs. Randolph's brother, played by Harry Turner, renewed his former suit for the hand of Miss Ladue. Throughout the entire play Uncle John, played by Ken-

HONOR RECIPIENTS ANNOUNCED

Pilarski, Williamson and Conner Named

Miss Charlotte Anderson, acting president of the senior class, was in charge of arrangements for the Senior Convocation last Tuesday. She gave a very interesting and impressive talk concerning the departing seniors.

Honor awards were announced by different faculty members. Dr. P. R. Hightower gave a very challenging presentation of those who had been named for "Who's Who Among Students of American Colleges.

OLCOTT ROOM DEDICATED

The former room "O" has been very attractively decorated with white woodwork and beautiful drapes and was dedicated last night when the picture of Mrs. E. E. Olcott, former teacher of C.N.C., was unveiled.

This was the climax of the delightful dinner and reunion given in her honor. At that time Mr. Grover G. Brown, county superintendent of Brown County, of Nashville, gave several stories which were told by Mrs. Olcott.

The room will be used as a committee meeting room and informal reading room.

SENIOR MUSIC RECITAL PLEASES AUDIENCE

The senior music students gave their last performance for Central Normal last Monday evening.

The program opened with two numbers by the orchestra. Vocal solos were given by Louise Davis, Jane McCown and Anita-Ruth Breitweiser, Wendell Mann gave a clarinet and piano solo. COMMENCEMENT

Today is commencement day. We wonder sometimes why it is called commencement when it seems a finishing stage of education. It is only the beginning of a new phase in life's work. Graduates are now prepared to begin a new work, a work that will be different from anything they have ever done before.

No doubt commencement time brings many problems and new situations which must be met. After having spent four arduous years in school, graduates should be prepared to meet them; if they are not, they have no one to accuse except themselves.

Commencement is the time of receiving that award for which they have worked so diligently; it is the time of parting from classmates; it is the time to beginning new steps in life. Each will go to different places for various tasks. Wherever they go and whatever they do, may they do it to the best of their ability. No one wants a slacker or a quitter; the world is looking to persons who have a good education to be their leaders and to solve their problems. They are looking to just such persons as those that Central Normal College turns out. Persons who are qualified for leadership, who are willing to shoulder responsibilities, who are dependable, those who will do the thing to the best of their ability. Then when they have come to the end of life's pathway, they can say that they left this old world a better place in which to live than it was when they came into it.

ITS UP TO US

Yes, today the Seniors end their college life. After four years of diligently working, studying and playing (between jobs). It is what we do from now on that really counts.

Now is the chance to see if we really have what it takes. Today we leave C.N.C. for our various destinations. Some to teach, some to work in offices or defense factories and others to the armed service. Wherever we go, it is up to us, in the near future, to determine whether we are to be a success or a college graduate who failed in his life's work.

WHITHER BOUND

To you graduates, where are you going? What are you going to do, now that you are through college? The world looks glorious. Which road will you take to success? May I suggest three roads that lead toward success?

Now, you have reached the grown-up state and will be given responsibilities the biggest being teaching children. There is where diligence comes in. Winston says it means careful attention and industry. Are you giving careful attention to appearances, manners, and attitudes? They mean much more than you think they do. Have you been as diligent as you should have? Are you diligent in doing work assigned you? Yes, you are perhaps the most painstaking and persevering person who has ever graduated from this college.

Next comes honor. All of you have some kind of a reputation. I daresay most of them are good. Very closely related to honor is honesty. One soon loses his honor or reputation if he is dishonest. Dishonesty upsets living with others because it is difficult to make plans for action with people who don't speak the truth. You feel unsecure and unable to control affairs. You waste time. You lack confidence in yourself and finally the confidence of others. Abe Lincoln said, "Truth is your truest friend, no matter what may be the circumstances."

Many people say that there is no place for an insincere person. You are wasting your time and the time of others as well if you do a thing simply because you have to. Nothing great was ever accomplished because the inventor had to do it. In fact, it wasn't even invented with that spirit. There is no place for pretense. Educated people know those who are pretending and those who aren't sincere. It shows in some kind of a deficiency. A person just can't be thoroughly efficient unless he is interested in his work.

Indeed the world is looking to trained people. There is success for all those who desire it and work for it. Success is all bound up within you. The personnel of this college has given you of its knowledge and time toward your success. Everyone has great possibilities. Which one are you going to take? Where are you going? To succeed should be your desire.

RESPONSIBILITY COMES WITH RECOGNITION

With the recognition that comes to outstanding seniors during their senior week, responsibility rests heavier upon their shoulders.

It has brought home more forcefully to them that unless they live up to the confidences placed in them, their recognition by the school would become an empty glory. Of course, all college graduates must accept more responsibility than the average man of the world but as fame comes so should responsibility to their fellow-men. No man is entitled to hide his talent from the world for every one should leave the world a better place than when he finds it.

ALPHA MU KAPPA ENDS SUCCESSFUL YEAR

Alpha Mu Kappa held its final meeting of the year Monday night and thus drew to a close a very successful school year. The highlight of the year was the Founders Day Dinner Dance which was held Saturday night. Cliff Johnston's orchestra furnished the music and Bill Huddleston gave a very fine address at the dinner, and a very good time was had by all.

During the year the Alpha Mu Kappa held three dances, a smoker, steak fry and other activities. Sixteen pledges were initiated and the Fraternity ended the season with the largest group of any fraternity on the campus.

Plans are being made for

summer meetings and a summer dance is being planned.

Alpha Mu Kappa wishes all a happy vacation and wish luck to all, on or off the campus and especially those in the army.

DELTA SIGS HOLD PARTY

On Monday, June 1, the Delta Sigs had their annual Secret Pal Birthday Party. At that time Secret Pals were disclosed. A business session was held concerning the Founder's Day Banquet to be held sometime in June.

Four freshman girls were guests of the Delta Sigma Kappa Sorority rush party which was held at the park in the form of a weiner roast.

The sorority is glad to welcome back for the summer term some Delta Sig members. To those that are leaving and others will see them again next fall.

Last week on Thursday night a slumber party for Delta Sig seniors was held. During the evening a shower was held for Mrs. Redd, formerly Helen Klipch, a Delta Sig and former president.

PSI CHI HOLD FINAL MEETING

The Psi Chi girls held their weekly meeting Monday evening. It was the last meeting for some of the seniors and others who will not be back to school. The sorority wishes them lots of happiness and prosperity and hope that they will keep in touch with their Psi Chi and other Central Normal friends.

Final arrangements were discussed for the breakfast honoring the Psi Chi seniors. For once the girls will be up early as the breakfast is scheduled for 7:00.

GRAD KILLED IN BOMBER CRASH

Lawrence Abraham, former C. N. C. student was killed in a bomber crash in Florida May 28. He joined the air corps last Sept. and was on a training flight when the accident occurred. Abraham graduated from Solesberry high school and was married April 10. He graduated from a two year course in 1939 and has since attended summer school.

FINAL IDLE PRATTLE

Pope and Adams seem to go in for the same kind of hair cut. Did you notice how fluffy Rose is wearing her hair now????

Merriloes and McCoskey seem to have connected with each other. Did you see how each looked? She has only a black eye but look at Zane!!!

Seems that one great event happened during the year down at the House Of Lett. Tanselle and Annie Thurston are engaged. Also Evans and Rudolph. Too late now boys for a cut in: Might be that they will be married before the next fall.

We wonder if Tom Isaacs is going to make up his mind? First it is Mary & then again it is Freda!! Come on and make up your mind, Tom!!

Seems that Walls was left in the cold as soon as Doris Long got a hold on Swanson! In fact, if I remember right, Walls had his PEN for a while.

Although Harry Turner made a proposal to Dove in the Senior Class Play, he said it was just practice for future use on Miss Johnson!!

"Pedro" is back on the CNC Campus. Other wiser known as Coplin. Seems as I heard that he didn't mind having his name in the dirt sheet but he does not want it connected with any girls. We wonder why? Has there been a girl here before????

Hillyar just can't seem to make up his mind. Is it going to Miss Hurt or the girl from back home?

PARRISH DRUG CO

It might be interesting to know that Zane McCoskey is engaged to that beautiful lady he had at the Alpha Mu Dance.

We wonder in what class Dalton is going to write her letters in now that Economics class is over!!

Seems that Ellen Humphreys really broke down and went on a date to the Alpha Mu Dance with Paul Deich. What will the boy friend in the army say to this, Ellen???

Was that your brother last Wednesday night whom you were with, Louis? That is what I heard before!!

Ratliff is getting on the ball now! He took Mary Alice Miller to the A. M. K. Dance!!! Might add that he took her to the Senior Play last Wed. night.

Margaret Mathews is going with Alvin Hawley and Jane McClung is going with Allen. I'll bet those boys have fun switching on those girls!!

Vasbinder went to the Dance with Benson! Miller was out on a date with some other girl Sunday night. What has happened to those two?????

Seems that Ritchie flirts with all the girls around the Commerce Hall. Yet he never dates them! We wonder why????

Would Miss Deer approve of the condition you were in the other night, Allen?

Schildmeier and Gomer really shook the Campus with the announcement of their marriage. Boys, it sure is a loss to the CNC circulation management to hear of this.

Franzmen seems to have lost out with his heart throbs--Wortman and Dundy. What is the matter Freddie are you slipping or have they caught up with you???

Bill Falls and Edna Worrel are sure a surprising couple on the CNC Campus.

What did Wheatley think of Turner kissing Dove in the Senior Play???

Is Sue Torry really a flip or is she just putting on?

Pat Burgess ought to grow up some day!!

Domsic should remember that old saying, "Two is a Company, and three is a Crowd"! Thomas and McNamara think so!!!

We wonder why Marjorie Earl doesn't wear her ring on the third finger left hand any more??????

Cotton, we wonder who it is going to be, Swinford or Carlin????
