WARNING!

THE MILLER-MEGEE PATENT FOR FLAT-OPENING BOOKS SUSTAINED.

The suit brought in 1888 by the Miller-Megee Company, in the United States Circuit Court, at St. Louis, has been finally decided by a decree of said Court entered in favor of the Miller-Megee Company, and that the letters patent, No. 281,101, dated July 10, 1883, gives to them the first and exclusive right to make, use and sell the Patent Flat-Opening Book.

We have purchased the exclusive right to make, use and sell the Patent Flat-Opening book in the State of Indiana.

The deserved popularity of the Flat-Opening Blank Book, has caused several imitations to be put on the market. These are infringements on the Miller-Megee Patent, and we wish to warn all persons not to buy or use any book made with a guard or stub in the back, to which the leaves are sewed, unless said book is made under above patents. The user as well as manufacturer and seller of any infringing article, is liable to the patentee, and infringers will be prosecuted.

WM. B. BURFORD, Sole Licensee for State of Indiana.

No 21710 P.

In the matter of
County Officers Bonds }

Comes now Well. C Masten, Clerk of the 55th Judicial Circuit for Hendricks County, elect, and presents his official Bond in the penal sum of Fifteen thousand Dollars ($15,000.00) with Matthias Masten, Wm T Davis, Samuel P Brown, Wm Thichen and John Masten Sr as his sureties. And the Board being fully advised in the premises. It is therefore ordered by said Board that said Bond be, and the same is hereby accepted and approved

In the matter of
Outstanding Indebtedness }

Whereas, on the 12th day of December, 1868, the Board of Commissioners of Hendricks County and State of Indiana, without any petition known to the law being presented to them on any claim against said County presented in any manner known to the law, entered of record in Commissioners record number ten (10) at page 102, an order directing the Auditor of Hendricks County to issue three (3) orders or warrants of $3333 33/100, each to be delivered to the Indianapolis and St Louis Rail Road Co., when said Company should complete their line of railway to the west line of said Hendricks County.

Said orders to be payable in 1, 2 and 3 years after said line of Railway was completed to said West line of Hendricks County.

And whereas, said Auditor did issue said warrants and the same were finally delivered to said Railway Company.

And whereas, on the 12th day of February, 1875, one Nathan J Scarce, a tax payer of Hendricks County, filed suit in said

June 10th 1896. Continued

Hendricks Circuit Court against the Board of Commissioners of Hendricks County, Indiana, John O Wishard, Harvey Bunton, Enos Hadley, John H Lewis, Treasurer and Wm M Hess, Auditor of Hendricks County and the Indianapolis and St Louis Railway Co, and Thomas Nichols. Wherein he sought to enjoin said Board of Commissioners and said Auditor and Treasurer from paying said orders and warrants.

And Whereas, by the final disposition of said cause to-wit: on the 11th. day of December, 1873. it was adjudged and decreed by said Court that the order donating $10,000.00 Ten, represented by said orders to the St Louis Railway Company was declared utterly void, and that they orders and warrants were invalid and uncollectable from the County funds of said Hendricks County, And that they be delivered up to said County to be cancelled, And that said Board of Commissioners be perpetually enjoined and restrained from paying said orders or warrants, And said Treasurer of Hendricks County and said Auditor and their successors in Office, each and all of them be perpetually enjoined by said Court from paying said orders and said warrants.

And whereas, there is a discrepancy in the books kept by the Auditor and Treasurer of Hendricks County on account of the issuing of said orders, amounting to the sum of $6666 66/100, said orders having never been returned for cancellation and are being carried on the books of said Auditor of said Hendricks County as a valid and subsisting indebtedness.

Now therefore, in order to correct said discrepancy in the books of the Auditor and Treasurer of said Hendricks County, It is ordered that said Auditor be and is hereby authorized and directed to credit the County Revenues in the sum of $6666 66/100. The same being the amount of said orders, in order that the books of the Auditor will show the true amount of the outstanding orders against said County.

To the Honorable Board of Commissioners of Hendricks County, State of Indiana,

We, the undersigned, petitioners respectfully ask the privilege and permission to erect, maintain and operate a line of Telephone over and along the public highways, streets and alleys of Hendricks County, Indiana. Said Telephone line to be constructed in such a manner as not to interfere in any way with public travel and the use of the public in and to said highways:

T. C McReynolds & Co
Associates and Assigns

The Board after examining said petition and considering the same and being fully advised in the premises, hereby orders and grants said partis the privilige of erecting and maintaining Telephone lines along the public highways of said County,

upon them conditions, to-wit:

That said Company will erect said Telephone lines in such a manner as not to interfere in any way with public travel over and along said highways, streets and alleys.

That they will not place any poles in or near to any of the side ditches along said highways, and they will place none of their poles more than a foot from the outside line of said public highways, as now ascertained.

And should it hereafter be discovered that the outside line of said highways is different from that now recognized or ascertained, then they are to remove said poles to within a foot of the outside line of said public highways, as afterwards ascertained

And these privileges are granted upon the condition that they will so brace their poles that they will not lean out towards the said highways, and so string their wires upon said poles, that they will not swing down and interfere with public travel along said highways. And at all points where said wires shall be so strung as to extend across said public highways they shall be strung upon poles of sufficient length to cause said wires to swing not less than twenty feet above the road bed of said highways.

These privileges are granted upon the condition, that should the petitioners or their successors or assigns fail at any time to comply with the conditions herein made in regard to the erection of said poles, and the maintaining of said lines, that the Supervisors of their respective road districts, shall have the privilege of removing said poles out of the highways, without any notice to said petitioners whenever they may interfere with public travel or the maintenance of said highways

These privileges are to be in no manner exclusive in their operation, but said Board reserves the right to grant any like privilege to any person, Company or Corporation whenever they may deem it proper so to do

The privileges herein granted are in no manner to interfere with the rights of private individuals to control the manner and grant privileges of erecting said Telephone lines over the lands belonging to them, or their right to claim damages therefor

Whenever said parties accept the privileges herein granted

and end their Telephone lines as herein provided, they do so upon the conditions herein granted, and not otherwise

To the County Auditor of said County.

The undersigned, Silas Patterson, would respectfully show to you that he is the owner in fee simple of the South West quarter of the North East quarter of Section Sixteen (16) Township Sixteen (16) North Range One (1) East, in said County and State. That said land was formerly school land and was on the 4th day of September, 1837, sold by the School Commissioner of said County to one Cyrus Cotton, who afterwards assigned the certificate therefor to Jamie Montgomery, who on the 21st day of January 1856 fully paid to the Treasurer of said County the balance of the purchase money therefor, together with all the accrued interest. But that the certificate of sale for said real estate has been lost and can not now be found. That all the conditions of the sale of said land have been complied with, and he asks that a deed be made to him to perfect his title to said land.

And full payment of the purchase money, principal and interest due thereon having been paid in accordance with the laws governing the sale of school lands as appears from the books in my office.

Now therefore, I, William H. Nichols, Auditor of Hendricks County, State of Indiana, for and in the name of the trustee and inhabitants of said Congressional Township No. 16, North, Range 1 East, by virtue of the authority vested in me by law as such Auditor, in conformity to the laws governing the sale of School lands, and in consideration of the premises, and of the said sum of three hundred and ten dollars paid as aforesaid, do hereby grant and convey unto the said Silas Patterson the said land mentioned in said certificate, to-wit: The South West quarter of the North East quarter of Section Sixteen, in Township Sixteen North, Range one East, containing forty acres, more or less, in the County and State aforesaid, to have and to hold the said tract or parcel of land, and the appurtenances thereto belonging in as full and complete a manner as by law I am authorized to convey the same.
