In the matter of the petition of Nancy R Wade
for a deed for the W one-half of Lot I, Block 31, in
the Town of Danville, Indiana.

Now at this time comes Nancy R Wade, by J.A. Downard,
her atty, and presents to the Board of County Commissioners of the County of Hen-
dricks in the State of Indiana, her petition in writing praying for an order for
a deed.

Which petition is in the following words and figures, to wit;
State of Indiana, Hendricks county, ss.

To the Board of County Commissioners of Hendricks County, Indiana.
The undersigned, petitioner Nancy R Wade would respectfully represent and shew to
your honorable Body that she is the owner in fee simple of the following descri-
bed real estate situated, lying and being in said County of Hendricks in the Sta-
te of Indiana to wit, The west half on lot one (I) in Block thirty one (31) in
the original Town of Danville. That on the 22nd Day of September 1825 Thomas
Henton, the duly qualified and acting agent of the County aforesaid and as such
agent and in pursuance of the provisions of the law of the said State entitled
An Act to establish seats of Justice in Counties Approved January 14th, 1824,
acquired title to said real estate from James Downard and wife Elizabeth. That
there is no deed of record from the said Thomas Henton as such agent, nor from his

his successors in office.

Your petitioner would further show that on the 10th day of September, 1832, Isreal Hunt and wife Mary executed to Alexander McVey a deed with general covenants of warranty conveying all of said lot one in block 31 in the said Town of Danville, Hendricks County, Indiana, to said Alexander McVey, who on the 26th day of July 1834 conveyed the same to William L Matlock, who conveyed the same to Simon T Hadley, January 23rd, 1837 who on August 10th, 1848 conveyed the same to William C Cline, who on October 28th, 1852 conveyed the same to Ezra W Searce, who by the Sheriff of Hendricks County, Indiana, on October 29th, 1855, conveyed said lot to James Burgess, and the said Burgess on November 28th, 1860, conveyed the same to Jane Stutsman and she on July, 18th, 1861, conveyed the same to Milton Henton, who on June 12th 1865 conveyed the same to Benjiman E Gordon, who on March 24th, 1868, conveyed the same to William J Headley, who on October 13th, 1868 conveyed the same to Mary E Willhoite, who conveyed the same on April 1st, 1899 to W.D. Bodenhamer and he to Charles Sanders July 23rd 1900, who on August 16th, 1900 conveyed the same to Wilshire D Bodenhamer and on July 5th 1904 the interest of said Wilshire D Bodenhamer was conveyed by the Sheriff of said County and State to William G Peck, who on June 15th 1905 conveyed the same to Caswell F Kivett, and the heirs of said Kivett conveyed the said west half of said lot one in Block Thirty one in said town county and State aforesaid to Your petitioner on June 13th, 1908,

Your petitioner would further show that by reason of the break in the chain of title from the said County agent to the said Isreal Hunt, a cloud is cast upon your petitioners title to said West half of lot one in Block Thirty one in said Town.

That diligent and strict search has been made for a deed from said County Agent but the same can not be found, wherefore she prays for an order of the Board of County Commissioners of said County and State, authorizing and directing the Auditor of said County and State, as ex-officio County Agent thereof to execute a deed of conveyance by a Quit Claim releasing all right title claim and interest of said County in and to the west half of lot one in Block thirty one in the Town of Danville, Hendricks County, in the State of Indiana to your petitioner the said ^{Nancy} Mary R Wade.

All of which is respectfully submitted to and required of your honorable Board.

Nancy R Wade.

Subscribed and Sworn To before me this 4th day of July, 1908

My Commission will expire May, 8th, 1912.

James A Downard,

Notary Public.

And the Board having carefully inquired into the matters set forth in said petition and being fully advised in the premises finds that all material facts alleged and set forth in said petition are true; and that good and sufficient reasons are shown by said petition why said deed should be made.

it is therefore ordered and adjudged by the said Board that the prayer of said petition be and the same is hereby granted, it is further ordered by the said Board that the Auditor of said County and State aforesaid execute a deed of conveyance quit

claiming and releasing all right title claim and interest of said County of Hendricks in the State of Indiana, in and to the west half of Lot one in Block Thirty one (31) in the original Town of Danville in said County and State aforesaid to the said Nancy R Wade.

Whereas heretofore, to wit: On the 7th day of July, 1908, the same being at a regular session of the Board of County Commissioners of the County of Hendricks, in the State of Indiana, proceedings were had before said Board and an order made by said Board, as will more fully appear of record in the Commissioners Record No. 20 on page 36.

And whereas the Board of Commissioners of said County and State aforesaid found that all material facts set forth in said petition were true and that good and sufficient reasons were shown by said petition why said deed should be made as prayed for in said petition and that the prayer of said petitioner ought to be granted. It was ordered and adjudged by the Board of Commissioners of said County and State that the Auditor of said County and State aforesaid, as ex-officio County Agent, execute a deed of conveyance quit claiming and releasing all right, title, and claim and interest of said County in and to the West half of lot One (1) in block thirty-one (31) in the original town of Danville, in said County and State to the said Nancy R Wade.

Now therefore in order to fully carry out the order of said Board of Commissioners, I, William H Nickels, as Auditor of said County, and Ex-officio agent of the same, by virtue of said order and by the power and authority in me vested by law and in consideration of the premises, do hereby grant, release, convey and quitclaim to the said Nancy R Wade of Hendricks County in the State of Indiana, the real estate described in said order of said Board of Commissioners, To wit, The West half of lot One (1) in Block thirty-one (31) in the original town of Danville, Hendricks County and State of Indiana, to have and to hold the same together with all rights, privileges and appurtenances of what soever nature thereunto belonging unto the said Nancy R Wade, her heirs and assigns forever.

That said petition is in due form and according to law as the same is provided in the law above and heretofore referred to; that the same has been signed by more than twenty per cent of the qualified electors of Hendricks County and by more than twenty per cent of the aggregate vote cast in said county for Secretary of State at the last general election; that the said petition is accompanied by the proper affidavit as by law required in such cases, and the Board further finds that an election should be held in said County to determine by ballot whether the sale of intoxicating liquors as a beverage shall be prohibited within the limits of said County.

Tuesday Morning, April 19", 1910.

Be It Remembered, that on this the 19th. day of April, 1910, at the hour of 10 o'clock A.M. the board of Commissioners of this County are met in Special Session pursuant to notice duly given by the Auditor of said County to the individual members composing said board; that said board, as stated in said notice, is met for the purpose of receiving bids and letting contracts for the construction of the following named bridges located in Hendricks County, Indiana, to-wit:-

Winn Arch, Eel River Tp.; Frank Nichols Bridge, Eel River Tp.; Marvel Bridge, Brown Tp.; Evan B. Davis Arch, Center Tp.; Ohio Street Bridge, Liberty Tp.; Reitzel Bridge, Clay Tp.; Milo West Bridge, Clay Tp.; Henry West Bridge, Clay Tp.; George W. Woods Bridge, Clay Tp. and Vaughn Bridge in Clay Tp.

Whereupon the following action was taken by the Board upon said matters, to-wit:-

The County Auditor produces and reads the proofs of publication of notice to bidders, as filed by Julian D. Hogate, editor and publisher of The Republican, a public weekly newspaper of general circulation, printed and published in the town of Danville, Hendricks County, Indiana; and also as filed by W.A. King, editor of the Daville Gazette, a public weekly newspaper of general circulation, printed and published in the town of Danville, Hendricks County, Indiana; and from which said proofs of publications it appears to the satisfaction of the board that due notice of the receiving of bids and the time and place thereof was published in said two newspapers for two weeks successively, the last of which publications being more than ten days before the 19th day of April, 1910.

But it now appearing to the satisfaction of the board that by inadvertance and oversight the due notice of the receiving of bids for such work had not been posted at the door of the court house in the town of Danville, Hendricks County, Indiana, as provided by law in such cases, the board does now announce the rejection of all bids submitted for such works, for the reason aforesaid last set out.

Whereupon, all of the business specified in the call of the Auditor for this board to meet in special session having been transacted, the Board, upon motion, does now adjourn.

And the board, having fully considered the matter, does now fix as the time for receiving of such bids and the letting of contracts for such work the 17th day of May 1910.

It is therefore ordered by the board that the county auditor give notice as provided by law in such cases that this board will, on the said 17th day of May, 1910, receive bids and let contracts for the construction of the foregoing named bridges located in Hendricks County, Indiana.
