That said Lot was originally owned by Hendricks County; and that the deed which was executrd by Thomas Henson, Agent appointed by said county to make conveyance, in the year 1825, as shown in DeeD Record 1 page 5C of Hendricks County Recorders to David Adams was invalid for the want of proper description. That said defect of title casts a cloud upon your petitioner's title to said lot and she prays an order by this Court direCting the Auditor of Hendricks County to execute to her a deed conveying the North half of Lot Four (4) iN Block Twenty-two (22) in the Original Plat of the Town of Danville, Indiana, to the end that her title may be made perfect to said property.

... That a map of the said territory proposed to be annexed duly certified by the affidavit of George R. Harvey, county surveyor, is filed with and accompanies this petition; that your petitioners desire the annexation of said territory to said town of Danville for the following reasons, namely:

1. The boundary of said town as it now exists, is such as to give great inconvenience to the citizens and officers of said town and also makes the burden of taxation very unequal.

2. All of the desirable territory within the present bounday of said town is now occupied and improved and it is necessary for the growth and development of said town that the boundary thereof be extended.

3. The territory petitioned to be annexed and so described as aforesaid is numerously populated by citizens who avail themselves of the benefits and advantages resulting from said town and its improvements,to as graat an extent as the citizens who reside within the boundary of said town and who are not subject to taxation for town purposesm, and it is unjust that a part of the public should be compelled to pay for that which the other part is exempt from paying, where the advantages derived are equally beneficial.

4. Many persons outside of the present corporation and within the boundary prayed for, have attached themselves thereto for school purposes and it is but just that they should assist, by their taxes, in supporting said schools.

5. That the streets, alleys and sewers of said town may be opened and extended for the great benefit and convenience of the citizens of said town, and for the benefit and convenience and health of the public; and said streets, alleys and sewers cannot be opened and extended until the boundary of said town is extended.

6. That said territory proposed to be annexed is greatly enhanced in value on account of its close proximity to said town and the inhabitants of said contiguous territory use the sidewalks, streets, alleys, lights, water, and park of said town and have police and fire protection and it is only equitable that they should help pay for the conveniences which they enjoy.

7. that a part of the public park, maintained by said town,does not lie within the present corporate limits of said town and it is necessary that said boundary be extendes so that the town may have jurisdiction over the entire park.

8. It will be for the interest generally of said town and the citizens thereof for said annexation be made as prayed for.

That said contiguous territory is owned by the following persons, namely;

State of Indiana, In the Commissioner's Court of

Hendricks County Ss; said County, March Term, 1925.

IN THE MATTER Of THE PETITION FOR

AN ORDER FILED BY NEALIA BATEMAN,

Nealia Bateman, the petitioner, shows to the Court that she is the owner of the following real estate in Hendricks County and State of Indiana,towit:

71,½ feet off of and across the entire east side of Lot One (1) in Block Number Seventeen (17) in the Original Plat in the town of Danville, said County and State. That said Lot was once owned by Hendricks County, Indiana; and was conveyed by said County, through its regularly appointed Agent to one David Stutesman, whose deed was lost or destroyed before ever having been recorded. That by reason of said deed never having been placed of record, there is a break in the chain of petitioner's title to said Lot which casts a cloud thereon. Petitioner further says that she, and her immediate and remote, grantors, have owned and been in possession of said Lot continuously for the past fifty years, and made valuable and lasting improvements thereon.

That for the purpose of perfecting the title to said Lot it will be necessary for her to procure a Quit Claim Deed from Hendricks County for said Lot.

Wherefore petitioner prays the Court for an order directing the County Auditor to execute a deed to the petitioner for said Lot and for all other proper relief.

Clark & Nichols

Attys, for Petitioner.

IN THE MATTER OF THE PETITION

FOR AN ORDER BY NEALIA BATEMAN,

Now at this time comes Nealia Bateman, petitioner, and shows to the Court, and files her petition for an order to execute a deed of conveyance for certain real estate in Hendricks County, Indiana, which petition is in the words and figures following, towit: _(H.I)

M. A. Gregory

F. A. Haynes

This Indenture Witnesseth, That , Whereas Nealia Bateman, on the 2 day of March 1925, filed in the Commissioners' Court of Hendricks County, Indiana, her petition alleging therein that she is the owner in fee simple, and in possession of 71,½ feet off of and across the entire East side of Lot 1 in Block 17 in the Original Plat of the Town of Danville, Hendricks County, Indiana, and that her title to said Lot is defective for the reason that a deed is omitted from the record, which deed forms a connecting link in the chain of title thereto. That said deed should be made by Hendricks County to the petitioner, to take the place of the deed omitted from the record, and praying for an order directing the Auditor of said County to execute to her a Quit Claim Deed correcting said defect; and whereas the Court, after hearing the evidence and examining the records, granted the prayer in said petition, and ordered said Auditor to execute to her a deed as prayed for, which order is entered in Commissioner's Court Record 23 page 116.

Now therefore in pursuance of said order, I Floyd L. Whicker, Auditor of Hendricks County, State of Indiana, hereby Release and Convey to Nealia Bateman the following real estate in Hendricks County, add State of indiana,towit:

Seventy-one and one half (71½) feet off of and across the entire East side of Lot One (1) in Block Seventeen (17) in the Original Town of Danville, Indiana.
