RESOLUTION

Whereas the great and supreme Ruler of the universe has in his infinite wisdom removed from among us one of our worthy and esteemed fellow laborers, Alva C. Harvey, and whereas the long and intimate relations held with him in the faithful discharge of his duties in the county council, make it eminently befitting that we record our appreciation of him. Therefore, Resolved that the wisdom and ability which he has exercised in the aid of our organization by service, contributions and council, will be held in grateful remembrance.

Resolved: That the removal of such a life from among our midst leaves a vacancy and a shadow that will be deeply realized by the members and freinds of this organization and will proove a serious loss to the community and the public.

Resolved: That with deep sympathy with the bereaved relatives of the deceased, we express our hope that even so great a loss to us all may be over-ruled for good by Him who doeth all things well.

Resolved; That a copy of these resolutions be spread upon the records of this organization, a copy printed in the local paper and a copy forwarded to the bereaved family.

Mr. Grant Sellers, President of the County Council entertained a motion for nominations of council members one of whom to be elected as a member of the 1940 Hendricks County Board of Tax Adjustment.

IN THE MATTER OF TRANSFER OF
CONTINGENCY FUND APPROPRIATION
TO COUNTY INFIRMARY REPAIR.FD.

The Board of County Commissioners now informs the Council of the request of the State Board of Inspection and Investigation of Public Welfare in regards to the housing of inmates at the County Infirmary. The Council finds that conditions in the basement of the County Infirmary are in such condition that it is necessary to the extent of emergency to provide further appropriation to finish repair work at the County Infirmary already started by the Board of County Commissioners and not completed due to lack of appropriation in the repair fund set out in the regular budget in 1939 for the year 1940.

The chair now entertains a motion relative to the transferring of such needed appropriation out of the CONTINGENCY FUND appropriated in the 1939 Budget.

A motion was made to transfer the sum of \$1000.00 from the contingency fund to the county infirmary repair fund in order to complete the work already started. Said motion was made and duly seconded. Upon a vote the motion was carried and the Auditor of said County requested to transfer the above sum as set forth in the motion.

The Board then moved to adjourn. The motion was carried.
