The Council directed that their records include the following
Communication from Mrs. Tirzah Jessup, widow of the late Frank Jessup.

I wish I could find words to thank you each for being so good to Frank, He never enjoyed any thing as much as the work for the county the last 5½ Five and one half years. He was so interested in everything and proud of the people who were in office, He wanted so much to finish his term, and when he was so sick at the time of the last Commissioners meeting, he talked about the things they were deciding. Something he wanted to say to the Council he didn't get to say, but of course you all know the problems he had in mind.

He so enjoyed working with each one of you. Thanks for helping him and encouraging him, With Appreciation. Mrs. Tirzah S. Jessup.

IN THE MATTER OF THE PROSECUTING ATTORNEY

The Council received the following communication, to-wit:

To: The Hendricks County Council

Gentlemen:

The General Assembly of the State of Indiana enacted a Statute which became effective on March 13, 1959 revising the Salary schedule of the Prosecuting Attorneys of the various Counties of the State of Indiana.

My understanding of the enacted statute is that it repealed the statute which had been enacted sometime previous thereto under which the County Council had allowed me \$83.33 per month, to be paid by the County for the year of 1959.

I have already received five of such payments and hope and trust that I will be able to receive seven additional payments in said amount.

It is my understanding of the statute that the Hendricks County Council has a right to pass a resolution approving the prior payments and declaring in full force and effect the full amount of the budget for the year of 1959 which was budgeted for the purpose of paying to the Hendricks County Prosecuting Attorney the sum of \$1,000.00 toward his annual salary for the year of 1959.

I wish to express my deep appreciation for the action of the County Council for including in their budget the amount of \$1,000.00 to be paid toward my annual salary. I sincerely hope that you will see fit to approve the prior payments toward my salary for the year 1959. I further hope that you will see fit to pass a resolution declaring said budget to be in full force and effect for the year of 1959.

Yours very truly,

J. Gordon Gibbs

After due and deliberate consideration of the above request the Council adopted by unanimous vote the following resolution, to-wit:

WHEREAS, the General Assembly of the State of Indiana enacted a statute which became effective as of March 13, 1959, revising the salary schedule of the County Prosecutors and thereby repealing the previous statute wherein the County Prosecutor of Hendricks County did receive a monthly payment of \$83.33 from Hendricks County and

WHEREAS, this amount has been paid to May 31, 1959.

No, therefore, be it resolved by the County Council of Hendricks County that the above mentioned payments be and they are hereby approved and the amount so budgeted for the year of 1959 be declared in full force and effect, from Jan. 1, 1959 to June 30, 1959.

(Among Other Proceedings Had and

The Council thereupon examined said petition together with the affidavits attached to the various counterparts thereto verifying the signatures thereon, and the certificate of the Auditor as to the qualification of the signers, and said petition, having been found to be signed by more than 50 owners of taxable real estate in Hendricks County, and to be duly verified and certified as required by the provisions of Chapter 119 of the Acts of 1937 (Burns 1951 Replacement 64-313) and acts amendatory thereof, on motion duly made, seconded and carried the same was approved as being sufficient in all respects, the vote on said motion being as follows:

Ayes: 5
Abstaining: 2

The certificate of the Auditor as to the qualifications of the signers of said petition filed May 29, 1957 pursuant to the provisions of Chapter 8 of the Acts of 1929 (Burns 1950 Replacement 22-3216) showing that 38.6% of the total number of freeholders in this County having signed said petition and that more than 50 of said freeholders resided in the 12 respective townships of the County, the Board of Commissioners entered an order establishing said hospital as more fully appears in Commissioners Record 25, Page 430 A. The Auditor also presented and read to the Council the Certificate of the Board of Trustees of Hendricks County Hospital filed with the Board of Commissioners on December 7, 1959, and the Estimate and Request of the Board of Commissioners filed with the Auditor on the 7th day of December, 1959, showing that the amount of funds to be provided by the County on account of the construction and equipment of said hospital is One Million Eighty-seven Thousand Dollars (\$1,087,000.00), which estimate and request was as follows:

ESTIMATE AND REQUEST OF THE
BOARD OF COMMISSIONERS OF HENDRICKS COUNTY

To The Auditor of Hendricks County
and the Hendricks County Council:

On July 1, 1957 a petition was filed with the Board of Commissioners requesting the establishment of a County Hospital in and for Hendricks County pursuant to the provisions of Chapter 8 of the Acts of 1929 (Burns 1950 Replacement 22-3216) and the acts amendatory thereof and supplemental thereto and requesting the issuance of bonds of the County in an amount not exceeding the sum of One Million Eighty-seven Thousand Dollars (\$1,087,000.00) to provide funds for the construction and equipment of the proposed hospital. On November 18, 1957 the Board of Commissioners appointed the members of the Board of Hospital Trustees for said hospital, which members after taking their respective oaths of office and the filing of their fidelity bonds in relation thereto, organized as a Board in the manner provided by law. The Board of Trustees has certified to the Board of Commissioners that a Federal grant in the amount of Seven Hundred Seventeen Thousand Three Hundred Thirty-three Dollars (\$717,333.00) has been allocated to the Hendricks County Hospital project on condition that the County provide funds for the construction and equipment of said hospital in an amount of One Million Eighty-seven Thousand Dollars (\$1,087,000.00), and has requested that said sum be made available for that purpose. There being no funds on hand or provided for in the existing budget available for application on said project it will be necessary to issue the bonds of the County for the purpose of procuring such funds, and the Board of Commissioners recommends that such bonds be issued bearing interest at a rate not exceeding 4.5% per annum (the exact rate to be determined by bidding), and be payable over a period of not to exceed 11 years from the date of issuance thereof.

The Board of Commissioners hereby requests that the Hendricks County Council authorize the issuance of bonds of the County in the amount of One Million Eighty-seven Thousand Dollars (\$1,087,000.00), and appropriate the proceeds of such bonds for the construction and equipment of said hospital, including the incidental expense necessary to be incurred in connection with said project and in connection with the issuance of bonds on account thereof.
