April 8, 1988

The meeting of the Hendricks County Election Board was called to order by Mary Jane Russell. Other Board Members present were David Lawson and Marjorie Miles.

It should be noted that votes cast for Lloyd Action should be cast for Lloyd ACTON.

Mary Jane Russell read the letter from Mr. Peters who is candidate for Avon School Board.

David Lawson made motion to hold off on making a decision, due to the fact that we need more time to discuss the issues and to possibly meet with the Avon School Board and other people that can give some insight on the question.

The Board will meet after the election due to the fact that Mr. Peters will be elected.

Marjorie Miles made a motion to adjourn the meeting and Mr Lawson seconded the motion.

David Lawson, Democrat Member Election Board

Marjorie Miles, Republican Member Election Board

Mary Jane Russell, Clerk-Secretary of the Election Board

The next item of business coming before the Board was the request by Mr. William E. Peters (the now elected Board member of the Avon Community School Corporation,) to alter procedures of seating School Board Members which have been in place since 1974.

The Board members discussed, at length, this issue and the following motion was made by the Board member, David E. Lawson. Such motion being;

By reason of the fact that this Board is uncertain as to whether or not it, in fact, has the jurisdiction to determine the issue that has been placed before it by Mr. William E. Peters, as opposed to procedure that may be provided by statute for the school corporation, itself, to amend its own election process through procedures under the jurisdiction of the Indiana State Department of Education, that the Board request a legal opinion from its attorney as to whether or not this Board does or does not have jurisdiction to decide this issue. Further, that upon receiving such requested legal opinion, the Hendricks County Election Board shall determine what action, if any, it shall take.

This motion was seconded by Board member Marjorie Miles and unanimously passed by the Board, David E. Lawson, Marjorie Miles and Mary Jane Russell, each voting "aye".

Mr. Lawson requested that the secretary of the Election Board forward a copy of the minutes to the Avon School Board, c/o Dr.,Terry, with a further copy being sent directly to Mr. Peters with a covering letter as to the action which was taken on this date.

By consent, the Secretary of the Election Board was requested to forward a copy of the Minutes of this meeting along with all material which has been accumulated with reference to this issue, to the County attorney along with a request that he submit his legal opinion at the earliest opportunity.

Dear Marjorie,

The owners of Turpin's Hardware and its employees are being harassed by a man wanting to register to vote. He came into our store after the field registration cut off date and was very irate that we could not register him. He was informed that he could go to the courthouse in Danville which he refused to do. He then returned on or about April 6. He again was told that we could not register him until May 15 when the supplies are released from the Clerk's office. He became very distraught and said that he " knew the law" and that we had to register him. He left and returned again on April the 10th repeating previous conversations. On May 2 he returned and spoke with Sam Turpin. Sam explained to him in detail the fact that the supplies are locked up, etc. We thought at that time that we had him convinced and straightened out. We recommended to him that if he did not believe us to call the State Election Board. He left with the threat that he would be back in three weeks to be registered.

On May 5 he again returned to the store and began to verbally abuse our employees and he shoved a seventeen year old boy that works for us. He demanded to talk to a precinct committeeman. The employee, Dan Novreske, called Melissa Turpin at her home. The man got on the phone and demanded to be registered again repeating that he " knew the law" and that we were trying to prevent him from voting. She explained to him again everything that he has previously been told. He became abusive and threatening. At that point Melissa Turpin hung up on him. While in the hardware store he threatened the employees with bodily injury and said that he had a pipe in his car that he would "bash in your cars and then come after you." We believe that the man lives in Marion County and have turned everything over to the Brownsburg Police. We are in the process of identifying him from a license plate number and will forward his name to you as soon as we have it.

Thank you,
Richard G. Turpin

3. That the foregoing public question on the number of Town Board members shall be submitted to the voters of the Town voting in the next general election to be held on November 8, 1988.

4. That this resolution shall be in full force and effect immediately following its passage.

5. That the Clerk-Treasurer shall certify a copy of this resolution to the Election Board as provided by law.

The Hendricks County Election Board met on December 15, 1988, at 1:30 pm in the Commissioner's room of the Court House. Those present were David Lawson, Marjorie Miles and Mary Jane Russell as members. Also Connie Lawson Clerk-Elect, Dr Thomas Terry of the Avon School Corporation and County Attorney Art Welling.

T he Agenda for the meeting were the School Boards, Voting Machines and Precinct splits.

In the interest of the Avon School Board Dr Terry and Clifford Shaul, Attorney for Mr. William Peters were invited to attend the meeting.

There has been a Civil law suit filed in the Hendricks Circuit Court. William E Peters vs Avon School Corp. Complaint brought before us as to whether he should be seated now or to wait the one year.

Motion was made to adopt the resolution of 1968 that it should be resolved by the Hendricks County Election Board, the power given to us by the Legislature, that we do not have statutory duty or the authority to determine the terms of office of the School Board members; and that our basic function, as County Election Board members, is to receive the application for candidates, to place candidates who timely file on the ballot and certify t he successful candidate after the election process.

David Lawson moved that the resolution be adopted and filed. Marjorie Miles seconded. Motion carried.

By consent of the Board it has asked that attorney Art Welling send a letter to the other School Boards, with the same school board plan, that they may want their attorney to study their plan as it is not up to the County election Board.

Splitting of Precincts and the Voting machines were discussed and the Board and Clerk-Elect, Connie Lawson will talk to the County Commissioners in their meeting on January 3, 1989.

No further business to discuss David Lawson made a motion to adjourn and Marjorie Miles seconded. Meeting adjourned.

Mary Jane Russell, Clerk
Secretary for Election Board

CLERK HENDRICKS CIRCUIT COURT

November 10, 1988

Hendricks County Election Board
Courthouse
Danville, IN 46122

Dear Sirs:

I have voted in every election for the past 16 years, up until this year. I am very upset in the way in which the voting process took place. I am a resident of Brown township in Hendricks County and I voted (or was to vote) at Bethesda. I got there at noon which has always been a good time previously to vote, to find a line of about 50 people waiting to vote at one machine. After waiting 10 minutes and not moving an inch I left. The person in front of me was there for his third time of the day trying to vote. I returned at 5:15 to find the line twice as long as the first time. After inquiring of a person who had just voted what the wait time was and finding it to be 1 1/2 hour to 2 hours I left. My wife left after waiting one and one half hours and not even getting to view the voting the area.

I am sure this is not your first complaint. I saw several others who gave up trying to vote also. I feel that the citizens of this county were done a tremendous disservice by the people who run the election. You know how many people are registered in each precinct, why in the devil you cannot get enough voting machines there to handle it in an expedient manner I cannot understand. Bring back paper ballots if this is the best you can do. We should not have to take a whole day off just to stand in line to vote. As for me, I will vote absentee from now on and I will encourage others to do so also. I'm sure many voters who are new to the process will be discouraged from voting in future elections.

Sincerely,

Dale K. Steele

RE: Term of Office and Election of School Board and Trustee Members

Dear County Election Board Members:

As a result of the inquiry posed by Mr. William E. Peters, a candidate in the May primary of 1988 for the Avon Community School Corporation Board of Trustees, and at your request, I have researched the issue presented and can present you my opinion.

The reorganization of community school corporations was authorized by the Legislature in 1959, under the "School Corporation Reorganization Act of 1959," which is found at I.C. 20-4-1-2. Under the procedures authorized by that act, the Hendricks County Committee for the Reorganization of School Corporations was formed, and a reorganization plan adopted and approved by the State Board of Education, which provided for the election of school board of trustees in the original plan.

Historically, from 1968 to 1974 some questions arose as to the commencement of the term of office and the election of board members for various school corporations. This led in 1974 to the County Election Board adopting its "Amended Procedure for Elected Candidates to Take Office". I.C. 20-4-1-40 and its prior corresponding sections provide that any plan approved by any county committee and the state board.... may provide for, or be amended to provide for delaying the commencement of the terms of some members of the governing body for a period of one year, and for extending the term of their predecessor for one year, where it is necessary to prevent a majority of the board from taking office at any time.

The current statute does not provide for a procedure for implementing the amendment, however, the prior law included the provision "Such amendment shall be effected by action of the County committee or committees with approval of the state commission without hearing. Where the plan has been put into effect prior to the effective date of this section by election, petition or other proceeding, such amendment shall require, in addition, the approving action of the governing body of the school corporation involved."

HENDRICKS COUNTY ELECTION BOARD MINUTES - FEBRUARY 15, 1989

The Hendricks County Election Board met on February 15, 1989 in the Commissioner's room at the Danville Court House for a special meeting called with proper notice. A quorum was present.
In attendance were: David Lawson, marjorie Miles, Connie Lawson and mary Ann Fleece.
A discussion was held concerning organizational structure. A Motion was made by Connie Lawson that Marjorie Miles be president of the Board. David Lawson seconded the motion. The motion carried unanimously.
Connie Lawson reported that she attended the January 2nd Commissioners meeting to inform them that the Election Board would appreciate having input before a final selection of voting machines is made.
The Special Election for the Town of Brownsburg was discussed. Two persons will be elected to serve on the Brownsburg Board of Trustees. The primary will be held on May 2, 1989. This election will be handled in the same manner as any County election.
The Town of Brownsburg is responsible for all costs of the election.
We will need 5 voting machines prepared, absentee ballots and a travel board.
A Democrat will need to be in the Clerk's Office 30 days before the election.
The voting machine mechanics will need to be contacted.
An article will be published in the local newspapers giving the deadline for a candidate to declare. The "Notice of Election" will be published twice before the election.
After a discussion concerning printers, a motion was made by Marjorie Miles and seconded by David Lawson that all Ballots and other necessary materials needed for the election be printed by Petri Printing. Motion carried unanimously.
At this time no Democrats have filed their candidacy. If none is received by August 1, 1989 there will no need for a fall election.
On election day the entire election board will need to be on duty, along with a Sheriff's deputy and the Tally Board and Mechanics.
Marjorie Miles made a motion that we adjourn. David Lawson seconded. Motion carried unanimously.

Mrs. Connie Lawson
Clerk, Hendricks County
Hendricks County Courthouse
Danville, Indiana 46122

Dear Mrs. Lawson:

As you are no doubt well aware, over the past month, there has been a good deal of publicity in the newspapers and much speculation over some problems which I have had to face, which I consider to be personal in nature. As a result of these problems, I have missed several Commissioners' meetings and have been unable to function fully as an elected Commissioner of Hendricks County. The publicity and speculation has not only caused my family and myself considerable distress, but I am sure has given rise to concerns on the part of many individuals within and without county government as to my continued role as County Commissioner. I have seriously weighed the problems which I am facing on a personal level against the adverse publicity which is being generated by my failure to speak publicly about these matters and the effect that has upon my acting effectively as Commissioner for Hendricks County.

It has been one of my greatest pleasures and highest rewards to be elected as Commissioner of Hendricks County. However, because of the continued speculation and adverse publicity, I feel that my continued service as Commissioner would not be in the best interest of the county.

It is therefore, with the deepest regret, that I hereby tender my resignation as County Commissioner to you. I wish to thank the people of Hendricks County for having faith in me and electing me as one of their public servants and I have at all times attempted to serve them well.

I appreciate the honest and sincere consideration all of you have afforded me during this most difficult period.

Very sincerely yours,

Richard Himsel

I have submitted my resignation to Mr. Sam Ruchens as a member of the Hendricks County Election Board.

I have served for a number of years and I had decided this past year that I might pass the "gavel" on to someone else.

I have just been appointed to serve on the Library Board here in Danville by the Danville Community School Corporation. I had served on that Board a number of years ago. I am also involved in another organization as a volunteer which takes some time.

I have enjoyed working with each and every member of the Election Board and all those important people who really run the election, Mary Ann, Joy and Maureen.

I have advised Sam of my resignation and I believe that he will timely find a replacement for me on the Board.

On Thursday, June 28, 1990 the Hendricks County Election Board met. Present were Connie Lawson, Marjorie Miles and Glen Broyles. The meeting was called to order by Chairman, Marjorie Miles. Minutes from the previous meetings of March 9; March 30; April 17; April 26 and May 8 meetings were read and approved.

Marjorie Miles stated that she would not be able to be in attendance on November 6, 1990. She will be contacting Dick Thompson to ask for an alternate.

Glen Broyles asked what the status of the Civil Liberties Union's case was against Linda Watson. Connie stated that she had received another letter and that she had referred it to Greg Steuerwald to answer. She called Greg to see if he had gotten a response. He is to return her call.

Marjorie Miles stated that she felt that the flashing lights on the new electronic voting machines may have confused a few people. She made a motion that we have the Mechanics to phase out that option for the fall election. After discussion, the motion was seconded by Connie Lawson. Motion carried unanimously.

The 1991 budget was discussed. Each line item was discussed and estimated expenses were calculated as submitted to the auditor. Connie explained that the towns were responsible for all election expenses except salaries, which they were responsible for 75%. The County pays for the election and the towns reimburse the county.

Connie Lawson made a motion that rope to make the chutes leading to the voting machines be purchased. Marjorie Miles Seconded. Motion carried unanimously.

The allotment for meals was discussed. Marjorie Miles made a motion that the allotment per meal be increased to $5.50. Connie Lawson Seconded. Motion carried unanimously.

Connie Lawson made a motion that the budget be presented as revised. Marjorie Miles Seconded. Motion carried unanimously.

Glen Broyles asked about the purchase of new machines. Connie informed the board that the voting machine purchase would be in the Commissioner's budget. Each board member signed a letter that Connie had prepared asking the Commissioners to request $93,000 in their 1991 budget to purchase the remainder of needed machines.

The sale of the old machines was discussed. Glen Broyles made a motion that the sale of the old AVM machines not be complete until the new machines were purchased. Marjorie seconded the motion. Motion carried unanimously. Connie is to contact the company in Jamestown NY to see if they will buy back the 50 column machines most recently purchased.

HENDRICKS COUNTY ELECTION BOARD MINUTES

MAY 8, 1990

On 5-8-90 the Hendricks County Election Board met at the Clerk's office at 5:00 a.m. Present were Connie Lawson, Marjorie Miles and Glen Broyles.

A complaint was called in to the board concerning improper challenging of a voter in Washington 2. Another complaint was brought to the attention of the board concerning the proximity of 2 candidates' workers to the voting booth in Washington 4.

Sheriff Deputy Gene Collier escorted Marjorie Miles, Glen Broyles and Connie Lawson to Washington 4. After looking over the polling site and chute, It was determined unanimously that the candidates' workers were not inside the chute and could continue to hand out materials were the were stationed.

The Deputy then escorted the Board to Washington 2. Upon arrival at Washington 2 the Board spoke to Linda Watson and Robert Blahut concerning the challenging of a voter. Ms. Watson was informed that the voter must be challenged in writing and that the voter was then to be given the opportunity to complete an affidavit and to obtain a registered voter in that precinct to complete an affidavit. If those affidavits were completed the voter was to be allowed to vote.

The Board also measured the distance from the voting booth and Ms. Watson's location. Ms. Watson was found to be 56' away from the voting booth and was allowed to stay.

During the course of the day, 34 Certificates of Error were issued, nine of which were in Liberty township.

Upon the return of all precincts tally sheets, Marjorie Miles made a motion that the meeting be adjourned. Glen Broyles seconded. Meeting was adjourned.

Respectfully submitted,

Dear Mr. Brown,

After our conversation about assistant clerks, I have completed some resear on the subject and wanted to inform you of the situation.

On August 19, 1990 the Hendricks County Election Board met and passed unanimously a motion that deleted assistant clerks from all precinct boards usin electronic machines for the November 6, 1990 election. This reduction of labor meal expense is saving the county a total of $7,920.00.

Mr. Brown, you will be in direct violation of the election law should you proceed with your plans to pay an assistant clerk on your own.

1. I.C. 3-6-6-1 states that each County Election Board shall appoint an election board for each precinct in the county.
2. I.C. 3-6-6-3 states that if one assistant clerk is appointed, then one for each political party must be appointed.
3. I.C. 3-6-6-4 allows the County Election Board to designate the precinct for which assistant clerks are to be appointed.
4. I.C. 3-11-8-15 allows for only those persons who are members of the precinct election boards to be permitted in the polls during election except for the purpose of voting.

The County Election Board is asking two Republicans and one Democrat from precinct board to attend instruction on the electronic machines. This will mak your tallying go quickly and efficiently.

If you have any further questions or comments, please call.

Sincerely,

To Robert Freese, Brown Township Trustee

This letter is to serve as notice of my resignation from the township board effective January 1,1992. I believe the board took very positive steps in addressing the largest monetary expenditure of the township, namely the cost of fire protection. As Brown Township continues to grow, further investigation and decision making will be required of various options such as creating a Fire District with Brownsburg Fire Department with control board representing the townships and Brownsburg, a volunteer fire department, a substation with the Brownsburg Fire Department, or linking up with another area fire department such as Pittsboro. Probably such a decision will have to be made by the taxpayers of the township with the various trade offs clearly explained.

I would like to suggest a possible appointee for my position. Dan Collier has expressed his interest in this position. His background with the Brownsburg Fire Department is a good qualifier for this position given fire protection is the major monetary function of the board.

If I can be of further assistance, please contact me.

HENDRICKS COUNTY ELECTION BOARD
FEBRUARY 7, 1992

The meeting of the Hendricks County Election board was attended by Marjorie Miles, Republican member, Glen Broyles, Democrat member and Connie Lawson, Clerk, as secretary of the Board. Connie asked for a motion for chairman of the board and as chairman of the canvassing board. Marjorie Miles made a motion that Glen Broyles be Hendricks County Election Board Chairman, motion was seconded by Connie Lawson, motion carried unanimously. Glen Broyles made a motion that Marjorie Miles be chairman of the Canvassing Board. Connie Lawson seconded and motion was carried unanimously.

Connie told the board that they were now allowed to appoint proxies. Glen signed a blank proxy and asked Connie to approach David Lawson, past Democrat member to be his proxy, as he is leaving town for 30 days. Marjorie will think about who she will ask and get back with Connie.

Connie told the board that the final day that a candidacy may be reviewed is March 12th. The Board set a meeting date for March 10, 1992 at 10:00 a.m. to review candidacies and other matters.

A test election was discussed. All were in agreement that a test election was imperative. Glen Broyles made a motion that April 10, 1992 be the test election date. Marjorie Miles seconded the motion. Motion carried unanimously.

State Convention Delegates were reviewed. The state allotted the Republican party 25 Delegates and the Democrat party 16 delegates. After discussion Marjorie Miles made the motion that delegates to the State Convention be split among the Townships in the following manner: Republican: Brown 1, Center 3, Clay 1, Eel River 1, Franklin 1, Guilford 5, Liberty 1, Lincoln 5, Marion 1, Middle 1, Union 1 and Washington 4, for a total of 25 delegates. Democrat: Brown 1, Center 1, Clay 1, Eel River 1, Franklin 1, Guilford 3, Liberty 1, Lincoln 2, Marion 1, Middle 1, Union 1 and Washington 2, for a total of 16 delegates. Glen Broyles seconded the motion. Motion carried unanimously.

Connie Lawson will write a letter to the County Chairmen concerning the Delegate distribution.

After discussion concerning assistant clerks, Marjorie Miles made a motion that the Hendricks County Boards be allowed to use 16 and 17 year old assistant clerks, should they so desire, if their boards were allotted assistant clerks. Glen Broyles seconded. Motion carried unanimously.

Marjorie Miles made a motion that precincts of 400 or more registered voters be allowed assistant clerks. Glen Broyles seconded the motion. Motion carried unanimously.

Special Voting Place Designated

Connie Lawson, Hendricks County Clerk, announced that a special voting place for those handicapped persons who wish to vote in person at the polls on election day and whose own poll is inaccessible has been designated by the Hendricks County Commissioners. At the February 25th meeting, Center 8, located in the Rotunda of the Hendricks County Courthouse, Danville, IN was selected for this purpose.

Any person wishing to use this special poll may apply at the Voter Registration office located on the first floor of the Courthouse by noon on April 24, 1992.

An alternative to voting in person would be to apply for an absentee ballot which may be mailed, or to apply for a Travel Board team to come to the confined voter's residence on either May 1st, 2nd or 4th.

Further information may be obtained from the Voter Registration Department: 745-9313 or 745-9249.

SCHOOL BOARDS MAY BE WRITE-INS

Because School Boards are actually elected in the Primary election, any person wishing to do so may become a write-in candidate after filing a declaration of intent. The declaration of Intent form may be obtained from the Hendricks County Clerk's/Voter Registration office. Write-In Candidates' names do not appear on the ballot, but are actually written in by the voter. The deadline for declaring as a Write-In Candidate for School Board will be noon, April 24, 1992.

Regretfully, before discussion with the State Election Board, it was understood that Write-Ins were not allowed. If you were one of the persons that called concerning this matter, please accept the Clerk's apology.

No other office will be allowed Write-Ins until the November 3, 1992 election.

ATTN: Ronald Masten, Chairman

Dear Mr. Masten,

It is with much consideration and debate that I am submitting to you my resignation from the Advisory Board effective today, March 2, 1992. I understand with my acceptance of the position as the new Avon Community Park Director, it will be necessary, as it will cause a conflict of interest to remain on the board, but I do so in order to work on a project that has become very dear to me.

I have enjoyed my tenure on the Advisory Board, and regretably resign, but would like to continue on as secretary to the Advisory Board. I understand this will not be a compensated position, but I enjoy serving the community in this capacity. Thank you gentlemen for the opportunity the new position at the Park imposes, I look forward to it.

HENDRICKS COUNTY ELECTION BOARD
SPECIAL MEETING
MARCH 4, 1992

A special meeting of the Hendricks County Election Board was held on Wednesday, March 4, 1992 at 11:00. The Open Door policy was complied with by notice posted on March 2, 1992 at 8:30 a.m. Present were Marjorie Miles, Republican member, David Lawson, proxy for Democrat member, Glen Broyles and Connie Lawson, secretary.

Discussion was held concerning a motion made in the February 7, 1992 meeting concerning the payment of election board workers and training classes. The motion was made by Glen Broyles, seconded by Marjorie miles and carried unanimously. The motion read as follows: Inspectors shall be given a raise of $20.00 per day, making their total salary $100. All other board members will receive a $5.00 raise, making their salary $45.00 and all board members attending classes will receive $10.00.

Financial impact of the aforementioned motion and the resolution allowing assistant clerks to precincts with 400 or more registered voters is as follows: $2,840.00 additional money not budgeted for inspectors; Assistant clerks salary $10,620.00; Assistant clerk's meals $3,540.00, additional salary for clerks, judges, sheriffs $4,260.00 and training at $10.00 per person for all board members would be $12,300.00. These figures include costs for both elections conducted in 1992.

After discussion Marjorie Miles made a motion that the salary increases and assistant clerks remain in tact, but that the increases in salary would be the compensation for class attendance, with no additional pay given. Also, the persons asked to attend instruction classes would be Inspectors, Clerks and Assistant Clerks. David Lawson seconded the motion. Motion carried unanimously. Meeting was adjourned.

Respectfully submitted,

Connie

Dear Dick,

I had a meeting today with William D. Bowen about the vacancy in Lincoln 6 for Precinct Committeman. I talked to you about him Thursday night. He has agreed to accept an appointment and I whole heartedly recommend him for the job. He is a contributor to Linley's campaign and has worked on my election board. While he lives in Precinct 7, he will gladly serve until we can find someone in 6 to file for election.

I have asked David Quanlt to consider taking over Precinct 1 to replace Adrian. He is to let me know after talking with his family.

I would like to get Bill Bowen appointed so he can assist with Voter Registration and the November election. I'm still looking for someone in Precinct 9.

Carol and Rex Callis have indicated to me that they are submitting a letter of resignation in Precinct 4, so that will leave a vacancy there.

Call me if you have any objection.

Thanks,

Mac
