[Acts 1865 (Spec. Sess.), 2, §1, p.41.]

65-602 [7699]. DUTY OF TOWNSHIP TRUSTEE.—The township trustee of each township of the several counties in the state is charged with the duty of making said enumeration, and shall, at the times mentioned in the first section (§65-601) of this act respectively, ascertain the name and age of every white male inhabitant over the age of twenty-one (21) years, residing, at the time of making such enumeration, within the bounds of his township; and shall write, or cause to be written, said names in a book or books to be provided for the purpose, setting opposite to each name the age of the person, as nearly as the same can be ascertained, and shall number said names in numerical order as they are written down in said book or books. [Acts 1865 (Spec. Sess.), ch. 2, §2, p.41.]

65-603 [7700]. TIME AND MANNER OF MAKING.—The said township trustee shall perform the duties required of him in the foregoing sections between the first day of January and the first day of July of each year in which an enumeration is provided for in the first section of this act, and shall, on or before the first day of July, in each of said years, arrange in alphabetical order, in another book to be provided for that purpose, the names of all the white male inhabitants, over the age of twenty-one (21) years, of his township, who may have been enumerated as aforesaid under the preceding sections of this act, showing opposite to the name of each person, his age, as nearly as the same could be ascertained. And the said township trustee shall attach to said book his affidavit, to be sworn to and subscribed before some officer authorized to administer oaths, setting forth that the said book contains, as he verily believes, an honest, true, correct and complete enumeration of all the white male inhabitants, over the age of twenty-one (21) years, resident at the time of taking said enumeration in his township (naming it); that no person has been enumerated or returned in said book who was not at the time of making said enumeration a white male inhabitant, over the age of twenty-one (21) years of said township, to the best of his knowledge, information and belief, and that he has not, knowingly or negligently, omitted to enumerate and return in said book any white male inhabitant over the age of twenty-one (21) years who was resident therein at the time of making said enumeration; which book, with the affidavit aforesaid, shall, on or before the first day of July in each of said years, be returned by the said township trustee to the auditor of his county, who shall file and preserve the same in his office, noting therein the date of such returning and filing.
