By running and measuring  
between stones at A and B  
(See flat Book) we found  
an old walnut stump which  
is recorded as witness to  
W<sup>2</sup> corner of Sec 20 (N 3° W  
1.28 ch.) From this old  
witness we set a stake  
(the Record not showing  
that any had ever been set)  
On line from A to a pt  
1.91 ch north of C (distance  
taken from gov survey) on  
the Center of Public Road  
we set stone B.

We produced line marked  
by stone D and E 12.00  
ch to center of Public Road  
where we set stone Y
