

Pt. E²NW⁴ 14-15-1W T. SCOTT

1478

4-30-79

To find cen. sec. 14-15-1W, retraced Harrison's work who found $N \frac{1}{2} W^2 SE^4$ and $N \frac{1}{2} E^2 SE^4$ practically equal in length and practically collinear.

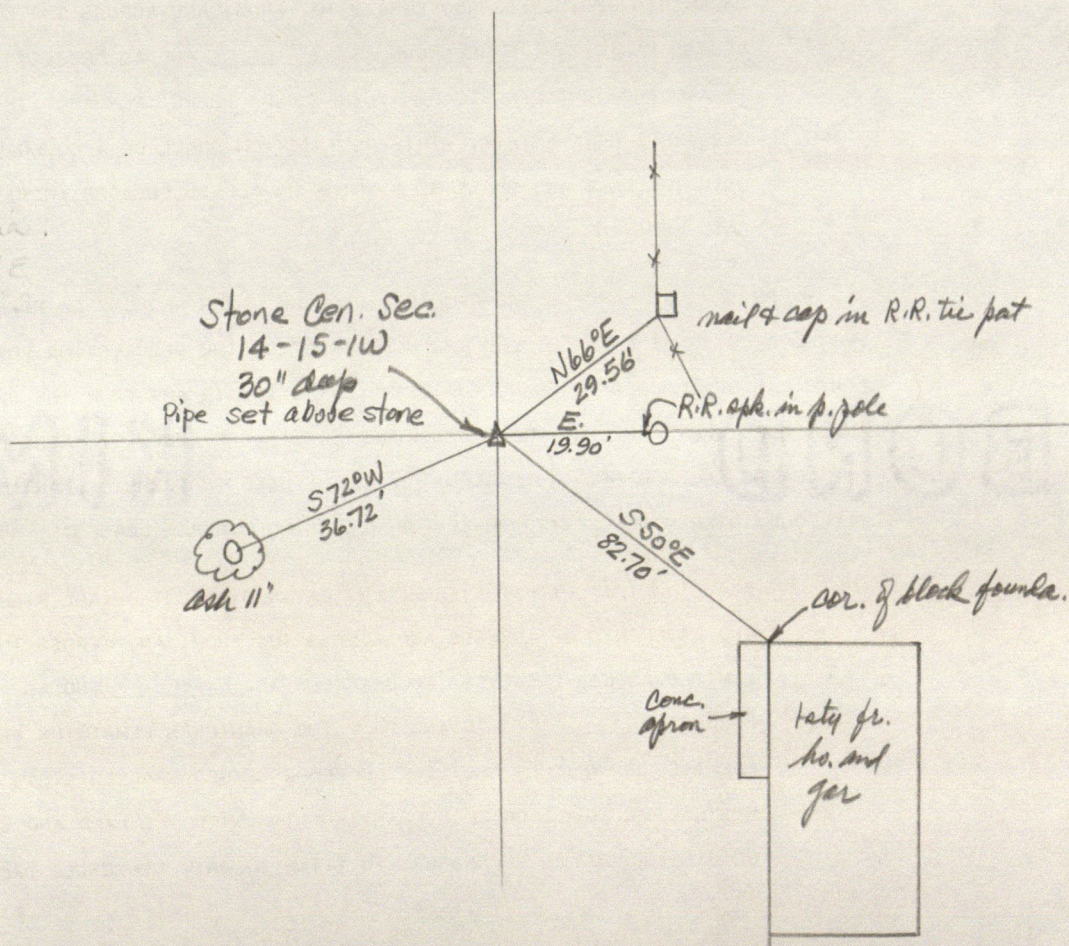

Found stone at E qtr. cor. (bch 7 $\frac{1}{2}$ " S88°W 49.9', bch 7" E. S8.0'). Stone has E-W notch.

Found stone 5' deep 1.4' E. of old wood cor. post for Cen. N. SE $\frac{1}{4}$ (not sure the stone is the corner but no other stone were found).

Distance between stone roughly measured to be 1325.75' \pm 0.8'.

Prolonged the above line W. another 1325.75' (approx.) and dug hole 3' x 3' x 3' deep and found stone at sec. cen. about 1.15' \pm N. of prolonged line and about 1327.2' \pm 0.8' W. of stone for Cen. N. SE $\frac{1}{4}$.

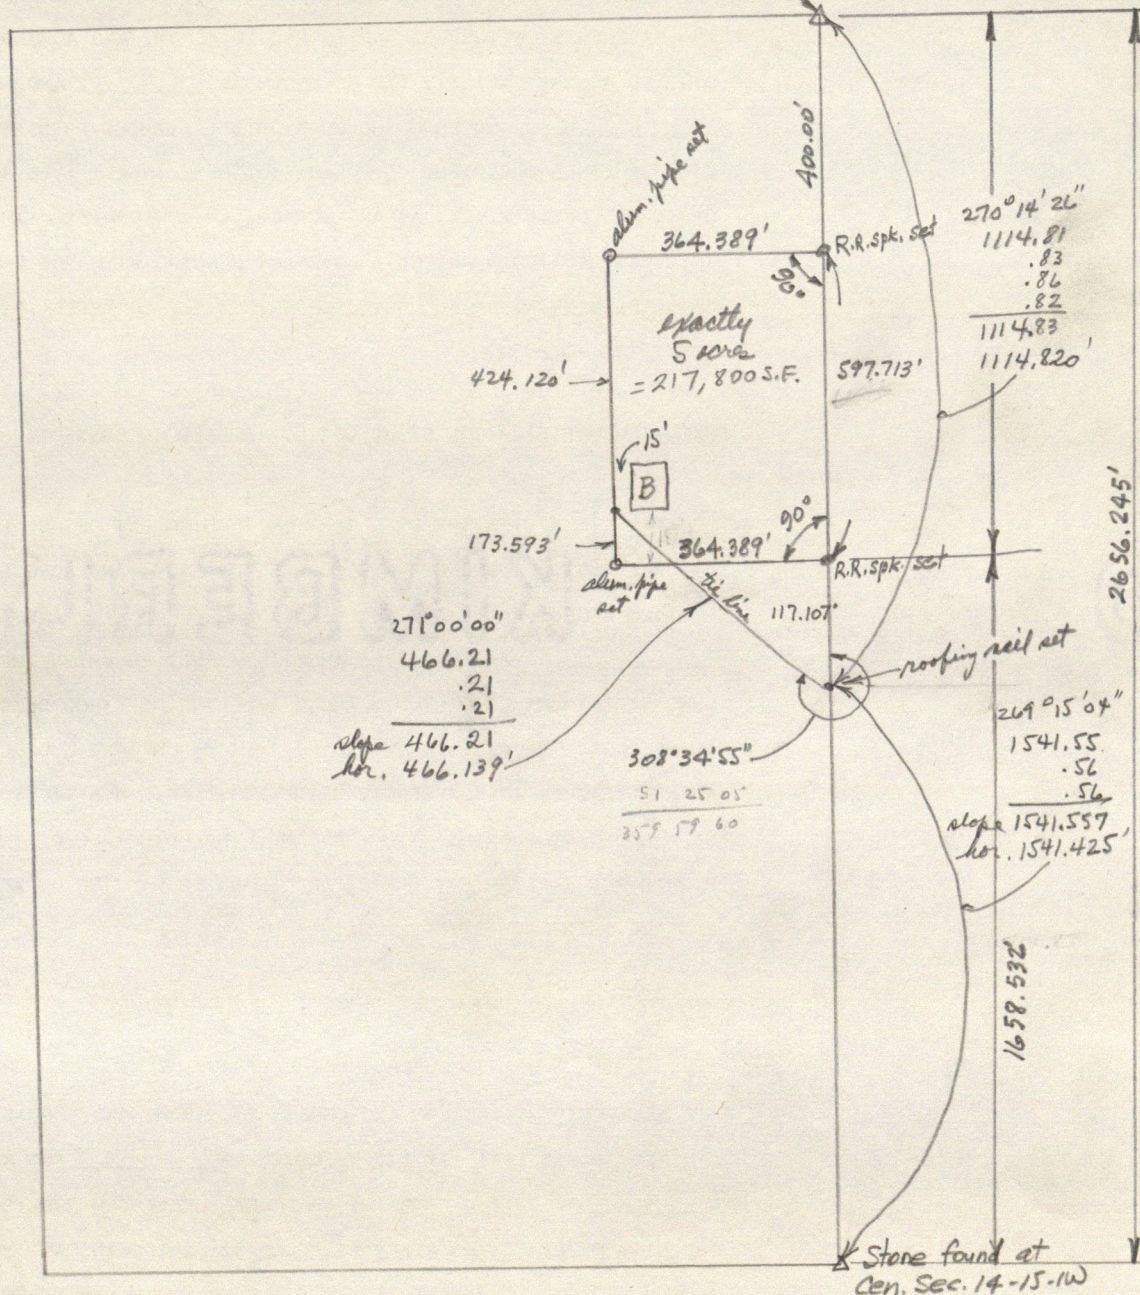

Stone at sec. cen. pretty close to straight line from N qtr. cor. to S qtr. cor.

Stone 6'14" deep with D.H. - RR rpk set above - gone 4-30-79
 NE cor. conc. culv. slab S82W 19.12'

LEGAL DESCRIPTION FOR MR. THOMAS E. SCOTT

A part of the East Half of the Northwest Quarter of Section 14, Township 15 North, Range 1 West, Hendricks County, Indiana, described as follows: Beginning on the east line of said half-quarter section 400.00 feet South of a stone at the northeast corner of said half-quarter section; thence South on said east line 597.71 feet; thence West at right angles from said east line 364.39 feet; thence North parallel with said east line 597.71 feet; thence East 364.39 feet to the point of beginning; containing 5.00 acres, more or less. Subject to all legal highways, rights of way, and easements. The east line of said half-quarter section as marked by stones at the ends of said line is an assumed meridian upon which all bearings herein are based.

Given under my hand and seal this 1st day of May, 1979;

Stanley M. Shartle
Stanley M. Shartle, Registered Land
