of sec. 10x16 Stone Sou line
 Mr Ross testifies that when the land was sold
 it was measured to be 80 rods & the fence
 shows the intention of the parties in the sale.
 The survey is made according.
 April 12, 1881

SE corner sec 1 or perhaps the SW corner of 6-15-2E
 (There is a 12 link offset in the corners but
 only one corner plug was found - hence I
 don't know which corner it marks) Witnesses:
 Centerline of concrete pavement 8.27 feet south,
 SW corner of curb of culvert N45°E 10.93 feet.
 NW corner of curb of culvert S20°E 26.00 feet.
 Telephone Pole S45°W 57.27 feet

Center S. of SE 1/4 - An old stone found 10.88 feet north of centerline of
 pavement (An iron pin set in concrete promised)
 Elm 7" N30°E 45.6 ft. Wood corner post north 40.5 ft.
 Steel fence post South 41.2 ft.; Steel fence post
 S15°W 43.0 ft., Telephone pole S20°E 44.8 ft.

S 1/2 Mile - No stone or other evidence found.
 Cen. S of SW 1/4 - No stone or other evidence found.

SW corner sec - A copper pin found 3.00 ft. north of centerline of
 pavement and referenced as follows, transit:
 NW corner of iron fence corner post S30°E 37.46 ft.
 Telephone Pole S60°W 76.9 feet. SE corner of
 house bears about N50°E 101.9 feet.
 14 July 1945 Stanley Shartle, Reg. No. 3431.

80 SE corner sec - After an extensive survey I find convincing proof
 that the copper plug 8.27 feet north of center
 of concrete pavement is for SW cor 6-15-2E
 and that a mark should be made 12 links
 south of this plug to designate the SE corner of
 sec 1-15-1E. SE corner 1-15-1E is 40.668 ch
 north of E 1/2 mile stone 12-15-1E.

E 1/2 mile stone - a black stone found 40.063 ch. north of
 SE corner sec. and referenced as follows:
 W 1/2 mile stone 6-15-2E north 12 links. SE corner
 foundation of house N40°W 195.4 links.
 Maple 30" N70°W 78 links. Elm 10 S35°W 79.1 links.
 Elm 10 S55°W 96.6 links. Power pole S25°E 63.6 lbs.

Cen. S. of NE 1/4 - A large blue stone found in roots of oak
 38" N75°W 3 1/2 links. I drove a 1 1/4" iron pipe
 40 inches long down on west side of stone. An
 oak 3" bears S35°E 23 links. The stone is
 20.42 1/3 ch. west of E 1/2 mile stone of sec.

2.83 1/3 ch. west of E 1/2 mile stone. Old stone gone - stake set.
 4.00 ch north of E 1/2 mile stone is a wood stake set.
 Stanley Shartle, Feb. 28, 1946.

The following notes are transcribed from a survey made
 in 1911 by John O. Kain, S. H. Co:
 NE cor sec - stone found 8 2/3 rods E of another stone.
 N 1/2 mile stone found
 Center N. of NW 1/4 - stone found 20.223 ch west of N 1/2 mi stone.
 Center NW 1/4 - stone found.
 Cen. E of NW 1/4 - stone found 20.38 ch E. of center of NW 1/4
 center NE 1/4 - stone found 20.385 ch E of cen. W of NE 1/4
 Cen. S of NE 1/4 - stone found 20.44 ch. S. of center NE 1/4
 17.55 ch E of center S. NE 1/4 - a stone found (this stone is now gone
 as I discovered in 1945). This stone, according to Kain's notes,
 was 1 1/3 rods W of E 1/2 mi stone (not found by him) and 42.06 ch S 30°30'W
 from stone 8 2/3 west of NE cor of sec.
 Stanley Shartle

<p>SE. cor of Sec. 1 after further surveys Stanley Shurtle & I (James Lassie) have come to the final conclusion that the copper plug found in the pavement marks the common corner of Sec. 1 & 12-15-1E & Sec. 6 & 7-15-2E. It is apparent that the early surveyors disregarded the second corner.</p>

Sept. 9" 1901
 Jenkins & Keer a survey for Sec. 10-15N-1E.
 10 da. notice served & all parties interested
 being present and agreeing to survey.
 Beginning at a stone marked A on one
 page back, thence West 3 chains, thence
 South 54° East 13.86 1/2 ch. thence South 20 1/2° W 7.82 ch. to
 Stone 3x9x17 Stone West 1 80
 Do Sycamore 24 S 80° W 47
 Note the above line recorded S 20 1/2° W is found to be
 incorrect and by consent of all parties interested
 is changed from S 20 1/2° E to read as above recorded.
 W. K. Rifey, Smith and sworn chainmen.
 J. H. Kocher J. H. Thurman
 Deputy Sur. Hend. Co.

Survey for Ed Blair et al Dec 1914
 from stone set in Partition of L.W. Jenkins Estate 2601 ch
 north of Cen SSW 4 Sec 3 run south said distance, which
 checked with Ry fence and old witness, Reverted

Pen N NW 4 14x12x10
 B Walnut 24 S 130° W 99 1/2
 Stone S 35° E 38 ch
 thence south to Cen Rockville road 8.81 ch
 2 1/4 m 8" N 150° W .85
 Iron pin Willow 10" S 70° E .75
 Thence meandering road N 44° 15' E
 5.93 ch, thence N 55° 45' E 1.37 ch,
 thence N 73° 40' E 1.56 ch,
 thence N 56° 2' E 1.19 ch.
 thence N 85° 5' E 1.18 ch
 thence N 75° 10' E 9.92 ch to point
 in said road which is 10 ft south
 of north section line, thence west
 on line 10 ft south of and parallel
 to north line of section 18.44 ch
 to point 10 ft south of Cen N NW 4
 thence meandering S 43° W
 17 1/2 m 3 1/2 ch S 43° W

1/2 mile stone found 6" deep with bolt on top. Witnesses:
 SW corner of frame house (not porch corner) N 42 1/2° E 79.4 feet.
 SE " " block foundation of same house N 59° E 114.3 feet.
 Franklin & Shurtle, May 5, 1944.

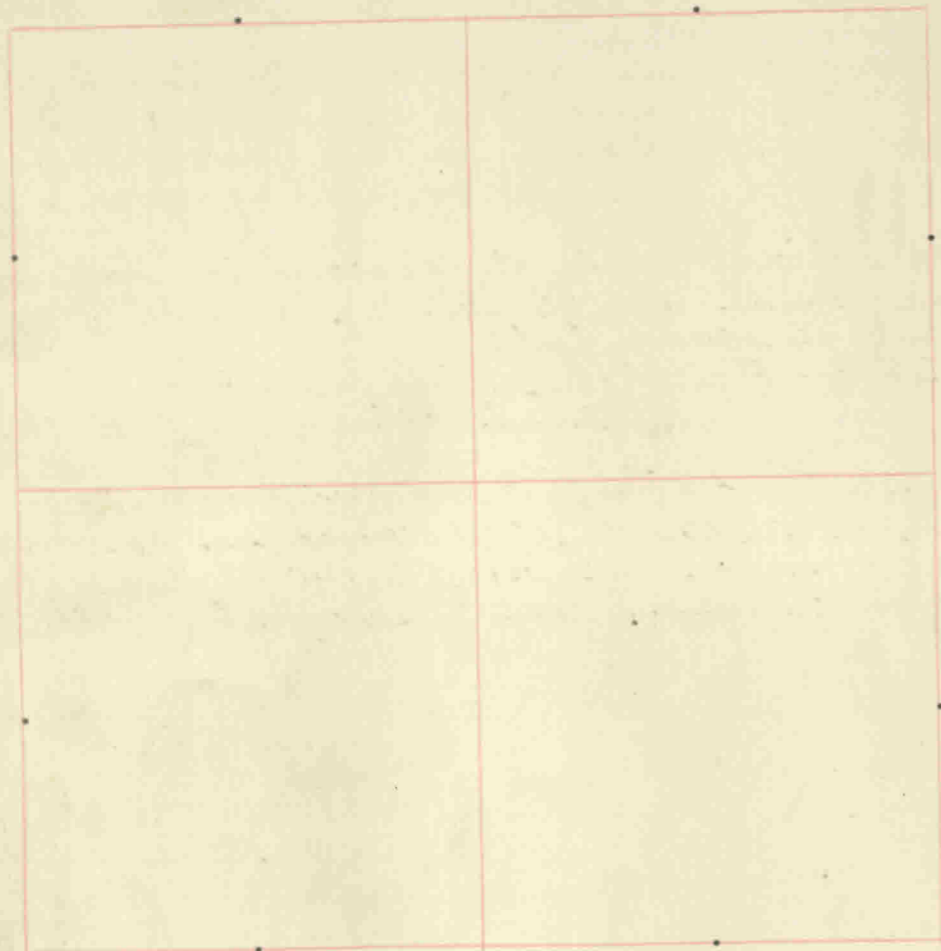

Cen. E. of SE 1/4 - Failed in search for stone.
 S.E. cor of sect. - Failed in diligent search for stone. dug 4 1/2 ft.
 deep to bottom of gravel. Testimony of land
 owners adjacent varied much.
 Stanley Shurtle, 17th March 1945.

Survey for Luther Boyles made by J. W. Scatterday (who has
 no connection with Office of County Surveyor) in Dec. 1946.
 Center of Section - restored by running line from E 1/2 mile stone to W 1/2
 mile stone & finding midpoint thereof. He set a stone 15x18x28 and
 ref. as follows: Locust 125200 W 20 ft. Maple 30 N 30° W 13.5'. Fence
 west 13.5 ft. Stone 10" above ground. This corner was not restored
 in accordance with laws relative to restoration of lost corners so he
 did not run the line N 43° between opposite 1/2 mile corners.
 Center SW 1/4 - a stone 9x9x13 set & referenced by:
 E fence of road East 17 ft W. fence of road West 14.6 ft. Gray granite
 stone 10x12x16 S 50° E 22.4 ft. Do 6x10x13 S 45° W 24.5 ft.
 Transcribed by Stanley Shurtle, January 1, 1947.

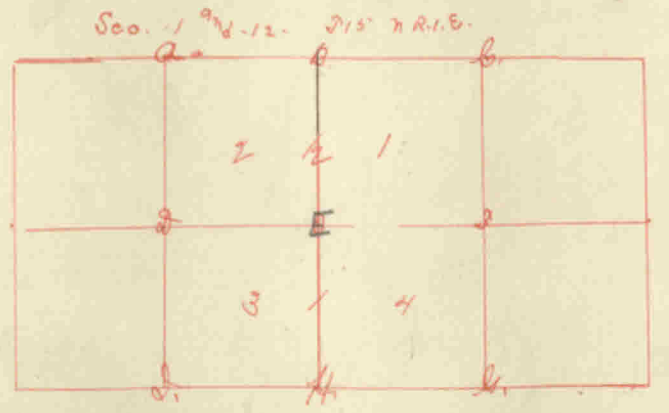

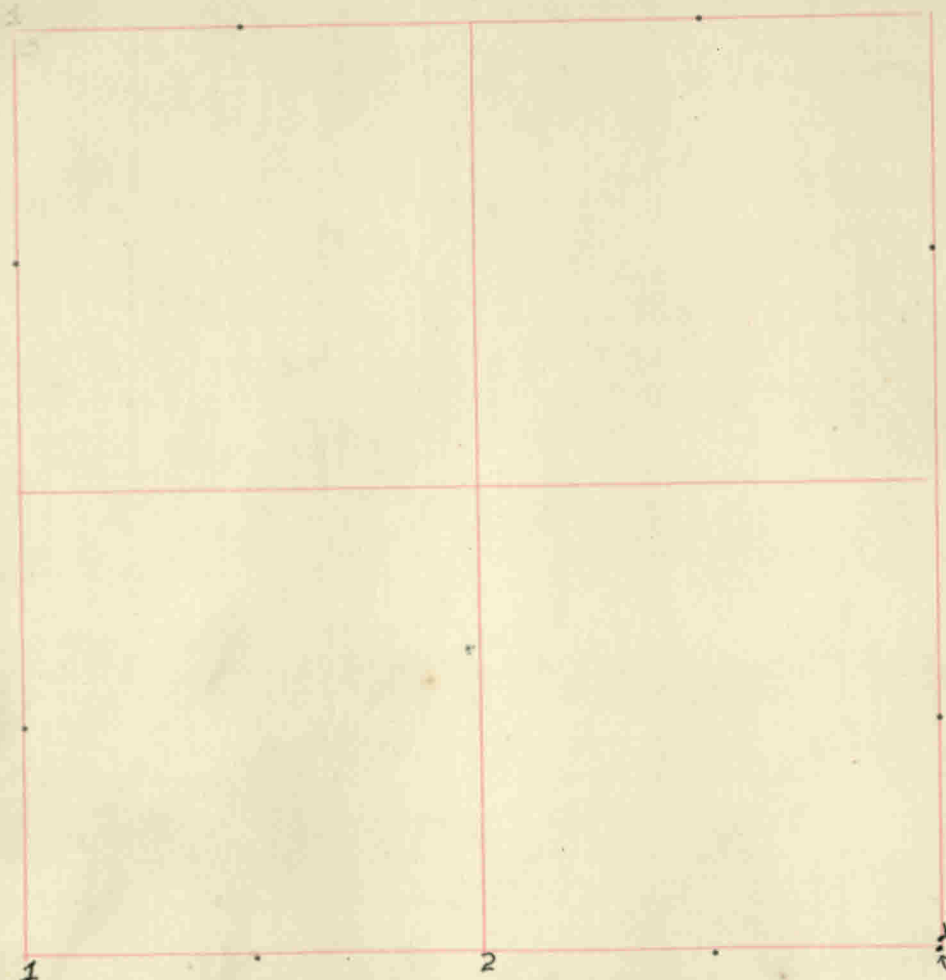

Center S. of SW 1/4 - dug a hole 6x8' by 1 1/2' deep but found no stone
 Stanley Shurtle, Sept. 5, 1951.

Robert Murray Survey - May 26, 1944.

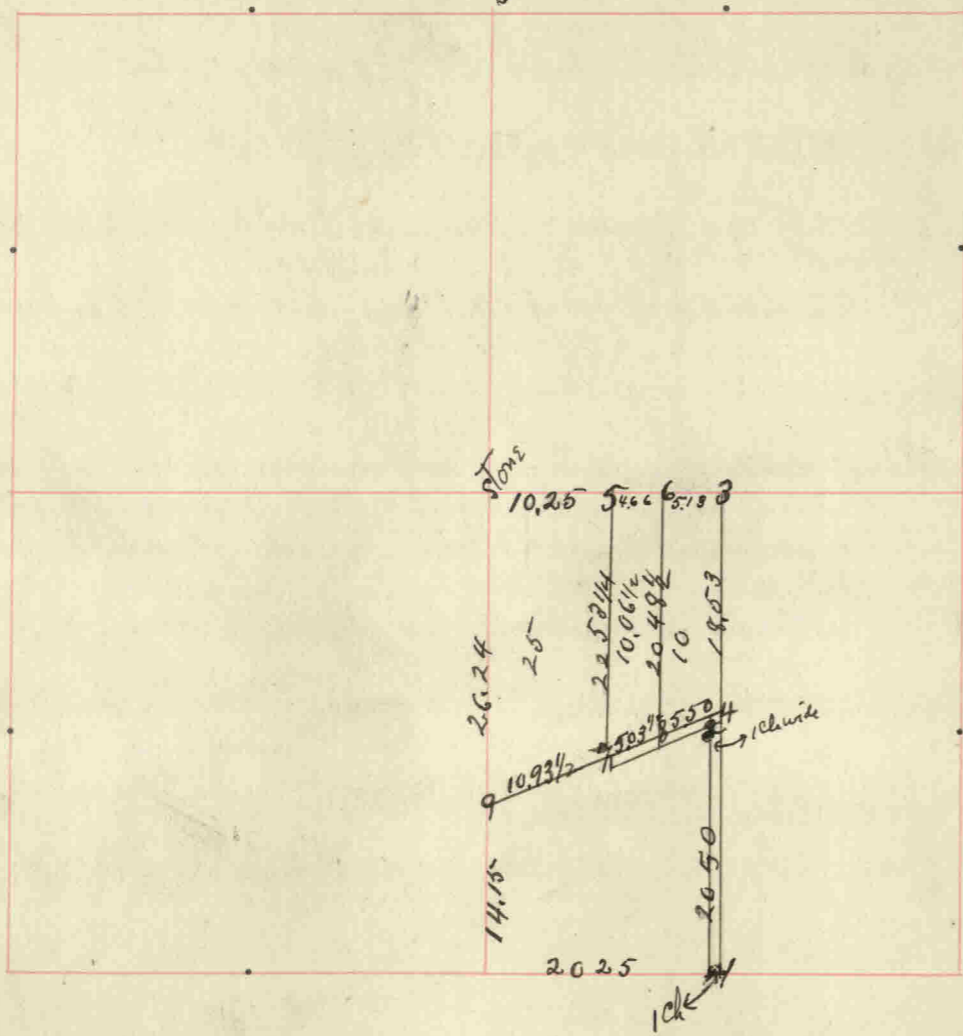

Ran south from center of section 26 (stone) on half section line a dist. of 26.18 chains to cross in pavement marking centerline of old Cumberland Road; thence deflected Right 68°28' and ran on centerline of old road 240 feet and cut cross in pavement; thence continued on old centerline (which is several feet northward from the centerline of the present road) a dist. of 120 feet and cut cross in road; thence defl. left 90°00' and ran 220 feet and came out about 9 feet northward and about 2 feet eastward from corner post. This shows fence on back of lots fronting Main Street on south side in this vicinity is too far south. The bearing of old Cumberland Road as given in many deeds, viz., S 69°30' W, is about one degree in error. R. Franklin + Shartle, Surveyor + deputy.

From 1 1/2 mile stone 26 ran south across stone at section center to center old Cumberland road (to cross cut 26.18 chains S. of section center); thence deflect 68°28' right and ran 14.61 chain to S.W. cor. L.W. Duffey's Add. - Cut a cross in pavement. Sept. 1944. - S.M. Shartle.

1 1/2 mile stone 26 - See 5 1/2 mile stone 23-15-1E.

5 1/2 mile stone 26 - Existence doubtful.

SE. Sec 31 Routed Concrete Post, S.E. cor Walnut 8" N. 30° W 79 feet
S 80° W 90 feet

The quit filed notes show that the line between sections 546 T14N, R1E. closed on the top. line 51 links east of corner between sections 31432-15-1E. However, on July 29, 1919, J.P. Johnson (County Surveyor) restored the above corner by running the line between secs 546 and by planting a stone which he said marked the cor. common to secs 5-6-31-432. This is improper and his stone was set discordant with the laws relating to the restoration of lost closing corners. However, I am unable to find any evidence of either original corner and since Johnson's stone has long been acquiesced in as marking both corners, I hereby assume it to be correct.

SE cor. concrete post N40°W 79.4 ft. Apple tree 10560W 20.75' E. fence of road SW 2.1 ft. Sycamore 16' SW 78.4 ft.

Chained west on E SE 1/4 31-15-1E from stone for SE corner:

at 34.1 lks is E Lamick & Cartersburg Road (iron pin set)

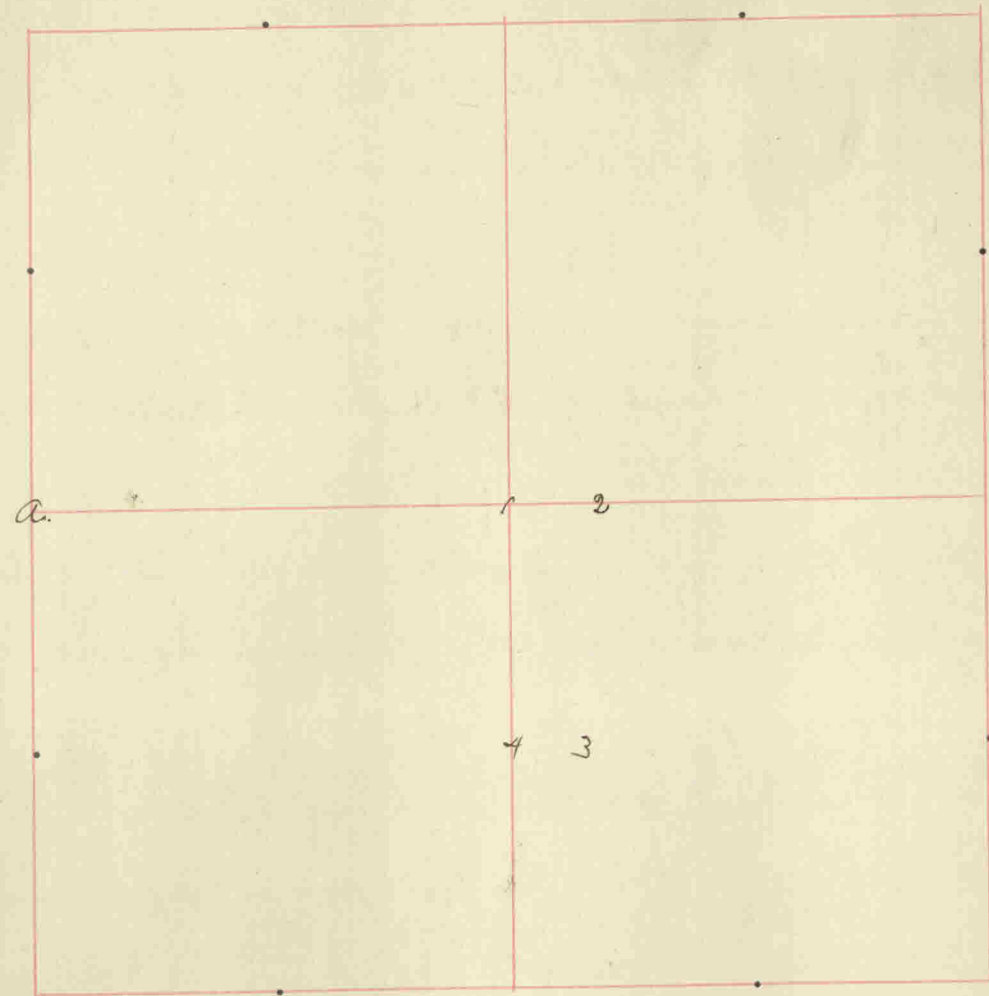

at 21.243 ch. I found a stone 6x13x14 for Cen. S. of SE which, being loose in ground, was reset deeper. James M. Gregg old witness "Blue Oak 10 N60°E 8 lks" is still green after about 110 years and is now B. Oak 34 N60°E 7 lks.
New witness: Elm 22 N13°E 65 L.

at 42.868 ch I dug for 5 1/2 mile stone and found nothing. I found a good stone at SW corner of the section on north side of 2 wood corner posts.

Chained north from stone at Cen S of SE 1/4 31-15-1E

at 6.13 ch I found old gray stone 10x12 set by Eldred Heff in 1852. Removed the stone and placed a brown stone 7x9x18 witnessed by cor. post N40°E 37' Walnut 18 S35°E 69 1/3 L. July 15, 1946

Stanley Shurtle
