Foreword

The Centralian Staff of 1928 has endeavored to give you a written and pictured record of the life and spirit of Central Normal College during the past year. And so with the sincere hope that somewhere within the covers of this book, you will find recorded incidents that will bring back fond memories of happy associations at C. N. C., the staff presents the 1928 Centralian.

In Memory of
Professor Charles A. Hargrave

UNDERCLASSMEN

The Juniors

Working primarily for the interest of the school as well as for the interest of the class, the Juniors have established an enviable record of achievements during the past year. Many things may be said in favor of the members of this class. They are indeed active and influential, and during their three years at C. N. C. have won many honors. Many members of this class have been elected to high offices on the campus, as members of prominent committees and presidents of many of the school organizations. On the various athletic teams, the Juniors have taken their share of the honors; some of them having won major and minor awards in football, as well as much distinction in basketball, track, and other sports. In scholarship the class ranks very high; many of the best students of the institution being members of the Junior group.

One of the most successful and well attended social events of the year was sponsored by the third year group. On February 14 a novel St. Valentine party was held in Science Hall, and the large number present voted the evening one of the most pleasant of the year. Unique decorations typifying the spirit of St. Valentine adorned the room, and the refreshments and games were in harmony with the occasion.

Small though it may be, the class deserves credit for staying together these three years, and should be complimented for its splendid spirit of co-operation. Working as a class group or with the members of the other classes, when any school project or campaign was launched the Juniors were always willing and ready to do their part. Then too the class should be commended for its friendly and helpful attitude toward the Freshmen and Sophomores. Its attitude has not been one of overbearing superiority so often manifested in Junior classes. So, in becoming the Senior class of 1929 they can well uphold the standards of a Senior class of C. N. C.

The Sophomores

In presenting the Sophomore class of Central Normal College it is altogether fitting and proper to say that it is not the largest class of the institution, but what it lacks in quantity it is compensated for in quality. Two years ago the members of the Sophomore group met on the campus of C. N. C. and passed through that phase of their college life with the usual vicissitudes that every Freshman must undergo and they are still ninety per cent strong.

It may be said that the Sophomores are a most unusual group, unusual in that they do not claim to be essentially different from any other Sophomore class. Although some of the members of this class have gained honors in the various school functions and activities, they are not weighted down by them. Some of the best athletes of the institution, as well as of the State, are members of the Sophomore group. In scholastic standing and ability they do not claim a monopoly of the genius, but they have students of first rank in the various departments of the college curriculum. Members of this class are prominent in the Glee Club, Orchestra, Dramatic Club, and also in the many organizations of the institution.

One of the outstanding social events of the class was the George Washington party held in Science Hall on Thursday evening, February 23rd. Lively entertainment was furnished where everything was beautifully decorated with red, white, and blue. Delicious refreshments were served in two courses in the dining room which was tastefully decorated, and lighted with candles.

The Sophomore group should be complimented for the unity and cooperation of its membership. The members of this group have made many friends whom they treasure fondly and shall never forget. With two more years of college life, they now look to the future with pleasure and expectation that will make C. N. C. truly their most highly esteemed Alma Mater.

The Freshmen

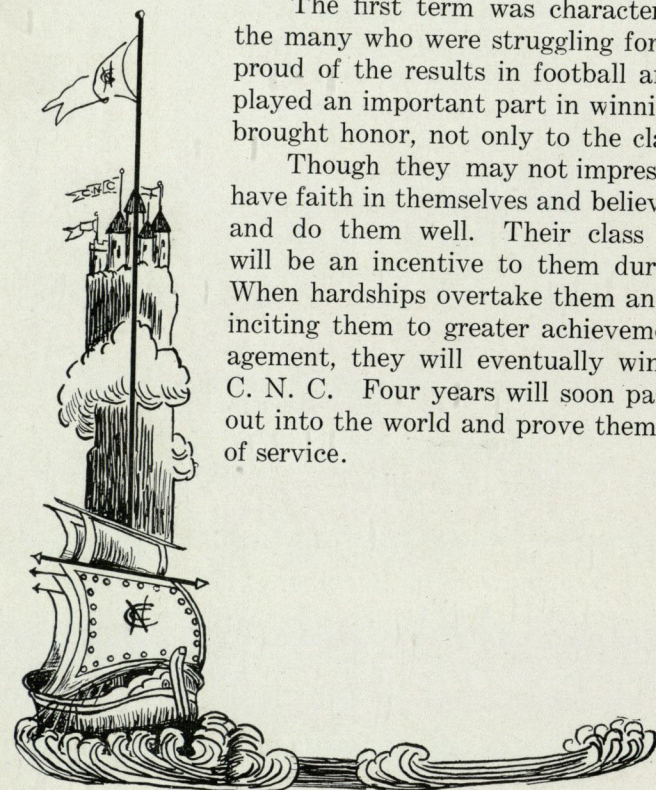

On the 3rd of October, 1927, there landed upon the threshold of the temple of learning a large number of explorers and seekers after wisdom. Having been shaken in spirit from their raw voyage upon the sea of inexperience, they were quite terrified by the three tribes already inhabiting the realms of C. N. C. There were the Sophs, wild, reckless, and always ready to jump upon the newcomers from the starting point of ambuscade, attacking them with sarcasm and ridicule. A tribe of greater power, but not so much given to afflicting the strangers, was known as Juniors; while the chief settlers were Seniors, a mighty group who spent much time in eluding the rulers known as faculty members. The members of the new band were called Freshmen, which in the language of the realm, meant green.

Being in the Prehistoric Period, or the age of utter darkness, they organized their class for the purpose of protection and mutual advancement. In spite of their greenness the new colonists made rapid progress. They obtained strong footholds in such activities as the College Glee Club, the Orchestra, and the Dramatic Club. Many of their members are specializing in Commercial work, Music, Art, and Law; while others of this famous class are taking a regular College course.

The first term was characterized by contentions and strife because of the many who were struggling for prominence in football. The class is very proud of the results in football and basket ball, since many of its members played an important part in winning the many victories of the season. They brought honor, not only to the class, but to the institution as well.

Though they may not impress others as being very intellectual, yet they have faith in themselves and believe that they are going to do things in school and do them well. Their class motto, "To success through difficulties," will be an incentive to them during the coming years of their college life. When hardships overtake them and trials beset their paths, with these words inciting them to greater achievements and brightening the hours of discouragement, they will eventually win many more victories for themselves and C. N. C. Four years will soon pass and then they will have a chance to go out into the world and prove themselves worthy of a place in the many fields of service.

ELEMENTARY DEPARTMENT

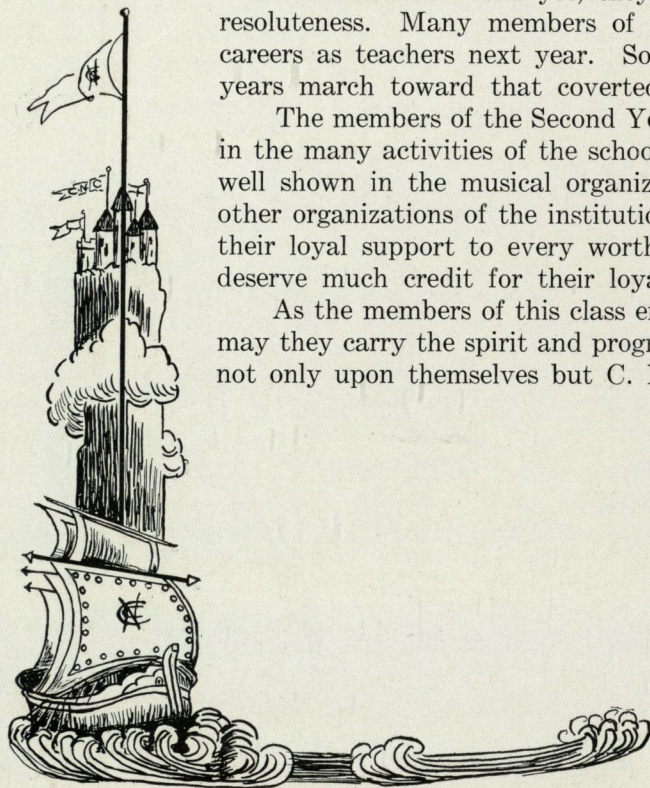

Second Year Elementary Class

As the members of the Second Year Elementary class look forward to the day of their graduation which is not far away and as the balmy spring days come and go, they begin to realize that soon they must part. They have made many friends and have had many interesting experiences in the two years which they have spent as students in C. N. C. Then too, it may be said that they have learned a few things while they have been here. Sometimes amid the many interesting activities they seem to forget all this, but nevertheless it is true.

After having completed two years in the quest for higher learning in becoming teachers, the members of the Second Year Elementary class are about to set sail in their tiny barks upon the sea of life. They have come to realize that their store of knowledge is yet quite meager; that to make it complete is an endless task. And yet, they face the future with hope, courage, and resoluteness. Many members of this group will enter upon their chosen careers as teachers next year. Some few may return to start another two years march toward that coveted degree.

The members of the Second Year Elementary group have been influential in the many activities of the school and campus life. Their ability has been well shown in the musical organizations, Dramatic Club, and in the many other organizations of the institution. They have tried in every way to give their loyal support to every worth while movement on the campus. They deserve much credit for their loyal and cooperative spirit.

As the members of this class enter into their chosen profession next year, may they carry the spirit and progress of the age with them and reflect credit not only upon themselves but C. N. C. as well.

Sherman Wilson.....	<i>President</i>
Kay Watson.....	<i>Vice President</i>
Ellen Crandall.....	<i>Secretary</i>
Cecil Rush.....	<i>Treasurer</i>

During the first few days of October, when Nature seemed to be taking everything green from the campus of C. N. C. except what may be called "Freshmen," there seemed to be another group of the same rank one hundred strong receiving their first impressions and experiences of college life—the First Year Elementary class. The first few weeks of school found many of the members of this class homesick and longing for old friends, but it was not long until all this had passed and they took new courage and willingly entered into and contributed abundantly to all school and campus activities. Their talent has been drawn upon for numerous occasions, and the readiness with which they have responded musically, dramatically, scholastically, and athletically has been a marked feature and powerful reason for their success as a class.

The cooperative spirit of the members of this class and their ability to win victories were well proven when the Senior class launched a campaign for the sale of annuals—a contest between the different classes. The First Year Elementary Class won the contest by a good margin and was very enjoyably entertained at a social given by the Senior Class.

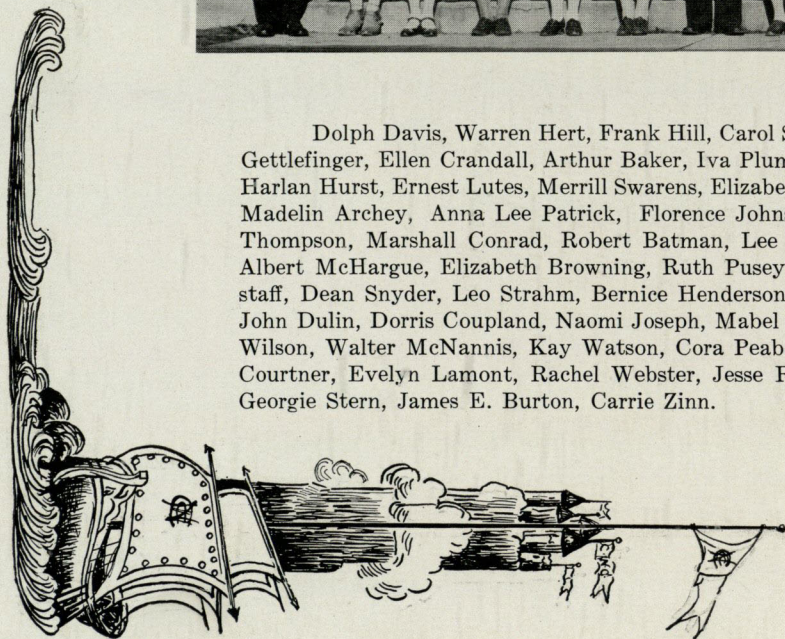

The First Year Elementary Class has finished its first year in C. N. C., a year filled with happy hours, and of interesting participation in the many activities of the school and campus. Many friendships have been made, some which will continue, but some of these friendships will not have an opportunity to develop further because the most dignified of their friends must leave. As the class comes to the transition period, taking the name of Second Year Elementary Class, may it continue in the same proficient manner as it has started.

CLASS ROLL

Dolph Davis, Warren Hert, Frank Hill, Carol Stewart, Helen Knour, Myrtle Picket, Lucille Thompson, Nellie Wolfe, Mildred Gettlefinger, Ellen Crandall, Arthur Baker, Iva Plumber, Goldie Sheets, Clara Dress, Helen LaRue, Edgar Jaegers, John Walters, Harlan Hurst, Ernest Lutes, Merrill Swarens, Elizabeth Conrad, Amos Etienne, Mildred Albion, Gaylord Good, Edwin Lyskowski, Madelin Archey, Anna Lee Patrick, Florence Johnson, Vira Courtner, Violet Hooker, Mary Wertz, Jessie Madden, Maurice Thompson, Marshall Conrad, Robert Batman, Lee Oakes, Kermit Biddinger, Stanford Ray, Freida Williams, Dorothy Hardin, Albert McHargue, Elizabeth Browning, Ruth Pusey, Mildred Passwater, Cecil Rush, Sherman Wilson, Elise Kooy, Cecil Grandstaff, Dean Snyder, Leo Strahm, Bernice Henderson, Helen Smith, Emory Smith, Lee Taylor, Rosamond McPike, Curtis Goble, John Dulin, Dorris Coupland, Naomi Joseph, Mabel Smythe, Thelma Freeman, Mildred Hathaway, Eva Kelso, Susie Martin, Elsie Wilson, Walter McNannis, Kay Watson, Cora Peabody, Ralph Alexander, Ruth Nail, Eveyln Kernodle, David Hartley, Eleanor Courtner, Evelyn Lamont, Rachel Webster, Jesse Ripperdan, Edward Henning, Helen Floyd, Harley Anderson, Bonnie Pruitt, Georgie Stern, James E. Burton, Carrie Zinn.

If

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating,
And yet don't look too good, nor talk too wise:

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start at your beginning
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the will which says to them; "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with kings—nor lose the common touch;
If neither foes nor loving friends can hurt you;
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the earth and everything that's in it,
And—which is more—You'll be a Man, my son.

—Kipling

(Suggested by C. E. R.)

Law Department

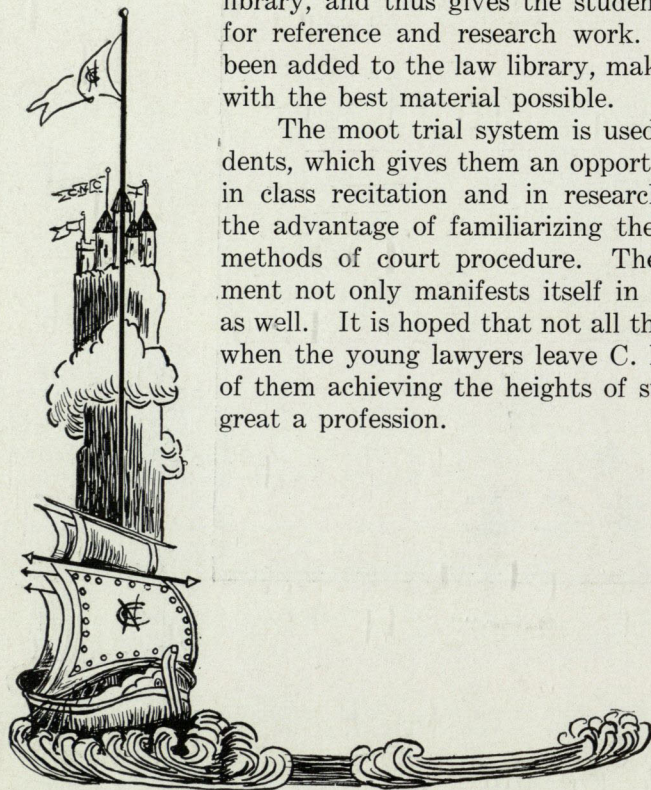

The subject of law has long been an important study. The law profession, like other professions, has rather recently undergone a great change and development. The day has passed when a young man with little education may become errand boy to a lawyer and during his idle moments read a few books on the subject of law, and in a few years have an office of his own. Today no young man or woman thinks of beginning the practice of law without several years of study in some college or university under skilled instructors. No field of service or profession affords greater or keener intellectual competition than that of the law profession. Thus it behooves every young man and every young woman who has ambitions in the legal field to prepare well for the work that he or she plans to do.

The Law Department of Central Normal College has for a number of years offered a splendid opportunity to all students who desire to begin the study of law. The number of students who enter the law course are few to compare with those entering many other courses; nevertheless the law course makes one of the important departments of the institution.

The law Department maintains a law library separate from the College library, and thus gives the students of the law classes a better opportunity for reference and research work. Recently several hundred volumes have been added to the law library, making it up-to-date in providing the students with the best material possible.

The moot trial system is used from time to time for the advanced students, which gives them an opportunity to use some of the knowledge gained in class recitation and in research study. This system of instruction has the advantage of familiarizing the aspirants of the law profession with the methods of court procedure. The ability of the members of this Department not only manifests itself in class but in many of the school activities as well. It is hoped that not all the great air castle ideas will come to naught when the young lawyers leave C. N. C., but that a few years will find each of them achieving the heights of success which is due all those worthy of so great a profession.

Fifty-Five

Commercial Department

The first catalog issued by the College was published at Ladoga in the summer of 1877. In this catalog is noted a Commercial Department with courses in bookkeeping and penmanship. Whether these courses were given during the year 1876 or not, the writer has found no one able to say; but at any rate the Commercial Department is one of the oldest of the school. These courses were taught for nearly twenty years to which then was added a course in shorthand.

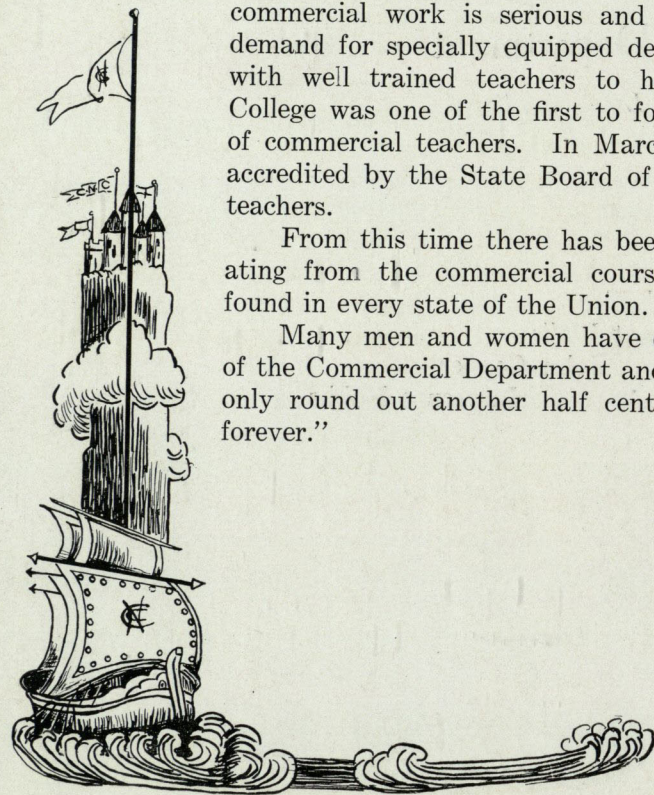

In the beginning the personnel of the Department was masculine, but gradually as the women began to extend their fields of activity they came into the commercial work and at the present time there are more girls than boys enrolled.

Long ago the Commercial Department was "the department of misfits." If a student failed to make license after several attempts he was switched onto the commercial track. Sometimes a father and mother decided that they did not want their son, or daughter, to work as hard as they; so they brought him to school where he was started in a commercial course, and then felt that their son was well on the way to join the "White Collar Brigade."

Gradually people all over the world have awakened to the fact that commercial work is serious and practical. From this realization came a demand for specially equipped departments in the high schools of the land with well trained teachers to head these departments. Central Normal College was one of the first to found a special department for the training of commercial teachers. In March 1921 this Department of C. N. C. was accredited by the State Board of Education for the training of commercial teachers.

From this time there has been a steady increase in the number graduating from the commercial course. Students of this Department will be found in every state of the Union.

Many men and women have contributed their share to the upbuilding of the Commercial Department and all share a common hope that it will not only round out another half century, but like Tennyson's brook, "Go on forever."

Organizations

Star and Compass Club

During the summer term of 1923 a call was made for all members of the Masonic Lodge and Eastern Star to assemble in Science Hall for the purpose of getting acquainted. The meetings were continued through the term and all who attended them had such good times that at the close of the term it was decided to effect a permanent organization, and the Star and Compass Club was the result.

In the fall term of the same year the Club met regularly, but there seemed to be something lacking, and, after some discussion as to ways and means a committee was appointed to draft a constitution and to write a ritual of some sort as a working basis for initiations. As a result of this, historical figures, whose lives exemplified certain fundamental principles, were chosen as characters and around these was built the work of the Club.

Not only has the work of the Star and Compass Club helped along the social life of C. N. C., but in the minds and hearts of its founders has always been the desire to encourage its members to live up to the principles and teachings of the Masonic Fraternity and the order of the Eastern Star.

Few things so stimulate the imagination, the knowledge of man and his motives, or of people and their ways, as the study and presentation of good plays. The interest which the students of Central Normal College are showing in dramatics is a good indication of a healthy interest in life itself.

The Dramatic Club is a group of enthusiastic students laboring with enjoyment in the reading, study, and staging of good plays. A number of one-act plays have been studied thus far. "Two Crooks and a Lady" and "Where But in America?" have recently been presented in the Chapel Hall, and others are to be presented soon.

While the Dramatic Club is in its infancy, it is an organization very much alive and growing. The work of this year is of sufficient strength to place the organization on a firm foundation for the future.

Chorus

Ella Reading Hurd, *Director*

The Chorus which is organized in Central Normal College at the beginning of each school year has a very important place in the musical program of the college. It teaches its members to do part singing, cultivates a higher taste for music, and increases interest and knowledge in public school music. Also the members of this organization are taught the theory of chorus work, which will greatly aid them in organizing and directing community or school choruses.

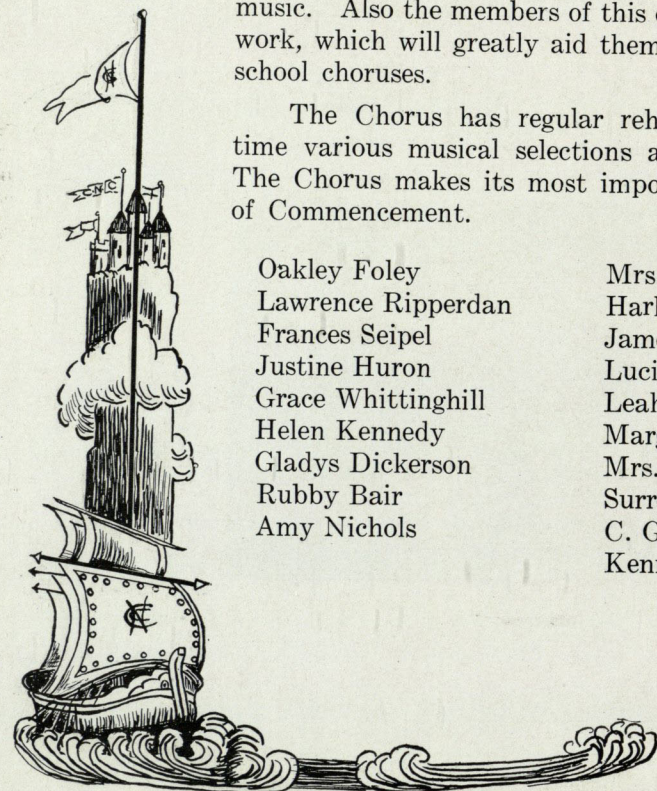

The Chorus has regular rehearsal meetings each week, during which time various musical selections are studied and prepared for presentation. The Chorus makes its most important public performance during the week of Commencement.

The Orchestra

The personnel of the Orchestra is made up of students of the Normal Department as well as the College. Its aims are practical rather than theoretical; for though it serves as an inspiring course in the appreciation of music, it offers first-hand training to its members as ensemble players and conductors. The Orchestra plays the music that its members will be called upon to use in their future positions as teachers and supervisors. Last but not least, the Orchestra plays at college and community gatherings and because of this, it is an integral part of the community as well as a part of the cultural and social life of the College.

The Y. W. C. A. of Central Normal College is not merely an organization wherein its members are compelled to do certain things for no apparent reason. Instead it is an organization of young ladies which has for its aim the development of the physical, spiritual, and intellectual phases of life. The Y. W. C. A. extends a hearty welcome to all young women who enter C. N. C. for the first time.

Interesting programs are held each week which inspire a feeling of good will and fellowship among the members of the organization. Some of the most important questions which are confronting the lives of college students today are discussed at these meetings. Outside speakers of great experience and interest, as well as speakers from the college, are invited to lead in these discussions.

The Y. W. C. A. believes that there is a great field for work on every college campus. Those who are taking part in such at C. N. C. will no doubt receive great value from such service and experience.

The Young Men's Christian Association renders a definite service to the men of Central Normal College. It encourages and fosters interest in the things that build higher and better moral and Christian character. The organization extends a warm welcome to all men of the college, especially those entering C. N. C. for the first time, and endeavors to show them that a college education is not complete without the development of the spiritual, as well as the physical and mental phases of life.

Regular meetings are held each week, at which time interesting speakers lead in the discussions of the most important problems which confront the young men of today. The organization endeavors to impress upon its members that they are losing something worth while if they do not attend regularly and from time to time take active part in the programs. The Y. M. C. A. hopes to extend its program of service until it will attract the attention and interest of a greater number of young men on the campus of C. N. C.

The Maids

Mrs. Esther Young, *President*
Mildred Jack, *Vice President*

Helen Mosier, *Secretary*
Beulah Hedges, *Treasurer*

Since the beginning of the Maids' Sorority in 1913 the organization has constantly taken active part in college affairs. High standards of scholarship, honesty, courtesy, neatness, faithfulness, and morality have been maintained by the organization. Its members have cooperated at all times with the Bachelors in having many good times, such as informal parties, picnics, and other diversions. The members of the sorority are increasing in spirit as well as numbers. A great event occurred February 10 of this year when the fifteenth anniversary of the organization was celebrated with a St. Valentine Tea. Fifteen girls learned to know the Maids and partake of their spirit at this celebration.

Active faculty members: Mrs. Jane Luscomb, Emily Jane Lewis, and Lena R. Cole.

Active student members: Pauline Mackey, Helen Jack, Evelyn Coble, Mrs. Mary Johnson, Nadine Fisher, Audrey Martin, Edna Cheesman, Gladys Evans, Violet Hooker, Ruth Masten, Viva Courtner, Lottie Jarvis, Virginia Yates, Eva Gastino, Eva Maxwell, and Geraldine Roberts.

The Sagirlais

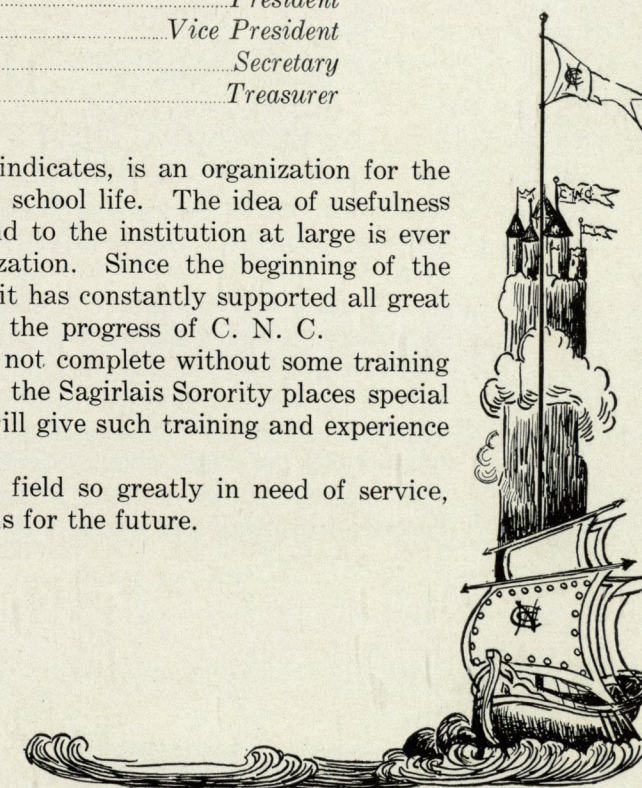

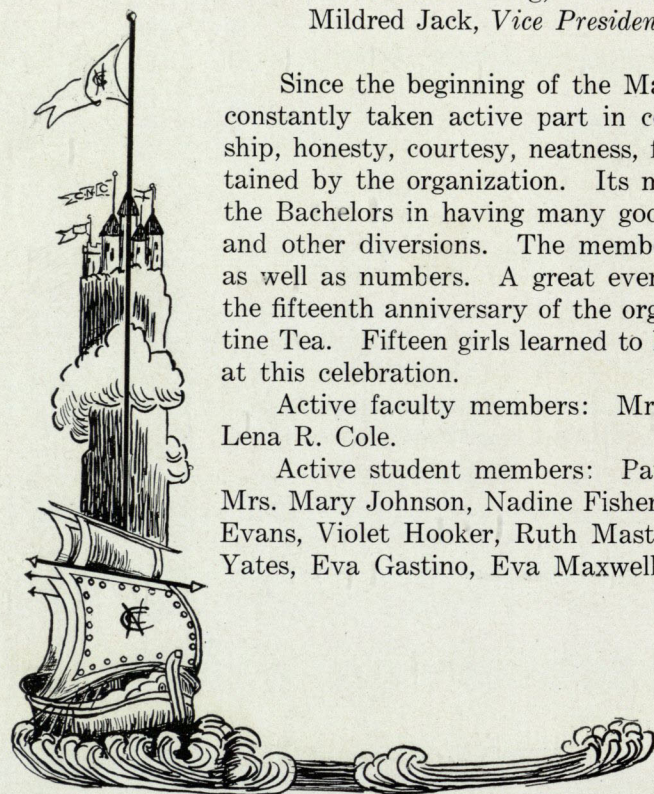

Leota Page.....	<i>President</i>
Loretta Uhl.....	<i>Vice President</i>
Mary E. Miller.....	<i>Secretary</i>
Mrs. Hazel Kahl.....	<i>Treasurer</i>

The Sagirlais Sorority, as its name indicates, is an organization for the advancement of the intellectual phase of school life. The idea of usefulness and good will toward all its members and to the institution at large is ever foremost in all the work of the organization. Since the beginning of the Sagirlais Sorority a number of years ago it has constantly supported all great measures that come within its reach for the progress of C. N. C.

Believing that a college education is not complete without some training and experience within organized society, the Sagirlais Sorority places special emphasis upon a program of work that will give such training and experience to all its members.

With an aim so worthy and with a field so greatly in need of service, the organization has great hopes and plans for the future.

The Bachelors

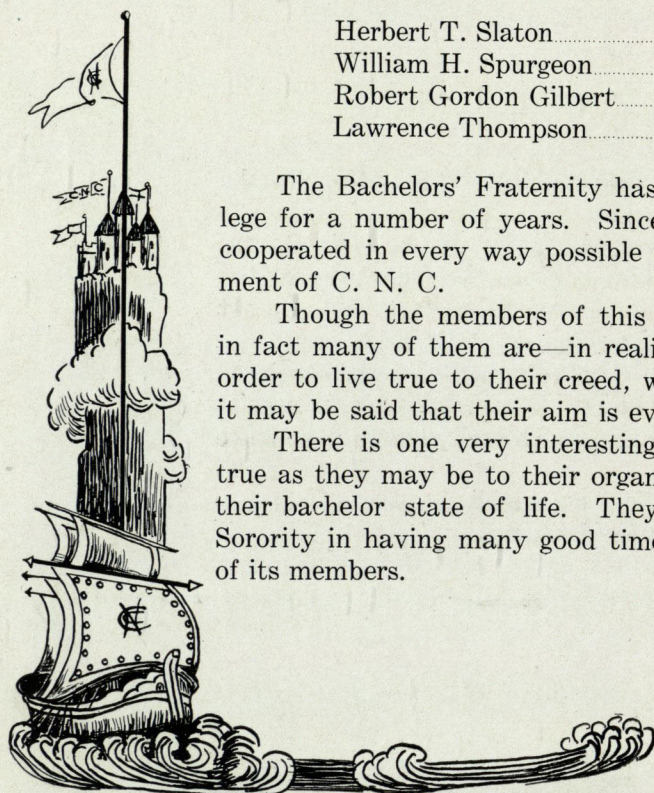

Herbert T. Slaton.....	<i>President</i>
William H. Spurgeon.....	<i>Vice President</i>
Robert Gordon Gilbert.....	<i>Secretary</i>
Lawrence Thompson.....	<i>Treasurer</i>

The Bachelors' Fraternity has been functioning in Central Normal College for a number of years. Since the beginning of the organization it has cooperated in every way possible in supporting all measures for the betterment of C. N. C.

Though the members of this organization are called "Bachelors"—and in fact many of them are—in reality they possess many great qualities. In order to live true to their creed, which includes all the great virtues of life, it may be said that their aim is ever worth while and interesting.

There is one very interesting thing about the Bachelors. Loyal and true as they may be to their organization, they are forever trying to change their bachelor state of life. They cooperate at all time with the Maids' Sorority in having many good times, and herein lies the hope for the future of its members.

Seventy

The Theta Delta Xi

Beryl Bosstick.....	<i>President</i>
Victor Owens.....	<i>Vice President</i>
C. E. Horton.....	<i>Secretary</i>
Horace Fulps.....	<i>Treasurer</i>

The Theta Delta Xi Fraternity was organized during the summer term of 1927. The Phi Delta Sigma Sorority desiring some brotherly company and council took the preliminary steps in organizing the new fraternity. Much credit is due Gilbert Coble in the beginning work of the organization. Fourteen candidates were chosen to be installed as charter members to bear the responsibilities in perfecting the organization. It has greatly increased in membership and promises to be a much larger fraternity in the near future.

Since the Theta Delta Xi is an honorary fraternity it requires its candidates to maintain a high standard in scholarship and character before being eligible for membership. Being democratic in its views the fraternity sends its roots far into the turmoil of college life and makes possible a more efficient and progressive organization.

Seventy-One

R. and S. Society

Daniel C. Radcliffe	President
Lloyd Brown	Vice President
Frank Parker	Secretary
Bernes Eggers	Treasurer

The R. and S. is the oldest organization on the campus; organized about the year 1880. It published its own newspaper, *The R. and S'er*, and had its own orchestra up to the time of the World War.

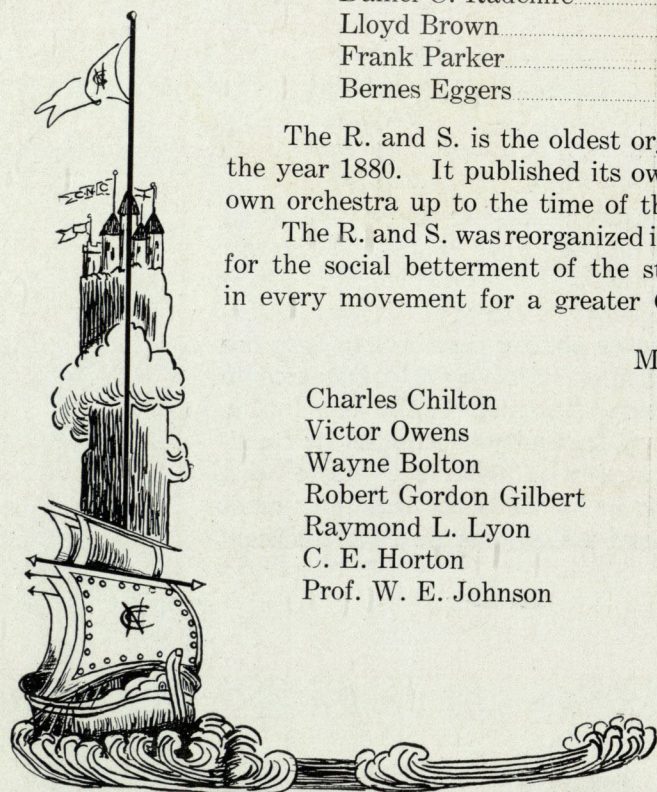

The R. and S. was reorganized in the summer of 1927. Its object is not only for the social betterment of the students on the campus, but also to assist in every movement for a greater C. N. C.

CAPTAIN FRANKLIN

If Nature be not improved by instruction, it is blind; if instruction be not assisted by Nature, it is maimed; and if exercise fail of the assistance of both, it is imperfect.

—Plutarch.

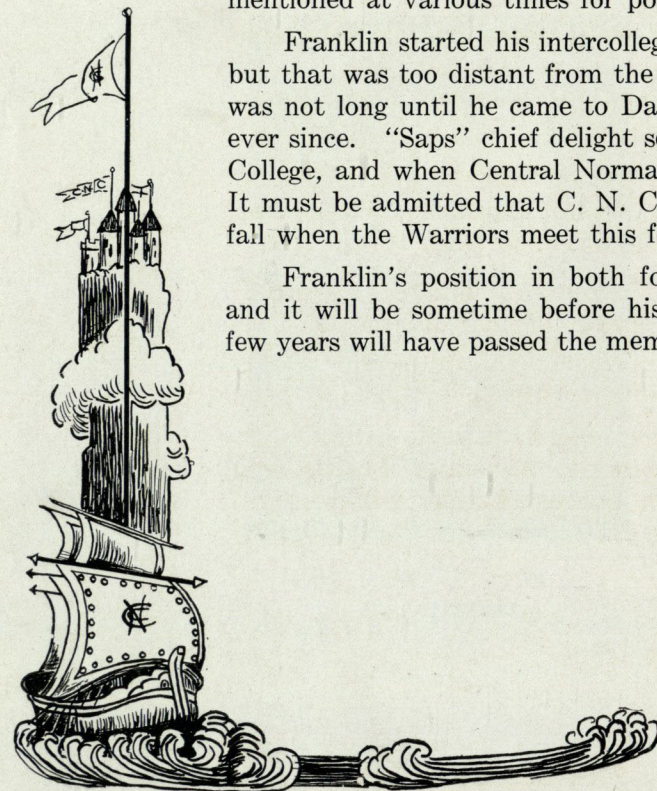

Awake! Arise! the athlete's arm
Loses its strength by too much rest.
—Longfellow.

Captain Paul Franklin who is known by his many scholastic prefixes, "Sap," "Big Ben," and "Tal," has been one of the greatest athletes that ever represented the Warriors. It has been the general opinion that he had greater ability in football than in any other athletics, but after the present basket ball season there is some variety of opinion. "Sap" was captain of the Football team for this year and was a very capable and valuable leader.

In the past two years he led the State in scoring and was mentioned at various times for position on the mythical all State team.

Franklin started his intercollegiate career in athletics at Franklin College, but that was too distant from the village of Plainfield, his home town; so it was not long until he came to Danville and has been a student in C. N. C. ever since. "Saps" chief delight seemed to be in competing against Franklin College, and when Central Normal and Franklin met "Sap" always starred. It must be admitted that C. N. C. would like very much to have him next fall when the Warriors meet this foe, Franklin, on the gridiron.

Franklin's position in both football and basketball will be hard to fill and it will be sometime before his ability in the athletic events of the past few years will have passed the memory of his many friends at C. N. C.

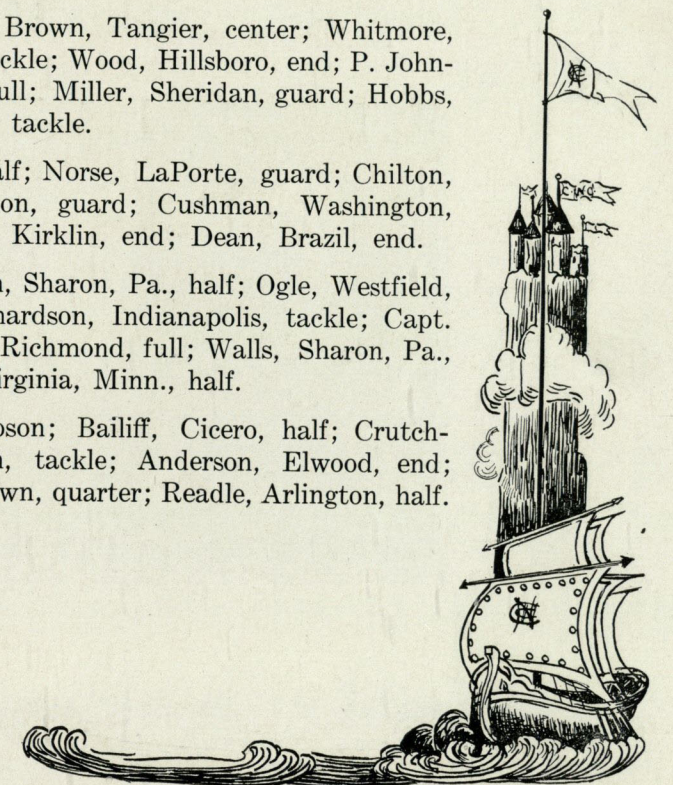

The Squad

Fourth Row—Parr, Salem, tackle; Brown, Tangier, center; Whitmore, Sharon, Pa., end; Keesling, Castleton, tackle; Wood, Hillsboro, end; P. Johnson, LaPorte, tackle; Dell, Sheridan, full; Miller, Sheridan, guard; Hobbs, Forest, guard; E. Johnson, Greencastle, tackle.

Third Row—Akers, Jeffersonville, half; Norse, LaPorte, guard; Chilton, French Lick, guard; Alexander, Clayton, guard; Cushman, Washington, tackle; Fancher, Sheridan, half; Pruitt, Kirklin, end; Dean, Brazil, end.

Second Row—Coach Cook; Argenson, Sharon, Pa., half; Ogle, Westfield, center; Hazlett, Eminence, tackle; Richardson, Indianapolis, tackle; Capt. Franklin, Plainfield, half; Bratton, New Richmond, full; Walls, Sharon, Pa., end; Darnell, Sheridan, quarter; Hill, Virginia, Minn., half.

First Row—Assistant Coach Thompson; Bailiff, Cicero, half; Crutchfield, Kirklin, guard; Lattiece, Corydon, tackle; Anderson, Elwood, end; Bundy, Arlington, end; Spencer, Thorntown, quarter; Readle, Arlington, half.

Captain-elect Grant Walls is a clean hard player who loves the sport and fights to the end. He was elected captain of the team for the season of 1928 at the annual banquet given the squad by the Lions Club and Phi Delta Kappa Fraternity.

John Argenson, "Yonk," not very noisy, but when a mass of arms, legs, and bodies are untangled he can usually be seen coming from the lower regions.

Harry Darnell—rather small, but Harry's speed and quick thinking make him a very valuable quarter back.

Theron Ogle plays a stellar game at center and helps to make an impenetrable line.

John Hazelett is able to take care of any opposition that makes the mistake of hitting the right side of the Purple line.

Russell Bratton's line plunges are good for many yards and much is expected of him in the coming season.

Seventy-Six

Clyde Richardson, "Fat," returned to school after two years of absence and discouraged all efforts of opposition to penetrate left tackle.

Gerald Alexander, "Yock," plays the game at left guard with honor and credit to himself as well as the team.

Charles Chilton has a world of grit and endurance and much may be expected of him next year.

Edward Dean joined the squad late, but was a very valuable man in the mid-season and late season games.

Edward Cushman plays his position at tackle well and all have good faith in him for the coming season.

Harold Pruitt, "Red," is a danger signal to any ambitious half back who tries to circle his end.

Seventy-Seven

Lemmo Dell has a terrific drive and seldom fails to gain. He is making a real full back.
 Lowell Fancher, "Buck," is fast, shifty, and a good ball carrier. When he receives the ball he knows what to do with it, usually advancing it toward the Purple goal.
 William Hill, "Billy," has good speed and is one of the best half backs on the team.

Great praise is due the members of the 1927 football squad. They came to Danville three weeks before school opened and worked hard for three or four hours each day under the hot September sun to give C. N. C. a winning football team. The fine spirit manifested by the men is shown by the fact that not a single man quit who came out for the squad during the season except for injuries.

Football in C. N. C. was better supported during the past season than ever before. All forces were joined to give the Purple Warriors the support that helps to bring victory and success. Much credit is due the business men of the town for their help and loyal support.

It would be unjust to close this article without paying tribute to the memory of Professor Charles A. Hargrave, who was a warm friend and loyal supporter to athletics in C. N. C. To every athlete he was affectionately known as "Uncle Charlie." If there were a game and he could spare the time from his many office duties, "Uncle Charlie" could be found at the football field. Deprived of robust health himself, he seemed to take great delight in fostering and witnessing the games that were building up the health and manhood of his students.

In Action

After three weeks of very intensive training during the month of September the entire football squad was taken to Crawfordsville to battle against the Little Giants of Wabash in the opening contest for both teams. The game started with Walls and Pruitt, ends; Hazelett and Cushmen, tackles; Chilton and Alexander, guards; Argenson, quarter; Darnell and Capt. Franklin halves; and Bratton, full. Central Normal received and Darnell, Franklin, and Bratton made a first down in three plays. Here Wabash tightened and took the ball, scoring a touchdown near the end of first quarter, and one in the second quarter. In the second half Wabash scored three more touchdowns, making the score 31—0. Although beaten, each member of the team showed that he knew how to fight and gave promise of a very bright season.

After the Wabash game the squad settled down to a week of hard practice for the Vincennes contest. This proved a disappointment from the spectators' standpoint, but showed the strength of the team, since the game ended with a score of 66—0 in favore of C. N. C.

The following week, October 8 at Danville, the Purple Warriors battled against a strong Evansville team. Led by "Cowboy" Long in the line, and "Gorilla" Dick in the backfield, Evansville put up a strong fight, but lost by a score of 18—0.

On October 15 the Hoosieroons of Muncie Normal played the part of hosts to the Purple. After a few scrimmages a Muncie punt was blocked near their own goal line and Central Normal recovered. Bratton went over for a touchdown about five minutes after the contest opened. During the game C. N. C. scored two more touchdowns, Bratton getting one and Capt. Franklin the other. Meanwhile the Purple defense was holding the Muncie offense in check, completely suppressing it when it threatened to score.

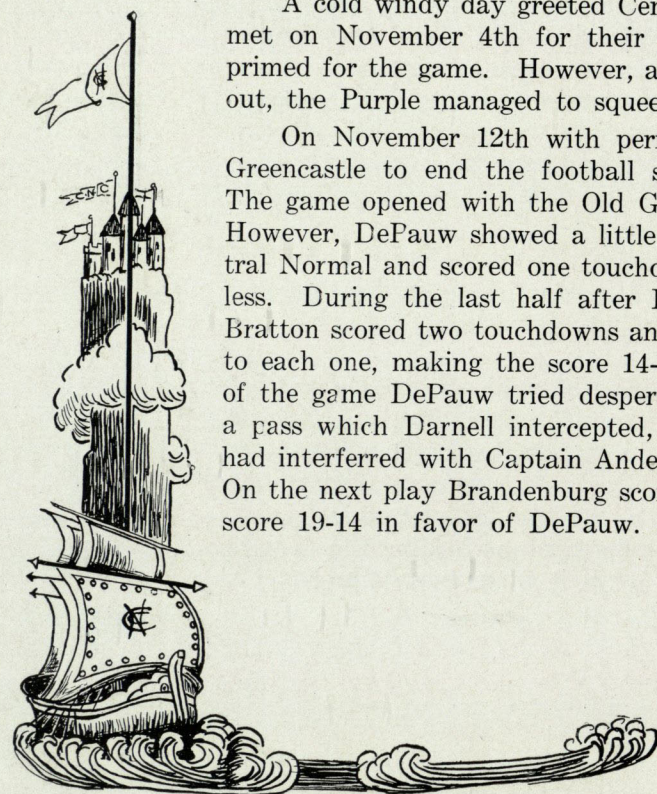

On October 21st, before the largest home-coming crowd ever assembled for a Central Normal football contest, the Warriors took the field against Rose Poly's engineers. When the dust had cleared away Central Normal had 38 points and Rose Poly 6, six more points than any team had taken away from C. N. C. for two years.

Indiana Central was next on the schedule, and in spite of their very best efforts and numerous substitutions went home on the short end of a 32-0 score.

A cold windy day greeted Central Normal and Oakland City when they met on November 4th for their annual football contest. The Oaks were primed for the game. However, after spending a great deal of time thawing out, the Purple managed to squeeze through to a 13-7 victory.

On November 12th with perfect football weather the Warriors went to Greencastle to end the football season of 1927 with DePauw University. The game opened with the Old Gold and Purple about even in every way. However, DePauw showed a little better defense in the first half than Central Normal and scored one touchdown, while holding Central Normal scoreless. During the last half after DePauw had brought the score to 13-0, Bratton scored two touchdowns and Captain Franklin added the extra point to each one, making the score 14-13 in favor of the Purple. Near the end of the game DePauw tried desperately to score by the aerial route and on a pass which Darnell intercepted, the officials ruled that Captain Franklin had interfered with Captain Anderson to whom the pass had been directed. On the next play Brandenburg scored a touchdown for DePauw, making the score 19-14 in favor of DePauw.

HIGHLIGHTS OF THE SEASON

C. N. C. 35, Wabash College 28

Although the Warriors had to play without the services of Capt. Francis they fought the fight to a successful close, and thus evened the victories with Wabash from last year.

C. N. C. 32, Muncie Normal 35

In one of the fastest games ever played on the Danville hardwood, Muncie Normal nosed out C. N. C. Capt. Fulmer of the Cardinals accounted for twenty one points.

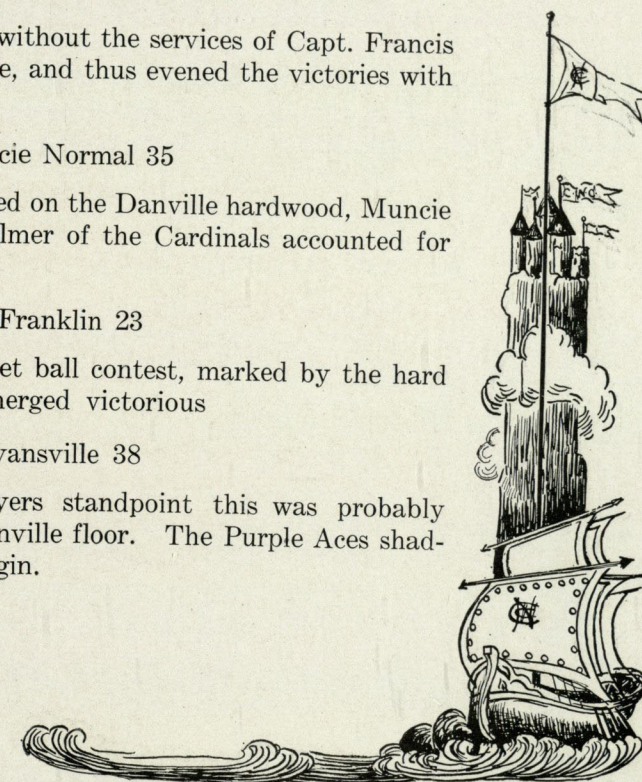

C. N. C. 29, Franklin 23

In a typical C. N. C. Franklin basket ball contest, marked by the hard playing of both teams, the Warriors emerged victorious

C. N. C. 35, Evansville 38

From the spectators as well as players standpoint this was probably the greatest game ever played on the Danville floor. The Purple Aces shaded the Purple Warriors by a small margin.

Eighty-One

CAPTAIN FRANCIS

C. N. C. 32, Muncie Normal 22

Taking the floor with blood in their eyes, the Danville Warriors avenged two previous defeats at the hands of the Cardinals by a margin of ten points.

C. N. C. 41, Franklin College 48

Being well primed for the game the Franklin players made known their ability. Combs of Franklin and "Ginger" Reeves of Danville had a private scoring party, "Ginger" winning 25-24.

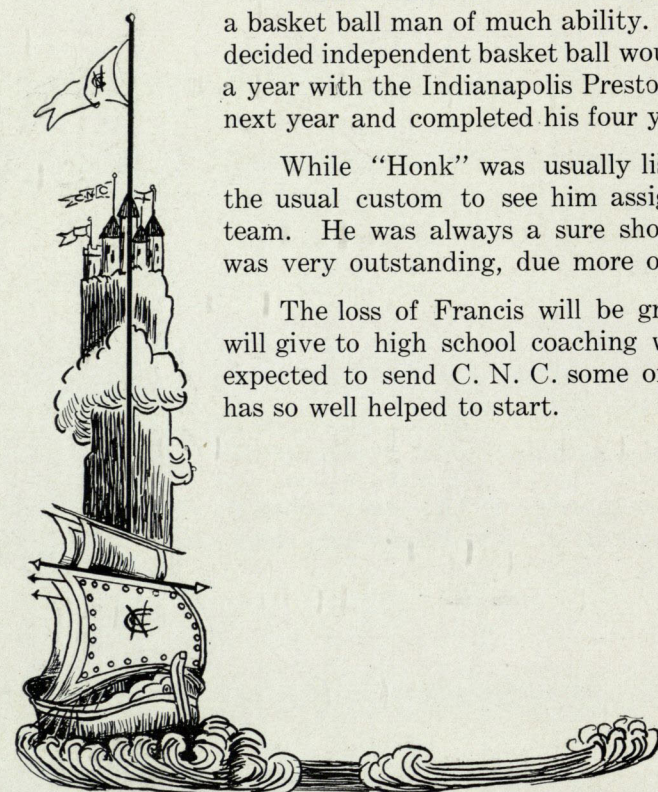

Captain Janis Francis, "Honk," as he is known to the students and local followers of basket ball, was captain of the team this

winter and proved a very valuable leader to the quintet. During the games he had three or four freshmen to guide all the time and the results of the season would indicate that he was successful.

"Honk" came to Central Normal five years ago from Avon, reputed to be a basket ball man of much ability. He played with C. N. C. a year and then decided independent basket ball would look well in his biography; so he played a year with the Indianapolis Presto-Lite team. He came back to school the next year and completed his four years of varsity competition this spring.

While "Honk" was usually listed on the score sheet as a forward it was the usual custom to see him assigned to the heavy scorer on the opposing team. He was always a sure shot at the basket, but his defensive ability was very outstanding, due more or less to his speed and accurate thinking.

The loss of Francis will be greatly regretted, but the efforts which he will give to high school coaching will soon be apparent here, since he will be expected to send C. N. C. some of his men to help keep the work going he has so well helped to start.

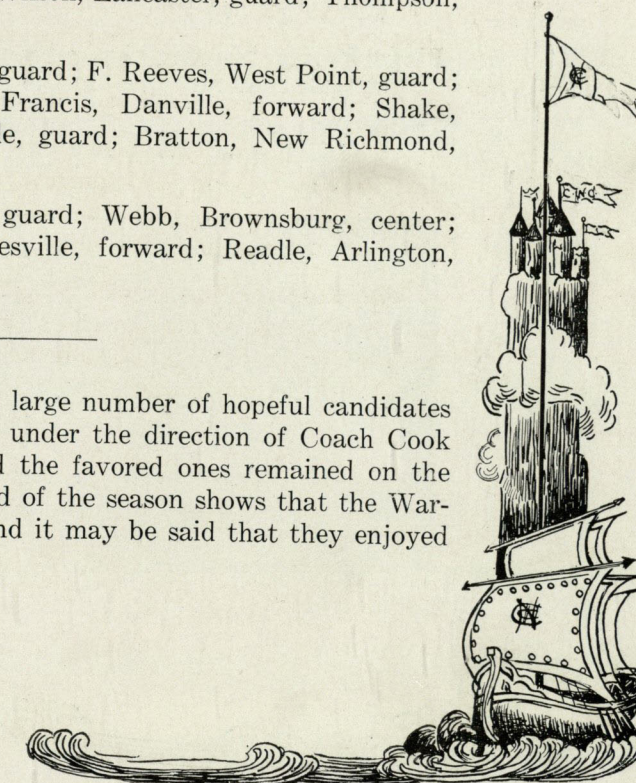

The Squad

Third Row—Coach Cook; Alexander, Clayton, guard; Hazelett, Eminence guard; Cushman, Washington, center; Wilson, Lancaster, guard; Thompson, Danville, Student Manager.

Second Row—Johnson, Greencastle, guard; F. Reeves, West Point, guard; Franklin, Plainfield, center; Captain Francis, Danville, forward; Shake, Cloverdale, forward; Smith, Martinsville, guard; Bratton, New Richmond, guard.

First Row—Eggers, North Salem, guard; Webb, Brownsburg, center; Fulps, Danville, forward; Brewer, Stilesville, forward; Readle, Arlington, forward; Wood, Hillsboro, forward.

At the first call for basketball men a large number of hopeful candidates reported. After a few days of coaching under the direction of Coach Cook the squad was considerably reduced and the favored ones remained on the varsity squad for the season. The record of the season shows that the Warriors won nine out of seventeen games and it may be said that they enjoyed a very successful season.

Edwin Johnson is Captain-elect of the basket ball team for next year and great things may be expected of him for three more years at C. N. C.

Allen Wood, "Cotton," is a handy man in any position. His best game was at Wabash where he capably filled Capt. Francis' place.

Russell Bratton, "Herb," is almost as good at playing basketball as he is playing football. He has two more years.

Donel Smith takes care of the floor guard position in great style. He has three more years to prove his ability.

Shirley Shake is one of the best forwards of the State. Although he was somewhat handicapped by a slight injury he proved himself to be a very valuable man.

Paul Franklin, "Sap," is one of the best pivot men of the State. He seldom fails to get the tip-off.

Floyd Reeves, "Ginger," has a record of making more noise as well as more baskets than any men on the squad.

Orville Reeves is one of C. N. C.'s fighting freshman who can pass and dribble well and shoot when necessary.

Eighty-Four

Baseball

During the spring season of 1928 at C. N. C. a series of baseball games were played between the various classes of the institution. A great deal of interest was shown and much good baseball material was discovered. As a result of these games the Director of Athletics hopes to make baseball a permanent part of the athletic program of Central Normal College.

THE MEASURE OF A MAN

The test of a man is the fight he makes,
The grit that he daily shows;
The way that he stands on his feet, and takes
Fate's numerous bumps and blows.
The crowd can smile when there's naught to fear,
And nothing his progress bars;
But it takes a man to stand up and cheer,
While some other fellow stars.

It isn't the victory, after all,
But the fight that a man makes;
The man, who, driven against the wall,
Still stands erect, and takes
The blows of fate, with his head held high,
Bleeding and bruised and pale.
Is the man who'll win in the by and by,
For he isn't afraid to fail.

It's the bumps we take, and the jolts we get,
And the shock that our courage stands,
The hours of sorrow and vain regret,
And the prize that escapes our hands,
That test our mettle, and prove our worth;
It isn't the blows we deal,
But the blows we take on this good old earth
Which prove that life is real.

—Unknown.

CALENDAR

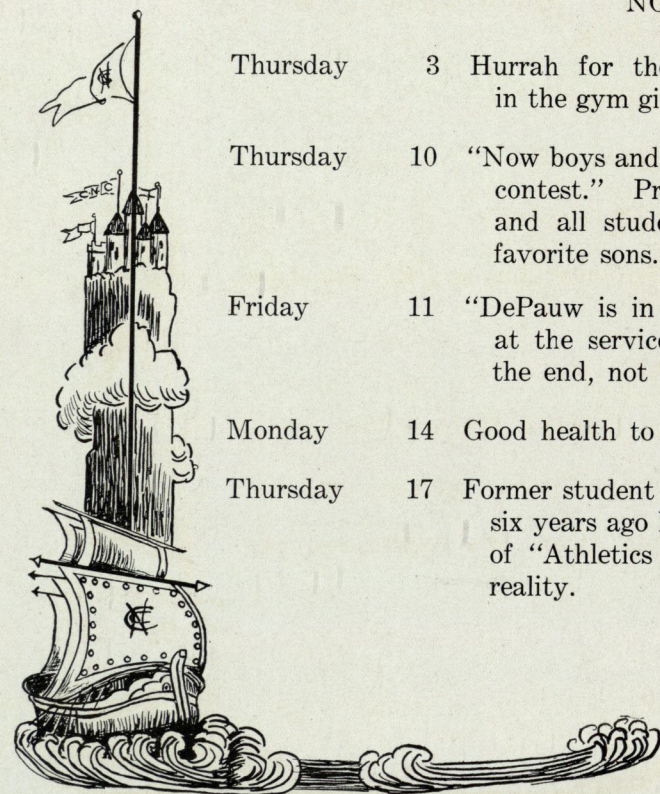

OCTOBER

- | | | |
|-----------|----|---|
| Monday | 3 | School started. Blue for the Rhinies, of course. |
| Tuesday | 4 | Classes are organized. Rhinies attend all 7:30 and 8:30 classes as per schedule. |
| Monday | 10 | Talk on "David" by Rev. Reibold. |
| Friday | 14 | Dramatic Club is organized by Miss Watts. |
| Wednesday | 19 | "Jake" Whalbring takes the faculty and students on a trip into the South land. |
| Friday | 21 | Rah! Rah! Rah! Pep-session to get ready for the Homecoming game with Rose Poly. As usual, many old students tell how glad they are to get back. |
| Saturday | 22 | Ha ha ha! Who saw Miss Cole and Miss Gray ride on the merry-go-round? |
| Tuesday | 25 | More science, more wisdom. Prof. Robertson tells many interesting things about the storage battery. |
| Thursday | 27 | Senior class is organized with plenty of work to do. |

NOVEMBER

- | | | |
|----------|----|--|
| Thursday | 3 | Hurrah for the faculty! Students attend the "mixer" in the gym given by the faculty. |
| Thursday | 10 | "Now boys and girls, we are going to have a little guessing contest." Prof. Pleasant conducts a guessing contest, and all students make "A" for they know Indiana's favorite sons. |
| Friday | 11 | "DePauw is in the cold, cold ground." "Jake" officiates at the services preparatory to the DePauw game. In the end, not so very bad, yet not so good. |
| Monday | 14 | Good health to Prof. Reibold. He is out again. |
| Thursday | 17 | Former student returns. D. V. Griffith says that twenty-six years ago he delivered an oration here on the subject of "Athletics in the Schools." Then a theory, now a reality. |

Ninety-Six

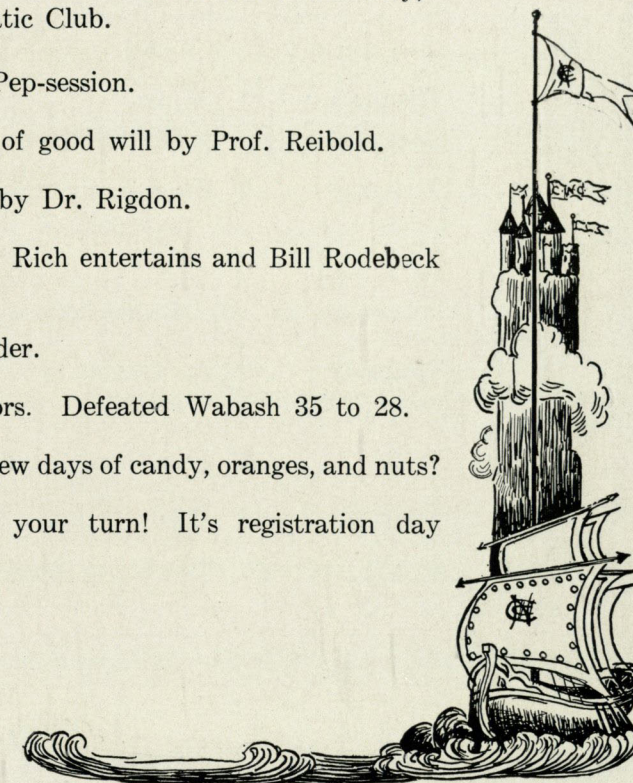

- | | | |
|-----------|----|---|
| Friday | 18 | More "Y" talk. C. A. Tenebaugh, student here in 1898, now State Secretary of Y. M. C. A. and Hi Y organizer, talks on "The Game of Life" with rules in the Book of Books. |
| Tuesday | 22 | The Great Kampus Karnival! Some of the faculty arrested for drinking cider. |
| Wednesday | 23 | Gobble! Gobble! Gobble! Home for Thanksgiving turkey, but must be back for classes Monday afternoon. |
| Tuesday | 29 | Vacation over. Mr. Grafton Anderson tells of his visit to the Holy Land. Mr. Cook plays the part of the Sheik. |
| Wednesday | 30 | Prof. Owen accompanied by Mrs. Grimes entertains with a group of violin solos. |

DECEMBER

- | | | |
|-----------|----|---|
| Friday | 2 | Dr. Rigdon: All boys who have been rude in chapel, please stand. Words of Mr. Brown, "Buy your Centralian today." |
| Wednesday | 7 | Jack, you died a noble death. "Two Crooks and a Lady," given by the Dramatic Club. |
| Friday | 9 | Yea team, let's go. Pep-session. |
| Monday | 12 | A Christmas message of good will by Prof. Reibold. |
| Tuesday | 13 | Sill's "Fool's Prayer" by Dr. Rigdon. |
| Wednesday | 14 | Hour of fun. Big Bill Rich entertains and Bill Rodebeck sings. |
| Thursday | 15 | And it is cold and colder. |
| Monday | 19 | Hurrah for the Warriors. Defeated Wabash 35 to 28. |
| Thursday | 22 | Merry Christmas! A few days of candy, oranges, and nuts? |
| Monday | 26 | Stand in line! Wait your turn! It's registration day again. |

Ninety-Seven

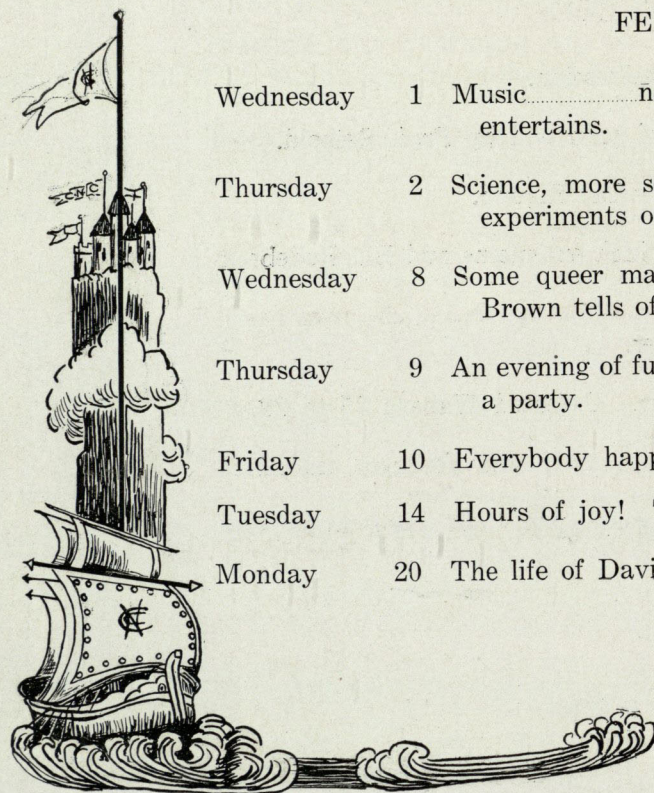

JANUARY

- Tuesday 3 Students are assigned seats in chapel. Many absent.
- Wednesday 4 Another victory. Defeated Indiana Central 41 to 37.
- Friday 6 Visions. A talk by the Rev. Mrs. Harold of the Friend's church on the subject of "Mirages."
- Monday 9 A little Philosophy. Prof. Reibold discussed the life and works of Socrates.
- Wednesday 11 Big nuts, little nuts! "Are you shaking up or rattling down?" Growth and Progress as illustrated by Mr. Slaton.
- Friday 13 Pep-session for the Muncie Tourney.....but it was *Friday the thirteenth.*
- Wednesday 18 Indo-European Races as given by Prof. Johnson.
- Friday 20 Animal calls! Bird calls! Songs and dances! Chief Evergreen Tree of the Old Southwest entertains.
- Thursday 26 With a little imagination the students and faculty take a trip to France with Miss Hurd.

FEBRUARY

- Wednesday 1 Music.....not so bad. Bud's High School Orchestra entertains.
- Thursday 2 Science, more science! Miss Gray tells of the life and experiments of Louis Pasteur.
- Wednesday 8 Some queer man, Jack. Would like to see him. Jack Brown tells of the life of a most peculiar man.
- Thursday 9 An evening of fun! The Seniors entertain themselves with a party.
- Friday 10 Everybody happy! The mid-term exams are over.
- Tuesday 14 Hours of joy! The Juniors give themselves a party.
- Monday 20 The life of David Crockett as reviewed by Prof. Reibold.

Ninety-Eight

- Wednesday 22 The Dramatic Club entertains. A one-act play, "Where But in America?"
- Thursday 23 "Progress Through the Ages." Mrs. Cook gives interesting talk.
- Tuesday 28 The Rev. Mr. Heimberg gives talk in chapel.
- Wednesday 29 Look out! ! Psi Chi initiation?????????

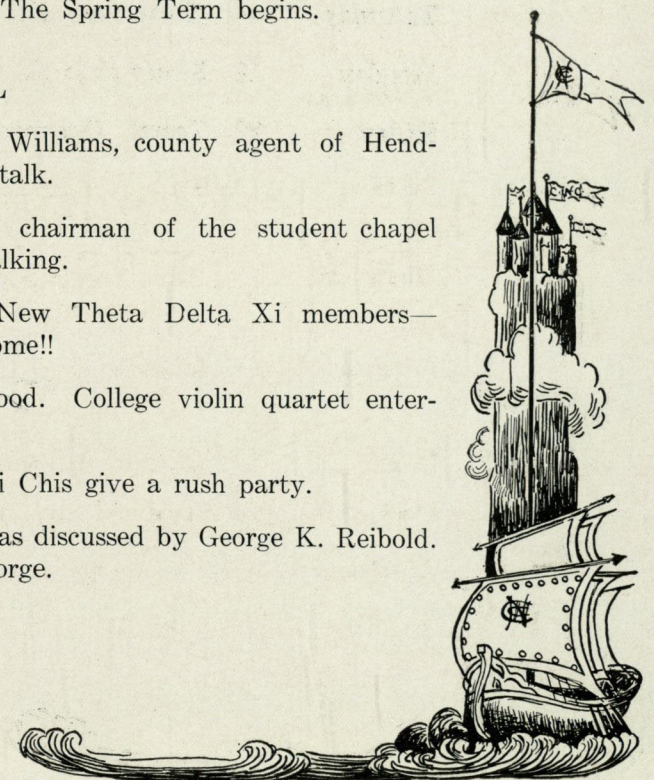

MARCH

- Thursday 1 Learn to write. Mrs. Niswander's students of penmanship conduct model penmanship class.
- Thursday 1 } Class basketball tournament. Freshman and Sophomores tie for honors, 26 to 26.
- Friday 2 }
- Wednesday 7 A trip through the North as taken by Russell Cook.
- Monday 12 "Horace Mann the Educator." Prof. Reibold tells of Mann's influence in education.
- Thursday 15 More history. The Winter Term has come to an end.
- Monday 19 Stand in line again! The Spring Term begins.

APRIL

- Tuesday 3 Better farming. Mr. Williams, county agent of Hendricks county, gives talk.
- Wednesday 4 "Opportunities!" The chairman of the student chapel committee is now talking.
- Tuesday 10 Woe be unto you! New Theta Delta Xi members—initiation day has come!!
- Wednesday 11 Not so bad, rather good. College violin quartet entertains.
- Thursday 12 Such actions. The Psi Chis give a rush party.
- Wednesday 18 "Old and New Laws" as discussed by George K. Reibold. Congratulations, George.

Ninety-Nine

- Friday 20 Classes begin series of baseball games.
- Wednesday 25 Enjoyment! Mrs. Gasten's orchestra gives a very interesting program.
- Monday 30 Many new and old faces. Mid-Spring Term begins.

MAY

- Tuesday 1 Please, a little sympathy boys? The Bachelors administer an initiation program!
- Thursday 3 Just a little politics???? Mr. Schortemeier says he would consent to be governor.
- Friday 4 Hurrah! Last picture for the Centralian goes to the engraver.
- Monday 7 First rehearsal of the Senior play.

JUNE

- Thursday 7 Many say, "Good by." Spring Term ends.
- Monday 11 Others say, "Hello." Summer Term begins.
- Thursday 14 Great joy! Beginning of Commencement week.
- Monday 18 Senior class play—"The Poor Nut."
- Friday 22 Tears! Commencement week has come to a close.

Sagacious Frosh: How do you find the right people to pluck.

"Could be better if I would, but it is lonesome trying to be good."

One Hundred-Three

Right Where You Live!

Electricity serves you best where you need it most—
right where you live.

Food, clothing, and shelter have always been the three
cardinal essentials of living.

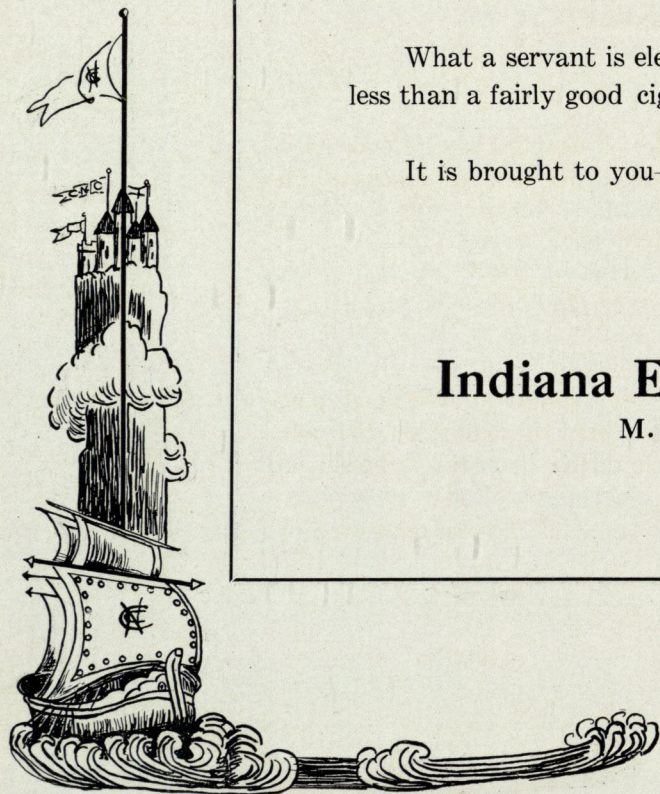

Electricity makes the cooking of food a pleasanter,
easier, cleaner task. Electricity washes, irons, and sews
your clothing. Electricity makes your shelter glow with
mellow light.

What a servant is electricity and at a cost per day of
less than a fairly good cigar.

It is brought to you—right where you live by the

AND HE WONDERED HOW SHE KNEW

The young man took his girl some flowers. "How kind of you," she said, "to bring me these lovely flowers. They are so beautiful and fresh I think there is some dew on them yet."

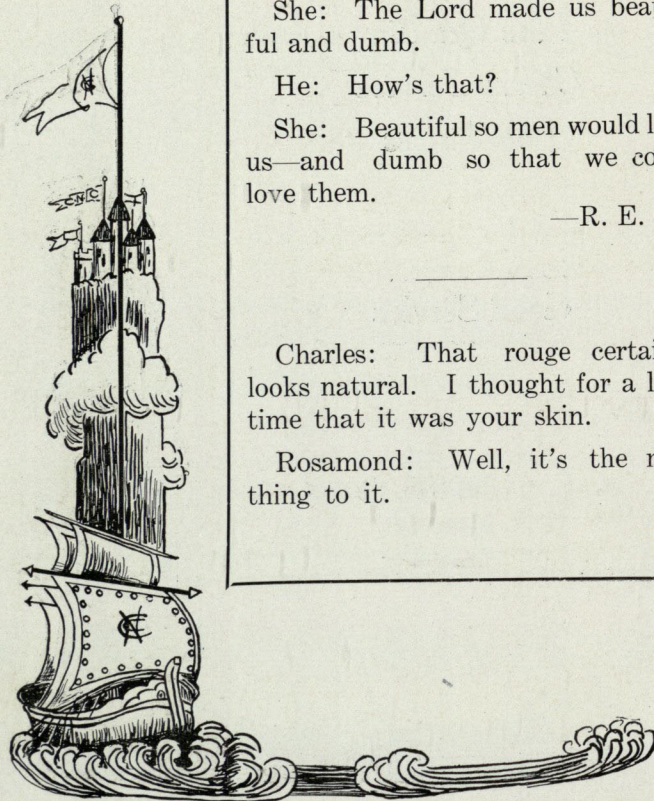

"Yes," he murmured in great embarrassment, "there is, but I'm going to pay it off tomorrow."

INTELLIGENCE TEST

Intelligence tests will be given all Seniors next year. Freshmen will no longer have to submit to the nerve racking examinations to find out whether they are morons or not. Next year it will be taken for granted. Why burden the public with school teachers who are not all there? Prof. Pinkerton has a set of fool proof questions which he will submit to all Seniors next October. Any one making an I. Q. of more than average will be hereafter barred from the teaching profession. "School boards do not want geniuses," says one authority, "They want average or below students for their positions." As a result, persons of mediocre ability stand the best chances of securing positions. You know, students, now some of us are needed to plow corn and wash dishes; we can't all be school ma'ams.

REMINISCENCE

*Memory brightens o'er the past,
As when the sun concealed
Behind some cloud that near us hangs,
Shines on a distant field.*

—LONGFELLOW

Perhaps it is well that human nature
deplores the present and glorifies the
past. In idle moments it is comforting
to permit the mind to shine back on
distant fields of pleasant experiences

Thus, this memory book will serve you
and prove the source of real future
pleasure. For Stafford combines these
elements with the artistry, the quality
and the workmanship which entitle it
to bear the phrase ...
