ALL COUNTY PLAY DAY SATURDAY

The first All-County Spring Play Day will be held next Saturday in the Danville Park.

Soft ball, track, field relays, tennis, outside volley ball and outside badminton will be played.

Approximately 80 girls and sponsors are expected.

At noon a picnic luncheon will be held.

The purpose of the event is to promote a friendly feeling toward the College and develop sportsmanship.

Registration begins at 9 a.m. in the Men's gym.

PETER HUBBELL'S BODY FOUND

The body of Peter Hubbell, brother of Sally Jo Hubbell, was found Sunday morning after having washed upon a island in White river, south of the Emericksville bridge.

There were only slight signs of decomposition of the clothes and body due to the cold temperature of the river water, however, the coroner reported that death had resulted from drowning seven weeks before.

The Rev. Thomas Thrasher and the Rev. James G. Jones offered a requiem mass at the Church of the Advent on Tuesday after which the ashes of the cremated body were taken to the Swan farm, west of Danville, for burial. The farm was a favorite haunt of Peter's. The staff wishes to express its deepest sympathy to Sally Jo and her family.

CANTERBURY HOST TO INDIANA STATE TENNIS TEAM.

Canterbury played host to a strong Indiana State tennis team on May 6th and met with defeat to the tune of 7 to 0. In the Singles sets Lash of I. State started it off by taking Meltzer of Cant. 6-3, 6-1. Klee took Webb 6-0, 6-0, Fauty over Spall 6-2, 6-0. Marshall over Whitenack 6-1, 6-0. and Austin wound up the single competition by trimming Warman 6-2, 6-1.

In the doubles Klee and Lash teamed to take Webb and Meltzer 6-0, 6-0 and Fauty and Marshall did it again by defeating Whitenack and Spall 6-1, 6-0.

BISHOP MALLETT WILL SPEAK AT CONVOCATION

Bishop Reginald Mallett, of the Northern Indiana Diocese, vice-president of the Board of Trustees of Canterbury, trustee of Howe Military Academy will be the speaker at Convocation this morning.

Commentators advise that all students should come and be suprised.

RAZZ BANQUET AND ROPE PULL MAY 15

A combination of events will be held next Thursday May 15, at the Park.

Promptly at eleven o'clock the Tug of War will be held over the creek between the Zeta Sigma and Chi Sigma fraternities.

While this is taking place, the girls will be preparing a picnic dinner in the shelter house.

At twelve the girls will serve dinner and the program will be planned by the Kappa Pi Beta fraternity in the nature of a "Razz" event.

Persons in charge of the event are presidents of the social organizations and members of Kappa Pi

STATE TOURNAMENT TO BE HELD

The members of W. A. A. are planning to shoot in the Inter-Collegiate Mail archery tournament which is to be held May 16 through the 26.

NOTED EDUCATIONAL DIRECTOR ON CAMPUS

Dr. Ethel E. Ewing, Educational Director at the American Institute of Pacific Relations which is located at New York City, was here on campus yesterday.

Dr. Ewing devotes her time to giving assistance to colleges in improving their courses of instruction about the people of the far East.

As Director of Education she visits many colleges and universities and also gives speeches to various types of groups. Just recently she attended a conference at Ball State Teachers College.

KREKO COMING TO CANTERBURY

Special arrangements have been made with Magician Harry Kreko to present, to the students of Canterbury and the townspeople of Danville and vicinity, his professional performance in the college auditorium at 8 p.m., Wednesday, May 14. Kreko has been warmly greeted in all the forty-eight states. His ability as a performer was overshadowed only by Thurston and Blackstone, greatest contemporary magicians.

The Chi Sigma Fraternity at Canterbury College is proud to present Kreko for your entertainment. We believe you will be pleased with his performance.

STUNT NIGHT TO BE SPONSORED BY S.C.A.

The Student Christian Association met Tuesday evening for their weekly meeting and made final plans for Stunt Night.

Stunt Night will be held in the college auditorium Tuesday, May 13, at 7:30 p.m.

At present the committee has received the following participating groups: Bellaire, Chi Sigma, Alpha Mus Alpha Thetas, Phi Chi, and Zeta Sigma.

The judges will be chosen from business people in Danville.

The occasion is open to the public.

CANTERBURY PLACES SECOND IN TRACK MEET

Franklin took high honors Monday afternoon by piling up 77½ points, followed by Canterbury with 52½, and Rose Poly Institute with 33 points.

Hodge won the 100 and 220 yard dashes for Canterbury, while Cox won the Pole vault, with a height of 12 feet, and O'Brien won the mile and two mile events. Dooley and Cartheuser place fourth in the Javelin and Shot Put respectively.

Franklin took first place in all other events except the quarter mile which was won by Rose Poly.

MAY-TIME ON CAMPUS

May is the month of beauty, when the shrubs begin to bud and the flowers raise their faces to the warm spring sun. May is also a month of cleanliness. Everywhere, we see folks painting, scrubbing, planting, washing and decorating in general. Brooms fly, brushes swish and the summer two-tone shoes come out of their winter hiding places. Each of us looks after his or her quarters and sees that everything is in first class condition, but not so the campus. Thoughtlessness replaces thoughtfulness. A cigarette dropped carelessly in the grass or a scrap of paper, crumpled and tossed on the side of the walk, detracts from the beauty of our school. Similarly, walking on the grass which is still in a delicate stage of development kills the young blades and leaves ugly paths of dirt to meet the eye.

In order to enhance the beauty of our campus, of which we are all so proud, let us attempt to be a little more careful in our actions so that the environment in which we study and play is just as clean and wholesome as that of our own persons or quarters. Let us make May, with the help of mother nature, the month of cleanliness and beauty.

ASCENSION DAY

Primitive and pagan people pay much religious attention to the planting growing and harvesting of crops. Christianity of late has not done as much as she once did. For fifteen or sixteen centuries the three days before Holy Thursday, or Ascension Day, May 15th this year, have been kept as Rogation Days, or days of solemn supplication. Since in our hemisphere they come in the spring, it is an old custom to pay particular attention to supplication to God on behalf of the crops which have or soon will be planted. In keeping with this custom the Chaplain will ask God's blessing on the crops of the world and especially on the fields belonging to the Episcopalian families who attend St. Augustine's Chapel. At 4:30 the afternoon of Sunday May 11th a group will meet at the Administration Building to go out into the country for the blessing of these fields. Anyone is welcome to go.

CHAPLAIN'S CORNER

MARRIAGE RELATIONS COURSE

A happy, well adjusted home is basic to a healthy outlook on life from any standpoint, religious, social or economic. Therefore we welcome and commend the group which is meeting informally with Mr. Neel on Tuesday evenings - when there are not conflicts. We hope that the fact that it was God who made us male, and female, or had life develop in that way, will receive due consideration. God and his church have very much to do with sex and marriage, and this fact with its implications must be carefully thought through in any full consideration of marriage. We are male and female for a God-given purpose, and since the purpose is from God we may be sure it is a good one, one productive of both human and divine welfare when it is properly carried out. That rules out, at the very start, any essentially sensual attitudes. Pleasure there is and should be in marriage, but it is pleasure that normally eventuates in suffering and in long years of unselfish care for others. In a word God's plan for sex and marriage is the life long union of a man and woman in order that they may make a harmonious home into which children shall be born, and where in these children shall be nurtured in the love and fear of God their creator, redeemer and sanctifier. Thus shall succeeding generations of parents raise man higher and bring him closer to God and his kingdom. So you see there is a beautiful, spiritual reason for sex and marriage, and to miss this or fail to emphasize it is to lose the best chances man has to make marriage successful and productive of generations of men and women who understand the basic reason for sex and marriage - God's reason - and who will naturally go on to seek to know and understand and then carry out God's plan for this world as a whole. This is the hope that eventually mankind will rise above the misery and war which comes through man's neglect and misuse of the Author of life and Fashioner of the only plan whereby all things work together for good.

Don't fail to hear Bishop Mallett at Convocation Thursday May 8th. He is a live wire and you will miss something good if you fail to go.

The Ultimate Good desired is better reached by free trade in ideas - the best test of truth is the power of the thought to get itself accepted in the competition of the market.

We are living at a time when creeds and ideologies vary and clash. But the gospel of human sympathy is universal and eternal.

A good name is rather to be chosen than great riches.

NO CREPE PAPER IN THE GYM

No crepe paper may be used in the Grid Room for decorations unless it is fireproof paper, according to directions from the state fire marshal.

Mr. Glaze, the janitor, says he will take care of any fireproof paper bought by organizations.

GASTON PLAYS IN VIOLANO QUARTET

Miss Marjorie Gaston, head of the music department, is a member of the Violano Quartet which has played at various commencement and baccalaureate services.

The group is composed of Miss Gaston, Juliet Spencer and Marjorie Clay with Violins and Gladys Edmondson at the piano.

They have played at Belle Union, Stilesville, Avon and other places.

Mr. Webster Attending ACPRA CONVENTION

Mr. Webster leaves for a 4 day ACPRA convention at St. Louis, Missouri. Problems and procedures for better College Public Relations will be discussed by leading Public Relations authorities.

PARKING

The East side of the barracks has been arranged and marked for cars belonging to the faculty, according to a statement by Mr. Ansel Wallace.

DR. CUMINGS TO CONDUCT JOURNALISM CLASS

Dr. Cumings will take over the Journalism Class to give news gathering and reporting as related to radio next Monday afternoon at 4 o'clock.

CHI SIGMA NEWS

Appointed "Master of Ceremonies," Mr. J. Reed will with the assistance of various pledges, represent the Chi Sigma Fraternity on Stunt Night. These fellows have practiced laboriously on what is expected to be a successful act.

Members of the fraternity enthusiastically decided to accept the Zeta Sigma challenge of rope pull over the Tiber River. The tentative date is set for Thursday, May 15, and will probably be given during convocation hour. "The college cafeteria should notice a tremendous increase in sales, for the members of both fraternities are striving to weigh as much as possible. "The Stardusters," a well known dance orchestra consisting of eight pieces and a lady vocalist, from Indianapolis, has been hired to play at the "Sweetheart Dance," May 23 (Friday).

Again, the members of the Chi Sigma Fraternity are grateful to the "Ladies" of the Psi Chi house and Adams Hall for their return serenade Monday night. The first Chi Sigma pledge class is living up to the high moral standards, and creative ideas for which the fraternity stands.

S.C.A. MET TUESDAY NIGHT??

The Student Christian Association met in the Reception Room Tuesday at 7:00 p.m. for their weekly program and business meeting.

Plans were made for the Stunt Night, which is sponsored by S.C.A. and the evening program immediately followed. The program was a round table discussion on "Racial Prejudice." The meeting adjourned with the discussion still a lively feature, only to be summed up with a Biblical statement "Christ is no respecter of persons." Everyone is cordially invited to these weekly meetings. There is something different every week.

ZETA SIGMA PLANS BARN
DANCE

Zeta Sigma fraternity met Monday evening in Hargrave Hall and discussed plans for the Barn Dance. The same negro band will play again this year. The leader is Bob Womack and he has a very fine group.

Max Cameron, Dick Pullen, Russ Courtney, Red Kramer and Jim Sheely were given their formal pledgeship ceremony and instructions of pledgeship were issued.

Zeta Sig will again meet Alpha Mu in the park next Monday at 6 p.m. Meeting time will be at 7:30 in Hargrave Hall.

WILSON JAMIESON KILLED

Wilson Jamieson, 20, brother of Nina, died in an ambulance en route to Jasper County Hospital, after a head-on car-truck collision on Indiana 10 four and one-half miles west of Wheatfield.

OPEN TENNIS TOURNAMENT
TO BE HELD

All students in school are eligible for the Intramural tennis tournament which will begin Monday, May 19.

This tournament will consist of Men's singles, Women's singles, and Mixed doubles.

All students who are interested please sign the blank on the student bulletin board on or before May 16.

Each individual will be required to furnish his own tennis racket and balls for the tourney.

MISS GASTON SURPRISED AT
BIRTHDAY PARTY

Last Sunday Afternoon the Belles had a surprise birthday party for their director, Marjorie Gaston. With the assistance of Mrs. Pogue, the girls arranged a nice little luncheon of birthday cake, complete with candles (How many Marjorie?) strawberries, and ice cream and tea.

As the group were leaving the dining room, Miss Gaston's attention was called to small groups of violets scattered about the room. To each one was fastened by a long ribbon some little gift from each one of the Belles.

ALPHA THETA EPSILON

The Alpha Theta's held their regular business meeting Monday evening in Room 1 of Hargrave Hall. Committees were appointed and plans were made concerning the Sport Mixers.

Formal initiation will be at the home of Margaret and Donna Collings on Monday, May 19.

A stunt was decided upon and discussed to be given SCA Stunt Night.

MR. WEBSTER WILL SPEAK

This afternoon Mr. Webster will meet with the seniors at Broad Ripple High School to tell them about Canterbury and the advantages of a small church college. Tomorrow he will visit Arsenal Tech High School.

BELLES SANG AT CHURCH

Tuesday the Canterbury Belles sang at the Methodist church for a meeting of the mothers circle.

OUR IRISH MARATHON PACER

Bill "Buckshot" O'Brien is Canterbury's iron man in sports. Buckshot is but five feet, six and a half inches, weighing in at only 129 pounds. Repeatedly Bill has broken the tape in both the mile and the two mile gut-grinding race, and on some days even running a leg on the relay team. He has scored 45 points this season, winning 9 races in 12 starts. In between times Buckshot plays baseball as lead-off man. The fans of Canterbury are thankful to Buckshot for a job well done. B'gosh, the Irish are good!

AFTER DEAN HOURS

Well here we go again after a weeks leave-George isn't with us but we will try to give you the same thing in the same style--so hang on to your chapeau.

DANCE TIMES: The last week brought forth a boom in dances around the campus. The Alpha Theta's led off with the second in a series of record dances--duos included Claudine Alward and Kenny Noe keeping time with the music...Betty Winings and Chuck Alltop whom we don't see around to much...Rosie Pritchett and Lizton's Eddie Weddle...Victor was dragging his "Baby Doll" Sedam about or we might way vice versa...Buzzy and Willa Dean were back again...Impromptu dance party on Thursday nite in grid room was Birdie, Donna Rushli and Bob "Barracks Breeze" Williams tom Cox--Same party with Russell Courtney substituted for one of the fellows landed in East Side...Friday nite brought about a successful dance by Psi Chi's... Sally Hubble and escort Jimmie Jones were cutting a rug...Little Sally Walker came in late with exstudent Howard Ward to enjoy the dance...Marjorie entertained friend Gil Coble from Fort Wayne...Some of local students brought out of town dates--Marie Collins and unidentified friend from Clarkhill...Willy Casady brought out his Butler gal for the occasion...Local girls attending were Ann Hughes escorted by Jack Adams and Doris Miller by Joe Cook.

NEWS AND VIEWS: Who sees more of Aubry than Martha Marie and when...Mouse had little Peg Martin with him in East Side after dance Wed. nite... (Cpl.) Hopp and Dugle been taking in a local show Sunday...Buckshot O'Brien and high school Ruth Davidson seen on the way to Naptown Sat. nite...Bobby Courtney and Ginny Tinscher seen about town 'quit often...Jim (have you seen my new car since I put that last bucket of paint on) Reed and Phyl Stoller take in movie Mon. nite together...Bud Hawley had the pleasant job of entertaining the Marlatts visitor...Mar-

man Lafoc taking Katy Fisher around quite a bit of late...Bill Herring and Tottie Walton seemed to hit it off pretty well.

SO WE HEARD: Canterbury was well represented at Churchill Downs but some of the boys are still in doubt as to which horse won--infield seats so they say.... The Chi Sigma will be on the other end of a Zeta Sig rope come Thursday next... Any student out of town this last weekend missed something by not seeing the bands parade (especially the Union City Majorette)...Zeta Sigs held an informal tea last evening--a good time was had by all...Embers of old fire being fanned into blaze by spring breeze is that of Olive Mosier and exstudent Ernie Crane...Ernie and Emily seem to be slowing down to what may be a gentle halt...Warmans Warblers (Chi Sig pledges) still have four more Munday nite serenades on their list--if their voices hold out can we take it?...To laugh is to be free from worry. He who doesn't worry lives a long time. To live a long time is to last. Therefore he who laughs, lasts.

Hope this meets with your approval, George and hurry back...sjt/jrl

REGISTRAR REQUESTS RETURN OF QUESTIONNAIRES

Mrs. Jollier, Registrar, has asked that all students be reminded to return the questionnaires they received immediately. The information to be taken from these is very important.

Two visitors this week, as shown by the Canterbury visitors record, were Mrs. Munson D. Atwater, (formerly Eva Dickey) and her sister Anna Dickey. They were members of the class of 1907-08.

BASEBALLERS LOSE TO INDIANA CENTRAL

The Canterbury warriors outhit Indiana Central on their home field, Friday, May 2, but couldn't push the runs around when they were needed. Indiana Central came out on top by the score of 5 to 1.

It rained just previous to game time and the field was muddy throughout the contest.

Harold Mohler started on the mound for Canterbury and was replaced by Earl Davis in the third when Central pushed across three runs. Bob Pease relieved Davis in the seventh and finished the ball game.

Canterbury had the bag- es loaded three different times and couldn't score. This together with three errors helped send the squad down to another defeat.

PSI CHI NEWS

The regular meeting of the Psi Chi was held Monday evening. Plans were discussed for the remainder of the sorority activities for the year and for a stunt for SC A Stunt nite.

All members and pledges watch for special meeting notices for this week.

SWINGING DOWN THE FAIRWAY

Perhaps Professor Win- frey's Western Civilization test upset the boys; what ever it was Canterbury's golf team pulled a "Phalanax" by coming in second best at Franklin last Monday.

Once again "Smooth- swinging" Jerry Burton captured low ball honors for the Warriors by coup- ling rounds of 43-41 for an 84. Burton was follow- ed, respectively, by Andrews, Hollenback, Volk Courtheuser, and West.

Bill Volk produced the most spectacular shot off the match when he decided to putt rather than chip a ball which lay just off the green some fifty feet from the pin. The result was a long curving putt which dropped in.

Always building toward the future, the present squad of six may acquire in another year the ser- vices of "Duzz" Hargrave and Dick Williams. If Hargrave can control his slice and Williams If Hargrave can control his slice and Williams finds the "Feel" of his irons; consequently it will make a good fight for the top six positions--decidedly so.

BARRACKS BREEZE

George Eddys many friends wish him a speedy recovery from his recent attack of malaria and a quick return to Canterbury.

Seems like mid-term with all the exams and quizzes popping up.

The number of bands in Dan ville last weekend was ex- ceeded only by the number of cap pistols. Could be the effects of the war.

Ray Harper is chief gard- ner in charge of that new grass sprouting in front of the barracks.

The dual track meet with Wabash provided many big thrills. Dick Swackhamer seems to have found his distance in the half-mile. Joe Hodge looked good (as usual) after his layoff, in winning the 220 and 100 yard dashes.

Remember Jimmie Christie? We saw him in Naptown re- cently and he has lost 20 pounds, what with working 13 hours per day.

Harry Kreko the magician and Ernie Crane are old Army buddies. Kreko has been rated by some, as the third greatest magician in the world.

Quick change artist---iron men O'Brien winning the one and two mile events then changing into a base- ball uniform and playing nine innings of left field. It isn't human. Is it?

For further information, tear off the top of the nearest Packard and mail it to Barracks Breeze care of whozit!!

WHO WILL BE THE SWEETHEART OF CHI SIGMA???

BIG RACE

Everyone is in their seats and the race is a- bout ready to start. Folks this is one of the big races of the day. The con- testants get away to a nice start and the field narrows down to two as they reach the half way mark. It is hard to tell which is out in front they are so close together. The owner of the leader is sitting here beside me, and my friends, ---he is really sweating. The spectators are whipped in- to a frenzy. The excite- ment is tremendous as the race nears its completion.

They are neck and neck as they come down the home stretch, but it looks like the leader is faltering. Yes, he is faltering and number two is going to go by him. Coming up fast on the outside is a beauty, striking out with sure, steady strokes. Stamina is going to win this race. The race to end all races. Now! He's over. He's over the line by a neck and wins. The bell must have startled him into ac- tion. Dean Hillegas is ready once more to conduct class and our turtles will have to go back in their box until next Tuesday. It was a fine race neverthe- less.

EYES ON PSI CHI

With the chorus the Chi Sigmas have, and the or- chestra they are starting they will be giving Fred Waring some stiff competi- tion.

Tottie wonders if a pitch pipe would keep the Psi Chi's on tune. We think she does a good job alone.

Not an eye in the house opened before 10:00 A.M. Saturday morning after the dance. Betty Lyons said she tapped flowers on walls in her sleep. We want to thank all the stu- dents and faculty for their swell support.

Mary D. sounds like March 15, counting intake and taxes on the dance.

It would be a big help if someone would explain to Birdie that you can't wash oil point off with water.

Kelly thinks it would be profitable to run a laun- dry at Indiana State???
