POST REUNION ISSUE 1979

1980 REUNION JUNE 21, 1980

Decision was made at the Banquet that the 1980 date be Saturday, June 21, 1980.

The same committees will serve.

OK Baird, Chairman, states that all those who receive this Crier are hereby charged with this commission:

(1) To notify any one in your community or acquaintance of the plans for 1980.

(2) To report such names and addresses to CNC - Box 128, Danville, IN 46122.

No meeting will be held in October 1979.

T SHIRTS!

When J.B. Bowen said he was having T shirts made with Central Normal/Canterbury Seals the committee almost gasped! But he did! And he sold more than he had made. It was not unusual to have a change made at once. Note the picture of J.B. Bowen, Maxine Osborn, Randolph McClung. Comfortable!

Others could be made if there is enough interest!

1979 REUNION A REAL SUCCESS!

The All College Reunion of Central Normal and Canterbury Alumni was, by all participants, a huge success.

Approximately 500 attended from as far west as California and Denver, as far east as Washington, D.C. and as far south as Miami, Florida. The general reaction was "It was great! It was so good to see everyone! But we needed longer to visit with each one!"

The program was long enough and involved enough to interest everyone, but not enough to keep each one from visiting with those favorite friends.

The food furnished by Mrs. Helen Disney at the new high school could not have been better - a smorgasbord where you had plenty to eat!

Squeak Martin's Indiana Legion Band played on the campus in the afternoon. Even Tommy Wilson got into the directing act.

J.B. Bowen's orchestra furnished music for the old time Mixer. In spite of the fact that J.B. had worked all day to make things run smooth, he was able to even dance as he played the saxophone for the dancing. Sam Williams,

Wilbur Richards, Joe Long and many others were right at home at the Mixer.

So many interesting incidents and people were present! One came through a day of shaking hands and getting re-acquainted with the feeling that "these college kids have done and are doing the world's work in a big way."

From Mr. Anthony (105 years old) who refused to have his son talk for him; and Mrs. Georgia Craig of the class of 1910 who told us how the bell had been preserved; to the Canterbury classes represented by Paul Callabro. All were proud to have known this college and its alumni.

Much credit should be given to the committee which planned this event. OK Baird served as its chairman, Norma Comer was his local coordinator. It would be impossible to name all who were responsible for its success. It was more like the old State Contests where every one did his part.

A motion was made that the same committee serve for the 1980 meeting which will be held June 21, 1980.

ALUMS FIND NEW MUSEUM INTERESTING

Although time was limited, several alums found the Hendricks County Museum interesting.

This is located in the old Hendricks County Jail building on South Washington Street.

Many interesting pictures and artifacts of CNC and Canterbury are housed there.

SORORITIES WERE GRAND HOSTESSES!

Each of the Sororities, Alpha Theta, Psi Chis, and Delta Sigma Kappa assumed a role in making the alumni be "at home" immediately.

The Psi Chis had punch and hors d'oeuvre from 11 AM until 3 PM.

The Alpha Thetas were hosts before the banquet with good punch.

The Delta Sigmas had a historical exhibit.

DANVILLE BUSINESSES EXHIBIT CNC ARTIFACTS

In spite of the Carnival which was in Danville many of the business windows were decorated with CNC memorabilia - House of Hadley, Business Department Trophies, Music Department replicas, the old bookkeeping Journal showing receipts of CNC, many pictures of by-gone days.

In fact, Danville welcomed the group as their returned families.

DANVILLE PUBLIC LIBRARY EXPANDS

A new addition is being made to the Danville Public Library.

One of the innovations which will be of interest to College Alumni is the historical room - "the Indiana room". One section will be devoted to memorabilia of the college. These year books are missing in their collection. If you know any available send to Danville Public Library.

The Centralian - 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1930, 1932, 1933, 1934, 1944, 1945, 1946. Also, was there a Canterbury Tales for 1951?

THE BANQUET PROGRAM WAS "JUST RIGHT"

After a day of visiting with former friends, all met together at the new Danville High School. At least 300 persons attended.

Invocation was given by Paul Hoge, husband of Mildred Carter Hoge. OK Baird served as general chairman. Dr. Virgil Hunt called the roll of classes. The oldest graduate present was Cloyd Anthony of Terre Haute - class of 1896; Mrs. Georgia Haines Craig - class of 1910. Both of these spoke. Almost every class was represented.

It was good to have Tommy Wilson and Wendall Morgan accompanied by Louise Wilson with a trumpet duet. Just like old times!

Aubry Robison added much humor in his story of "Solitude - his home town".

The fitting climax was the melodies of Philip and Lillie Shaw who sang "Bells of CNC" and other numbers.

The evening closed with the Mixer.

DUES -

Questions have been asked about Dues. The mailing list was started many years ago and has grown with additions sent in. To date they are mailed to about 1,000. This means cost of paper, postage, labor, as well as current expenses of maintaining mailing list. Cost has averaged about \$1,500 per year.

No definite amount has been charged for dues. Nor has any name been eliminated because no dues were paid. Elimination has been made only when post office can't deliver.

Voluntary dues have been received of approximately \$1,200 per year.

Agreement was made by the committee that Dues should be \$5.00 per year.
