1984 REUNION A REAL SUCCESS

Over 300 alumni of CNC and Canterbury assembled in the Grid Room on June 23. This included Carl Underwood whose van was parked so that visitors could come to him. Of these alumni, 236 remained for the lunch prepared by Helen Disney at the high school

Wilbur Richards, general chairman, introduced Dr. Donald Tharp, member of Danville Town Board; Sam Williams and Henry Cox. Dr. Virgil Hunt paid tribute to the former faculty. Chet Elson, Daisy Jones, R. L. Green, Blanche Wean, Mrs. J. C. Nelson were among those present. Coach Glen Johnson's daughter was present.

"The Bells of CNC", "Varsity" and other songs were led by Sue Barry and Thelma Rissler Sutherlin accompanied by Ethel Michel.

Classes from 1916 through 1951 were represented. The largest number (17) were from the class of 1937.

Reference is made to the history quoted by Henry Cox. A Mrs. Jeannette (Weatherford) Graver stated that she was related to Mr. Parr. Would anyone who knows her please send further information

HISTORY OF CNC/CANTERBURY PROPOSED

A suggestion has been made that we collect authentic material about the college. You and many others have materials which will be interesting in such a production

Suggestions have been made as to possible contents:

1. Early History and background
2. Student activities during different periods -
   - Serious incidents
   - Humorous incidents
3. Economic status of college and students
4. Faculty and their influences
5. Graduates and their influence on education
6. Athletic Programs

If you are interested in (1) serving on a committee or (2) writing articles please let us know.

DEDICATION OF THE BELL

The Old Central Normal Bell has been repaired by Lyman Maynard.

In order that the bell shall be protected, Mr. Robert T. Miller built a cage around it. The key for the cage is held by the Junior High School principal and permission has been given that it may be used for local activities - such as celebration of games won.

Contributions for this work have been made by alumni.

The bell was formally dedicated to Fred Hadley who was superintendent of maintenance many years. Herman and Howard Miller and Jake Hanger, former bell ringers were present.
