CHRISTMAS 1991

WE'RE EMBARRASSED!

We reported in the last Crier a death notice that was in error. A note came yesterday in which our Harold "Wally" Wallace asserts very loudly that at the age of 79 he is still fine, healthy and playing a lot of golf and is looking forward to the 1992 CNC Reunion! His Lafayette address is 916 Beck Lane, Lafayette, IN 47905 and the Florida address (effective December 1) is 100 Jeepers Dr., Naples, FL 33962.

Our sincere apologies in making this ERROR.

NANCY'S FUND

Alumni were generous with funds for Nancy from students who knew her and from the Alpha Theta Epsilon Sorority. Thanks to all of you who have contributed a gift. Any excess will be used for the next good cause.

CHRISTMAS 1991

A letter from Gordon Jay - "We really enjoy getting the news in the Crier. My years at Central Normal were great and invaluable to me. I never taught in the public school system but spent many years in adult education. I was Training Director for the 6th Airforce Overhaul Depot in 1946. In 1947 I joined General Motors Institute. In 1972 I was loaned to the overseas operations as a training and personnel consultant. We moved to New Zealand and I covered all of the GM operations in New Zealand, Australia, the Phillippines, Malaysia, Singapore, Korea & Japan. Also went to Kenya to help start a new truck assembly plant. In March of 1979 I came home and retired after 37 years, 3 children and 14 moves. Thelma and I have pretty good health and we celebrated our 50th last May and I still play a lot of golf. Life has been good and CNC played an important part. See you in June at the Reunion."

Glenward (Max) York, of Magnet, IN 47555 - "I am still living on overlook on Ohio River west of New Albany about 50 miles."

Mary Evelyn Nay Blanford, 245 Russell St., New Haven CT 06513 - "Always enjoy receiving the Crier. Getting ready for a trip to Hawaii. An aunt is taking 29 of us with her to help her celebrate her 90th birthday. It will be a week of great fun!"

Lillie King Shaw, 6802 N. 37th Ave., Phoenix, AZ 85019 writes - "I have found enough things in music groups and services to keep me busy. As a Sigma Alpha Iota Alum I enjoy being with the Gamma Mu chapter at Arizona State University (where I taught for four years). I would enjoy hearing from any other S.A.I.'s. Hello to Louise and Tommy in California! Always enjoy the Crier."

POSTAGE INCREASES

The cost of our postage and yearly permit has increased for us as well as it has for you. We mail approximately 1,000 Criers at a time. Only about 125 have paid dues this year and that is what we use to help pay for sending a Crier. Be sure your dues are paid. We want to be sure you received this so please let us have an answer. Is your address correct?
