Parents and Friends
Urged to Attend

One of the most outstanding activities of the year sponsored by the Y.W.C.A. and the Y.M.C.A. for the students, faculty, and friends of Central Normal is Friends-From-Home-Day. The date of this year's event has been set for Sunday, November 6.

A record breaking attendance is expected since this event has proved so popular in the past, and a very interesting program for the day is planned.

This event was begun three years ago. Mothers, fathers, sisters, brothers, girl friends and boy friends come to spend the day. At the noon hour, the contents of well-filled baskets are spread upon tables at the college and a pleasant hour is enjoyed.

Luncheons, Teas, Game
and Dance features

The festivities of the Homecoming week began Thursday when the alumnae and members of the Psi Chi Omega sorority met for their annual luncheon at the Claypool Hotel. Reservations were made for about 75 and a very interesting program was enjoyed.

The C.N.C. Luncheon at the Lincoln Hotel today also promises many opportunities for Old Grads to get-together in the interest of their Alma Mater.

All during the week end many of those who are teaching will be visiting in Danville but the high spot of the week will come in the Football game between the Warriors and the Manchester Spartans. The boys have been working with all their energies to make this game a victory for C.N.C.

As a feature of the morning-----Saturday morning--the Zeta Sigma fraternity has challenged the Alpha Mu Kappas to a game of "touch football." The game will be played on Tiber field and all are invited to witness it.

Following the game in the afternoon the alumni and guests will be received at the various Open Houses and the climax of the week will be the Homecoming Dance in the evening. Music for the occasion will be furnished by Admiral Dewey and his Swing Band.

Most of the faculty will be on campus to greet the returning grads and many will more or less hold "Open House" for those who wish to visit.

The Sigma Lambda Pi fraternity held their fifth meeting of the year in Room two of the Science Hall, Monday October 24.

After pledging the following boys the week before, the fun began. The pledges are: Morris Etter, Virnard Harrell, Robert Chamness, Alexander Boalbey, George Vargo, Bernard Deerr, Jim Hawley, Edward Pilarski, Wilfred Tribbey, Kenneth Warthen, Everett Younger, Robert Fowler.

There will be a corner in the grid room for Sigma Lambda Pi brothers to get together for a chatter at the Home Coming Dance, so we want every alumnus to come around and meet the members of the campus and the new pledges.

HOME COMING

Of all college festivities, homecoming is the most interesting and fascination. To see again the faces of fellow-students whom we knew here years ago is a delightful experience. Homecoming days bring together many friends who otherwise would never renew their old acquaintance and share again the joys of college days.

Friends are the most valuable assets a man can possess. When you, C.M.C. alumni, were here in school you made many friends. As the years have rolled by, undoubtedly you have forgotten many of them. That is only natural. But may I make a suggestion? Why don't you renew those friendships? Meet again your classmates and reiterate the course of those years spent here. Too, make new acquaintances of "Homecoming Day." Keep in touch with those who are keeping things moving back here at your Alma Mater.

Johnson once wrote: "If a man does not make new acquaintances as he advances through life, he will soon find himself left alone. A man should keep his Friendship in constant repair." Repair your friendships now! Enter into the festivities of Homecoming, grads, and make new friends as well as renewing the old!

Homecoming days are glad days. Joy reigns supreme. Old stories are told pranks are replayed; and backslapping seems to be the general greeting of all. Let's make this year's reunion one to be long remembered. You will surely do this very thing if you reestablish those school day friendships and make new friends on this Homecoming Day.

--A. Zarse

In answer to the sport writer of that giant eight page tabloid, which flows forth once weekly, and is devoted to the news and best interests of Hendricks County, we would like to say that your technical adviser is "all wet." As an after thought we think your adviser has never played the game, or even knows to judge a contest by observing it. The item written in your paper shows little knowledge of the sport, sportsmanship, or loyalty.

The gentleman says that we spend too much time on "set plays" and not enough to advancing the ball. In the same article he says that the old grads are kicking because of this.

We are sure the former players are not kicking on set plays, because they understand that football is just naturally played that way. Every organized team, secondary, professional or college must have set plays and do not just carry the ball. The blocking must be perfect by the offensive team, and eleven men must function perfectly, man for man, in order to advance the ball. If all eleven men were able to function exactly to perfection every time the ball was carried, it would result in a touchdown.

In former years the teams have won their games through merit, yes, merits of their own, and not by the support of the fans and your newspaper. This year it has, through no fault of the boys or the coach dropped to the level of its support.

Our team does lack height and weight. This is a handicap which all should and will appreciate, when they see our 150 lb. ends try to knock over and push around Manchester's 260 lb. tackles. We agree that speed is the only solution, but, probably, you wouldn't understand that with speed and lack of weight, injuries are abundant. This is the case of Wallace and Scott, who have been on the side lines for four weeks.

In reply to the pep talk at Chapel, the coach did just as he said he would do. It is about time you began believing what the coach says, instead of being swayed by hear-say and your BRAIN TRUST.

We would like to leave this in the minds of all readers and you of the Gazette, that it is much easier to win than to lose. We do not like to lose, but we can take it.

The only support our team has, as far as your paper is concerned is our belt buckles, but we thank you for letting us get this off of our mind.

We did the David and Goliath act Saturday afternoon by tying the score against Defiance.

DRAMATIC CLUB

ENGLISH CLUB

C.N.C. vs MANCHESTER

A LONG-FELT NEED OF THE ENGLISH DEPARTMENT FOR A GROUP ACTIVE IN DRAMATICS HAS BEEN MET THIS YEAR BY THE FORMATION OF AN ASSOCIATION CALLED DRASCENO. THE CLUB IS INVITATIONAL IN NATURE, AND MEMBERS EXCEPT CHARTER MEMBERS BEING ACCEPTED ONLY AFTER TRY-OUT, AND HAS AS ITS AIM THE PRODUCTION OF SEVERAL FULL-LENGTH PLAYS OF HIGH QUALITY DURING THE FALL, WINTER, AND SPRING TERMS. IN THE ABSENCE OF AN N. Y. A. PLAY-GROUP DRASCENO WILL HAVE A PRACTICAL MONOPOLY OF THE COLLEGE STAGE. SINCE THE CLUB HAS NO DESIRE TO MAKE MONEY, BUT ONLY TO WISHES MEET EXPENSES, IT WILL BE POSSIBLE FOR RATHER EXPENSIVE PLAYS TO BE BROUGHT TO THE CAMPUS. THE NAME OF THE FIRST PRODUCTION AND THE MEMBERS OF ITS CAST WILL BE ANNOUNCED IN A FEW WEEKS.

AS IN PAST YEARS, THE ENGLISH CLUB IS CONTINUING TO FUNCTION. ONE MEETING HAS ALREADY BEEN HELD AND PROGRAMS ARE BEING FORMULATED FOR THE REST OF THE SCHOOL YEAR. THE LITERARY CONTEST, WHICH WAS HELD WITH CONSPICUOUS SUCCESS A YEAR AGO, WILL BE REPEATED, GAMES ARE BEING PLANNED; PAPERS WILL BE PREPARED BY CERTAIN MEMBERS FOR READING AT OPIN MEETINGS; AND INTEREST, IT IS HOPED, WILL CONTINUE AT A HIGH PITCH.

In the first six weeks of school 156 students have had Physical examinations. This includes all freshman and upper classmen taking physical ed. courses. In addition there have been 276 miscellaneous treatments -- a total of 432 calls to the physicians office

THE C.N.C. WARRIORS GREATLY STRENGTHENED AND SPIRITED BY LAST SATURDAY'S TIE ARE STILL GOING OUT FOR THEIR FIRST VICTORY. WITH THE TWO SQUADS PLAYING HARD WE EXPECT THEM TO GIVE THE MANCHESTER SPARTANS A TERRIFIC BATTLE. THIS IS THE HOMECOMING GAME AND EVERY "WARRIOR" WILL BE OUT THERE FIGHTING FOR VICTORY AND TO GIVE THE ALUMNI AN INTERESTING GAME.

THE MANCHESTER SPARTANS HAVE WON A FEW GAMES THIS YEAR PULLING A VERY BIG UPSET LAST SATURDAY BY DEFEATING THE HIGHLY TOUTED DEPAUW TIGERS. THEY ARE VERY LARGE AND A RUGGED SQUAD. THEIR DEFEATS HAVE BEEN BY NARROW MARGINS. THE SPARTANS ARE COMING TO DANVILLE WITH THE IDEA OF GIVING THE WARRIORS A ROMPING. EVERYBODY BE PRESENT! WITH YOUR SUPPORT, OUR FIGHTING SPIRITED WARRIORS WILL GIVE YOU AN EXCELLENT GAME.

WELCOME TO THE OLD GRADS!!!

A CHEER FOR CENTRAL-NORMAL--Come on, Boys, clean up on Manchester --the bigger they come the harder they fall!

Turning back the pages of the Diary for the past week, the 1st thing of note is the Zeta Sig dance Friday. Here we saw Joan Griffey with Paul Parker. Eunice Beard and Dick Falls seemed to be enjoying themselves. Danny Weymire's guest for the evening was Betty Cox. The prize-couples for the evening were Lethia Wilson and Alma Zarse (who dressed as an old time two-some) and Dean and Mrs. Hunt.

Marjorie Franklin, Bob Holland, and Margaret Black were among the old students back for the Defiance game Saturday.

Jeannette Bell, Virginia Owens, and Goldienne Akers went a-Purdue-ing Saturday!

Chuck Cooley found that Buntly Calloway's clothes fit him perfectly. Besides, he looked pretty nifty in them!

Interesting Couple: John Airhart and Dorothea Ford.

By the way, what will Ivan Clark have to say about June and Zeke Alexander?

HERE AND THERE Be sure to attend Alpha Mu--Zeta Sigma football game. Wheatley says for the coach to keep an eye on him, for he is a champion quarterback! So Long--Yours for a big Homecoming.

RIGHT WORDS

Mrs. Wean: "Alvin,
 what three words do
 you most commonly use?"
 Alvin: "I don't know."
 Mrs. W.: "Correct."

TERRY LANDS A JOB
 "Terry's got a job as

 "What? Terry?--No!"
 "Honest."

 You see, her boss told

her right off he's a

 that sounded encour-

 Helen Parker: "Dam it."

DISILLUSIONED

I put my faith and
 trust in you
 I thought I could rely
 But now I disillusion-

 I wish that I might

 I made you my ideal,
 you see,
 And so I copied you;
 But I should have
 copied someone else,
 'Cause now I'm flunk-

 And your rewards are

 Remember that the

 Kenneth Baird: "I did,
 I shook my head."
 Prof. Maxam: "Well,
 you can't expect me to

 here!"

TEN YEARS HENCE

Mrs. Stiers: "Does

 Mrs. Crum: "Oh, no.
 The problems are easy

FORMER STUDENT SUCCEEDS

A letter from Effie Thompson who was a student of the Business Course at CNC last year writes enthusiastically about her work in the Ag. Chem. and Entomology departments of Purdue University.

She says: "I work for six men and do all their correspondence and keep their exams typed, schedules written up, answer the telephone, keep check on the supplies, fill out requisitions (I know quite a lot more about the practical side of requisitions than I did while I was in Accounting) and have as high as ten or 15 stencils to cut and run every day.

"I would love to come to Homecoming but I work until 12:30 on Saturday. If I don't get to come I wish you all a very enjoyable Homecoming and good luck in the football game."

"Carl Rogers and Gordon Sowers are both in school here this year."

NOTICE TO LETTERMEN

Coach Leitzman has just recently expressed his desire for the re-establishing of the Lettermen's club. This club while active, was a great asset to the school and to the athletic dept.

The membership records along with about every other record, were lost when the gymnasium burned. Thus, we have no way of obtaining the names and addresses of the former letter winners, except through the members themselves. So for this reason, we are urging all letter winners, while attending the homecoming activities, to leave their names and addresses with the coach or someone who will see that it gets to the coach.

With every one co-operating this club should soon reach its former top position.

One bright boy one time gave this definition of Man: Man consists of three parts--the brainum, the borax, and the abominable cavity. The brainum contains the brains, if any; the borax contains the heart, liver and lights; the abominable cavity contains the bowels of which there are five: a, e, i, o, u.

NO MISREPRESENTATION

"At Budapest appeared an advertisement for a book entitled "What Every Young Girl Should Know Before Marriage." To the book's publisher came many an order. In answer to the orders out went many a copy of the book. Soon there was a reaction. Enraged purchasers claimed misrepresentation, pointed out that the book was nothing more than a cook book. Some of the purchasers banded together, haled the bookseller into court, there demanded a penalty for the person who would so trifle with human emotion. Said the judge: "Cooking is precisely what the young girl should know before marriage."
