PSI CHI'S SPONSOR CONVOCAATION PROGRAM

Program Will Feature
Nine Piece Orchestra

The Psi Chi Omega Sorority will present "Lady Jean's Hour of Charm" at Convocation next Tuesday, January 31.

Miss Jean Mahan (Lady Jean) has announced that her program will feature the "Waltz Queens"--a nine piece orchestra composed entirely of members of the sorority. Other prominent performers appearing on the program will be the Harmonites, a vocal trio composed of Louise Starkey, Harriet Milling and Mary Margaret Surber; the Trebeltones, composed of Virginia Keeney, Mary M. Tharpe, and Ruth C. Dawson; and the Psi Chi Glee Club.

The Psi Chi's are planning to compete with the Zeta Sigs in the novelty of their presentation so this should make the program even more interesting.

CARNIVAL PLANNED BY Y GROUPS

A big event is being planned for the evening of February 23, by the Y.M.C.A. and the Y.W.C.A. in the form of a Carnival.

Committees have been chosen and plans are rapidly taking definite form.

This event will consist of home talent and stunts which will be suitable for use in teaching as well as of interest on the campus.

The committees for this program are: Dean Green, General Chairman; Morris Wade, Advertising; Virginia B. Keeney, Floor Show; Mildred Sparks, Refreshments; and Mary F. Curry, Side Shows.

The cooperation of all students and faculty is expected.

"ALUMNI NIGHT" BIG EVENT NEXT WEEK

Game and Dance Will
Attract Many Alumni

Many alumni are expected to be present for the Basketball Homecoming game and Dance which will be held next Saturday night.

The Warriors will face the Earlham quintet which is considered one of the toughest opponents on the CNC schedule this year. The Warriors still trying to regain their former status will make an exciting and thrilling game.

The committee in charge of the dance promises a most eventful dance with Sherry Watson's well known orchestra furnishing the music for the occasion.

The committees in charge consist of: Decorations: Harry O'Bear, Rosemary Jones, Eugenia Johnson, Weldon Morgan.

Tickets: Melba Huber, Thelma Williamson.

Advertising: Thelma Williamson, Louise Starkey, and Kenneth Warthen.

Check Room: Doris Broyles, chairman.

These committees are urged to make final preparations as soon as possible.

Tickets for the dance are only 25¢ per person.

DRASCENO PLAY CHANGED TO FEBRUARY 8

"The Night of January 16" to be given by the Drasceno Dramatic Club will be given on Wednesday evening, February 8, instead of February 16 as was announced last week.

The cast is working earnestly to complete this production which promises to be one of the interesting social events of the year.

SIGMA PHI KAPPA DELTA WILL INITIATE 23

Second Degree Given
At Four Monday

Candidates for Sigma Phi Kappa Delta, honorary scholastic fraternity, have been testing their ability in research this week in preparation for the second degree which will be given at 4 o'clock next Monday evening.

At six-thirty 23 students and faculty members will be honored with a banquet served by the Y.W.C.A. Those who will be initiated are: Harry O'Bear, June Griffey, Ruth Thomas, Hope Mc Bride, Stanley Garman, Harold Long, Mary Meeks, Eugenia Johnson, Martha Owens, Thelma Williamson, Melba Huber, Alma Zarse, Mildred Carter, Dorothea Ford, Virginia Huxford, Paul Jones, Chalmer Dunn, Mrs. Porter, Glendora Kirk, Mrs. Johnson, Miss Watts, Mr. Green and Miss Whitney.

Mrs. Chic Jackson will speak at the banquet on "Heart Housecleaning."

PRESIDENT'S BALL WILL BE IN GRID ROOM

Mr. John Kendall is in charge of the arrangements for the President's Ball which will be held in the Grid Room next Monday night.

Proceeds of this event will be used for local charity and for contribution to the national drive for funds to combat the infantile paralysis disease.

All organizations have been asked to help with this affair which should be one of the most outstanding social events for the entire community to be held this year.

Admission charges for this dance are \$1 per couple.

ALPHA THETAS PLAN FACULTY COMMITTEES
DANCE FEBRUARY 5 WHISPER ABOUT DINNER

PSI CHI NEWS

In an atmosphere personified by cupid and hearts the Alpha Theta Sorority will enjoy their winter term dance on February 3, 1939. The sorority has been successful in contacting the "Wabash Ambassadors" who gained renown last summer when they fulfilled a season's engagement playing on the celebrated "Normandie." The Ambassadors will bring to the campus a new type of syncopation. The orchestra is ten piece and has as an added feature talented vocalists.

Surprises are evidently being planned for the faculty dinner which will be held in the Recreation Room tomorrow evening. This will be in the form of a birthday pot-luck supper. Of course it has not been necessary that everyone tell his or her age but needless to say much guessing has occurred in connection with it. The committee in charge consists of Dean Green (whose birthday will be Sunday), Miss Gaston, Miss Watts, Mrs. Jones and Mrs. Jones, Dean and Mrs. Hunt, Mrs. Johnson.

Because the date of this dance is the evening preceding the Home Coming basketball game the Alumnae are expected to return in large numbers.

The tickets for this dance are now on sale for 75¢ a couple. Anyone wishing a ticket, please see Charlotte Mr. Anderson.

Attention Alumni and Friends! The Psi Chi's are planning to hold Open House February 5th from 2-5 p.m.

Professor Montgomery advertiser of the Wabash Ambassadors while in Denville Tuesday afternoon Jan. 17, discussed final plans with the committee for the annual Winter Dance Feb. 18.

The new members taken into the sorority recently are Dorothy Amick, Bertha E. Christie, Betty Lou Cooper, Betty Cox, Donna Cox, Betty Firestone, Harriet Milling Helen Parker, Mary Pierpont, Hazel Rottier, Alice Amy, Marguerite Harrison, Mary Steinman, Mary Margaret Surber, Roberta Walters, Lois Ward, Ellene Glossop, Florence Higgins and the two honorary members, Alice Cox and Norris Porter.

The Psi Chi's are all busy working on the Chapel Program for next Tuesday.

SMILE! PEOPLE, SMILE!

I saw her walking before me down Main Street. Her posture was erect; her clothes were "Rink's;" her walk was brisk, and she seemed eager to reach her destination. Her outward appearance, as I followed her, was without a flaw. As I drew nearer, I wanted to see her face--certainly she must be beautiful and kind. I walked faster. Then I was beside her. But, alas! The expression upon her face was one I shall never forget! Truly her skin was without a blemish, but beneath the brim of that pert little hat was an expression of contempt, greed, and hatred--all combined into one gruesome appearance.

I thought then that all her lovely clothes, facials, and expensive jewelry were wasted. If only she had spent a few minutes each day remodeling that expression on her face, she would have made a striking and plausible appearance.

Of all the things you wear, the most important is your expression. Instead of adjusting and readjusting your hat to the latest angle, look at that portion of you just below the hat. Examine those creases in your brow. See how you can smile to the best advantage. Check up on your expression. You will soon find that a little time and effort can do much toward removing that repulsive and offensive look. As you walk down the street, glance in the store windows, and look, at your expression. Keep a constant check on yourself. Don't let the corners of your mouth get droopy.

La Rochefoucauld wrote that "In all the professions everyone affects a particular look and exterior, in order to appear what he wishes to be thought; so it may be said the world is made up of appearances." How very true! If you think you are on an equal with the best of your fellow men, your appearance will certainly broadcast it for you.

Many people hide their true feelings--their hurts, disappointments, aches and pains--beneath a smile. Churchill said,

"Appearances to save his only care; So things seem right, no matter what they are." You admire the person who can always put on a brave front to the world. Try smiling at that enemy and see what happens. Were someone to put a mirror before you when you become angry, most certainly you would quell that fury.

Everyone likes to put forth a pleasing appearance to his fellowmen.

Even if your clothes aren't Fifth Avenue or Rink's, you can most assuredly present an interesting, pleasing countenance to those about you. Your clothing portrays your thought about yourself, but your facial expression portrays directly, the real "honest-to-goodness" you.

"Of all things you wear, your expression is the most important." Let's see some smiles as you walk down the Adeline Trail, Main Street, or even just up and down the college walks. "Smile, people, smile!"

COURAGE

In the life of everyone there is today more than ever before, a demand for security--security in business, in the home, and in other places too numerous to mention. Constantly lives of various individuals are thrown into tumult by some unpredictable happening. How can we be safe from panic and confusion which is continually threatening our happiness? The only security against these unpredictable happenings is courage.

Courage is an awareness of the confidence you place in yourself. This lack of faith which others have in you cannot shatter it. This security comes from within not from without. It depends not on outside assistance but on reliance in your own self. Courage is that quality which makes us delight in battling with baffling problems. The more difficult they are, the more fun they are to attack and solve.

Every normal human being is equipped with enough ability and power to solve any of his problems. Any difficulty we get into, we can, in the normal course of events, get out of.

What horsepower is to an automobile, what steam is to an engine or ship, is courage to our individual lives. It is that motivating, compelling force that forbids us to give up. When this force is absent, life ceases to hold a challenge. It is something to be endured rather than something to be enjoyed.

Courage is more to be desired than any financial security. Almost overnight the monetary type of security can be snatched from us, but courage is lasting, enduring, and present in time of direst need.

So even though you may wonder just where the next meal is coming from, keep your head up and the "light of courage" shining from your eyes.

"This world is not so bad a world
As some would like to make it;
Though whether good or whether bad,
Depends on how we take it."

BALL STATE EDGES OUT WARRIORS

The Ball State Cardinals edged out the Warriors in the final three minutes of a thrilling contest held on the Normalites floor. The final score favored the Cardinals 43-36.

The game had a fast start, Ball State taking the lead. The Warriors soon connected to tie the score and remain in the running. The lead changed hands many times during the exciting and hard fought battle.

Coach Leitzman substituted his regulars back into the game with eight minutes left. The C.N.C. regulars rallied to take the lead but the Cardinals retaliated in quick succession to take a lead that they never relinquished.

Wallace, playing a fine game, led the Warriors with 10 points as E. Riesinger topped the Cardinals with 16 points.

"NIGHT OF JANUARY 16"

OAKLAND CITY UPSETS C.N.C.

The Oakland City squad caused a stunning upset in an overtime game last week. The Warriors combining over-confidence with inaccurate playing and shooting lost their second conference game.

C.N.C. held a 14 to 8 advantage at the mid-way point. In the final half spirited by Cato, smallest player on the floor, the Oakland City tied the score at 29 all, to force the game into an extra period. Cato rang up three field goals in the overtime to defeat the Warriors 35 to 34.

Scott was high-scoring for the Normalites with 10 points while Cato led the Oaks with 8 points.

Mid-semester vacation for Purdue lads don't come quite often enough for Freda Hurst and G. Akers. It's rumored that they could almost start a club of Danville coeds loyal to the Boiler-makers!

INTRAMURALS

Intramural games have been played for the past two weeks in the Gym. Two games are played each night at 7:30 and 8:00. Some of the games have been close and thrilling battles while others have been won by a large margin of points. To date, Bateman's, Green A's, Houseman's, and the Sigma's are undefeated in two starts. All games are interesting and the public is invited to attend the games free of charge.

WARRIORS SEEK REVENGE

Oakland City will play a return engagement with the Warriors here Thursday night.

The Oaks caused a stunning upset recently when they upset the Normalites. The C.N.C. squad will be out for revenge. With this revenge on their minds the Warriors will give the Oakland City squad a real battle.

A good game is in prospect and we predict a revenge victory for the Warriors.

Students will be interested to know that Gene Boothroyd has secured a position as vocal instructor at Stryker, Ohio. In his letter to Dean Hunt he writes; I have two classes in beginning typing, one in advanced typing, one in beginning bookkeeping, one in junior business and music in all the grades, vocal music and girls' and boys' glee club. Also I will have one or two operettas this year, so you see what I have to do. There are very few good looking girls here. I think Central Normal must have all the good-looking girls that can be found.

HOW THE NEWS GREW

"Was your father hurt badly? Were you along? Did any one else get hurt? Is there any possibility of getting the car fixed?" were all questions asked June Griffey this week end. The facts of the situation were that Walter Stiers had seen a Dodge car of the same model as Dr. Griffey's badly damaged at Avon. Evidently he came back to Danville and told it. Pledge service was held for the largest class ever elected to Kappa Pi Beta last Wednesday evening. At that time 23 candidates signed the pledge to "assume my share of the responsibilities for furthering the journalistic work of the Central Normal campus to the best of my ability; to maintain as high a degree of scholarship as possible; to act as a leader in furthering any work which will fall in the journalistic field which will be of value to Central Normal College."

Thelma Williamson was appointed pledge captain and all the pledges will report to her weekly concerning the work which they do on the Crier and receive definite assignments.

Initiation for this group will be held on March 8.
