## CONTEST PREPARATIONS NEAR COMPLETION

## SENIORS CHALLENGE FACULTY

## WINNERS OF BEAUTY CONTEST ARE ANNOUNCED

### Hospitality Committee Chosen

This week has been a very busy week around the commerce department while the different committees work to complete their tests for the Commerce contest which will be held on Saturday of next week. It was with much enthusiasm that the bookkeeping group completed their questions and stencils before any other group.

The entertainment and arrangements committees have also been working. The hospitality committee has been chosen by the chairman, Mr. W. E. Johnson, as follows: Lowell Coats, Wayne Campbell, John Lingeman, Lester Motteller, John Smith, John Whitenack, George Barnes, Marian Edmondson, Iona Hersherberger, Jeanette Bell, Ruth C. Dawson, Maxine Tharp, Betty Curry, and Nona Bays. This group will be responsible for the greeting of the guests and for their reception to this campus.

The hostesses of the different social functions

### CHILI SUPPER WILL BE HELD MONDAY EVENING

Once again on Monday night from 5:30 until 7:30, the campus is invited to attend a chili supper sponsored by the Alpha Theta Ep-silon Sorority. This will be the second chili supper the Alpha Theta girls have given this winter. The girls feel that this one should be more successful than ever.

The menu will consist of chili, crackers, pickles, pie, ice cream, coffee and tea. Chili and crackers will be 10¢ and each other item on the menu, 5¢. Tickets are now being sold on the campus by the pledges. They will be 5¢ apiece or 6 for 25¢.

### Sponsored by Senior Class

On April 10 will be the great classic, the senior-faculty basketball game. The faculty have accepted the challenge and promise to give the seniors a tough tussle. Why shouldn't they with such a coach and trainer as Winfrey and Kennedy? Not only that, but look at the material these two men have to work with, material that has trained and worked out faithfully for the great game. Their line-up will probably include such great stars as Green, Hunt, Hightower, Brothers, Eikman, Leitzman, Johnson, Wallace, Wilson, not to mention the coach and trainer who will also probably see action.

The seniors have not as yet announced their squad but they will pick the best they have to do or die for the glory of the class of 1940. Those who remember the stellar performances of the faculty last year will want to see these men in action again. Those who haven't will want to come to see the treat of their lives. Remember the time and place, April 10, in the gymnasium.

### NORTH SALEM SENIORS TO PERFORM AT CONVO.

C.N.C. will welcome the return of one of its 1939 graduates Tuesday morning at convocation. Virginia Huxford, a teacher at North Salem, will bring a group of her seniors to give a skit of their play. The play will be presented at the North Salem H.S. April 5.

MIXER POSTPONED  
The usual Friday night mixer will be held on Saturday night at 8:30.

### Richard Greene Makes Returns

Due to many, many inquiries the results of the Girls' Beauty Contest are being released.

The pictures were sent to Richard Greene at Hollywood, Cal. He very graciously consented to judge the pictures. Perhaps each one has his own idea as to who should have won but this is the way he thought:

1st--Margie Little-Danville, and 2nd--Eunice Moeks-Danville.

Honorable mention was given to:

Betty Curry-Ellettsville, Helen Jones-Avoca, Ruth Carolyn Dawson-Danville, Margaret Boots - Linden, Joan Griffey-Danville, Helen Parker-Danville, and Betty Cooper-Newcastle.

Individual pictures of these girls were taken Wednesday evening. These will be sent to Indianapolis and home-town papers.

### STUDENTS GO TO MARION COLLEGE

Professor Winfrey, Charles Newton, Marguerite Fraser, Iona Hersherberger, Charlotte Anderson, and Sam Williams went to Marion College Friday to represent Central Normal College at the intercollegiate International Relations meeting.

Charles Newton spoke on "Hitler's Program." Other talks were given on "The Russo-Finnish Situation", "Will America Get Into This War?"

Representatives of Anderson, Huntington, Taylor, Oakland City, Hanover, and Indiana Central were present.

It is hoped that in the near future such a group may be formed into an International Relations Club on the Central Normal College campus.

## HAVE YOU BEEN CARELESS?

It is a sorry fact that recently the buildings and grounds of this institution have looked as though a cyclone had hit them. In the beginning it should be stated that this is no slam against the janitors who do their level best to keep things looking half-way decent.

Students of C.N.C. should have pride in the physical part of the institution. Strangers often only see that side.

This past week newspapers have been strewn in some of the buildings. Newspapers are not printed for that purpose.

Announcements also should not be taken off bulletin boards by those not authorized to remove them. Anyone who entered the Library Wednesday evening saw one grand mess of announcements which some fun-loving student threw on the floor.

Some have evidently missed the elementary training of throwing waste paper in baskets which are provided for it. So whoever is responsible for this, please take the hint.

## SPRING

Each year there comes a time which is designated to be Spring. This year spring had its annual start--as if it were winter, yet this is the time for all things to begin a new life.

This time of year is looked forward to by everyone. The dreaded winter is in the past and a mild, vigorating weather is expected. A weather which will enrich everything it contacts. Trees start their yearly

style of redressing in that unknown color of green. Flowers begin to sprout so that they may show their beautiful colors. Small blades of grass begin pushing up from the earth and add their green to the surroundings. The animals have more pep and life.

## CENTRAL NORMAL'S DAVIDS AND JONATHANS

Friendship is one of the most natural and most satisfying relationships of life. Without this wonderful love for our fellow beings, life could not be worth living. There would be no use living. We could only work for our own maintenance, but truly we wouldn't care whether we lived or died. Have you ever thought how much you would accomplish without the encouragement of your friends? Perhaps you feel that you have only one friend who really cares what you do or how you do it. Perhaps you're more lucky than that. You may have two or several more who you can depend on. You should be extremely happy if you have.

Central Normal College is known as the "College of friendly folk." On this campus we find a spirit of friendship and mutual interest between faculty and students as is found nowhere else. In fact on many campuses the faculty are trying to eliminate as many students as possible. At C.N.C. every professor tries to aid every deserving student in many ways.

Among the students themselves, a spirit of cooperation and fidelity is apparent. As an example of friendships loan books to others to save expenses, or else two or even three people cooperate very well by using only one book.

It is quite a wonderful spirit, this spirit of cooperation and friendship. All who have attended C.N.C. have made friends who will live in their memories all their lives. They are extremely fortunate. They have learned the power of true lasting friendship.

## SIGMA LAMBDA PI NEWS

Hell week is over. Next Monday night formal initiation will be held and eleven more men will be officially received into the ranks of Sigma Lambda Pi. These men have been very faithful as pledges and we know that they will continue to be the same after they have become members. This makes the membership a total of fifty here on the campus. There will be about ten pledges for next term. Sigma Lambda Pi is having one of the most successful years in its history.

Plans are going steadily forward for the Spring Sport Dance which will be held April 27. Gunner, Younger, and Floyd Crum will be co-chairmen in charge of making general preparations for this dance. All of our alumni whose names and address are available will be sent invitations.

The Sigma Lambda Pi Fraternity has appointed a committee to set a date for a tug-

of-war with the Alpha Mu's. Several attempts to get our challenge accepted have thus far been sidestepped. The Alpha Mu's suggested that committees be chosen to meet and set the date. Our committee has been appointed and is ready for a meeting at any time that may be suggested by the Alpha Mu's.

All meetings will be held thereafter at 7:15 at the house on Monday nights unless notices are put on the bulletin boards to the contrary. All members and pledges please be at the next meeting.

Prof. Kennedy, who is coaching track, has suggested inter-fraternity track meets, which will be held preceding the College track meets, the first will be held April 20.

## CHEAP — CHATTER ! !

Why doesn't Lloyd Hensely make up his mind which girl he is interested in—Jackson or Davis.

Did you know that C. Miller of the Purple Tribe is engaged? It must be love!

In answer to a question that appeared in the Crier last week the girls answer by saying that "we prefer to ride with the state cop instead of roller skating."

The Sigma Lamb house misses the presence of Clarence Kelley, Jr.

Jones say-if Kelley don't come back soon, she'll be heap mad.

Confucious say that, "Mosteller talk too much."

Helen Jones and B. Christie are slipping. Norman Bell has been seen with Betty Curry.

Why is Owen Nay singing "Get Out of Town Before its too Late"? Could it be that he received an invitation to the NYA house Friday night?

Smitty the GOON couldn't travel thru' the trees on his feet Wednesday night on account of rain.

We wonder what Earl Snyder will do this weekend when Harry C. comes down? Better watch out Snid.

It looks like a new romance is trying to get started, Curry and Nay. Why don't you give her a chance Nay?

Harriett Milling thinks falling in Chapel is a peculiar sort of a felling.

Meredith Payne wanted to be "King for a night."

Joe Mackowiak associates the days of the month by the date of the all county high school musical. Could Doris Jean, your latest heart throb, be the cause of it, Joe?

It seems as though Paul Parker suffered an attack of appendicitis after having a date with Christie the other night.

It seems as though Jimmie Christie has been happier than usual the past three or four weeks.

It looks like Irene Smith is quite a pursuer, doesn't it Tommy? Did you know she had your picture surrounded by Forget-me-nots and Daisies? She says Daisies won't tell --what?

See all the white sweaters with purple emblems? It's just the PSI CHIS going by.

What's the big candy mystery, Donna?

What Alpha Mu calls his Psi Chi sweetheart his "boautiful, blonde battleax?"

We hear that Idaperl and Forrest picked out furniture last Saturday. When is it gonna be, Aunt Idy?

Some one please tell Maggie Lee Smith what "Muckets" are.

Hazel Routier disapproves of L. Reddin because he is not a democrat.

Bob Downey is still attending fraternity meetings every night—oh, Betty?

## SPORTS AT A GLANCE

Spring is here, we hope, and with it come track and baseball. There are several men working out in the gym and down at the field in track and many more are expected to come out soon. There are lots of prospective freshmen who are not out but we wish they would see coach Kennedy or Lietzman as soon as possible and try for a place on the team. There are several trackmen who were on the team last year and are expected to turn in some good records. These boys were left over from last years team; Varga Williams, Jackson, Boalbey and Hensley.

The baseball boys haven't as yet been issued equipment but have been playing a little toss and warming up in the gym. Within the next few days if the weather permits there will be equipment issued and practice will get under way. Some of the boys who will form this year team are: Woprell and Brown as pitchers. Deerr at first and Swartz at short. The field will be Kennedy and Brown.

## A.M.K. NEWS

The Alpha Mu pledges finished their rough initiation last Monday by hiking a few miles back from an extended one-way-ride. Five fellows were successful in making the scholastic requirement necessary for membership to A.M.K. They are Herman Hallberg, Dallas Austin, Charles Gross, Cecil Havens, and John Whitnack.

Formal initiation will be held at the Frat House April 8.

It seems as though the S.L.P. Fraternity is getting rather impatient in their tug-of-war business, at

least they are rushing it all they can. It is known in general that the challenged party has the privilege of setting the date for the occasion.

MIXER PREPARATIONS  
(Con't -Page 1)

tions--the tea dance and the mixer have also been chosen by Mrs. Jones and the entertainment committee. The hostesses are: Mary Lou Smith, Eunice Meeks, Ruth Carolyn Dawson, Anna Mae Cofling, Mary Steinmen, Lois Beam.

Entries have been received from many more schools this year than in other years.

## MUSIC NOTES

"And the night shall be filled with music, And the cares that infest the day,

Shall fold their tents, Like the Arabs,

And as silently, steal away."

This thought of Longfellow's describes perfectly the Hendricks County Music festival, which will be held tonight in the gymnasium. The air will truly be filled with music, as the ensembles, composed of all the high school instrumentalists and vocalists will demonstrate for us the beauty of fine music. The county music directors and the boys and girls have been working all year to bring to us a splendid program, and from what I heard at the rehearsal, it will be a huge success. So to anyone who loves music, why don't you come to the gym tonight. There is no admission charge, and when you hear that 275 piece band play "God Bless America", you'll bless the county musical organization for bringing you this music.

The close of the lenten season, music brings to light that it is time to think of "Musical Comedy." The Operatta is being selected, and casting will follow soon. So watch for announcements--rehearsals will begin soon.

The citizenry of

Meeco, Indiana are being the hosts for two of our ensembles this week-end. Thursday night the Treble Tone Trio will play between acts for the Senior Play, and Friday, the trombone duet will play at the second performance of the play. Miss Adra Roberts, who graduated from here in '38, and was secretary to the President last year is directing the plays.

Cecil Havens played several trombone solos at the Brown Township grade school Tuesday night. The occasion was a P. T. A. play "Mrs. Tubbs of Shantytown", and Cecil played between acts.

Band rehearsals are extremely important for you irregulars attenders.

A week-end concert trip is being planned, so if you want to be in on the fun, report for practice every Monday and Wednesday at five. Band is one thing you can't study in "absentia", so be there.

Chorus practice is about to start over in the gym, so yours truly, who doesn't want to miss anything, is taking a flying trip over.

### THOMAS GROUP WILL HOLD CONFERENCE APRIL 6

A conference will be held at the Hilltop Tea Room on Saturday April 6 by those teachers who have been teaching Thomas short-hand during the past year and those who are interested in the subject. Wagner, Manual Training H. S.; Laurence Thompson, Franklin H. S.; Roger Laramore, Knox H. S.; Virginia Comeford, Calumet Twp. H. S.; Paul Jones, Greenwood H. S.; Rullus Williams, Raymond H. S.; Bertha Marting, Rising Sun H. S.; Elsie Moon, Westfield H. S.; Ralph Murray, Ben Davis H. S.; Paul Carmichael, G. Washington H. S.; Marion Hemmer, Reitz H. S.; Inez Ahlering, Reitz H. S.

Now that Rogers is not at Purdue the local fellows aren't getting much of Marie Ward's attention. Too bad fellows; but your turn will come again.

### N. Y. A. RESIDENCE

Mr. Richie, Director of N.Y.A. in Indiana, Mr. Wert, Student Work and Personnel Director, Mr. Bowers, Guidance and Employment Supervisor, Mr. O'Connor, Director of State Training, Mr. G. DeLoe, Superintendent of Equipment, Indianapolis, and Dr. Mary Harps, the Director of Employment for N.Y.A. from Washington D. C. were dinner guests Tuesday evening.

Miss Ruth Schoeler, the Director of Home Economics of the State of Indiana was a dinner guest Wednesday Evening. She delivered a very interesting and beneficial lecture upon "Vocational Opportunities for Girls."

Many of the girls will help during the commercial contest this week-end.

Miss Grace Hallmark, who was critically ill was rushed to the Methodist Hospital, Indianapolis, Tuesday evening.

Miss Bette Dittman was called to her home Wednesday by her parents, who are ill.

It looks like some of the N. Y. A. girls have a firmer grip on the paddle than the S.L.P. boys, at least one of them shattered the timber on Marvin Curtz Tues. night.

Curtz, you know, is that Harrison County Cowboy who runs around with -- well no one in particular.
