CAST CHOSEN FOR OPERETTA

Will Be Given May 13

"A Waltz Dream" by Oscar Straus, a very delightful operetta has been selected to be presented under the sponsorship of the music department. Try-outs for the principal characters were held Wednesday and Thursday of this week. The following cast was chosen: Ruth Carolyn Dawson, Philip Shaw, Owen Nay, Ruth Terry Hess, Bill Metzger, Mary Maxine Tharp, Earl Crisler, Doris Bottorff, Wendell Mann, Lovell Coats, John Lingeman, Harry Norman, and Erma Milam.

All those who wish to sing in the chorus should meet for the regular rehearsal, Wednesday at 1 o'clock. The following special choruses are to be chosen: eight tourists, eight soldiers, four ladies of the court, six pages, several townspeople and others. Anyone who wishes to be in the chorus is urged to attend this rehearsal.

The operetta is under the direction of Miss Marjorie Gaston, Mrs. Norris Porter is the accompanist, and Mrs. Evans and Anita Breitweiser will assist.

CNC MUSICIANS WILL BROADCAST

Several students and faculty members from this campus, and the Central Normal Band, will broadcast from Station W O W O, Ft. Wayne, Saturday, April 13, at 1:00.

The program will consist of two vocal selections by the C.N.C. Girls' sextette 6 skits, representing departments of the college, a vocal solo by Philip Shaw, and a concert by the Band, under the direction of Professor J. I. Skidmore.

FACULTY WILL MEET SENIORS IN BASKETBALL

Outstanding Athletic Feature of Year

The faculty have announced that they are ready to meet the seniors in what promises to be the best basketball game of the year. On next Wednesday night, April 10, the seniors who have faced the faculty for four years in the classroom will meet them on their own level in a situation where they can dish it out as well as take it.

No official starting line-up has been announced by the faculty but a wild guess has it that Eikman and Wallace will start as forwards, Leitzman and Winfrey as guards, and Hunt as Center. Don't be surprised if Green, Kennedy, or Wilson is in there pitching when the opening whistle announces the start of the contest.

The seniors are having trouble to find a team which they feel will be capable of defeating the brawny faculty.

WATTS WILL CONTINUE AS DEAN THIS TERM

In spite of the fact that Miss Bertha Watts has resigned as Dean of Women, she will continue this work until her successor can be chosen.

Miss Watts resignation was tendered because of the multiplicity of tasks which have fallen upon her and because she wished to do more intensive work upon subject matter than she was able to do with the Dean's duties.

Watch bulletin board for announcement concerning Mixer tonight.

THE MARCH OF EXPERIENCE

Do you ever take time to reconnoiter and reminisce? It is great fun thinking of the pleasures and sorrows of previous days. Sometimes the tune of a song, which was popular somewhere back in your memory, will be a sweet by sad reminder. You think of friends you used to know, but who have somehow gone different directions. You remember pranks and jokes which were funny at the time. They may bring a faint smile to your lips, but you wonder if they were actually so funny. Perhaps you can think of tragedies and sorrows which broke your heart. Again there were tasks to be performed which at the time seemed impossible, but somehow you did them and came through the experience a better individual.

Each year of our lives we face many new joys, sorrows, trials, and tasks. At the time they loom very big upon our horizon. But time, the great healer, finally shows them to us in their true perspective as milestones leading us forward.

To face life philosophically and successfully, one must not let every little experience cower him, but he must face it calmly and wisely. Soon he will develop self-confidence and the respect of others.

Recipe for Old Age

A diet moderate and spare,
Freedom from base financial care,
Abundant work and little leisure,
A love of duty more than pleasure,
An even and contented mind
In charity with all mankind;
Some thoughts too sacred for display
In the base light of common day;
A peaceful home, a loving wife,
Children, who are a crown of life;
These lengthen out the years of man,
Beyond the Psalmist's narrow span.

--Dr. Haig-Brown.

THE SPIRIT OF C.N.C.

How did Central Normal College earn the title, "The College of Friendly Folk?" Certainly recently the students have not been doing much to keep it.

Have you noticed the conduct at convocation? When guests are present? It behooves each and everyone to receive them properly. When high school student come to entertain the student body, remember that in few years they will be deciding on which college they wish to attend. Make them feel welcome at C.N.C. Don't laugh at them if they aren't as accomplished as others are.

Let us all try to show a friendly spirit. This Saturday let's welcome the students who come to Danville. Probably they have never been to a college before. Show them the true C.N.C. spirit.

FOISE

Techniques of living but confuse
The life that lacks repose:
The life that's tortured by refuse
Of noble dreams that rose
Within its heart.

Such techniques but obliterate
The cause for which we live;
These agencies on which we wait
But vanquish strength we give
To reach our goals.

What are the flaws which mar one's life?
What little quirks are there
Which stir within such tortuous strife
And seem one's soul to bare
To all the world?

For me I've found the answer plain,
But not within one day;
Within the silences of pain
When I have knelt to pray
It came to me:

A consciousness that deep within
Is strange capacity
For loveliness--so far from sin--
And faith and strength to see
A dream come true.

PRESSER AND CHRISTIE

Won't they snort
When they read this short order.

Spring is sprung

Together they skated
Neath pale moonlight.

Spring is sprung

At the Rony they swung
Last Wednesday night.

Mac lead with cheek
Jim lead with kisser
If he had been taller
He sure would've missed her.

Spring has sprung
The love bug did bite

MUSIC NOTES

The Spring Music season is suddenly upon us, and a visitor in the music department would find lots of activity.

On the first stratum the vocal department is concentrating on the musical comedy, which is to be given on May 10. The Operetta "The Waltz Dream" by Oscar Strauss, has been selected, and try outs for cast and chorus are being held. Announcement of results is forth coming.

All of which points to May 10 as being a red letter day--that day of the production of C. N. C.'s first Musical Comedy.

Then, upstairs in the second stratum, the instrumental department is preparing for the concert trip for next weekend.

This trip, which will be the outstanding event of the year for the band, will include a concert at Pleasant Lake High School, a broadcasted concert at Ft. Wayne, and other concerts en route.

The band will leave Danville Friday morning and will return Saturday night.

We all are expecting lots of fun, together with lots of work, on this trip. May I urge all band members to be very prompt at all rehearsals. It is very important that you are present at each rehearsal.

Besides preparations for the next weekend, the band is scheduled for two short concerts at the commercial contest this weekend. These concerts will be given before the announcement of winners Saturday night, and following the Amateur Typing Contest at 7:00.

So, it would seem that the Music Department will be definitely on the go from now

until June. And, if there is still strength left, the largest class of Music Seniors for many years will climb to the platform on June 7 to receive diplomas.

So, here's wishing a very successful season to the music faculty, to the graduating seniors, and to the underclassmen.

N.Y.A. RESIDENCE NEWS
