THIS 'N THAT

Tomorrow's the day!! It comes but once a year. It's packed with thrills, spills and chills. It's super, and all it requires of you is an enrollment card, attention and your wholehearted support--the best cheering you can put out. What is it? Why, of course! The first football game.

You attended convo Tuesday morning, so, of course, you heard Coach Miller explain some of the fundamentals of this colorful game. Now exactly what are you going to do about it? Why not be in your place on the bleachers at Tiber Field for the starting line up? Why not give those football heroes your support. Show them that you, too, are backing them.

Let's have a record crowd, and really show what we can do.

Beat 'Em team-Eastern Illinois doesn't have anything on Central Normal!

THE WORM HAS TURNED

For many years, we have been considering school from out in front. We have been letting the teacher worry about presenting the lesson in such a way that at least a little bit might sink through in spite of any defense we might put up. We have made life miserable for countless numbers of teachers as we progressed along life's journey.

Now, because of some strange trick fate has played on us, we will soon be standing behind the desk with knocking knees, hoping vainly that we may be able to knock something into those heads out front. As yet, they are still a bunch of heads, no one's in particular. We are studying harder than we ever studied for any high school or college class.

All we dressed up students around the campus find our way to some school room in which we are considered "the practice teacher" at some time during the day. Our various expressions of gloom or elation are quite typical of all practice teachers. Some like it, and some don't. We lay all the blame on the critic teacher, but perhaps we could be better prepared for what we are getting licenses to teach.

NEWS FROM ALUMNI

Many alumni are eager to secure the Campus Crier for this term and know that the price of such subscriptions to alumni is a letter per term.

Ann Brinogar of Bedford writes that Harold Brinogar '40 of Avoca has accepted a position in the Dennis Junior High School of Richmond and that Eli Walls will succeed Mr. Brinogar in the Cambridge City School.

Lee Roy Greenwood, '41 of Williamsport says that he is teaching the seventh and eighth grades and is principal at Judyville. He intends to be in Danville for the game and Mixer this week end.

Peggy McCoun writes that she is teaching commerce and publishing a school paper at Zionsville, Indiana.

Wilbur Franklin writes that he is interested in receiving the Crier at Williamsport.

Bertha Marting writes from Carbondale, Illinois, that she is enjoying her work there very much.

Velota Higbie writes that she is working at the Quartermaster Depot at Jeffersonville.

Paul Jones writes from Highland Park School, Detroit, Michigan that he is teaching five classes in the high school coaching an intramural athletic program, in the Junior College and teaching book-keeping in night school. He seems to like Michigan very well.

Dorothy Thomas writes an interesting letter from West Baden Springs that it must have been an ill-fated day for her when annuals were first published--she is beginning another one there.

Audra Roberts is teaching as an Assistant in the Secretarial Department of Indiana University School of Business.

Marguerite Fraser writes from Napoleon that she still likes her work there very much.

DO YOU MEASURE UP?

Do you expect to learn your pupils very well while you are teaching? The remark has been made on campus that you should not learn the students for it would influence your grading.

Now we, students, can't see how you can help your pupils without your knowing them. Modern educators admit that the instructor-student relationships are as valuable in modern schools as the lecture or discussion hour.

Can you not recognize the faults of your friends and acquaintances? We are sure you can. Now we can't see why the same principles don't apply in the teacher--pupil relationship.

CNC is noted for its friendly relationships, not only between students but also between students and faculty. In our striving for a better Central Normal, must we drop our faculty friendships?

Congratulations are in order—Dick Wien says Wanda Todd will be wearing a ring after Saturday.

Gene Mills can't seem to make up his mind. CNC girls baffle him. He's been rushing at least three girls this week.

Shroyer seemed to be in high spirits yesterday. Barnes was on the Campus.

More girls were wanting to know who that cute little Freshman boy was who assisted Bob Platt with the yells Tuesday morning.

Norman Bell is trying a change of scenery—Nancy Fulkerson.

Have you noticed that W. Mann is not smiling as he used to since Cox is not here all the time?

It seems as though bells are ringing for Virginia Ashton, just look at that third finger, left hand.

Who was that tall handsome Sophomore that was asking about Pat Summers the other day?

Betty Cox had better be keeping up with Walt Jackson since she has left town. He wasn't doing so bad at the "Rondy" last Wednesday night.

Was Jimmie Cox ever thrilled when coach told him his permanent seat would be by June Downen in Health Ed. Class.

Dr. Morgan said—let him sleep, just so he doesn't snore—meaning George Thompson.

Does Naomi Force observe dean rules on Sunday night or does she just return from home late?

EXTRA!!

Everything can proceed now in good shape. Bob Downey finally got back in school.

Lloyd Alsop's conscience must have begun to hurt him Wednesday night. He took Jane Cones down to study a little Parkology and then began to wonder what the girl friend back home would think. Jane

went back home before Dean hours were over.

Your editor would like to call your attention again to the Snooper box in the library on the librarian's desk. There was a small response this past week, but it could be better. Help us out with this column.

ZETA SIGS ORDER PINS

Last Monday night members of the Zeta Sigma fraternity placed orders for pins and rings so all girls should get themselves a Zeta Sig.

Football is approaching and every fraternity likes to put before the public the members who are out for the sport. The following is the Zeta Sig list: Norman Bell, Bill Falls, Walter Jackson, Earl Bywaters, Robert Forsythe, Laverne Warren, George Thompson.

The Psi Chis and Zeta Sigs are to work together Saturday morning at 9:00 to decorate Tiber field for the game.

Freshmen who want to become Zeta Sigs are being looked over by members and look pretty good for a bunch of greenies.

HUFF TAKES OFFICE AS SECRETARY OF THETAS

The second meeting of the school year for the Alpha Theta Epsilon Sorority was held in Science Hall Monday at 7:15.

Juanita Ruck and Rose Marie Adams were appointed to serve on the committee for the freshmen party sponsored by the A.W.S. Suggestions were discussed concerning the sorority rush party and tea, but definite plans were postponed for a future meeting. Ruby Huff was elected recording secretary to replace Joan Dunn, who was unable to return to the campus this fall.

SIGMA LAMBDA PI SPEAKS

The discussion of a possible method whereby the attendance of weekly meetings could be increased was the main issue of the meeting last Tuesday.

Many other questions were touched upon and the discussion by members present, as well as Coach Miller, was good evidence that all meetings in the future would be worth attending.

A new and untried system whereby the financial department would be sufficient enough to meet all demands is being put into use.

To keep the organization improving itself and to maintain leadership, the support of every member is vital. Members' presence at all meetings is requested. The next meeting will be Tuesday, Sept. 30.

PSI CHIS COMPLETE HAYRIDE PLANS

The Psi Chi Omega Sorority met Monday night at the Sorority House with Naomi Carlin presiding.

Definite plans for the hayride, Saturday, September 27, were made. Committees were appointed for refreshments and transportation.

Plans for the Annual Luncheon to be held in the Florentine Room of the Claypool Hotel, October 30, were discussed and several committees were appointed.

NORMAN ALLEN TAKES ALPHA MU KAPPA FORMAL

The Alpha Mu Kappa fraternity gave formal initiation to Norman Allen, Monday evening in Room I. Mr. Allen completed his pledgeship and made the necessary scholastic standing in the spring term of 1941. The fraternity was happy to extend the formal initiation to him.

President Thad Cramer called the meeting to order. Plans for the annual fall dance were made and other business discussed. Plans have been made for another formal initiation Monday evening, September 29. The fraternity is quite pleased at the increase of active members.

NEWS IN MUSIC

The band is doing a fine job marching on Tiber Field. If nothing happens they hope to put on a fine demonstration Saturday for the Eastern Illinois game. There will be four other bands from the neighboring high schools to make the game colorful. The band is also going to cooperate with the pep meeting Friday night.

There was a fine turnout for the boys and girls choruses. Officers for the groups were elected as follows: Pres. Laura Ruschaupt, Vice Pres. Betty Mitchell, Sect. Librarian, Patty Summers, Treas. Dorothy Whitcomb. Men's Glee Club, Pres. Wendell Mann, Vice Pres. John Lingeman, Sect. Librarian, Glenn King, Treas. John Long.

The combined Glee Club met Thursday and elected the following officers: Pres. John Lingeman, Vice Pres. Betty Mitchell, Sect. Librarian, Lenore McCamack, Treas. John Long.

Tryouts for accompanists will be held on Tuesday at 2 P.M. If there are any who can not meet at that time, see Miss Gaston for an appointment before Monday night.

Tryouts for Girls Sextet will be held Tuesday afternoon at 5 P.M.

Tryouts for Mens Quartet will be held on Wednesday at 2:30 P.M.

All students are invited to attend these chorus rehearsals. Some very interesting programs are being planned.

FASHIONS FOR MEN

Men, if you want to be "in" with the girls, you had better think a little about fashions. It is not a subject for girls alone. Men should be interested. With all the men in the army, you need to look your best to keep the coeds from these uniforms. Sleeveless sweaters and open collars are the favorite at C. N. C. Hats are unheard of. Bright socks are definitely "it", again this year and will continue to be for some time yet.

Plain trousers and matching coats in tweeds, predominately in greens, and sports shirts are chic at the Mixers.

Remember, baggy trousers are out. She can always get a "slick" man with a uniform.

DELTA SIGS INSTALL OFFICERS

The meeting was called to order by the president and the new officers were installed, after which a short business session was held.

Miss Lois Blair, librarian, accepted the invitation to sponsor the sorority for the coming year.

Plans were discussed concerning the rush tea and rush party. The following committee was appointed to make final plans: Helen Klipsch, Mary Jo Fulton, and Mignon Hurt.

It was announced that a Luncheon is to be held at the Lincoln Hotel for all Delta Sigs on Thursday, October 23. All reservations must be given to Alice Markland before October 5.
