
WASHINGTON'S INAUGURATION AT
National Tailoring Co.
Chicago - St. Louis - San Francisco
Spring and Summer 1931

TRADE MARK REGISTERED

National Tailoring Co.

Chicago, Ill.—St. Louis, Mo.—San Francisco, Calif.

Explanation of Historical Event Reproduced on Cover—

On the 4th of March, 1793, Washington again took the oath of office as President of the United States. He proceeded to Congress Hall in an elegant coach, drawn by six superb white horses, having on its four sides beautiful designs of the four seasons painted by Cipriani. As the coach door opened, two gentlemen with long white wands emerged, and with some difficulty opened a passage-way through the concourse of spectators for the President. Washington was dressed on this occasion in a full suit of black velvet, with black silk stockings and diamond knee-buckles. His shoes, 'brightly japanned, were surmounted with large, square silver buckles'. His hair was powdered and gathered behind in a black silk bag on which was a bow of black ribbon. He carried in his hand a cocked hat, and wore a light dress-sword in a green shagreen scabbard, with a richly ornamented hilt."

Quality that Endures

ONE marvels at the structures still standing, built by the ancient Egyptians thousands of years ago. Only the very best known construction methods and materials could have made it possible for these edifices to withstand the ravages of time—to endure.

So, in the construction of National Tailored Clothes, comparatively, so only the very best known present day materials and workmanship that give the lasting season-after-season service to the wearer so paramount to satisfaction.

Honest value in merchandise, constantly improving our product as improved methods become known and above all painstaking effort to deliver a full measure of value that is remembered, is the bed rock principle upon which this successful organization has been built and maintained.

The mills mentioned on another page, whose goods of genuine quality are featured in this line, are of international renown and merit the confidence of every buyer. This coupled with our unerring standard of workmanship thruout gives the purchaser in National Clothes the long life and satisfaction so much sought for.

The NATIONAL initial label in the coat is a symbol of utmost in craftsmanship and value and dependable assurance that the "QUALITY WILL ENDURE."

100 MEN'S SUITS HAND TAILORED

From the Famous STORRS-SCHAEFER CO. **$9.95 and Up**

Beginning with Ben Lingenfelter and Chet Scearce, two Hendricks County boys, when they started with this famous tailoring firm, The House of Hadley has handled continuously this firm's product more than 20 years. Somehow Storrs-Schaefer seemed to reflect to the men of this county that their clothes were ruggedly honest—strictly high-class. We say with pleasure that the best dressed men in this county are correctly attired in Storrs-Schaefer suits sold exclusively by the House of Hadley and all are made to measure. Now the suits that we are offering to the men of this community are suits that have been returned to Storrs-Schaefer by dealers who were in financial trouble, or suits that failed of delivery. We have purchased 100 of these suits and are offering them to you at a price much lower than the actual cost of tailoring. Think of it. This is a rare event and every man should look these bargains over. NEVER with market conditions as they are now, with wool advances, material advances, labor advances, will the opportunity present itself to purchase a high quality suit at a price less than usually paid for cheap clothes. To every man who buys one or more of these suits, we guarantee him values far in excess of the price paid—and furthermore—he is to be the judge. We not only pledge our word but if we are not correct we will allow the purchaser his suit without cost. Compare these values any place. At least be fair to yourself and come into the store and look them over—NOW—for never again will you equal these PRICES on QUALITY Suits. FRANK BREWER HADLEY WM. B. ADAMS

CLOSE-OUT Sale NOW ON

1/2 Price On Many Articles

The prices, below, are offered the buying public until the stock is exhausted. And remember, first come, first served.

The Reason Why

Having assumed the duties of Post Master, it is absolutely necessary to close out my entire stock of merchandise. Many articles will be offered at One-Half Price and approximately at cost and less. As our stock reduces this naturally will create some odds and ends. The consequences are that drastic price cuts will occur until the sale closes. Remember, first come first served. And a sale like this happens just once in 21 years.

Sensational Close-Out

Men's wear of the highest quality. All the Famous Makes. A large, plump stock. Men's fine dress shoes, work shoes, brands that this store has carried for years. Fine quality merchandise. The entire stock is placed on sale —nothing reserved. Every article must be sold for cash and no refund or exchanges. Here is an opportunity for every man and young man to buy high grade merchandise at a great savings just when the season starts.

THE NEW *Imperial* DRAPE

No more attractive or sensational styling has been attempted in years than appears in the Double and Single Breasted Drapes, which are designed with broad shoulders, accentuated blade and chest effects, which, taken with their close waist and hip lines and tapering sleeves, give them a distinction most striking.

Naturally as a result of their construction . . . their peculiar exaggeration . . . the slender figure will wear them with authenticity.

THE STORRS-SCHAEFER CO.
CINCINNATI

LIKE harbingers of the Spring the exclusive new fashions portrayed herein make their appearance to illustrate the last word in Men's Attire for the Spring and Summer of 1931. The ultimate in style is depicted in each Model shown in the portfolio » » » »

TAILORED faultlessly in our shops . . . these new Fall models present a pleasing portrait of authentic styles for men.

An unlimited number of woolens from which to make your selection. Every detail carefully taken into consideration . . . every garment tailored as it should be.

HERE is the very latest novelty in dress—a pleasing new fashion created by college men and demanded by correct dressers everywhere this season.

Colorful tan, gray, blue and brown flannels for single or double breasted coats—with plain white or striped white flannel trousers. A happy combination.

Accept our suggestion. Order a coat of tan or brown from one of the beautiful flannels on opposite page or blue flannel No. 4602, and white trousers from any of the attractive patterns on this page.

OR, BETTER STILL, ORDER A FULL SUIT made up in tan, blue or brown flannel and extra pants of the white flannel. Either way you'll enjoy that "up-to-date" comfort, you'll bear that attractive appearance. YOU'LL BE IN STYLE.
