The FIRST INSTALLMENT of Taxes (including Road Tax,) must be paid on or before the FIRST MONDAY IN MAY, 1900 (being the 7th day), or the taxes for the whole year will be delinquent and subject to ten per cent. damages. The SECOND INSTALLMENT must be paid on or before the FIRST MONDAY IN NOVEMBER, following, (being the 5th day.) But the full amount may be paid on or before the FIRST MONDAY IN MAY, 1900.

## Particular Attention to the Following:

Tax-payers are requested to call early and avoid the rush of the last few days.  
 Tax-payers should examine their receipts before leaving the office and see that they describe all property, (personal and real,) and are otherwise correct.  
 Administrators, Guardians, Agents and others who pay taxes on property in trust, and persons whose taxes are complicated, such as undivided estates, &c., are especially requested to settle such taxes before the last few days, as it requires considerable time to make the divisions and separate receipts therefor.  
 Persons owning lands or lots in more than one township or town, or desiring to pay taxes on property not in their name, should call the Treasurer's attention to the matter, as he cannot know the location of such property.  
 The Treasurer will not be responsible for the penalty and charges on delinquent taxes resulting from any omission of the person failing to state definitely on what property, in whose name, and in what township, or corporation it was assessed.  
 Call on the Auditor for reductions and erroneous assessments. The Treasurer is charged with full amount on the duplicate and cannot make such reductions.  
 All property, both REAL and PERSONAL, situated in any county, shall be liable for the payment of all taxes, penalties, interest and cost charged to the owner thereof in such county, and no partial payment of any such taxes, penalties, interest or costs shall discharge or release any part or portion of such property until the whole is paid, which lien shall in nowise be affected or destroyed by any sale or transfer of any such PERSONAL property, and shall attach on the first day of April, annually, for the taxes of such year.  
 The person purchasing or acquiring property, whether REAL or PERSONAL, on the first day of April, shall be considered the owner on that day, and shall be assessed and liable for the taxes of that year.  
 Persons owing delinquent taxes should pay them at once. The present law is of such character that there is no option left the Treasurer but to enforce the collection of delinquent taxes, however much he may regret to collect the same by sale of property.  
 Road Receipts must be presented when taxes are paid; POSITIVELY they will not be cashed thereafter.  
 County Orders are subject to delinquent taxes of drawer or holder, and will not be cashed where there is delinquent taxes against either. Persons are warned against buying them.  
 Tax-payers will please not request me to hold receipts for them.  
 The Annual Sale of delinquent lands and lots will take place on the SECOND MONDAY IN FEBRUARY, 1900.  
 The Duplicates will be returned to the Auditor and penalty added promptly at the expiration of time.  
 Dog Tax is paid only to the Township Assessors in April and May. In no case is it paid to or collected by the County Treasurer. Therefore it is not necessary to present receipts issued by the Assessor.

**WILLIAM N. LAKIN,**  
TREASURER HENDRICKS COUNTY.

**Special Notice:**—Parties having School Fund Loan on which interest is delinquent will please give payment of said interest their attention at once and save costs, as all such delinquents will be exposed for sale on the FOURTH MONDAY IN MARCH, 1900.
