

The Warrior

1955

It's History Now . . .

Which school has won the most Sectional tournaments? Which school won the tourney in 1930? Which schools have yet to win a Section title?

These are but a few of the many questions that are asked each year when the annual tournament gets underway in this county.

In an attempt to answer some of these questions, the bound files of The Gazette were taken from the shelves and opened, with these results.

Prior to 1924, Hendricks county basketball teams were pitted against out-of-county teams in the first round of the Hoosier Basketball Tournament. In 1923, county teams were sent to Section sites at Greencastle and Mooresville.

In 1924, the Sectional became a county affair for the first time. That year, Clayton high school's Cardinals won the title. Prior to that time, Pittsboro was the only

school to ever reach the regionals. However, before the regional tournaments were established, Plainfield and Lizton teams had participated in the state tournaments.

Since 1924, only four schools have failed to win a Sectional tournament. These are Lizton, Stilesville, Avon and Charlton.

Danville has won the most Sectionals since 1924, with a total of 7 crowns. The number of Sectional titles won by other schools are as follows: Amo and Plainfield, 5; Brownsburg, Pittsboro and Speedway, 4; Clayton, 3; North Salem, 2; and New Winchester, 1.

A year-by-year listing of the tournament winners is as follows:

WARRIOR STAFF

This picture expresses exactly the way we feel. We are tired, but it is a good tiredness. We have worked hard to meet our deadline. We hope you approve of our efforts.

We wish to thank everyone for their splendid cooperation in getting this annual out--the teachers whose classes we've disturbed, the students for their unique poses, and the principal whose patience we know we've worn thin.

We also extend our thanks to the many merchants who have purchased ads that helped so greatly in financing this yearbook.

INTRODUCING

CHESTER WIN

You heard the staff--They said "they're tired." So follow me through the rest of the pages of this annual. Me--you want to know who I am? I'm Chester Win, an old friend, an uncle, and a conscience to these kids.

They've tried to express their thanks and appreciation to all of you and believe me, they mean it. But we're wastin' time. Let's go on!

DEDICATION

We, the Senior Class of 1955, dedicate this annual to the memory of Virginia Sutherlin, a girl whom we all miss greatly.

Virginia first came to this school in the first grade and then left in the fourth grade. In her freshman year of high school she came back to New Winchester. Finally, in her sophomore year she moved to Greencastle where she attended school until her death not long after leaving us.

During her time here she made many friends who will never forget her. Her smile and friendly greeting are missed by all who knew and loved her.

CLASS HISTORY

One of the most exciting days of our lives, that which started twelve long years of school, was in September, 1943. Twenty-one small boys and girls gathered in New Winchester's first grade room. Miss Lena Goodwin was our teacher. The enrollment carried the names of Joe Carpenter, Aron Collins, Nancy Moore, Bob Hicks, Carolyn Jeffras, Ned Kurtz, Margurette Layne, June Myers, Joy Plunkett, Barbara Robinson, Sammy Robinson, Eugene Schafeld, Darrel Smith, Sue Carol Smith, Helen Stevenson, Jackie Morphew, Peggy Stowers, Mary Ellen Robinson, Virginia Sutherlin, James Spears, and Effie Heckathorn.

There were many ups and downs and we were happy to see summer vacation come. When the school bell called us back to school, we returned to the same room with the same teacher, but we were now second graders. We lost three of our classmates and gained Jackie Mendenhall, Richard McCloud, Anna Estes, and Ann Ridenhour.

Our third year we were really grown-up; a new teacher, Mrs. Lucile Yeager, and a new room. This year we lost four members and gained four. They were Franklin Overman, James Richardson, Peggy Finly and James Murphy.

We were now fourth graders. Mrs. Yeager is still our teacher and we returned to the same room. This year we lost eight students. There were three new faces to fill the empty seats, Loren Riddle, Henry Hatton, and Phillip Hatton.

We started our fifth year with nineteen members. We lost only one and gained six. The new students were Eunice Barber, James Robertson, and Mary Jane Nicely. Mrs. Nellie Ryner was our teacher.

Our sixth year we have a new teacher, Mrs. Fern Lawson, and three new faces. Those added to our roll call were Kenneth Leonard, Larry Autry, and Linn Lawson. This year we lost seven students.

Then came a wonderful time. We left the little ones behind and went upstairs to join the junior high school. We lost two members, but gained two. Marilyn Finchum and Marlene Wolfe came to study with us.

Next in our life came initiation which was the price we had to pay to become freshmen. It was rough, but well worth the price to join the select group of high school students. Ralph Peterson, Kenneth Pell, Dixie Rigdon, Virginia Sutherlin, Barbara Webster, and Raymond Trent were our new members.

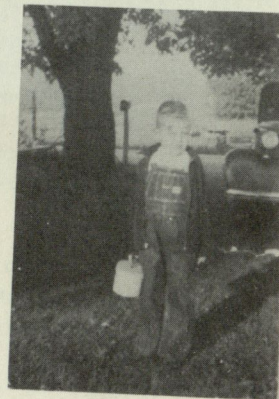

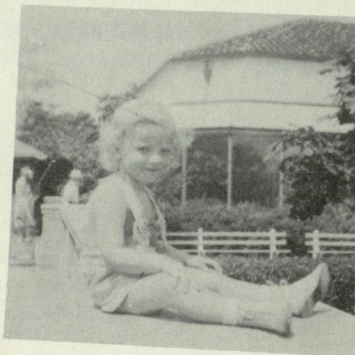

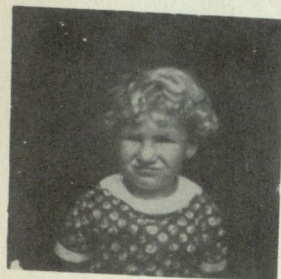

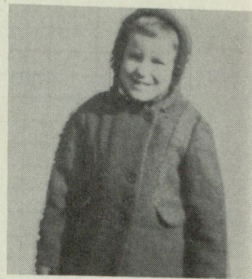

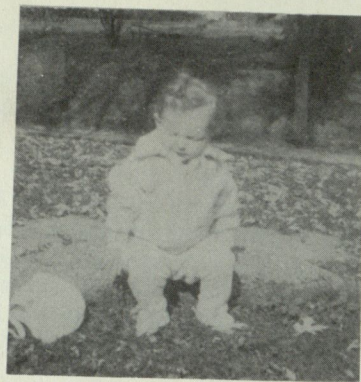

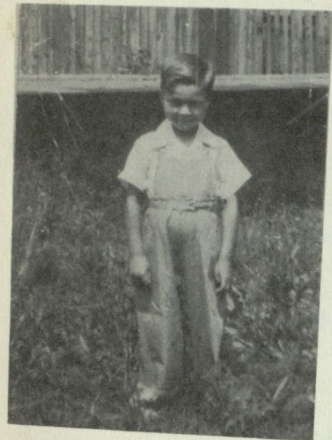

Our sophomore year Porter Jack and Harold Long were the only new faces.

We're Juniors and only have one more year to go. We lost two classmates and gained two. They were Bob Tagert and Henry McGaughey.

At long last we have reached the top of a long, long ladder. We are completing the last of the twelve years. Kathy Davis and Carolyn Jeffras join us to finish out our few short months as Seniors. The students who have been together all these years are Joy Plunkett, Ned Kurtz, Peggy Stowers, Helen Stevenson, Darrel Smith, and Margurette Layne.

SENIOR CLASS PROPHECY

Well, here I am at a class reunion of the class of 1956. Why there is Mrs. Bowman! She was our class sponsor.

"It's good to see all my old students. I've been wondering though, what happened to the graduation class of 1955," says Mrs. Bowman.

"Come to think of it," says I, "We've all been wondering the same thing. Wonder how we can find out what happened to them?"

"I know," says one of my former classmates, "there's a good fortune teller in the city. Let's all go visit her and see if she can help us."

So we went. She was very nice and said she would do her best to help us. So, she got out her crystal ball, and things started happening.

As we look through the crystal ball, we see a bright image appear. With great wonder we take a closer look and discover the "Crouch Electrical Company." LARRY CROUCH has now become a millionaire and is planning to marry Debbie Reynolds next spring.

Next we sight a dim image in our crystal ball which turns out to be the former HELEN STEVENSON. After attending Central Business College in Indianapolis, she married a very successful and quite wealthy singer. They now live happily with their two lovely children on a 380 acre farm five miles from New York.

Not far from Helen's home we discover the home of JAMES ROBERTSON and his wife, the former BARBARA WEBSTER. They live in a large two-story colonial house on a 501 acre farm. They are very proud of their twelve wonderful children.

Next appearing in the crystal ball is KENNETH LEONARD. Kenneth is the head manager of a large chain of grocery stores. He is very happily married to a lovely wife, and is the father of four fine children.

We now sight JOY PLUNKETT. She is established as the head nurse of the Mayo Clinic and is contemplating marriage to one of her former patients. He is a rich and handsome department store owner from New York.

Next appearing in the crystal ball we see the former RALPH PETERSON who is now King Ralph of Siam. He is so popular with his harem of lovely young girls that he has decided not to marry for several years.

Next we discover NED KURTZ. After his graduation from Purdue, he became an engineer with the Ajaz Construction Company. Ned is married to a former wave of the U.S. Navy and they are living in a big colonial home in Florida. They are the proud parents of three children.

Appearing next in the crystal ball is DARREL SMITH who is a big-time farmer in Kansas. He is married to the former MARGURETTE LAYNE. Darrel and Margurette are raising two wonderful sons. Some day Darrel will have some good help on the farm.

Looking through the crystal ball we now see Captain RAYMOND TRENT on duty at Camp Kelmer, New Jersey. He has been in the army for a number of years, and is now drawing a good salary. He is considering marriage to Marilyn Monroe now that she is free for remarriage. We wish him the best of luck.

Now we see in the crystal ball, HENRY MCGAUGHY. He is a big-time cowboy in Texas. He owns twelve ranches and has three thousand head of cattle. He is married to a beautiful lady, and they have seven wonderful boys.

A new figure emerges in the crystal ball. It is CAROLYN JEFFRAS who is now a successful model at Macy's Department Store in New York. She is looking forward to a great career in modeling.

Appearing next from the graduating class of 1955 is Mrs. Frank Plunkett the former PEGGY STOWERS. They married a year after her graduation and are now the proud parents of a set of twins and three other lovely children. She was the former secretary of Vice-President Richard Nixon.

Next to appear is the former MARY JANE NICELY, who is living in Indianapolis. She is married to Kyle Russell, and they have a chain of restaurants. Mary Jane and Kyle are the proud parents of six children.

KAPPA PI BETA

SEATED: Henry McGaughy, Barbara Fritsche, Carolyn Haverly, Barbara Webster, Joy Plunkett, Linda Owens, Mary Jane Nicely. STANDING: Bob Thompson, Helen Stevenson, Jane Barlow, Marilyn Steele, Ned Kurtz, Doris Andrews, Sponsor.

For the seventh year we are organizing Kappa Pi Beta to honor journalism students. Rigid requirements have been established and must be met in order for a student to attain membership. Evidence of loyalty comes in the spring when KIIB conducts the annual All-County Amateur Contest. It requires work--hard work. But reward comes in the form of fun and food as members and guests feast at the Razz Banquet.

SENIOR CLASS PROPHECY

(Continued from Page 11)

With deep concentration we now sight KENNETH PELL, who is now training lions for Clyde Beatty in the Ringling Brothers, Barnum and Bailey Circus. He is happily married to a trapeze artist, and they have three wonderful children who are following in their parents footsteps.

Now we see the former MARY ELLEN ROBINSON. She is a secretary for a firm in California and is engaged to a famous accordion player now starring in his own show on television.

Not far from Mary Ellen's apartment we discover the former KATHY DAVIS who is now married to Liberace. We find them and their set of triplets seated around Liberace's famous piano-shaped swimming pool at their Beverly Hills home.

Suddenly the images in the crystal ball grow dim and finally we discover that we have completed the list of the graduating class of 1955. We have found them all quite successful and happy.

This prophecy was written and signed by the Junior class of 1954-55.
