the first of which publications was on the 17th day of October 1878 and the last on the 7th day of November 1878; and now the Administrator files his own affidavit showing that on the 22d day of October 1878 he posted three printed notices of the pendency of said petition in Liberty township the township where said Real Estate is situate. And now said cause comes on to be heard on the complaint, proof of notice given, default and answer of guardian ad litem; whereupon on motion the issues joined are submitted to the Court for trial, and after hearing the evidence and inspecting the proofs the Court doth say and find, that the amount of personal Estate which has come to the hands of the administrator amounts to nothing; that the amount of the debts outstanding exclusive of administration amounts to about $195.00 leaving a deficiency of personal estate to that amount to pay the debts of said deceased; that said Annie C. Jackson died the owner in fee simple of the following described Real Estate in Hendricks County Indiana, to-wit: Lots No 2 in Block No 6 in the Western addition to the town of Clayton laid out by John Miles; that the same is liable to be made assets for the payments of the debts of deceased; that said real estate is of the probable value of $150.00 that the deceased left her surviving Maggie Jackson her step mother, and Elmer Jackson, her brother about 16 years old and her nephew Oscar Ballard aged about 7 years as her heirs at law and only heirs And the Court further finds that all the allegations of the petition are true and that said real estate ought to be sold to pay the debts of said deceased. And now said Administrator shows to the Court an appraisement of said real estate from which it appears that the same was appraised by Amos S. Wells and B. F. Bolen two reputable householders of the neighborhood of said real estate at the sum of

And the Administrator now files a bond in the penal sum of $240.00 with David Blunk as his surety, which bond and the security thereto is approved by the Court. Jacob A. Kendall Admr of Isaac Barnetts Estate. vs James Barnett et al. } Land Sale

Comes now the plaintiff by Hadley & Baker his attorneys and it appearing to the satisfaction of the Court by the proof of the publication of the notice filed in this cause, which proof of publication reads in the words and figures following, towit: (here insert) that the defendants each and every one of them have been duly notified of the filing and pendency of this petition and of the time and place of hearing the same, by three successive weekly publications in the Hendricks County Union, a weekly newspaper of general circulation printed and published in the town of Danville County of Hendricks and State of Indiana, the last of which publications was made more than thirty days before the 19th judicial day of the present term of this Court the time set for hearing said petition, and it further appearing to the satisfaction of the Court that notices of the time and place of hearing such petition, have been duly posted up in three public places in Union Township said County, where the real estate sought to be sold is situate, for more than thirty days before the hearing of said petition. And said Administrator now files his inventory and appraisement of said real estate made by Mother Yeger and Aaron Overstreet, two reputable householders of the neighborhood and appraised by them at $580.00 being $300.00 for South part and $200.00 for North part. And on plaintiffs motion this cause is submitted to the Court for trial, finding and decree without the intervention of a jury, and the Court having heard the evidence and being fully advised in the premises say and finds that the matters and things in plaintiffs petition set out are true as therein

alleged: that said decedent died intestate: that the personal assets of said estate amount to about $60 cts: that the debts of the estate amount to about $1000 cts: that there is an insufficiency of personalty to pay debts of about $940 cts: that said decedent died the owner of the real Estate hereinafter described; that he derived title to said lands as follows: Of an undivided one half interest by purchase from George H. Wilson on the 10 day of October 1856 and of the remaining one half interest by purchase from his son James Burnett, one of the defendants herein, in the year 1861: that said decedent paid said James Burnett in full at the time of said purchase: that the said James Burnett negligently and carelessly failed to pass the title to said decedent by proper deed and still neglects to convey the same: that said James Burnett has no claim in or to said lands except as an heir at law of said decedent. And the Court further finds that said decedent left him surviving the defendants hereto his children and only heirs at law and that the description of the real estate sought to be sold is so uncertain and indefinite as to greatly interfere with its sale, and that it will be to the interest of the creditors of said estate to divide said real estate by an accurate survey and offer the same in parcels. It is therefore ordered by the Court that said Administrator proceed to have an accurate survey made of said real estate, to-wit: Beginning at the section line dividing Sections 28 & 29 at a stake at the North East corner of New Elizabethtown and with said section line North 22 rods to a stake in said line; thence North of West to a stake ten rods; thence South West 16 rods to a stake at the North West side of said town; thence with said town plat South east 24 rods to the place of beginning estimated to contain Two acres more or less, all in Township 17 North, of Range One West, and divide the same north and south as equally as practicable, and said Administrator is ordered upon such survey being made, to proceed to offer at public sale said lands in parcels as surveyed first giving four weeks public notice of the time and place and terms thereof, in some public newspaper

published in the County of Hendricks, and by setting up notices thereof at not less than five public places in said County, three of which shall be in the Township in which said real estate is situate, upon the following terms, viz: one third cash in hand on day of sale, the residue in two equal instalments of nine and eighteen months from day of sale, the purchaser giving his notes for the deferred payments waiving valuation and appraisement laws, with interest at six per cent from date, and with approved security. That on the 25th day of October 1878 and at the September Term 1878 of this Court said Samuel McDaniel did as the then guardian of said minors, present and file in open Court his report and petition as such guardian wherein he falsely represented inter alia, that he did in the year 1873, purchase the lands above mentioned at the price of $3 per acre with the funds of said wards then in his hands as their guardian for the better protection of their estate and took the conveyance therefor in his own name and in said petition asked an order of this Court to convey a portion of said lands directly to his said wards, herinbefore named at such price per acre as the Court should direct, as and for and in lieu of the monies coming into his hands as such guardian, that the Court did upon the testimony of said McDaniel alone, so falsely given, order him said McDaniel to convey fifty acres of said land to said wards at $40 per acre. "The undersigned guardian of said Nancy Zimmerman shows to the Court that there has come to his possession of the Estate of said ward the following:

Of cash now on hand	$2200.00
" good solvent notes	1800.00
Total	$4000.00

and of doubtful notes and accounts about $200.00 and real estate in the town of North Salem of the probable value of $500.00 of the probable rental value per annum of $40.00. He further shows that said ward is now Eighty three years of age and is very anxious to make advancement of $2000.00 including some indebtedness due her as herein after stated to those who would be her heirs if she were now dead, being her children and grandchildren, in the proportion and shares to which they would be entitled under the laws of the State of Indiana by descent. He further shows that the husbands of three of those who would be entitled to take as heirs have borrowed money of said ward amounting to about the sum of $676.00 that is uncollectible at law - the borrowers being notoriously insolvent but which it is agreed by all will be receipted for as cash received if a distribution can be had of $2000.00 as aforesaid. And said guardian represents to the Court that he believes it will promote justice to make said distribution as desired by his said ward - that there will be an ample amount left in his hands to meet all the possible wants and necessities of his said ward during her life. He further represents that he has been wholly unable to find a good and responsible person to borrow

the money now in his hands at any rate of interest He therefore asks Court upon proof of the matters herein alleged for an order to distribute of the cash in his hands belonging to said ward the amount of $2000 a remittance of the several amounts owing as aforesaid in the several amounts and to the persons (her children and grandchildren) following namely-

Guardianship of Julia Mullis } Leave Sale
of Unsound Mind }

Joseph A. Sellers Guardian of said Julia Mullis comes and presents to this Court his petition which petition is in the words and figures following towit:

"Joseph A. Sellers Guardian of said Julia Mullis represents to the Court that his said ward is the owner of the following described real estate in Montgomery County State of Indiana towit: Lots numbered 28 and 29 in Harneys Stowers addition to the town of Ladoga. Said ward has a personal estate in money &c interests amounting to about $3000. so far as the same has come to the knowledge or possession of this Guardian - that said ward has no estate dependant upon the settlement of any Estate or the execution of any trust - that the annual rental value of the real estate of said ward is about $150.00 - that no rent has yet been collected by this guardian - that said ward is about 40 years of age and is now in the Asylum for the Insane at

Indianapolis Ind^a. And said guardian represents that the improvements upon the real estate above described are old and fast going into decay and are now in a very bad state of repair by reason whereof it is impossible to rent the same for any considerable sum, or to get a desirable tenant to take it. That the distance between the residence of this guardian and the town of Ladoga is so great that he cannot give his personal attention to the management of said property and must depend upon agents and he therefore believes it will be to the advantage of the Estate of said ward to sell said real estate and place the money at interest and said guardian is offered what he thinks and what he is informed by residents of said town of Ladoga is a fair price for the same and he therefore believes it will be to the further advantage of the estate to sell the same at private sale for Cash and without notice and he asks an order accordingly Joseph H. Sellers, Guardian Subscribed and Sworn to before me this 1st day of June 1880 Charles F. Bowen. Notary Public And the Court after hearing the evidence offered in support of said petition and being fully advised finds that it will be to the advantage of the Estate of said Julia Mullis to sell the real Estate described in said petition and the Court appoints Richard H. Biddle and Jasper N. Adams two disinterested resident freeholders and householders of the town of Ladoga in said Montgomery County Indiana and said appraisers come and file their appraisement whereby it appears that after having duly qualified according to law and actual view of the premises they do appraise said real Estate at the sum of 625^{00}. And said Guardian comes and files his bond in the sum of 1250^{00} with John Bain as his surety which bond is now examined and approved by the Court. It is therefore ordered by the Court that said guardian sell the real estate described in the petition towit: Lots Nos 28 & 29 in Harneys & Stovers addition to the town of Ladoga in Montgomery County Indiana at private sale without notice to the highest bidder for cash and for not less than the full appraised value thereof. And said Guardian comes and files his report of sale which report is in words and figures following towit:

"Joseph H. Comes now James L. McCown Guardian of Herman M. Smith a person of unsound mind and files the following report, towit:

"To the Honorable Joshua G. Adams Judge. The undersigned Guardian of said Herman M. Smith respectfully submits to the Court the following Report towit: At the time of my appointment as Guardian said Smith was the owner of a Store House and dwelling house in the town of Danville and a stock of Drugs, Medicines &c besides some House hold and Kitchen furniture, which is all of the property belonging to said ward of which I have any knowledge. That there were divers liens - by way of mortgage, judgments, and execution against said property amounting in all to more than its full value - That one of said liens was a judgment and Execution against said Smith in favor of one Robert Browning and George W. Sloan for about $400.00 taken by confession in the Circuit Court of Marion County Indiana and upon which an execution had been issued to the Sheriff of Hendricks County Indiana, and a levy made upon said stock of Drugs & Medicines and also upon the real estate of said Smith. That said Guardian believing it to be his duty so to do and being also advised to that effect, instituted suit in said Marion Circuit Court to set aside said judgment. and

prosecuted the same until it was by order of said Court amicably settled and compromised- That said Guardian had no means of said ward with which to compell and pay witnesses for their attendance upon said Court- or to pay his own personal expenses or his counsel fees and without a full and thorough preparation for the trial of said cause there was not a fair prospect for success in said cause which facts were fully considered and of which the Judge of said Marion Circuit Court- being the same Judge of the Court was also fully informed and upon which state of facts and as advised I made settlement with said Browning & Sloan by the terms of which I received a receipt of said Browning & Sloan for $700. on their judgments against said Smith which receipt is herewith filed, and their notes for $550 in consideration for which and by order of said Court I sold said stock of goods to said Browning & Sloan, and also leased to them said Store Room for one year, all of which was satisfied and approved by said Court. I would further report that one of said Notes for $105- was made to L. M. Campbell in payment of Attorneys fees as shown by his receipt herewith filed. I would further report that said Herman M. Smith was a householder and that he is now absent from home, being an inmate of the Asylum or Hospital for the Insane that an Execution is now in the hands of the Sheriff of Hendricks County against said Smith and in favor of said Browning & Sloan and also one in the hands of a constable in favor of one Christie the latter of which has been levied upon the household goods of said Smith- and that the wife of said Smith in his absence claims as exempt from sale under the law $600 worth of said property and that said household goods have been appraised at $60 That she claims the residue of said $600 out of the Notes and money in my hands. I would further report to the Court that there are divers debts outstanding against said Smith, but that if the

value of $600 be set off as claimed and if the wife of said Smith be allowed one third of the real Estate set off to her, there will be no assets with which to pay any of said debts except such mortgages and judgments as are now liens upon said Real Estate, and as said Smith is now being cared for and treated at the Asylum aforesaid and as he has no other property needing the care of a Guardian I ask the Court to order and adjudge that so much of the assets in my hands as may be necessary be applied to the payment of costs and that the balance be assigned to the wife of said Smith as part of said $600 except if she be entitled by law to the same and that I be then discharged from all further duties and liabilities as such Guardian. James L. McCain Guardian
Subscribed and sworn to before me this 3d day of July 1880
Wm Ewin Clerk.

And now comes Mary Smith the wife of said Herman M. Smith and files her petition herein, in these words:

To the Honorable Joshua G. Adams Judge of said Court

Mary Smith wife of Herman M. Smith in his absence and in his behalf states that there is an Execution in the hands of a constable of Center Township of said County in favor of one Frank Christie and against said Herman M. Smith on and under which she has in behalf of her said husband in his absence claimed to have set off as exempt from Execution an amount of property of the value of $600. and that all of the property levied upon and claimed by her now held by the constable has been appraised at $60 and that she has and does claim to have the assets now in the hands of James L. McCain set off to her as exempt from the payment of debts and from sale on Execution. That said James L. McCain refuses to turn over said assets, consisting of money and notes without the order of this Court, wherefore she prays this Court to order and direct said James L. McCain to pay and deliver over the money and notes shown by his report to be in his hands to the undersigned as part of the money and property exempt from the

payment of debts – She says said Herman M. Smith is a resident householder of said County and is now absent from his home

Respectfully Submitted

And the Court having examined said petitions and being fully advised in the premises sustains the same and orders and directs said Guardian, after first paying the costs accrued in this guardianship, to turn over to the said Mary Smith, wife of said Herman M.
