Charles Reeve, Administrator of the Estate of William Jackson decd
vs
Catherine Jackson, Henry C. Jackson, Daniel W. Jackson, Charles R. Jackson, Sarah E. Jackson, Susan E. Jackson and Allen Jackson } Land Sale

Be it remembered that on the 5th day of February 1877 the plaintiff filed in the Clerks office of the Hendricks Circuit Court his petition to sell the following described real Estate of said decedent, to pay his debts, to-wit: Part of the South half of the South East quarter of Section Seventeen, Township Fourteen North Range Two East, described as follows: Commencing at the South West corner of the South half of the South East quarter of Section Seventeen, Township Fourteen, North Range Two East: thence East ten rods: thence North Eight rods: thence East

fifteen rods: thence South Eight rods: thence East forty six rods: thence North fifteen rods: thence East sixteen rods: thence South fifteen rods: thence East seventy three rods: thence North Eighty rods: thence West one hundred and sixty rods: thence South Eighty rods to the beginning, containing 74 acres more or less, in Hendricks County Indiana: Also the following described real estate in Marion County State of Indiana, to-wit: The South West quarter of the South West quarter of Section Sixteen, Township Fourteen, North Range Two East, containing forty acres more or less. And comes now the plaintiff herein by Hogate & Blake his Attorneys and files the affidavit of John A. Scearce, Editor of the Danville Union a weekly newspaper of general circulation printed and published in Danville in the County of Hendricks and State of Indiana, showing therein that notice of the pendency of the petition herein had been published three weeks, thirty days before the day set for the hearing of this cause, the first of which publications was made on the 8th day of February 1877 and the last on the 22d day of February 1877. And now the Administrator files his affidavit showing therein that a further notice of the pendency of the petition herein was given by posting notices in three public places on the 8th day of February 1877, in Decatur Township, Marion County and Guilford Township, Hendricks County, all in the State of Indiana, and the said Townships being the Townships in which said Real Estate is situate. And now on motion Catherine Jackson, Henry C. Jackson, Daniel W. Jackson, Charles R. Jackson are each three times loudly called, but come not and herein wholly make default. And the infancy of Sarah E. Jackson, Susan E. Jackson and Allen Jackson is suggested to the Court, and on motion Solomon T. Adams an Attorney at this bar is appointed guardian ad litem for said infant defendants: and now comes the said Guardian ad litem and files his answer. And now said Administrator files the appraisement of so much of said real Estate as is hereinafter described and ordered sold, showing that the same is appraised at the sum of $1294.16, over and above its proportional part of the mortgage encumbrance on the same. And said Administrator files his bond in the sum of $2600.00 with John J. Reeve as his surety which bond and the security thereto are approved by the Court and the Court endorses his approval thereon thereon. And now this cause comes on to be heard on the default herein, petition and answer of Guard-

ian ad litem, and after hearing the evidence the Court finds that the said William Jackson died seized in fee simple of the South West quarter of the S.W.¼ of Section 16 Township 14 North Range 2 East in Marion County, Indiana; that said Real Estate is worth about sixty dollars per acre and is encumbered by mortgage of $1250.00 payable to George b. Knowlton, and that the defendant Catherine Jackson widow of said William Jackson deceased joined in said mortgage. And the Court further finds that the said William Jackson died seized in Hendricks County Indiana, of the following described real Estate: Part of the South half of the S.E.¼ of Section 17. Township 14 North, Range 2 East as follows: Commencing at the S. West corner of the S½ of the S.E.¼ of the above Section: thence East 10 rods: thence North 8 rods; thence East 15 rods: thence South 8 rods: thence East 46 rods: thence North 15 rods; thence East 16 rods: thence South 15 rods: thence East 73 rods: thence North 80 rods: thence West 160 rods: thence South 80 rods: to the beginning, Containing 74 acres more or less: that said real Estate is encumbered by mortgage of $4300.00 dated March 12, 1875 payable to the Phoenix Insurance Company, and that in the Executions of said mortgage the defendant Catherine Jackson widow of said William Jackson joined. And the Court further finds that it would be to the best interest of the Estate that all of the above described real estate in Marion County Indiana be sold subject to the mortgage encumberance thereon: and that the real Estate in Hendricks County be sold as follows and in the following parcels, Towit: Commencing at the South east corner of Section 17 Township 14 North Range 2 East at the line dividing the Counties of Marion and Hendricks, thence North by said line 59.6 rods to the middle of the track of the Indianapolis and Vincennes Rail Road: thence Southwesterly along the middle of said track 58.24 rods; thence South 2.42 rods: thence East 9 rods: thence South 16 rods; thence East along the South line of Section 17. 31.36 rods to the place of beginning, containing 8.93 acres subject to its proportional part of an incumbrance on the whole track of $4300.00, being the sum of $517.94. also the following parcel: Commencing 31.36 rods West of the South East corner of Section 17 aforesaid at the South line of said Section: thence North 16 rods: thence West 9 rods: thence South 16 rods, to said Section line: thence East 9 rods along said Section line to the place of beginning containing 90/100 of an acre, subject to its proportional part of

an incumbrance of $4300.00 being the sum of $112.00. Also the following parcel: Commencing 40 36/100 rods West of the South East corner of Section 17 aforesaid at the South line of said Section: thence North 18 42/100 rods to the middle of the Indianapolis and Vincennes Rail Road track: thence Southwesterly along the middle of said track 26 13/100 rods to the South line of said Section 17; thence East along said Section line to the place of beginning, Containing 1 87/100 acres, subject to its proportional part of an incumberance of $4300.00, being the sum of $64.00. And the Court further finds that all the allegations of the complaint are true. It is therefore considered by the Court and so ordered that the Administrator proceed to sell at private sale at not less than its full appraised value on first giving notice as is provided by law, the following described Real Estate: The South West quarter of the South West quarter of Section 16 Township Fourteen North Range 2 East in Marion County Indiana, which tract is appraised at the sum of $1150.00, subject to a mortgage of $1250.00 and that the purchaser assume said mortgage and execute to said Administrator a bond securing the said Administrator and the said Estate from any loss or harm on account of said mortgage: Also that the Administrator proceed to sell at private sale on the statutory notice the following described real estate in Hendricks County, State of Indiana, Towit: Commencing at the South East corner of Section 17. Towit: Commencing 31 36/100 rods West of the South East corner of Section

Seventeen aforesaid at the South line of said Section; thence North 16 rods; thence West 9 rods; thence South 16 rods to said Section line; thence East 9 rods along said Section line to the place of beginning, containing 9/100 of an acre, which tract is appraised at $23,00 subject to its proportional part of an encumberance of $4300.00 being the sum of $112,00 which the purchaser is to assume and execute a bond to said Administrator to secure said Administrator and said Estate from any loss on account of so much of said mortgage; also that he proceed to sell on the same conditions the following described tract of land in Hendricks County Indiana to wit: Commencing 40 26/100 rods West of the South East corner of Section 17 aforesaid at the South line of said Section; thence North 18 42/100 rods to the middle of the Indianapolis and Vincennes Rail Road track; thence Southwesterly along the middle of said track 26 12/100 rods to the South line of said Section 17; thence East along said Section line to the place of beginning, containing 1 64/100 acres which tract is appraised at at $14,00 subject to an encumbrance of $64.00 which the purchaser is to assume, it being its proportional part of a mortgage of $4300.00 and the purchaser to execute to the Administrator a bond securing him and said Estate from all loss and harm on account of so much of said encumbrance. And the Administrator is further ordered to sell all said Real Estate for one third in cash and the balance due in six months with 6 per cent from date of sale taking from the purchaser his notes with sufficient surety waiving recourse to valuation and appraisement laws and that upon the execution of a deed to the purchaser he execute to the Administrator a mortgage securing the unpaid purchase money

And Court adjourned until tomorrow morning at 9 oclock

On the matter of the Estate of John Kohl, Decd }

Comes now the heirs of said Estate and the Administratrix de bonis non of said Estate and make a joint petition to and request of the Court, which is accompanied by a final report of the said Administratrix and distribution of the assets thereof, which petition and reports are in the words and figures following towit:

"Comes now Melvina Kohl Administratrix de bonis non of the aforesaid Estate who is also the widow of said decedent, and Martha J. Snipes (formerly Martha J Kohl) who has intermarried with one John Snipes who is full age - said Martha is past Eighteen years old; and James S. Gipson who is the Guardian of Melvina J. Kohl a daughter of said decedent, who are the heirs and only heirs, to said Estate and together make this united statement to and request of this Court towit: That the uncollected and undistributable assets of said Estate consists of the following notes and judgments, all the notes and judgments being secured by mortgage and for unpaid purchase money towit:

Notes By

J. Henry Kappes and Aegidius Sattler balance on 3 notes, each executed on the 12th day of December 1872 at 8 o/o interest		
First note for (principal unpaid)	$3250	00

Interest	2340	00
Third note for (principal unpaid)	6500	00
Interest	2340	00
Total	$22,100	00

The two first mentioned notes are reduced to judgments in the Superior Court of Marion County Indiana, without foreclosing the mortgage, but upon which nothing can be collected at present and the last note being due the 12th day of June 1877, it is considered expedient to foreclose the mortgage at the present ensuing term of Court and include therein the unpaid notes that have been reduced to judgment as aforesaid.

Friday June 29. 1877 — 23d Day June Term 1877

Also the following notes on Aegidius Naltner, dated Oct 28th 1874. due in 3 years, at 10 %

Interest	404	00
Total	11.936	00
which amount however we count but	$ 9000	00

in this estimate and for the purpose of dividing the assets of the Estate because of the fact that there has been paid on the real estate secured in all the other notes 2/5 of the original purchase money and in these last notes but 1/5 and because of the fact that said Alleman is insolvent and unable to pay any part of said notes save what is made out of the property making the principal of said notes the sum of

	$ 78367	49
Interest accrued thereon	8.710	14
Total	$ 87.077	63

Melvina Kohl admx upon her part states that she has used all diligence to collect said notes as they matured; that the last of them matures Apr 28. 1878; that all of the parties above excepting A.W. Reagan and Foster Lodge are insolvent that B.R. McCord has departed this life; that foreclosure suits will be necessary in most of these cases, that in order better to secure the notes of McCord and Wheatley she took as collateral from them three notes signed by the South Side Planing Mill Company of Indianapolis and indorsed by Samuel R. Mann, J.M. Kemper, William Stolt, Henry Spielhof and W.G. Wright, each dated on the 2d day of March 1876 and due in 1, 2 & 3 Years and each calling for the sum

Friday June 29. 1877 — 23d Day June Term 1877

of $2794.00 The first of the aforesaid last notes has been reduced to judgment in the Superior Court of Marion County but no money collected thereon, the other two have been filed as claims with Harry Adams Assignee of the South Side Planing Mill Company, said Company having made an Assignment under the laws of the State of Indiana; that she took as collateral and better to secure the notes of B.R. McCord, a mortgage upon 38 lots (free from incumbrances) in McCord & Wheatley's South East Add. to the City of Indianapolis Indiana and upon 7 acres of land near by said lots and two lots in Indianapolis (upon which there was a prior mortgage) recorded in book 82. page 627 of the mortgage records of Marion County Indiana which mortgage according to its provision cannot be foreclosed until the last note it was given to secure becomes due, to-wit: on the 28th day of April 1878 & said Administratrix states that all the mortgages aforesaid excepting A.W. Reagans have failed and refused to pay the taxes upon said Real Estate & that she has been compelled to pay the same in at tax sale at an expence of $1000.00. All the parties whose names are hereto annexed state to this Court that in their opinion it would be of great advantage to the said estate and of each of the heirs think if the Court would order and approve the distribution of the aforesaid assets in kind and let each of the said heirs be assigned their respective interest in said notes, mortgages & judgments & we state as among the reasons therefor that the administratrix now has to pay the taxes on the Real Estate secured by said mortgage to prevent it from going into other hands from which she would have to redeem & pay the per cent or lose entirely the mortgage security to the Estate & also pays taxes in Hendrick County on the assets of said Estate thereby losing $100 per annum; that if she forcloses said mortgages and bids in the Real Estate (& this she must do or the assets would be almost entirely worthless as no one will bid near the value of them in these times of depression) the lands would still be treated as personal assets in her hands to be sold again & probably again foreclosed for the new purchase money, thus exhausting the Estate in costs & postponing the settlement thereof indefinitely; that if each heir takes their respective interest in said notes & the mortgages can be foreclosed & the property bid in & the matter closed soon

at less costs and to better advantage to all concerned. And we further state that we have examined carefully the report of Melvina Kohl Admx. de bonis non of the Estate of John Kohl, deceased, which report is herewith submitted and we believe the same to be true, just & fair & that the division therein made is the result of repeated conferences between us & is finally agreed upon by us & that the same is in our opinion, fair and just, that the minor. Melvina J. Kohl has in said division a share fully equal in value to that had & received by either of the other heirs. with the prospect of a decided advantage if she receives anything from the judgment of the judgment of Stonner against Kappes & Sattner to be assigned to her; that half the purchase money has been paid on the land secured by the mortgages she gets; that it was originally sold for about half the price per acre, that the other lands were sold for which the other heirs get the mortgages upon & is better located and is worth more in the market than the other lands, which report is as follows, to wit:

In the matter of the Estate }
of William Jackson, deceased. }

Comes now Charles Reeve, Administrator of said Estate and makes and files his report of his proceedings in discharge of the order of the court to him to sell a portion of the Real Estate of said decedent. Said report is in the words and figures following towit:

"Comes now the Administrator and shows to the Court that heretofore towit: at the March Term 1877, he petitioned the Court to sell all the Real Estate of said decedent, to pay his debts, his personal being insufficient, and that by the order and judgment of said Court he was ordered to sell at private sale a portion of said Real Estate towit: The S.W.4 of the S.W.4 of Sec. 16. Town. 14 North Range two East in Marion County Indiana. Also the following described Real Estate in Hendricks County Indiana, towit: commencing at the S.E. corner of Sec. 17. Town. 14 North Range 2 East at the line dividing the counties of Marion and Hendricks, thence North by said line 59.6 rods to the middle of the track of the Indianapolis & Vincennes R.R. thence South-westerly along said track 58.24 rods; thence South 2.42 rods; thence East 9 rods; thence South 16 rods; thence East along the South line of said Sec. 17. 31.36 rods to the beginning, also the following: Commencing 31.36 rods West of the S.E. cor. of Sec. 17 aforesaid at the South line of said Section thence North 16 rods; thence West 9 rods; thence South 16 rods; thence East 9 rods to the place of beginning. Also the following: Commencing 40.36 rods West of the South East corner of Sec. 17 aforesaid at the Sec. line of said Sec. thence North 18.42 rods to the middle of the track of the Indianapolis & Vincennes R.R.; thence South westerly along the middle of said track 26.42 rods to the South line of said Sec. 17; thence East along said Section line to the place of beginning. And he further shows that he did advertise the same for sale for four weeks successively, according to the terms prescribed by this Court, in the "Danville Union" a weekly newspaper of general circulation. the first of which publications was on the 13th day of December 1877 and

the last on the 3d day of January 1878, which proof of publication is filed herewith. And he also set up printed notices in five public places in Hendricks County, three of which notices were posted in Guilford Township, being the Township wherein the Real Estate in Hendricks County lies; and also that he posted printed notices in five public places in Marion County, three of which were posted in Decatur Township, being the Township wherein the Real Estate is situate. And he says that on the day set for sale of said Real Estate, towit: January 5. 1878 he offered the above described Real Estate for sale at private sale but that no person bid thereon, and the same was not sold for want of bidders. And the Administrator now asks that he may be ordered to sell the undivided two thirds of all the Real Estate of which decedent died seized, the same being necessary to pay the debts of said deceased, being described as follows towit: Part of the S.2 of the S.E.4 of Section 17. Town. 14 North Range 2 East, described as follows: commencing at the South West corner of the South half of the South East quarter of Section 17. Township 14 North Range 2 East; thence East 10 rods; thence North 8 rods; thence East 15 rods; thence South 8 rods; thence East 46 rods; thence North 15 rods; thence East 16 rods; thence South 15 rods; thence East 73 rods; thence North 80 rods; thence West one hundred and sixty rods; thence South 80 rods, to the beginning, containing 76 acres more or less, in Hendricks County Indiana; Also the S.W.4 of the S.W.4 of Sec. 16. Township 14 North Range 2 East in Marion County Indiana, the first described piece of land being encumbered to a mortgage of about $430.00 and the second described piece being encumbered by a mortgage of $1250.00. And he asks that he may have said Real Estate appraised and that the Court will order him to sell the same at private sale subject to the mortgage encumbrances thereon. And he further shows to the Court that said estate is probably insolvent, and he asks an order to settle the same as insolvents Estates are settled. Charles Reeve, Admr.

Subscribed and affirmed to before me this 11th day of January 1878" "Wm Ervin, Clerk."

And the Court having examined said report, approves the same and finds that the Administrator has petitioned this Court for an order to sell the undivided two thirds of all the Real Estate

of which decedent died seized, subject to the mortgage encumbrances thereon, but that the Court on a full hearing of said petition ordered said Administrator to sell so much of said Real Estate as is in the above report first described. And the court further finds that it is necessary to a full settlement of the Estate that the Administrator sell the undivided two thirds of all the Real Estate of which decedent died seized, being the same Real Estate as is set forth in the original petition herein. And the court further finds that it will be necessary to have the Real Estate of which said decedent died seized appraised, And now comes said Administrator and shows that he has had said Real Estate appraised by Joel Jessup and J. W. Gray, two reputable householders of the neighborhood where said Real Estate is situate, and that they did appraise the undivided two thirds of said Real Estate at the sum of $10cc over and above the mortgage encumbrances on said land. It is therefore considered by the court and so ordered that the Administrator proceed to sell at private sale for not less than its full appraised value subject to a mortgage encumbrance of $4300cc the following described Real Estate in Hendricks County Indiana, to-wit: The undivided two thirds of a part of the South half of the South East Quarter of Section Seventeen Township Fourteen North Range Two East described as follows to-wit: Commencing at the South West corner of the South half of the South East Quarter of Sec 17. Township 14 North in Range 2 East; thence East 10 rods; thence North 8 rods; thence East 15 rods; thence South 8 rods; thence East 46 rods; thence North 15 rods; thence East 16 rods; thence South 15 rods; thence East 73 rods; thence North 80 rods; thence West 160 rods; thence South 80 rods to the beginning, containing 74 acres, be the same more or less; also that the Administrator proceed to sell at private sale for not less than its full appraised value subject to a mortgage encumbrance thereon of $1250cc the following described Real Estate in Marion County Indiana to-wit: The S.W.¼ of the S.W.¼ of Sec. 16 Township 14 North in Range 2 East containing 40 acres more or less. And it is further ordered that said Administrator sell said Real Estate for cash in hand after giving the statutory notice. And it further appearing to the Court by the report and affidavit of the Administrator that said Estate of William Jackson, dec'd, is probably insolvent. It is therefore further ordered by the Court that the Administrator proceed to settle said Estate as insolvent estates are settled, and that he give notice in some

He further shows that said John Phillips on the day of December 1877 did propose to this Guardian to settle and compromise said action for breach of promise of marriage by the payment to said Luella Lisby who is over the age of 17 years of the sum of One hundred dollars for the purchase of necessaries for her and the further sum of three hundred dollars to the Guardian for the use and benefit of said ward. And said Guardian further represents that after careful inquiry and examination into the facts of said case, he came to the firm belief that it would be to the best interest of said ward and her estate to accept said proposition - and he did accept the same - and the said John Phillips did thereupon pay to said Luella Lisby said sum of One hundred dollars, and to this Guardian the said further sum of three hundred dollars for the use of said ward - and this Guardian now brings said $300. into Court and exhibits

And he says that by the last clause above set out the said

A. T. Hadley, Commissioner

And now comes said Executor and makes and files his final report as such, which report is in these words and figures to wit:

"The undersigned Executor of the last Will and Testament of Robert Harvey, deceased, respectfully submits to the Court the following Final Settlement Report: Said Executor says

that as appears of Record in this cause Exceptions have been filed, and are still pending, to the Final Settlement Report which he made at the March Term 1877 as Executor of the Estate of Abigal Harvey, deceased. That upon filing said Exceptions, as also appears of Record Nicholas T. Hadley was appointed Commissioner to examine into the accounts both of the Estates of Robert Harvey and Abigal Harvey, deceased and report to the Court what errors, if any, appeared in the Reports and papers on file in both of said Estates; and if errors were found, to also report and show to the Court wherein they existed and in what respect they had or might vary the final result, and effect the interests of said Executor or of the Legatees under the respective wills of said Robert and Abigal Harvey. From which report of said Commissioner as made out and presented and filed in this cause it appears that said Executor should be charged in the Estate of Robert Harvey deceased with the sum of $304 16 more than was reported by said Executor for distribution in his report filed at the June Term 1876. It also appears from the report of said Hadley that said Executor paid out on distribution in the Estate of Abigal Harvey, deceased the sum of $251 66 more than should have been distributed in said Estate. Said Executor further shows to the Court that said $304 16 found to be deficient in the Estate of Robert Harvey deceased is to be distributed under the will of said testator as follows to wit: One eighth (1/8th) thereof each, to said Executor Robert A. Harvey, Josiah A. Harvey and Martha Harvey; and one sixteenth (1/16) of the remaining five eighths (5/8) thereof to the several Grandchildren of said testators whose names are fully set out in the Report above referred to filed at the June term 1876. Wherefore said Executor submits, below, a further report charging himself with the deficiency above found in Robert Harveys Estate, also with other sums hereinafter set out, received and collected since said former report and not therein accounted for: and has taken credit in his account as hereinafter set out, against each of said several Grandchildren for the sum of $15 73 being in each case 1/16th part of said excess of $251 66 heretofore erroneously paid in and distributed in the estate of Abigal Harvey. Said Executor would further say in explanation of said errors, that they were unintentional on his part, and were occasioned by the fact of the various

circumstances confusing said Estates; that Robert Harvey died testate as shown by the record, that soon afterwards, and before his widow, Abigal Harvey, had received anything under his will, and only part of the $500 00 allowed her by law, she declined to take under the provisions of said will, and elected to take her interest under the law: That she then executed a will of her own, and afterwards died, that said will of Abigail was contested by suit brought by certain Grandchildren, which suit was pending for a long space of time, but finally tried and judgment of the Court rendered, sustaining said will: that pending said suit, it was impossible for him to know under what will, or rule of Court said estate should be distributed; that in the meantime he took into his possession as Executor the estate of Robert Harvey holding it subject to the final determination of said suit; that even after the conclusion of said suit, there were uncertainties and ambiguities in the will of Robert Harvey deceased, rendering it difficult to ascertain how said Estates should be respectively distributed: that by the will of said Abigal, whatever personal estate was left, after the payment of debts and expenses of administration was to be distributed exclusively to the Grandchildren: that by the will of Robert Harvey 3/8ths of his personal estate was to be distributed as above set out, to his three Children, and the remaining 5/8ths in 16 different parts to his 16 Grandchildren: that owing to these uncertainties said Estates became confused, and he paid over to the Estate of Abigal Harvey the aforesaid excess which was received by said several Grandchildren and receipted for. Wherefore he asks the Court to allow him to retain the same in the distribution of the Estate of Robert Harvey. With the foregoing explanation, and upon the basis above set out said Executor says that he is in account with the Estate of Robert Harvey debtor in the sums hereinafter set out, not heretofore reported or accounted for, to wit:

To Amt of error found by N. T. Hadley Commissioner	304	16
" Amt of Interest collected since last report	375	22
" Collections from Adam Goetz for property sold and not carried out on Sale Bill	63	80
" Collections from Elam Benbow for property sold and not carried out on Sale Bill	24	62
" Cash collected for oats sold not heretofore reported	2	33
Total	770	13

Which total constitutes the entire sum with which said Executor is chargeable, and not included in former Report filed June 22. 1876

As against said sums said Executor is entitled to several credits not heretofore claimed or allowed. Towit:

Said Executor would further state and Report to the Court that the forgoing together with his previous Reports made herein, contain a full, complete, and correct account of all the moneys which he has received and paid out; which sums have been distributed to the legatees by the terms of the Will of Robert Harvey deceased, except that he paid of the moneys of said Estate into his own hands as Executor of the Will of said Abagail Harvey, dec'd, the sum of $1000 cts which was distributed to the Legatees under the Will of said Abagail; whereby the Grandchildren of said Robert and Abagail, received the whole of said sum of $1000 cts; whereas if the same had been distributed under the Will of said Robert Harvey, said Grandchildren would only have received 5/8ths of said $1000: and this Executor, Josiah A. Harvey and Martha Harvey would have received 3/8ths thereof. Said Executor says that said sum was so distributed in the Estate of Abagail Harvey, as he understood it by the consent of said Josiah and Martha, and because the same was in doubt and dispute; that by the Will of said Abagail, the Grandchildren received the entire amount of her personal estate, after the payment of debts and expenses of administration; that there was no personal estate of said Abagail except that which was received from the Estate and under the Will of her husband, said Robert Harvey; that without said $1000. there would have been less than $500 cts of personal estate of said Abagail, and not enough thereof to pay the debts and expenses of Administration. Wherefore said Executor and said Josiah and Martha Harvey waived their right to 3/8ths thereof, and consented to the distribution of said sum of $1000. under the Will of said Abagail. But if objection be made by said parties to the manner of distribution of the two Estates, or

if the same be not approved by the Court, said Executor asks that he may yet redistribute said $1000. under the Will of said Robert and retain from said Grandchildren, in said redistribution the excess paid to them under the Will of said Abagail. Said Executor would say with reference to the interest account kept by him, and which has been equally distributed, that in taking account and making settlement with himself Josiah A. Harvey and Martha E. Harvey, after the death of said testator, he charged, against himself and them, interest on notes held by said testator, to the time of the death of their ancestor, although it was known that said notes were not to be collected, but were taken and held only as evidence of advancements; by which settlement said parties were charged with large sums as interest; that since said settlement said Executor has paid said legatees according to the best of his opportunity and ability, considering the convenience and inconvenience of the respective parties, without giving preference to any one over another as to time of payment; and has therefore distributed the interest collected by the same rule and in the same manner that he has the other assets, believing that such distribution was fair and equitable to the parties. And he asks the Court to approve this Report and order that he be finally discharged.

Respectfully Submitted Robert A. Harvey, Executor

State of Indiana, Hendricks County, ss.

Robert A. Harvey Executor as aforesaid being duly sworn on oath says that the foregoing is a full true and complete Report of his acts and doings as such Executor

Henry A. B. Crowder }

Now at this time comes Samuel McDaniel administrator of said Estate and presents and files the following Report of the sale of Real Estate described therein, towit:

"The undersigned Administrator of the Estate of Mariah Crowder decd respectfully reports to the Court, that since the last term of this Court, and pursuant to the order thereof, made at the October term 1877, he has made sale of the real estate described in his petition and inventory in this proceeding, towit: Lot No Six Block No 3 in Hunts addition to the town of North Salem in the County of Hendricks and State of Indiana, to one James Gully for the sum of $150.00, that being the highest and best price bid for the same, and more than the appraised value thereof; that said purchaser has paid to said administrator of the purchase money, the sum of $75.00, and executed his note with approved security for the balance thereof, due in six months from date, with interest, at the rate of six per cent

Said Administrator would further report and show to the Court that the order of this Court heretofore made as aforesaid was indefinite as to the manner of giving notice of said sale, and specified therein, only, that said administrator should give the notice "as required by law" And said Administrator says that owing to the fact that said Real estate was appraised at only $150.00 and that a notice by publication would add considerably to the expense of said proceeding, without adding anything to the probable amount for which said

lands might be sold, he did not give any notice by publication in a newspaper, but advertised said sale extensively in other ways, and by posting up 3 written notices of the time place, and terms of said sale in three public places in the immediate vicinity and township where said real estate is situated; that he believes such notice was amply sufficient to insure a sale of said real estate to the best advantage, and that if said sale should not be confirmed, and further notice should be required to be given, he has reason to believe he could not sell said Real estate for the price he has already bid and offered therefor, and the interests of said decedents estate and the creditors thereof would be prejudiced thereby. Wherefore said Administrator prays the court to approve and confirm said sale, and to order and authorize him to make out & report to this court for acknowledgement and approval, a deed as such administrator, conveying said real estate to said James Gully to be delivered upon the final payment of the purchase money therefor; and if necessary, he asks the court to make an order, to be entered of record, now for then, directing that such sale shall be made without public notice in a newspaper; and he asks that further proceedings herein be continued

Samuel McDaniel, Administrator.

State of Indiana Hendricks County ss

Samuel McDaniel administrator as aforesaid being duly sworn says on oath that the matters and things contained in the foregoing report are true Samuel McDaniel

Subscribed and sworn to before me this 30th day of January 1878

And the Court having examined said report and taken proof concerning the same, and being sufficiently advised in the premises, adjudges that the sale so made by said administrator, was for the best interests of said Estate, and that the notice given by him of the time and place of said sale was sufficient. Wherefore said sale is in all things approved and confirmed; and said administrator is appointed ordered and authorized to make out and report to this court for approval a deed as such administrator conveying the lands aforesaid to the said James Gully as evidence of his title thereto, to be delivered upon final payment of the purchase money; and further proceedings herein are continued

Oliver Wells Administrator of the Estate of William G. Parker Deceased vs Martha Parker et. al. } Land Sale

Now at this time comes the plaintiff, Administrator of William G. Parker, deceased, and presents and exhibits to the Court the original Petition and Complaint herein, with a written endorsement thereon directed to the Clerk of this Court to issue notices to be given in this cause for the 9th day of February 1878, and set said cause down for hearing and trial on said day. And the plaintiff also presents and files the affidavits of John A. Scearce and Amos Hoak, whereby it appears that due notice of the filing and pendency of said petition was given by said Clerk, by publication in the "Danville Union" a weekly newspaper of general circulation printed and published in the County of Hendricks, and State of Indiana, the first publication of said notice being made on the 20th day of December 1877, the second on the 27th day of December 1877 and the 3d on the 3d day of January 1878. Said Administrator now presents and files an Inventory of said lands with the appraisement of the same made by said Amos Hoak and John A. In the matter of the Estate } Land Sale
of Nancy Thornburgh deceased }

Comes now John Newman, Executor of the last Will of Nancy Thornburgh deceased, and presents his petition in these words, towit: (here insert) asking the Court to order and decree the sale of the Real Estate of said deceased, to furnish assets to pay the indebtedness of said deceased, aveing in said petition that the personal estate of said deceased is not sufficient to pay her debts exclusive of the costs of administration of this estate and aveering that said deceased died the owner in fee simple of the following described Real Estate situated in said County of Hendricks and State of Indiana, towit: A part of the East half of the South East quarter of Section Thirty one (31) in Township Fifteen (15) North of Range Two (2) West Beginning One hundred and twelve (112) feet due West of the North West corner of the Orginal Plat of the town of Coatsville at the North West corner of Mason and Campbells lot, thence running West twenty eight feet thence South Eight rods; thence East twenty eight feet and thence North Eight rods to the place of beginning and that the same was of the probable value of One hundred dollors and that said deceased died leetate and by the provisions of her Last Will all of her estate after payment of debts and costs, was devised and bequeathed to Ruel F. Swain and Mary Jane Gray and that said deceased left no descendants and no husband surviving her but left as her heirs at law collateral relatives mostly unknown to him said Executor. Said Executor also files and shows to the Court the affidavit of John N. Scearce a competent witness, by which it appears that notice of the time and place of hearing said petition was duly given by three successive publications in "The Danville Union", a public weekly newspaper of general circulation printed and published in the Town of Danville in said County, the first of which publications was on

the 17th day, the second on the 24th day and the third on the 31st day of January 1878, the last publication being more than thirty days before the time of presenting and hearing said petition. Said Executor also files and shows to the court his own affidavit by which it appears that he duly posted five printed notices of the time and place of hearing said petition, in Clay Township, the Township in which said real Estate is situated in said County on the 18th day of January 1878, being more than thirty days before the time of filing and hearing said petition: said affidants are in these words towit (Here insert) Said Executors also asks and obtains leave to file an additional inventory and appraisement of said Real Estate for the reason that the description of said real Estate for the reason that the description of said Real Estate as it appears in the Inventory with the personal property is imperfect and insufficient and thereupon the court appoints David Walker and Jonathan Newman, two resident householders and freeholders of said township and County and of the neighborhood where such real estate is situated to appraise the same. And thereupon the said John Newman Executor, and David Walker and Jonathan Newman make and return into Court and file an additional inventory and appraisement of said Real Estate with the affidavits of said Executor and appraisers endorsed thereon, all in these words, towit (Here insert) by which it appears that said Real Estate is of the value of One hundred dollars. And the Court having inspected the Bond heretofore filed by said Executor and finding the same to be of sufficient amounts to cover and include the sale of said Real Estate does not require an additional bond. And the court having heard the evidence adduced and having considered the same finds that the allegations and averments in said petition are true and that the personal estate is insufficient to pay the debts of said deceased exclusive of costs of administration and that the heirs at law of said deceased are collateral relatives, mostly unknown to said Executor, and that by the

terms and provisions of the Last Will of said deceased, Ruel F. Swain and Mary Jane Gray are the devisees and legatees of the whole of the estate of said deceased after payment of debts. The Court also finds that it would probably be best for said Estate to sell said Real Estate at private sale. Whereupon the Court orders, adjudges and decrees the sale of said Real Estate by said Executor at private sale for not less than the full appraised value thereof one third of the purchase money to be paid cash down and the residue in three months such Executor first giving four weeks public notice of the time, place and terms of sale in some public newspaper published in Hendricks County State of Indiana and by posting up printed notices thereof at not less than five public places in said County three of which shall be in Clay Township in said County. And said Executor is ordered to report his doings in the premises to this Court, and this proceeding is continued

vs
Mary J. Roges et. al.

Comes now James A. Hadley Administrator of the Estate of Edmund R. Hadley, deceased, by Hogate & Blake his Attorneys, and shows to the Court the affidavit of James M. Gregg, Foreman of the "Hendricks County Citizen" a weekly newspaper of general circulation printed and published in Hendricks County from which it appears that notice of the pendency of the petition herein had been published three weeks thirty days before the first day of the present term of this Court, the first of which publications was on the 6th day of April 1878 and the last on the 27th April 1878. And the Administrator also files his affidavit showing

Tuesday June 4. 1878 2d Day June Term 1878

that notices of the pendency of the petition herein were posted in three public places in Marion Township the Township where said Real Estate is situate on the 6th day of April 1878 Whereupon on motion the defendants Mary J Rogers, Cyrus Rogers Sophia E. Rogers Solon R Rogers Gillum T. Hadley, Harriet K. Hadley, Sarah A Hadley and Louisa J. Hadley are now each three times called but come not and herein wholly make default. And now the infancy of William J. Hadley and Eva O.P.M. Hadley is suggested to the Court and on motion James V. Cook an attorney of this bar is appointed Guardian ad litem for said infant defendants. And now comes the said James V. Cook and as such Guardian files his answer.
And now said cause comes on to be heard on the petition herein, proofs of publication and posting notices default of the adult defendants and answer of guardian ad litem for the infants, and after hearing the evidence and inspecting the proofs the Court doth say and find that there is now in the hands of the Administrator of said Estate about the sum of $1216.08 as shown by his last report that the debts of said Estate now outstanding amount to about the sum of $4100.00 so far as can be ascertained, exclusive of Court expenses and Attorneys fees and expenses of Administration which will be about $250.00 leaving a deficiency of personal assets of about $3133.92 and that of the personal assets about the sum of $500.00 is worthless The Court further finds that the Administrator since the filing of this petition has sold 120 acres of decedents Real Estate for $20 per acre and that there is still a deficiency of assets to pay the debts. The Court further finds that the said decedent died the owner in fee of the following Real Estate in Hendricks County, Indiana, to-wit: The East half of the West half of the North East quarter of Section Twenty (20) Township Sixteen (16) North, of Range Two (2) West; also a part of the East half of the North East quarter of Section Twenty (20) Township Sixteen (16) North, of Range Two (2) West, described as follows: Commencing 39 rods South of the North West Corner of the East half of the North East quarter of said Section Township and Range; thence East 27 rods; thence South 36 rods; thence West 27 rods; thence North 36 rods to the

Tuesday June 4. 1878 2d Day June Term 1878

beginning containing six (6) acres and twelve (12) square rods more or less; that the same is liable for the payment of the debts of the deceased and is of the probable value of $25.00 per acre. And the Court further finds that said decedent left him surviving the following named heirs at law and only heirs to-wit: James A. Hadley, Mary J. Rogers, Sophia E. Rogers, Gillum T. Hadley, William J. Hadley Eva O.P.M. Hadley his children and Sarah A. Hadley his widow. That the widow Sarah A. Hadley by the order and decree of this Court at its June Term 1877 had set off to her her equal one third in value of all the real estate of which decedent died seized, and that the said Sarah A. Hadley has no interest or claim in the lands in this petition described. And the Court finds that all of the allegations of the petition are true and that sale of the Real Estate herein ought to be made as prayed for.
And now comes said Administrator, by his Attorneys aforesaid, and files his appraisement of said Real Estate (insert) from which it appears that the lands above described were appraised at the sum of $1748.00 by E.T. Robbins and N.H. Bunten two reputable householders and freeholders of Hendricks County. And the said Administrator files his bond in the sum of $3500.00 conditioned for the performance of his duty in and about the sale of the Real Estate herein described with E.M. Ryder as his security which bond and the security thereto is approved by the Court. It is therefore considered by the Court and so ordered and decreed that the said James A. Hadley, as Administrator of the Estate of Edmund R. Hadley deceased, proceed to sell at private sale, after giving statutory notice the following Real Estate in Hendricks County, Indiana to-wit: The East half of the West half of the North East quarter of Section Twenty (20) in Township Sixteen (16) North in Range Two (2) West; also a part of the East half of the North East quarter of Section Twenty (20) Township Sixteen (16) North in Range Two (2) West described as follows: Commencing 39 rods South of the North West corner of the East half of the North East quarter of said Section, Township and range; thence East 27 rods; thence South 36 rods; thence West 27 rods; thence North 36 rods to the beginning containing six acres and

twelve square rods more or less, for not less than the full appraised value and that he sell the same for one half cash in hand and one half due on the 15th day of September 1878 taking for the deferred payment the purchaser's note with approved freehold security, with six per cent interest from date waiving valuation or appraisement laws. That since the taking of said order, he has sold lot 7 in Block 17 as hereinbefore reported; that he is, after diligent effort, unable to sell the lots remaining for their full appraised value, and that said lots are now appraised at too high a rate. And the Court after examining said petition and hearing the evidence adduced in support thereof say and find that a reappraisement of said lots ought to be had. It is therefore ordered by the Court that said Executor proceed to reappraise said lots, and sell and dispose of the same under the order heretofore made, at not less than the re-appraised value thereof. Comes now Robert M. Bartley Administrator of the Estate of William Morris, deceased and presents to the Court the petition for sale of Real Estate on file in this proceeding which is in these words, towit: (here insert) and said Administrator also files and presents to the Court the affidavit of John N. Scearce the publisher of "The Danville Union" a public weekly newspaper of general circulation printed and published in the town of Danville in Hendricks County State of Indiana, by which it appears that notice of the filing of the said petition in this proceeding was duly given by publication in the said newspaper for three weeks successively more than thirty days before the first day of the present term of this Court, the first of which publications was on the 11th day, the second on the 18th day and the third on the 25th day of April A.D. 1878. Said Administrator also files and presents to the Court his own affidavit, by which it appears that on the 10th day of April 1878, being more than thirty days before the first day of the present term of this Court, he duly posted printed notices of the filing of this said petition in this proceeding, in five public places in Hendricks County State of Indiana, one of which was in Lincoln Township, one in Guilford Township and three in Washington Township in said County, said Washington Township being the Township where the Real Estate of said deceased, which said Administrator, in the said petition asks this Court to order the sale of, is situated; the affidavits of said John N. Scearce and said Administrator being in these words, towit: (here insert) Said Administrator also files and presents to the Court an inventory and appraisement of all of the Real Estate of said deceased situated in said County, the same being appraised by George A. Guthrie and Bascom S. McClain, two reputable householders and freeholders of said County and of the neighborhood where the Real Estate, the sale of which is asked in said petition, is situated, which inventory and appraisement with the oaths of said appraisers and of said administrator indorsed thereon, are in these words towit: (here insert). Said Administrator also files and presents to the Court for approval a Bond with

George W. Merritt and George A. Guthrie as his sureties thereon, in the sum of five thousand dollors, conditioned on the faithful discharge of his duty in and concerning the sale of said Real Estate and said George W. Merritt and George A. Guthrie with said Administrator come into Court and acknowledge the execution of said Bond, which Bond the Court examines and approves in writing indorsed thereon, which Bond and indorsement are in these words towit: (here insert) And thereupon this cause is submitted to the Court for trial and the Court having heard the evidence produced and being sufficiently advised in the premises, finds that the (averments) made and contained in the said petition, for the sale of Real Estate, in this cause, are true and the Court finds that the indebtedness of said estate, exclusive of all costs, charges and expenses of administering thereon, exceeds the amount of the value of the personal property belonging thereto by at least $1438.50/100. The Court further finds that said deceased at the time of his death was the owner in fee simple of the following described Real Estate situated in Hendricks County State of Indiana, towit: The South East quarter of the South East quarter, the West half of the South East quarter, and the East half of the South West quarter all in Section Thirty four in Township Sixteen North of Range One East containing two hundred acres more or less, and the owner in fee simple, subject to the life estate thereon of one Sophia Rice, a person now living, of the undivided one half of the South half of the North East quarter of Section Two in Township Sixteen North, of Range One East, containing eighty acres more or less. The Court further finds that since the death of said William Morris, by order of this Court at the June Term 1877 thereof, a portion of the above described Real Estate was assigned and set off to Laura Morris, the widow of said deceased, as her full share thereof, for and during the term of her natural life said portion being described as follows, towit: Ten acres on the West side of the South East quarter of the South East quarter and forty five acres on the East side of the West half of said South East quarter of Section Thirty four, in Township Sixteen North, of Range One East, containing in all set off to her, fifty five acres. The

Court further finds that it would be to the best interest of said Estate to make the sale of Real Estate of said deceased that may be necessary to furnish assets, out of that portion thereof that is not incumbered with the life estates of said Laura Morris and said Sophia Rice above mentioned, and that it would be to the best interest of said Estate for the same to be sold at private sale. Wherefore the Court orders, adjudges and decrees that said administrator first having given four weeks public notice of the time, place and terms of sale by publication in some public newspaper published in the County of Hendricks, State of Indiana and by setting up written or printed notices thereof in five public places in said County, three of which shall be in the township in which such Real Estate is situated, shall proceed to sell the thirty acres on the East side of the South East quarter of the South East quarter and the thirty five acres on the West side of the West half of the said South East quarter of section thirty four, in Township Sixteen North of Range One East, at private sale on the following terms: One third of the purchase money cash down, one third in twelve months and one third in eighteen months from the day of sale, the defered payments to bear interest from the day of sale at the rate of six per cent per annum. And said Administrator is ordered to report his doings in the premises to this Court and this cause is continued for further proceedings.
