and be protected in the execution of his trust. Wherefore he asks after notice to the said Elihu F. Barker that this cause may be considered and directions given.

and the last one on the 29th day of October 1885.

The administrator also files his own affidavit from which it appears that like notices were posted in five public places in said County and State three of which notices were posted in Liberty Township where the said real estate is situate. And on the 4th day of October 1886 Jesse Scatlen offered the sum of Nine hundred and eighty six dollars and thirteen cents ($986.13) for the following described real estate to-wit: A part of the west half of the north west quarter of section thirty six (36) Township fourteen (14) North in range one (1) West described as follows: Beginning at the North east corner of said west half; thence West forty (40) rods; thence south ninety one (91) rods and eight (8) links; thence South thirty (30) degrees east eight (8) rods; thence East thirty six (36) rods and two links to the east line of said west half quarter; Thence north with said east line ninety eight (98) rods and eight (8) links to the place of beginning containing 24 and one half acres more or less.

Whereupon the purchaser paid down the sum of three hundred and twenty eight dollars and seventy one cents ($328.71.) and executed his notes for the residue in equal installments at nine and eighteen months from day of sale with David Scatlen as his security, and now the purchaser executes to the administrator with the will annexed a mortgage to secure the unpaid balance of the purchase money which mortgage is signed by the wife of the said Jesse Scatlen and duly acknowledged. James Glover Insane

Haywarth and files his petition herein and shows to the Court that James Glover a resident of Hendricks County is a person of unsound mind and incapable of managing his estate and praying for the appointment of a guardian for said James Glover which petition is in the words and figures following towit:

Now comes Daniel Haywarth the petitioner herein and respectfully represents and shows to the Court that James Glover is a resident of Hendricks County and State of Indiana and that he is a person of unsound mind and incapable of managing his own estate, that he is Seventy four years of age and is infirm in body and too feeble to be brought personally before this Court for examination as to his sanity; that his unsoundness of mind is manifested in a failure to perceive and understand his ordinary surroundings. he often erroneously imagines that he is away from home and that he hears sounds and voices that do not exist. But petitioner says he is peaceable and harmless and that in his present condition of mind his family can take proper care and custody of him without any provisions being made for his safe keeping by this Court.

And the said petitioner says that the said James Glover is the owner in fee simple of one hundred and nineteen (119) acres of land situated in Liberty Township in said County and has personal property of the value of twelve hundred dollars That he owes to the estate of Edwin Johnson deceased the sum of One Thousand dollars and accumulated interest thereon and other smaller sums to various persons and that there is owing to him a sum sufficient to discharge all of such indebtedness if the same is collected and applied for such purposes but that he is wholly unfit and unable to manage his own business and is neglecting to collect debts due him from others or to pay his own obligations. And petitioner believes that unless a Guardian be appointed to protect his estate that it will be needlessly encumbered by debts and suffered to go to waste. Therefore your petitioner prays that he be placed under Guardianship and for all proper relief in the premisies.

D. C. Haywarth

And now comes William R. McClelland Clerk of the Hendricks Circuit Court and files answers to said petition denying each and every material allegation therein and asking that proof be required. And this cause coming on for trial upon the issues joined the same is submitted to a jury for trial finding finding judgment and decree.

Asher Kellum Foreman

And the Court now appoints Alfred R. Glover Guardian of the person and estate of said James Glover and now as is required the said Alfred R Glover comes and files his bond as such Guardian in the penal sum of Three Thousand dollars with Daniel C Haywarth and William R. McCarmack as his sureties thereon which bond is approved by the Court. Thereupon letters of Guardianship are granted and issued to said Alfred R. Glover on the person and property of said James Glover which letters are in the words and figures following towit (here insert) Said Alfred R. Glover is sworn to faithfully discharge the duties of his said trust. and further proceedings are continued.

Enois S. Gaskell

Now at this time comes Leander M. Campbell Administrator of the estate of Kate S Gaskill deceased and presents to the court and files herein his report of sale of the real estate of said decedent which report is in these words: To the Honorable Alexander C. Ayers Judge of said Court, The undersigned administrator of the estate of Kate S Gaskill deceased respectfully reports to the court that pursuant to the order of this court made in the above entitled cause at the September Term 1885 he caused to be advertised for sale the real estate of said decedent described in said order of sale to wit: The South half of Lot number seven (7) in Block number fourteen (14) in the town of Danville County of Hendricks and State of Indiana by giving public notice through the Hendricks County Gazette a weekly newspaper of general circulation printed and published in the town of Danville said County for three weeks in succession and by three similar notices posted in public places in the town of Danville proof of which publication is made and shown by the affidavit of E D. King filed in said cause February 9th 1886 and still on file herein to which reference is made; The time for said sale being fixed for the 2nd day of February 1886 or as soon thereafter as a buyer could be found.

Said administrator says that he made diligent effort to sell said real estate from the date fixed for the sale, and continued to offer the same from that time until the 6th day of October 1886 when he made sale of said real estate to the Citizens Building Loan Fund and Saving Association (First series) of Danville Indiana for the sum of $550.00 that being the full appraised value thereof and the highest and best bid he ever received for the same;

that said purchaser proffered to pay to said administrator the full amount thereof in cash instead of executing a note for one half thereof payable in one year with interest as required by the order of this Court; That said administrator believes it would be to the advantage and interest of said estate to accept the whole amount of said purchase money in cash and pay off the claims which are filed and allowed against said estate and which are drawing interest at the same rate which would be drawn by said payment. Therefore he has accepted from said purchaser the whole amount of said purchase money and he asks the court to approve and confirm said Sale so made as aforesaid in all respects and to now authorize, order and appoint him as such administrator to make out, report to said Court and acknowledge a deed of conveyance as such conveying said real estate to said purchaser to be delivered as evidence of title to said land.

Said administrator says that he has charged himself with the proceeds of said sale as the administrator of said estate and has directed the clerk to tax the costs of this land Sale proceedings with the fees taxed against said estate, and will make due report of said purchase money and the payment of the cost herein in his final account as such administrator.

Wherefore he prays the Court, upon the report and confirmation of a deed conveying said real estate to the purchaser, that this cause be stricken from the docket. all of which is respectfully submitted.

And the Court having examined the premises finds and adjudges that said sale was and is in all respects in conformity to the law and the order of this Court, wherefore the same is approved and confirmed and said administrator

is ordred to charge himself with the proceeds thereof in the settlement of said estate.

It is also further ordered that said administrator shall make out and report to this Court and acknowledge a deed of conveyance as such administrator conveying said real estate to the purchasers as an evidence of title thereto.

And now said administrator appears in open Court and reports to said Court a deed of conveyance which is acknowledged in open court by him and is examned by the court and approved and ordred to be delivered to said grantee as evidence of title to said land. Comes now James A Dowward Guardian of the persons and property of Ida and Alice Wallin minor heirs of Fredrick A Wallin deceased and respectfully represents and shows to the Court that since the granting of the order of this Court authorizing him to locate and secure for his said wards 160 acres of land under the soldiers

homestead laws of the United State designing, meddlesome and malagning persons and professed friends of one of his said wards have represented to her that said Guardian was squandering her means and that the proposed location of lands for her was simply a scheme of his to make way with her money in his possession and to afford him a visit West at her expense, and if said lands were taken they would be worthless and very expensive. And also the family with whom said ward is now temporarily residing have advised her that said proposed investment is not expedient and is unwarranted. All of which statements and insinuations have caused said ward to be uneasy and discontented with the proposed locations notwithstanding the fact that prior to the meddling above mentioned, said ward was anxious to have said claim located as aforesaid.

Now therefore in order to reconcile said ward and to show the good faith in all his doings in the premisies the said guardian makes the following propositions towit: He will keep a strict and itemized account of all expenses and moneys expended and laid out on account of said location and that upon securing the lands for his said ward. (that is upon the final proof being made) if the Court ~~location~~ shall not deem it to the best interest of said Wards and if they shall not be satisfied to take the same he will take it off of their hands paying them therefor on the proper order of the Court for the sale thereof. double the amount which shall be laid out and expended by him in procuring said lands. James A. Dowward. Guard.

And the court having examined said petition and being satisfied of the fairness thereof and that it is to the interest of said Wards approves and accepts the same for said Wards. and Continues said order to locate a soldiers homestead as heretofore made.

And Court adjourned until tomorrow morning at 9 oclock Record read and signed in open Court.

Comes now Richard J. Fawcette Guardian of Jennette Annie Fawcette by appointment of the Probate Judge of Harper County Kansas by James G. Miles his attorney and files a certified copy of his appointment to-wit: (here insert) and also files an authenticated copy of his bond filed in the Probate Court and approved by the Probate Judge of Harper County Kansas to-wit (here insert) both of which are duly authenticated. and said Guardian also files his petition to sell the lands of his ward situated and lying in the county of Hendricks and State of Indiana in the words and figures following to-wit:

To the Honorable Alexander C. Ayres Judge of the Hendricks Circuit Court. Your petitioner Richard J. Fawcette respectfully represents and shows to the court that he is guardian of the person and property of Jennette Annie Fawcette who is the minor child of Sarah E. Fawcette deceased and the grand child and an heir of Martin Tinder late of Hendricks County in the State of Indiana deceased by the appointment of the Probate Judge of the Probate Court of the County of Harper in the State of Kansas: (a certified copy of his letters of Guardianship is filed herewith which he now presents to the Court) that he has filed his bond in said Guardianship in the office of the Judge of the Probate Court of said County of Harper in the State of Kansas in the sum of Four Thousand five hundred dollars with W. G. Mahan, Fred Floyd and J. A. Strohm as his sureties thereon which bond was duly approved by said Judge and a certified copy of which is herewith filed: that his said ward

resides with him in Harper County Kansas and is now of the age of seventeen years: that she owns no personal estate and as he learns will not receive any from the estate of said Tinder, or if any it will be but a few dollars; that she is the owner of two small tracts of land in the County of Hendricks and State of Indiana which which descended to her from her grand father Martin Tinder deceased and which has been assigned and set off to her in an action in partition in the Hendricks Circuit Court and which are particularly described as follows to-wit: Part of the North half of the North East quarter of Section 19 in Township Sixteen North of Range one West. Beginning at the North east corner of said section 19 and running thence west with bearings 160 poles, thence South 33 poles, thence East 160 poles, thence South 33 poles to the place of beginning. Also part of the East half of the North West quarter of Section 23 Township 16 North of Range 2 west bounded as follows beginning 222 poles west of North East corner of said section 23 and running thence west 18 poles: thence South 160 poles: thence East 18 poles: thence North 160 poles to the place of beginning in all fifty one acres more or less, except a born given to Henry M. Tinder on the land first above described and no rents have been received therefrom. That separated as said land is in two places and without any one near the same to rent and look after the interest of his ward he is of the opinion that it would be unproductive expensive to maintain and would not yield any income to his ward after payment of taxes and expenses of repairs and of an agent as there are no buildings on it which could be occupied, and hence the lands would suffer unavoidable waste and be greatly lessened in value. That he desires to invest the proceeds of said sale in lands near to his home in the state of Kansas where he can now procure a much larger tract of land for her and where lands are being enhanced in value very rapidly, where he can look after her interests personally. He further shows to the Court that said ward has no guardian residing in the state of Indiana

Wherefore he prays the court to order and decree that he sell said real estate at private sale on such terms as to credits and rates of interest as to the court shall seem to the best interest of his said ward and to order him to reinvest the same for his ward in lands in the state of Kansas. and he will ever pray &c.

Hockett a person of unsound mind respectfully represent and shows to the court that no money came to his hands from the personal estate of his ward: that the only personal estate of his ward which came into his hands as such guardian was an old bed and a few small articles of no cash value and a claim against one John Steele for rent amounting to the sum of $50.00 which amount he expended in payment of debts of his ward and for his support, That his ward has no personal estate dependent on the settlement of any estate or the execution of any trust.

That his ward is the owner of the following described real estate to wit: A part of the South East quarter of the north east quarter of Section 27 township 15 North of Range 2 West bounded as follows to wit: Beginning on the section line eighty rods south of the north east corner of said section, thence West 80 poles to a stake; thence South 80 poles to a stake, thence east 42½ poles to a Stake, thence North 80 poles to a stake, thence east 36½ poles to a stake, thence south east 22 poles to a stake; thence North 61 poles along the section line to the beginning containing 30¼ acres more or less. That for the purpose of paying taxes, debts and expenses of keping his ward under the order of this court he hasborrowed of one John Hadley the sum of $100.00 to met the immediate demands against his ward, which is yet due from his wards estate and that sum with interest taxes and expenses of guardianship now unpaid will amount to about the sum of $300.00. That he finds the rents of his wards lands are insufficient to pay this indebtedness and maintain his ward, and he wishes to pay off said indebtedness out of the proceeds of the sale of the lands and leave the remainder at interest payable in installments as the same shall be required for the support of his ward. That his ward is now about 20 years old and resides in Hendricks County Indiana with Montreville Williams, that his ward is able to work but has not sufficient judgment to earn a living.

Therefore said guardian asks the court to make an order directing him to sell said real estate at private sale without notice for one third cash and the remainder in installments payable as required for the support of his ward "Job Hadley Guardian"

Subscribed and affirmed to before me June 6th 1887
W. R. McClelland clerk ct. ct.

Hendrick both infants are the only heirs at law to said estate and that said surplus should be divided equally between said widow and said heirs one third each.

She says that said decedent was never married

The administratrix represents to the Court that she believes it would be only decent respect to the memory of the deceased and in keeping with the size of her estate to permit her to erect at the grave of decedent a tombstone (head stone and foot stone) to cost that to exceed the sum of fifty dollars.

In the matter of the minor
heirs of Thomas Carliss decd.

Be it remembered that on the 17th day of August 1887 the following proceedings were had in the above matter to-wit: "Comes now Thomas Carliss Guardian of the minor heirs of Thomas Carliss deceased. by Hogate & Blake his attorneys before me in chambers, and presents the following petition: "The undersigned Thomas Carliss Guardian of the minor heirs of Thomas Carliss deceased represents to the honorable Court that said Thomas Carliss died in Hendricks County testate on the day of October 1879 the owner in fee simple of the following

real estate in said County and State. N.W.¼ of S.E¼ the E.½ of the S.W.¼ and sixty acres off of east side W½ of S.W.¼. also S.W.¼ of N.E¼ all in section one (1) in Township sixteen (16) North Range Two (2) East. That at the death of said Thomas Carliss he left surviving him as his heirs at law and only heirs Canard Carliss, Mary Carliss, Thomas Carliss, Ellen Carliss, Michael Carliss, Bridgett Carliss, Elizabeth Carliss, Catharine Carliss, John Carliss and Margarett Carliss all minors but Canard, Mary, Thomas, Ellen, and Michael are now of the full age of twenty one years. the guardian shows that at the time of the death of decedent the only dwelling house on said real estate owned by said decedent was built of logs containing four rooms, that said house is now burned down and that said heirs are now living in a temporary house of four rooms which is not at all in keeping with the Residences of their neighbors nor with their Estate. that the family is now growing up most of them having reached the age of manhood and womanhood, and some are married and said house ill provides comfortable and respectable accommodations for them. He further shows the court that by the terms of his fathers will the farm should descend to the above named children. in fee simple as tenants in common: That Thomas when he arrived at the age of twenty one should become guardian for the ones who were yet minors and keep the family together and live as one family and receive the rents, profits and proceeds of said real estate to support the family and not account to the court for the proceeds. He says that in obedience to his fathers will that provision has been carried out, and they have since the death of their father, and do now live together as one family in the temporary house above spoken of and cultivate the farm and are bring up the children.

He further shows that as guardian of the minors he has in his hands the sum of $676.20 as shown by his current report made January 8th 1886. The guardian shows to the court that on the Real estate above described there is quite a quantity of growing timber that has a good market value which could be disposed of without injury to

the soil, and the proceeds used for the purpose of building a house. He says that the heirs of the said Thomas Carliss who are of the full age of twenty one years are willing and have consented that certain of said timber may be sold, and the proceeds arising from the sale may be used in the construction of a dwelling house for the use of the family.

He further says that the kind of a house they propose to build will be a 1½ story frame house and will cost as well as they can estimate it about $600.00 to $700.00

Wherefore he asks for an order from the court to permit him as Guardian on behalf of his wards to join in the sale of so much of the timber on said real estate, as the adults may deem necessary to enable them to erect a comfortable dwelling house for the use of all the heirs, said house to be 1½ story and constructed of frame and to cost not more than $700.00 and your petitioner will ever pray. Thomas Carliss Guardian.

Subscribed and sworn to before me this day of August 1887

Enoch G. Hogate Notary Public.

(Notarial Seal)

And said petition being examined and being fully advised in reference thereto, I find that the prayer thereof ought to be granted.

Now therefore I, Alex. C. Ayres, Judge of the 19th Judicial Circuit and ex officio Judge of the Hendricks Circuit Court now order the said Thomas Carliss Guardian of the minor heirs of Thomas Carliss deceased, on behalf of his wards to join in the sale of so much of the timber growing on the real estate above described as may be necessary to enable the owners to erect a comfortable dwelling house for the use of all said heirs, said house to be 1½ story, constructed of frame and not to cost more than $700.00 and the Guardian is ordered to report his proceedings herein in his next current report."

Said affidavits being in words and figures following towit: (here insert.) and thereupon on motion of said petitioner and by order of the court defendants William A. Cutshall, Rosa Wheles, Xerins Wheles, Clara Hogan, Alivas Hogan and Minnie Cutshall were each by

the Sheriff three times kindly called and come not, but each and all of them make default in this cause, and thereupon on suggestion by said petitioner of the infancy of defendant Myrtle Cutshall the court appoints George W. by whom he left no children or other descendents all of said heirs being defendants in this cause and that there is due and unpaid said Laura Cutshall of the five hundred dollars allowed her by law, as such widow the sum of four hundred and twenty three dollars ($423.00) and that the personal estate of said James W. Cutshall is not sufficient to pay said sum to said widow and to pay the indebtedness of said estate, and that to furnish assets to pay the same it is necessary that all of said real estate be sold and that it would be more advantageous to said estate for said real estate to be sold at private sale and that notice of such sale is not necessary and the court finds and decides generally that the matters and things stated and averred in the petition in this cause are true, and thereupon the petitioner in this cause files and presents to the court for inspection and approval a bond in the sum of One thousand dollars with John O. Martin shows to the court that he is now the legally appointed and qualified guardian of James E. Day, Franklin A. Day and Flora Day who are the minor children

of Elizabeth Day deceased, that no money or property has come into his hands as such guardian, that his said wards are each entitled to the one tenth part of the real estate of said Elizabeth Day: that he is informed and believes that there will be due his said wards after the payment of all indebtedness of said estate and expenses of administration about twenty five dollars each from said estate. That said estate is now being administered upon and that said amount is now in the hands of the administrator. That his said wards are each the owner of the undivided one tenth interest in the South East quarter of the North West quarter of Section thirteen in Township Seventeen North Range two West in Hendricks County Indiana. York (9) years and reside with their Mother Ellen York in Oswego Kansas and that said minors are heirs at law of the estate of Samuel Fogleman deceased and that they are the owners in fee simple of the one eightieth (1/80) interest each in the undivided tract or parcel of land to wit: The North part of south west quarter of Section twenty three (23) Township two Fourteen Range one East and the North part of South west quarter of Section Twenty three Township fourteen and Range one East and the North East corner of South East quarter of Section twenty two in Township fourteen and Range one East containing in all one hundred and two acres more or less all in Hendricks County in the State of Indiana, and that the interest of said minor heirs is only one eightieth (1/80) part each of said one hundred and two acres of said land which is so small and tedious and expensive to sue often that your petitioner verily believes it to be to the interest of said minors Myrtie York and Clarence York that said real estate should be sold and that the proceeds of said sale should be put at interest for said minors until they become of age. And your petitioner therefore prays your Honor to order the sale of said real estate at private sale and appoint your petitioner to make conveyance to whomsoever may be the purchaser of the same provided said property can be sold at the appraised value, and your petitioner further says that under the present undivided conditions of said realty that the expense is getting away with the profits of said minors interest and upon his oath says that he verily believes it is to said minors interests to sell and dispose of said land and loan the proceeds of said sale as prayed for by said petitioner"

That the consideration and only consideration for which said real estate was conveyed and said deed therefor was executed to said Cynthia A. Thompson was natural love and affection and the promise made by the said Cynthia A. Thompson and her husband to pay said Squire Wade and Thurza Wade annually so long as they or either of them should live the sum the sum of twenty dollars ($20.00), the consideration of fourteen hundred dollars named in said deed not being the true consideration (or any of it) the same having

been stated and written in said deed through a mistake as was the lien stipulated for in said deed on said land to secure the payment of said fourteen hundred dollars ($1400.00 it having been the intention of said grantors and of said grantee of said deed to create a lien in said deed on said land to secure the said annual payment of twenty dollars ($20.00) and none other. That the aforesaid twenty dollars ($20.00) annual payment for said real estate for the year commencing with the date of said deed to-wit: August 4th 1887 was paid said Squire Wade in his life time and no payment has become due since then.

That said deed on said real estate as now appears in the Record of said deed is a cloud on said Real Estate that is damaging to said Cynthia A. Thompson and as said Squire Wade is now dead and there being nothing coming to his estate on account of said lien as it appears of record as aforesaid or as was intended by said grantors and grantee of said deed to secure the payment of said annual sum of twenty dollars ($20.00) therefore so far as relates to and concerns the estate of said Squire Wade said lien should be released.

Wherefore said Thurza Wade as such Administratrix asks the Court to order adjudge and decree that she make and execute to the said Cynthia A Thompson a good and sufficient release of said lien stipulated for in said deed as aforesaid. so far as relates to and concerns the estate of said Squire Wade now being administered.

Hamrick Guardian of Charles T. Hamrick a person of unsound mind and shows to the court that said ward before he was put under Guardianship had mortgaged his real estate to Connecticut Mutual Life Insurance Company for the sum of Sixteen hundred dollars, ($1,600.00) and that there is no fund on hand and none accruing beyond the expenses of his ward and necessary expenses of the trust, sufficient to pay of said mortgage. He shows to the court that his ward is the owner in fee simple of one hundred and fifty seven and one half acres of real estate in Hendricks County in the State of Indiana, which is heavily timbered with ash Oak and other timber. He says he believes it would be to the interest of the estate of his said ward to permit him to sell from said land timber to at least the value of One thousand dollars, to be applied on said mortgage. He says that after taking that amount of timber off of the land there will be amply sufficient left to carry on the farm, and not impoverish the value of the land, nor interfere with farming operations. "And he asks an order accordingly

"Thomas E Hamrick Guardian"

Subscribed and sworn to before me this 5" day of April 1888

"Enoch G. Hogate Notary Public"

And the court having inquired into the expediency of said sale of timber and being fully advised in the premisies finds that the prayer of the petition ought to be granted. It is therefore ordered by the court that said Guardian be and he is hereby instructed to sell from the land of his ward timber

to the amount of $1000.00 if he deems it expedient, and apply the proceeds thereof to the extinguishment of the mortgage mentiond in the petition herewith, and that he report his proceedings to this court after said timber is sold.

Guardianship of the minor heirs of Dillman Hadley deceased. Petition and order.

Hadley minor heirs of Dillman Hadley deceased and presents to the court and files her Petition as follows towit: "To the Hon. Thomas D. Sullivan Judge of said Court.

The undersigned respectfully states and shows to the Court that she is the Mother and guardian of the following named minors who are heirs at law to the estate of Dillman Hadley deceased, whose names and ages are as follows towit: Luther Hadley aged 17 years Oct. 18th 1887: Alvis Hadley aged 15 years Nov. 4" 1887: Beulah Hadley aged 14 years March 10" 1888: Smithie Hadley aged 12 years March 9" 1888: William Hadley aged 10 years January 1" 1888: Paul Hadley aged 8 years April 22" 1888: Seth T Hadley aged 7 years Oct 10" 1888.

That she has been appointed at the present Term of this court and given bond as guardian which has been approved by the Court: that said Dillman Hadley died seized of a tract of land in Hendricks County of about 200 acres, constituting one farm upon which is situated the homestead where said Guardian and all her children reside together.

Said Guardian further shows that said wards have an estate which descended to them from their deceased father consisting of money and of the proceeds of the personal estate, when the same shall have been administed amounting to probably about five or six thousand dollars, part of which has come into her hands and will be loaned out for the benefit of her said wards.

Said guardian would further report that the lands belonging to said wards and your Petitioner are undivided and she does not think it would be advisable to make partition of the same at any very early date: That she believes it will be to the best interest of said wards and absolutely necessary for their comfort that she keep and continue them all with her as one family at the homestead upon the lands belonging to herself and said wards

She further says that it will be inconvenient, and almost impassible, for her to keep separate and accurate accounts of the items of expense of each of said wards and likewise, impassible for her to account to said wards each separately for their probable proportions of the rents and profits of said land: that she believes the rents, use and profits of said land will be about equal to the pro probable cost of their maintenance and support and she therefore desires to use, control and keep all of said farm belonging to herself and said wards as one farm, and to maintain, support and educate her wards from the proceeds thereof, which she believes will be just and fair both to her self and said wards, for a year beginning at this date and ending March 1889.

And to avoid the difficulty and inconvenience of keeping separate accounts, as aforesaid, she prays the court to order and authorize her to so use and occupy the land of her wards. And she hereby obligates herself to give them reasonable and necessary support and maintenance during said year in consideration of the use and profits of said land. All of which is respectfully submitted." "Hannah Hadley"

And the court having examined said petition and heard proof in relation to the estate and the condition of said minors and being sufficiently advised in the premisies grants the prayer of said guardian

and it is now ordred that said Hannah Hadley as Guardian of said minors shall maintain and support all of her said wards in one home and family for one year from this date for and in consideration of which she shall have the possession, use, rents and profits of the farm

lands of said wards which form part of the farm whereon they reside. the whole farm estimated to contain about 400 acres situated in Hendricks County Indiana for said period of time without requiring said guardian to keep any itemized account of the expense of maintaining her said wards and also without requiring her to account further for the use, rents and profits of the lands of said wards. and this guardianship is continued.

The claims against said estate pending and allowed amount to the sum of $133.15 and that there are just claims against said estate that have not been filed and allowed but that ought to be paid amounting to the sum of about $387.00 including the expenses of administration as follows:

Comes now the administrator by Enoch S. Hogate his attorney and shows to the Court the affidavit of J. C. The administrator also files an affidavit from which it appears that he posted in Liberty Township where the real estate mentioned in the petition is situate like notices in three public places.
