The order for this loan should have been issued Apr. 26/72 but through neglect or otherwise it was not issued until the next fiscal year in which order No 2516 was issued (June 14/72) This causes a showing of Receipts on account of Borrowed funds to be \$500.00 in excess of Disbursements on a/c of said fund for fiscal year, 1871. which is erroneous.
